Gosch self-published a book in 2000 titled Why Johnny Can't Come Home. The book presents her understanding of what her son went through, based on the original research of various private investigators and her son's visit.

"This case is *SO MUCH BIGGER* than you think. It goes to the very HIGHEST levels; we have to keep pulling the strings."  
—William Colby, Former Director of the CIA, Investigator of The Franklin Cover Up

"I can state without hesitation, that there is, indeed, a national cult network including satanic, witchcraft, pedophile and occult groups, which is operating at full throttle within our society today. The activities of these groups include the kidnapping, molestation, torture and murder of children. Their favorite victims are children and newborn babies: the younger, the better.

"The cult thrives on drugs, pornography and prostitution. The cult network is responsible for a violent rash of 'snuff' films, which are sold at high prices to people who crave this sick,

degenerate material. Children are kidnapped and literally 'owned' by the cult and are sold on the open market to the highest bidder. These children are taken right off the streets of our cities, and traded through a national pedophile network."

"*America's Most Wanted* was about to air the Johnny Gosch Story. I received a call from Paul Sparrow saying 'The FBI contacted them and told them to KILL THE GOSCH STORY.' In other words, the FBI did not want Johnny's story aired by *America's Most Wanted*. John Walsh and Paul Sparrow stood up to the FBI and told them they were going ahead with our story no matter what they said or did. The FBI evidently backed down because the show aired November 1992. The show received more telephone calls from the public than any other show in its history."

## CIA Programmers Creating a Mind Controlled Slave:

## MKUltra Programming Via Extreme Torture & Sexual Stimulation Done By Bush, Sr., Carter and Bill Day@13

BY [ADMIN](#) · JANUARY 14, 2020

MKUltra programming Via Extreme Torture and Sexual Stimulation: This is part of the actual Programming done to Randy Turner as a teenager.

This occurred in the late 70s Jimmy Carter was president at the time.

George Bush Sr. was CIA director or running for office at the time. They came into the bedroom of the house I was staying in with Marcheline Bertrand. I had went on a white house tour about a week prior and had to defend myself from Bush Jr. for telling him to get away from some kids in our tour group that he was perving out on.

Jr had grabbed two of them and rubbed their heads against his crotch.

I told him to get away from the kids and he said Randy I like you boy as he walked walking over and placed his arm around my shoulder then he sucker punched me in the gut.

I bent down from the punch to my gut then stood up hitting him with an upper cut to the chin knocking him down.

A kid named Paul Bonacci was with Jr.

Our tour was passing through the kitchen at the time where George Jr. and Paul were getting something to eat.

Bush Jr. stood up after I punched him and said oh! Randy's a fighter! Then he came at me and I rabbit punched him about 5

times in the face before he could throw a punch and he went down.

I grabbed the kids and told Jr to stay down or he would end up in the hospital. He stayed down till I left with the kids and we caught up to the others in our tour group. Jon Voight was part of the group ahead of me and found out what happened. He was afraid Bush Sr. who was CIA at the time would be mad at him. He invited me to the billiards room and as I opened the door I was hit in the face with a beer mug cracking one of my teeth. I got up and started going towards Jr but Voight stopped me and said it was over you got Jr. and now Jr. got you back so it ends here! Voight set the whole thing up so the little punk could get a cheap revenge shot in. which ended up cracking my front tooth at the root leaving me with a dead tooth.

Randy Turner explaining the torture and how they create one or more of his mind control alternates.

Not to be confused with Multiple personality or Dissociative Identity Disorder. Though they use techniques that have been found to be the cause of DID it is not the same.

A MKUltra must be activated via drugs and Alternates called out by a handler whereas a DID or MPD will have a multiple come out due to something traumatic occurring:

(Randy is talking about being held down and tortured by Bill Day, Photojournalist, ex-President Herbert Walker Bush and ex-President Jimmy Carter) Randy replied that all these people were a bunch of sadistic psychopathic perverts.

**Randy Turner's Account of Sexual Abuse by Bill Day, Jimmy Carter and Herbert the Pervert Walker Bush when he was around the age of 13-14.**

Maybe a week After I had beat Bush Jr. up during our white house tour I am laying in bed and wake up to Bill Day walking into the room.

He sat on the bed to my left and grabbed my left arm then G.H.W Bush walks in and then {Jimmy} Carter walks in and I was thinking wtf is the president doing in my bedroom?

Carter gets on the bed and grabs my right arm and I believe they shoved these long cardboard tubes on my arms which were to make sure I wasn't able to fight back.

Bush says I heard what u did to my boy you son of a bitch! Bush reaches down and grabs my testicles and starts crushing them.

I was begging them to kill me the pain was so bad and I must have passed out from the pain.

Bill Day was saying things into my left ear as Bush was torturing me, something about not trusting cops or authority and at some point I passed out.

I recall coming to looking down and seeing poppy sucking on my penis.

Carter was saying something into my right ear as Bush was trying to stimulate me sexually; he was saying something about sex with boys, girls, young or old is all good like he was trying to convince me nothing was wrong with sex with young kids with older women and men. I don't recall what all they programmed just the beginning of it and the rest is a blur.

