The first part is a reblog from Fiona Barnett's valuable old blog post [\[1\]](#), no longer available, but now reconstructed from the archive [\[1a\]](#), then some of my discussion.

Just for information for those only subscribed to substack, since I last posted on substack I have posted twice on wordpress where the gallery feature is far better for photographs. All my *Spot the Symbolism* series will be posted there...

It was from Fiona that I first learned about the Eastern Star from in 2015, when she started publicly whistleblowing, and she drew Antony Kidman's charm from memory. My Story Fiona Barnett – “Hang on for the Ride” [3]

Following is now the reconstruction of Fiona’s post on the Eastern Star.

Cabala, Eastern Star and MK Ultra by Fiona Barnett

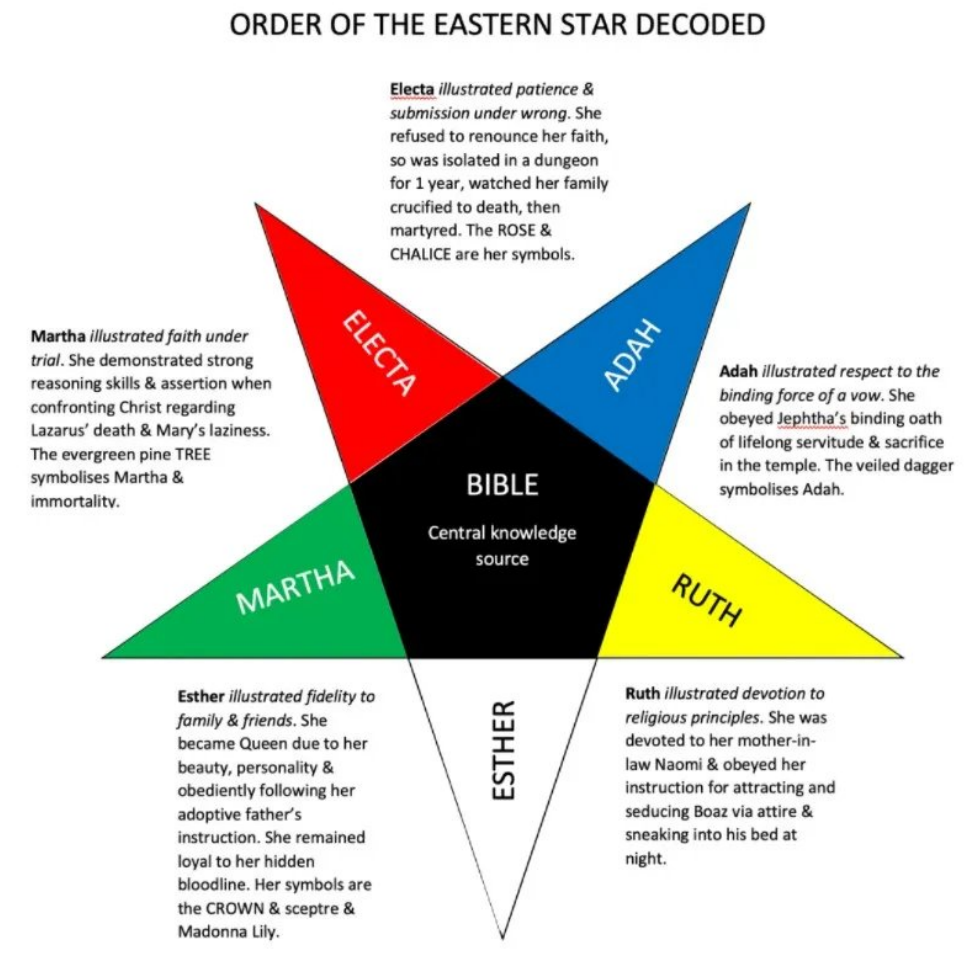

The Rosicrucian Order is a secret religious cult that stemmed from ancient Babylonia. It was the basis of the OTO, Hermetic Order of the Golden Dawn, the Theosophical Society, the Order of Freemasons and its chick side-kick, the Order of the Eastern Star. Combined, all of these religious cults are referred to as a global hierarchy called “The Order.” They are all based on the Cabalistic Tree of Life, feature the worship of ancient Egyptian, Greek and Roman gods, and share related symbology including the Star of Osiris pentagram.

