“I saw Joseph Ratzinger murder a little girl”: Eyewitness to a 1987 ritual sacrifice confirms account of Toos Nijenhuis of Holland

New Evidence of Vatican’s guilt prompts Italian politicians to confront Pope Francis as next Common Law court case is announced – The Papacy retaliates with global “black ops” attacks against ITCCS

A Breaking News Summary and Update from ITCCS Central, Brussels

Monday, October 28, 2013

The criminal prosecution of yet another Pope came closer to reality this month as Italian politicians agreed to work with the ITCCS in a common law court action against the papacy for its harboring of a wanted fugitive from justice: deposed Pope Benedict, Joseph Ratzinger.

The agreement came after a new eyewitness confirmed the involvement of Ratzinger in a ritual child sacrifice in Holland in August of 1987.

“I saw Joseph Ratzinger murder a little girl at a French chateau in the fall of 1987” stated the witness, who was a regular participant in the cult ritual torture and killing of children.

“It was ugly and horrible, and it didn’t happen just once. Ratzinger often took part. He and (Dutch Catholic Cardinal) Alfrink and (Bilderberger founder) Prince Bernhard were some of the more prominent men who took part.”

This new witness confirms the account of Toos Nijenhuis, a Dutch woman who went public on May 8 with her eyewitness account of similar crimes involving Ratzinger, Alfrink and Bernhard. (see: <http://youtu.be/-A1o1Egi20c>)

Soon after his historic resignation from office last February 11, Joseph Ratzinger was

convicted of Crimes against Humanity on February 25, 2013 by the Brussels-based International Common Law Court of Justice, and a global citizens arrest warrant was issued against him. Since then, he has evaded arrest within Vatican City under a decree of the present Pope Francis.

The surfacing of this new evidence of Vatican complicity in child murder has prompted a group of Italian politicians to agree to work with the ITCCS in confronting the papacy with a common law court case against the present Pope Francis, Jorge Bergoglio, for his sheltering of Ratzinger and his own complicity in war crimes. The politicians had been in closed negotiations with ITCCS representatives since September 22.

“We are looking at revising if not abolishing our country’s Lateran Treaty with the Vatican, whose actions in harboring child rapists certainly meet the definition of a Transnational Criminal Organization under international law” stated a spokesman for one of the politicians.

In response, during the same week of October 7 when these new allegations surfaced, the Vatican commenced a series of attacks against ITCCS groups in Europe involved in documenting the church’s involvement in cult ritual murder.

Paid operatives sabotaged ITCCS work in Holland and Ireland during that week, and on October 14, the main ITCCS website was destroyed by the same saboteurs.

Political sources in Rome have revealed that these attacks were paid for and coordinated through the Office of the Vatican espionage agency known as the “Holy Alliance” or The Entity, and its affiliated “dirty ops” bureau, the Sodalitium Pianum, established in Rome in 1913. They also involved the agents of the Papal Nuncio to Holland, Archbishop Andre Dupuy, who made direct contact with two of the saboteurs, “Mel and Richard Ve”, and with the Archbishop of Dublin, Diarmuid Martin, who likewise paid bribes to disrupt ITCCS work in Ireland.

“Obviously the Vatican is panicking. This is a good sign” commented ITCCS Field Secretary Kevin Annett today from New York City.

“The political tide has shifted against the church, and it’s no longer possible for child killers in robes to hide behind the Lateran Treaty. And in its death throes, the church hierarchy is using its usual methods of lies and misinformation to shift the focus off its own criminal guilt.”

In response to this breakthrough and to the renewed attacks on its work, the ITCCS Central Directorate in Brussels has today made the following announcement to the world media and to its affiliates in twenty six countries:

1. During November, our network will convene a global press conference in Rome with Italian politicians to announce a new phase of our campaign to disestablish the secular power of the

Vatican. This campaign will include the launching of a new common law court action against the present Pope Francis and his agents for complicity in Crimes against Humanity and cult ritual murder.

2. To safeguard these efforts, our main website at www.itccs.org has been restored and protected with new security features. In addition, henceforth, all ITCCS sections will operate under an official Charter which all members must sign and swear to. A copy of this Charter will be posted at itccs.org and circulated to all our sections.

3. For information purposes, our former television site at www.itccs.tv has been compromised and seized by the paid operatives known by the aliases "Mel and Richard Ve", who are acting in deliberate opposition to the ITCCS to blacken our work and the good name of Kevin Annett, our Field Secretary. Neither "Mel and Richard Ve" nor the itccs.tv site are affiliated with nor in any way represent the ITCCS.