This continued for what seemed like an hour or more but during one of my court trials Bush claimed I popped within 15 minutes.

When being tortured to this extreme 15 minutes can feel like an hour.

The (popping) is what happens when the brain is unable to deal with the pain it makes a physical change and when this occurs you feel and hear a popping sound in your head.

I am no expert on how it works but I do recall some medical professional explaining it during my court trial saying the brain can physically alter itself to stop pain receptors in some people.

This popping noise is that the victims hear and feel in their head.

It is at this point the Alternates are created.

These Alternates are given names and have completely different personalities from the person being programmed.

The drug they use (Adrenochrome) allows the programmer to feed information into the subconscious and when the drug wears off the victim will have no memory of what took place or a very vague memory of something but usually will relate it to a dream or nightmare they had and not reality.

Comment: Mind Control is essentially a Rockefeller/Rothschild Zionist project and done on military bases in conjunction with the CIA primarily. The Rockefeller's/Rothschild's consider themselves 'Jews' but are the Synagogue of Satan and mind control is a Satanic project.

**Comment: The Secret Society Programmers included the three above: Bill Day, Photojournalist [and Angelina Jolie's Mom's drug dealer], Herbert the Pervert Bush[another drug dealer], Jimmy Carter and the Monster Programmer Lucky Holiday in Hollywood amongst Many others: Lawyers, Doctors, Colonels, Psychologists from Renowned Universities, etc. They use**

HERBS and hallucinogens and about 400 other drugs along with HUMAN HORMONES/Endocrine chemicals to make the programming stick and drug induced behavior last. They Mix these herbs with human hormones like OXYTOCIN to bond slaves to their HANDLERS/CONTROLLERS. They want to ERASE memories and Devil's Breath Erases Memories so without doubt it would be used. The Programmer's and Behavioral Psychologists Admitted to using HYPNOSIS to create multiples and Erase Memories.

Example: Oxytocin makes a man aroused and plays a role in ejaculation. Combine this with Spanish Fly & Programming the Unconscious to induce a sex slave to have sex with old women in D.C. he ordinarily would not want to have sex with. Dose a slave's Alternate with Oxytocin daily to bond him with his handler along with hypnotic suggestions and reinforcing hypnotic sessions, etc. Dose a SLAVE with Oxytocin to bond him and "Make him fall in love with his Satanic Handler.." Get the Picture?

This was because oxytocin is not unlike the drug ecstasy, which triggers the release of serotonin, dopamine and oxytocin in the brain and heightens users' feelings of trust and intimacy, even among complete strangers.

**SCOPOLAMINE Would Definitely Be Used on Slaves to Make Them Compliant:**

### **Intoxicating Effects of Scopolamine Misuse**

Devil's Breath intoxication can mimic the effects of other substances – *particularly alcohol or hallucinogens* – but to a more pronounced degree:

- Extreme relaxation, to the point of "being out of it"
- Confusion
- **Docility** – **uncharacteristically compliant or open to suggestion**
- Hallucinations
- Amnesia

Oxytocin is also known as the [love hormone and bonding hormone](#). The nicknames are fitting as oxytocin helps strengthen the bond between mammals — especially mothers and their babies.

Comment: CIA Programmers use Oxytocin human endocrine chemical to bond slave to Handler.

Comment: ANYTHING inducing AMNESIA the CIA Mind Criminals/Controllers Would Definitely Use. Mind Programmers such as Bill Day, PhotoJournalist, Herbert the Pervert Bush and Jimmy Carter the Sadist President. ALL PRESIDENTs MUST be willing to murder children so guess where they all come from? Secret Societies. It is alleged that to be a 33rd Degree Freemason you Must be willing to Murder a Person. I believe it. ALL Programmers are Pedophiles; One has to be one to be able to sexually stimulate a child involved in “programming.” Kinsey’s perverted sexual stimulation studies on children were done with the CIA. CIA admits to using scopolamine.

“ *These effects are so strong that scopolamine has at times been used by governments as a “truth serum” during interrogations. The CIA says that American police were experimenting with it in 1922, and its most recent use was by the Czechoslovak government in 2008. This use was largely discontinued, due to the negative side effects. According to the CIA, sometimes even the threat that scopolamine was going to be used resulted in the suspect confessing to their crimes.*

Fritz Springmeier has heavily researched Mind Control and his pdf books are readily available for free on the internet.

## Insider Comments on Nelson Rockefeller Assassination by 13 Year Old MKUltra Programmed by H.W. Bush & Others

[19 hrs](#) ·

David Rockefeller had his brother Nelson assassinated via poisoning by a 13 year old MKUltra which G.H.W Bush programmed to poison him. Nelson was going to run for president and David didn't want Nelson in because he couldn't control him. After Bush had Nelson assassinated David went back on his promise to make George president and instead chose

Reagan as President and George VP. This led to George using the 13 year old MKUltra to frame David as taking part in drugging and t...[See More](#)
