Some might see this as **the perfect male fantasy**...some of the most beautiful women in the world turned into robotic willing slaves for your pleasure and profit, believing their sole purpose in life is to serve **ONLY you and your Occult-Masonic brethren**. Could you inflict or witness the gut-wrenching ritual rape/torture these women poor souls are subjected to since childhood in order to create dissociative identities?

*Think about your wife, daughter or young child under your care being forced to submit to this and other sadistic forms of ritual sexual abuse to condition her mind into total subservience, turning her into a Marionette Sex Doll. Think about her being abused her entire life by degenerate Prog'mrs/ Handlers, because that is what we're dealing with here. Global Management Team Players masquerade as upstanding people, pillars of the community, devout clergy, disciplined military leaders, brilliant medical practitioners, astute academicians, captains of industry, worldly financiers, responsible gov't officials who are above reproach. features blatant use of base MK programming used to “spin” (switch alters) her before live studio audience howling in laughter. Her programmer is an Air Force psychologist (read MK Prog’mr) who “spins the Kitten” to his delight. The MK’d set design is obvious, even in black and white. This show served as test module for similar shows to come like [Bewitched w/Elizabeth Montgomery](#) & [“I Dream Of Genie” w/Barbara Eden](#). Dialogue is replete w/double entendres and Occult-Masonic coding. Julie displays obvious dissociative states as her handler/programmer smugly uses her for a variety of gags, demonstrating how easy it is to control a human robot. MK’d BETA Sex Slave Kittens are often multi-talented; singers/dancers/musicians etc. **The more “alters” (resultant from extreme torture) the more useful to Global Mgt. Team as tools of distraction, change agents, drug mules and couriers of coded Intel. How many people suspect their favorite Hollywood starlet is actually a Mind Controlled Slave enduring unimaginable ritual torture?**

The show opens w/blatant Occult-Masonic symbolism. **Julie went on to star as Catwoman in the original Batman television series, w/ MK’d “Kitten” or “Cat” alters in full effect. Another badly kept Hollywood secret is that every actress to play Catwoman in Batman series has been a Monarch Prog’md Multiple — Julie Newmar, Eartha Kitt, Lee Meriwether, Michelle Pfeiffer and Halle Berry —** another poor soul and obviously traumatized MK’d Beta Prog’md Sex Kitten. Who can forget her arrival on red carpet, resplendent in her **“emerald green”** bejeweled MK’d Kitten wear; the first woman of color to receive **Best Actress Oscar for “Monsters Ball”** where she was **traumatized on screen by Billy Bob Thornton?** What we think is “brilliant acting” is NOT — ***we’ve been munching overpriced crap while witnessing reinforcement of deep trauma-modes on-screen, presented as entertainment — Hooray For Hollywood!*** Since the 1950s, these vile Zionist beasts in Hollywood have been reaping obscene profits, laughing at us, as we watch them repeatedly reinforcing trauma — ***Have you noticed Hollywood directors just love rape scenes...***

Team) until she “flew too close to the flame” and had to be eliminated**. She is the prototype Hollywood mega-starlet and continues to be a Monarch Slave model for up-n-coming wannabe mega-stars. **The Material Girl (Madonna) began her meteoric rise paying homage to Marilyn's “[Diamonds Are A Girls Best Friend](#)” w/[her send up](#)**. I’m from the street and this sh\*t sounds like it makes sense to me!!! I don’t understand why we have such a strong devotion to the Government and the entertainment industry anyway. Just cause they come into our home through television everyday. We don’t really know these people or what their backgrounds are. Then we come on sites like these and defend politicians and TV Stars like they’re are blood relatives. The TV has us indoctrinated it was invented as a propaganda device. If you think these so called conspiracy theorist are full of it, then here’s a test, turn your TV off for a month. Educate, entertain and inform yourself , then come back and give me your opinion on conspiracy theory!

have decided that commentary from owner/moderator of therr.posterous.com (“RR”) henceforth is not welcome, nor will be posted on this site. For reasons unknown, RR and associates have chosen, more than once, to personally attack ITK7 and partner EK in various ways. The details (which we’re prepared to release if necessary) will remain confidential; suffice to say the attacks were baseless and unwarranted. In the spirit of forgiveness ITK7 agreed to “bury the hatchet” and EK ignored the harassment in the form of defamation, yet it continued.

**We hereby demand RR and associates “cease and desist” from any further harassment, defamation and or attempts to contact ITK7 or EK.** Commentary posted on this site by RR as of August 5, 2011 will remain as moderator considers them useful in exposing inner-workings and belief system of Global Management Team. We (ITK7 and EK) will have no further interaction with RR, his associates or those representing him.

No further statement will be issued regarding this matter.

I’ve noticed that a son of Michael Jackson has popped up claiming he is not the son of Michael Jackson. He is currently age 25 or something, but there’s something very interesting about him. If he is not the son of Michael Jackson, why is he wearing black, red and white (especially the trademark red sneakers he wears [like Justin Beiber does]) This highly suggests that he is MK’d. So why would he need a “handler” and why is he wearing MK clothing if he is not actually an offspring of MJ? For some reason this also very suspect because many believe he is not MJ’s son, but why so much trouble into programming him?[He wears red sneakers, red scarfs, lots of black and red ensembles]

a “sex kitten” is an adult female pedophile.

the very core of all of this is exactly and precisely that:  
PEDOPHELIA.

HARD-WIRING, sex is a DRUG. each beating & orgasm FEEDS whatever belief / idea is being instilled. the ideas that are FED, SURVIVE. the ideas that are STARVED, DIE.

about demi moore; her facebook page, Demi & Ashton Foundation, is AGAINST human trafficking (which we all know is about the sexual abuse, enslavement and exploitation of youth and minorities).

BIG \$\$\$ ... BIG fame ... BIG life. the more \$\$\$ you have, the more likeable you are... the more you get away with whatever you want, regardless of how bad you really are. could you imagine demi on her knees, lapping the twat of an 8 year old and LOVING it?

With all that's going on in the news, perhaps now is the time to expose Demi Moore for the mind controlled slave that she is. Everything from her upbringing (born in Roswell, New Mexico), to her military father, to her marriage to Bruce Willis (avid Bush supporter and USO performer), to her programmed characters in Striptease and G.I. Jane to her strange exodus to Idaho for about 10 yrs. (reprogramming?) to her re-emergence as a morphed persona ( via plastic surgery), to her ties with Kabbala, to her questionable marriage to Ashton Kutcher, to her DNA foundation (which appears to me a CIA front) and not to mention her bizarre and disturbing collection of dolls (3,000! including Barbies and G.I. Joes), speaks to me of a woman who has been continually programmed and exactly what the agenda is behind it all I am not sure.

If anyone could get to the bottom of this rabbit hole, your website can.