4. Jorge Bergoglio (alias Pope Francis) and other officials of the Vatican are now under criminal investigation for heinous offences involving the trafficking, torture and killing of children. We advise all persons to refrain from assisting Bergoglio and his agents under pain of summary conviction for participating in a proven criminal conspiracy emanating from the Curia and the Office of the Roman Pontiff.

Please stay alert for further announcements and actions.

Be wise, be patient, be cautious, and stand with Gods laws and teachings. Deceptions have become the norm and the temptations to be mislead into breaking Gods laws and teachings are everywhere. Be careful as THEY(The Hierarchy Enslaveing You) will create problems in order to solve them with solutions that further empower Lucifer, and his followers. They deceive people into serving him with Sex, money, matierialism, fear, drugs and escapism. It is their goal to decieve as many good and relatively good people into participating in evil thoughts and acts. They have no power except what you give them. Simply stop giving them anything! Fight only in TRUE self defense as they use wars, unrest, financial strife etc to turn you away from the good we can create by removing power from them. They want you to focus on negativity and the evil selfish world they wish to create. You must resist and focus on a world filled with truth, good, selflessness, and true love. A prosperous world under Gods perfect laws given to us all by the most advanced and intelligent being in existence. The further we get from Gods laws the more strife we endure. Don't be mislead by the so called leaders, rulers, organizations etc. Pray to God directly and seek and find his laws and you will survive and prosper. jah truth . net

Pope St. Felix III stated clearly what we must do: "Not to oppose error is to approve it; and not to defend truth is to suppress it; and indeed to neglect to confound evil men, when we can do it, is no less a sin than to encourage them." With that charge, are we to stand idly by when we see what has happened to our beloved Church?

This is by far the most shocking, and damning evidence I have every read about a living high ranking member of the Vatican. This story must go Worldwide, and means that it is imperative that the Informant must now, with great haste, make a full and Public disclosure of themselves, and also the exact detail's of this Murder, Location, and all known participants and living Witnesses. It may be the only way to keep them alive , now that you have broken this horrific Story. Needless to add that this Story is now far bigger than yourself, your Organization, and even the Informant. Kevin, I have been following you for a couple of years, and I was so happy to see that you were really going somewhere. I downloaded and printed out the Decree that was posted on many church doors, I watched the videos of people demonstrating in front on churches in Ireland. More and more was being revealed about abuses, deaths and cover-ups. I thank you, for bringing so many atrocities to light, cause when you shine a light on something, it becomes more visible.

You have all of my support in your efforts and I will continue to share and spread the news of your work.

Like many, I was baptized catholic, but had to leave the church, due to its secularism, due to scandals and lies and cover-ups. Its against everything I was taught to live by. My spirit was not able to accept such behavior as forgivable.

When we look at history, and look at the crusades that were conducted... that right there should have raised many red flags. We need to teach our children the truths about this world, so they may better arm themselves with knowledge instead of ignorance.

God Bless You, Kevin.
Peace and much Love,
Aldona

I think its a poor excuse to leave the church based on what a couple of rotten apples have done. I'm a catholic and my faith hasn't changed a bit despite all the scandals and some poorly constructed lies to discredit the church. There are teachings that contradict my own values so I choose not to follow them but to blame the killing of those fetus on the church is just ridiculous. Remember, the church is represented by the people and people are subject to sin and personal bias, that goes to include the priest, bishops, cardinals and even the pope. In my opinion and from what I've seen, clergymen in the west can be a little extreme and sometimes fanatical in their views but I hope that doesn't drive people away from their religious beliefs. For me, being a catholic is a relationship between myself and God and I am not gonna let poor human decisions, mistakes and sin disrupt my spiritual relationship. One other thing I've learnt is I used to seek advice from my church priest when and still am in uni studying is that it is an ADVICE or rather I'd call it an alternative opinion from a fellow human being of religious background. Many people feel so troubled by differing opinions of the clergymen because we have grown to treat them as sinless immortals, once we look past that, I believe we will see what it means to be a catholic or any other religion in a different light.

The Church is power, and men love power. Follow the money is always a good piece of advice, and you will see all manner of evil. I was raised in RCC, know many good Catholics, and most are very ill informed of church history, politics, what the bible says, after all when was the last time your priest asked you to open your bible and turn to..... No, they give you a print out and tell you some nice

They have made void the law and believe can tell God what's what, it's in their own Papal Bulls and instructions regarding priests role.

The Bible says, "My people perish for lack of knowledge" and if you ignore this, it is to your own peril. The truth can hurt, but the good physician is there to heal and I give you this as hard medicine:

In 2001, most likely in the Alpes Maritimes & very likely between mid-may & mid-august, France was plagued with rumors among the secret services that the public masses never heard about unfortunately. Each year, a great satanic ceremony was settled in a Templar castle in Cagnes sur Mer by & for the English Royal family.

The cream of the Satanist elites was to be present including many members of the MI5 & MI6. The program included orgies, tortures & murders of a high number of children & adults. Thus, they needed a great quantity of preys that were locked down in the basement, where the rituals also took places. Let's add all these people were completely

What happened in 2001 is that many victims actually escaped [10]. This caused a great mess in the surrounding countryside & also the intervention of the local police. They called the English military which expatriated the English Royal family members, especially William & Philip, hidden until the waist under potato bags[11]. This way, most of the French cops & the English military men present never knew who the people were swiftly hidden away in the back of an anonymous van.

Apparently many English Satanists are under the threat of blackmail which costs them a lot since this affair came out.

Why don't we, the good people have any right to know anything about this story & furthermore about all the geopolitical consequences as we still seem to bear its aftermath 12 years later? Now it is clear that nothing has changed, as impunity reigns over those cocaine-addict psychopaths who rule the world."

"Stan Maillaud is the grand son of Pierre Maillaud (also called Pierre Bourdan), former resistant. Pierre Maillaud is the origin of "the French Agency Independent", London. Politician and journalist, he talks to Radio London (BBC) from July 1940 to June 1944, participated in the program "The French people speak to the French people." He became minister of culture after the war and prepare a draft law on the status of

“Christian Maillaud (Stan) is the voice of London’s grandson, a former policeman who is involved in chasing paedophile’s rings. He is currently on the run being sought for doing the right thing (“Affaire Vincent”) and has disappeared since September 22nd this year in the most suspicious circumstances.

- September 22nd 2012 : Disappearance of Stan

He along with his team was investigating a paedophile-Satanist ring in Amancey in the area of Besançon, East of France. He unfortunately had to run away while being checked “randomly” by the police. At that very moment Janett Seeman (his partner in life) and Jeremy Lehut (investigator) were meeting in secret the witness and victim. Jeremy and Janett are the only persons to whom the victim has accepted to make a statement.

Janett reports the Stan’s disappearance through a web alert.

- October 20th 2012 : Amancey Meeting

Meeting and public conference for the support of Stan Maillaud and his team has been held in Amancey. It was the first international meeting on the subject of paedophile criminal rings. This meeting was part of a long investigation report that followed the first film titled (“Les Réseaux de l’Horreur”) which was a report on the powerful protection that these paedophile rings obtain from inside the French State itself. Notes: The Amancey victim seems to be the 9th person to testify about the framework of this report. Three uncut auditions are already online: Veronique, Helene, and Sandrine (View in French:

– October 23rd 2012 : The arrests of Janett Seeman, Jeremy Lehut, and Sandrine Gachadoat

The Sandrine’s file has been the excuse to justify the arrests of Janett, Jeremy, Sandrine and more people just after they gave a public lecture

this committee of support. Janett and Jeremy were supposed to meet up again with the witness the following day in order to record the interview. The Belgium MP, Laurent Louis, had already given his approval for a Belgium protection for this witness. This victim is an adult and therefore remains free of her whereabouts.

- November 08th 2012 : Jessica X's message

Jessica X's message explains so well Stan Maillaud's reasoning and the steps to bring a shocking proof in his documentary, like a child rape. Jessica says she is ready to hand herself to the justice under the charge of complicity of criminal conspiracy.

Note: These heroes have been depicted as criminals planning to rapt children from malevolent people, and it has been easy for them to do so. A general outlook of the situation shows that Stan and his team are very inconvenient for the high powers in place. Such a rebellion could not be let to happen.

Fabulous work Kevin!

Yet again David Icke is being proven correct as he has been talking about these things for many years.

The truth will always come out eventually!

With great respect,

The devil used his most formidable army to try to destroy the catholic church by infiltrating her slowly since about 1930's. It is the apostate church set up to ape God's true catholic church and Our Lady of Fatima warned us about this awful deceit..They have the church but we have the true faith . I wish he would attack the protestants and leave us alone but he knows where the true church is and he will do all he can to make mankind believe the true church is in the Vatican,

yeah... this is why one should NEVER give their God given powers and faith over themselves to any other human. ever.

i have always believed that since i was a child.

no human should have power over another human... PERIOD!!

and that includes the evil governments and religions, who basically are just control systems for people's minds. they just conditions people from childhood to FEAR a head religious or government figure and their "rules" to make sheeple out of us.

and you know what authority religious and government figures need sheeple for right?

blood sacrifices, to the entity they REALLY worship (satan).