When first formed, the Order of the Eastern Star symbol featured the names of 5 goddesses as follows:

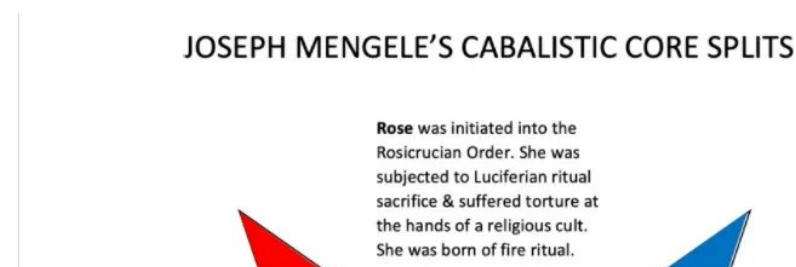

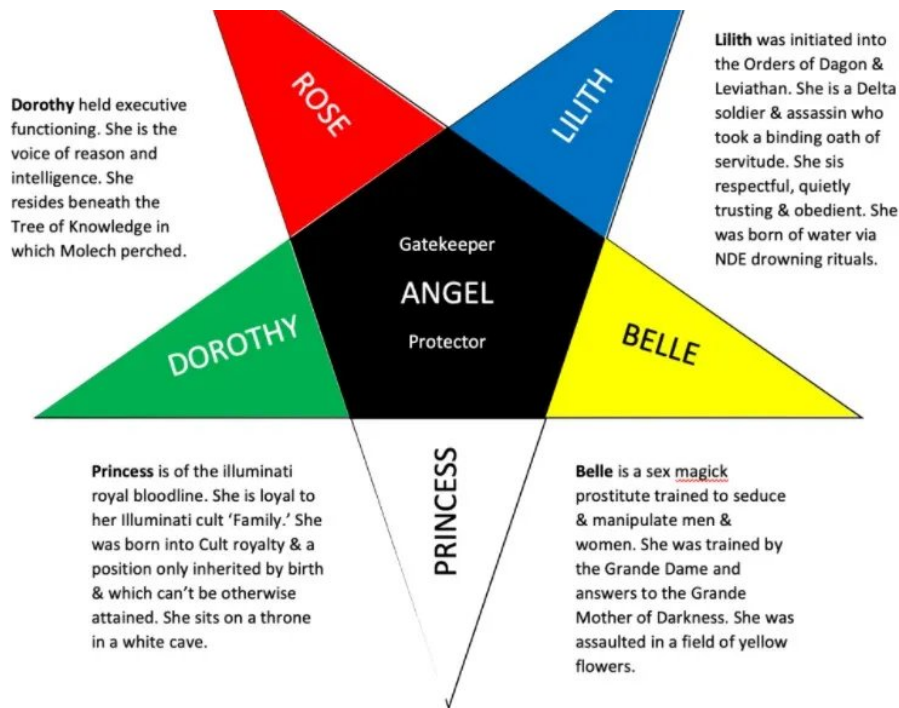

28 years after the Order of the Eastern Star was formed, its founder changed the named of the goddesses to something that better appealed to, and could hide within, our Judeo-Christian culture: five biblical characters, as follows:

Now here is a previously unpublished secret: The Order of the Eastern Star pentagram characters **perfectly match** the initial MK-ULTRA programmed splits created by Nazi Joseph Mengele, as follows:

Mengele's overall MK-ULTRA programming structure was based on the Cabalistic Tree of Life, as Fritz Springmeier explained here:

Systems

Now we will go into the various systems that are programmed in. The Programmers place into their slaves a combination of the following standard systems to make up the victim's programming:

- Cabalistic Tree of Life
- Carousel
- Castle
- Cave and well
- Chess Board
- Double Helix
- Flowers
- Helix
- Hour glass
- the Mensa system
- Pentagram
- Pool of Death
- Potter's Wheel
- Puppet System
- Solemetric
- Spider Web
- Spiritual structuring
- Stairwell
- a Telescoping system
- Tornado System
- Umbrella

Also an internal timing clock (system) keeps time according to the rotation of ritual dates, which helps "justify" the SRA, for "it's that time of the year." Just a quick note: different programmers have different preferences for how they do things. It also may depend on what site they are using for the programming. Drugs and videos are frequently used to get the person to adopt the script they are to accept internally. However, harmonics and electronics are increasingly being used. Ritual and magical ceremonies may or may not have rigid scripts.

The Pentagram Pattern

A. Cabalistic Tree of Life

While the Cabalistic Tree of Life means little to most people, it is a very important--essential structure for Illuminati systems. Therefore, in describing how these systems are built it is important to describe this crucial magical tree. The reason all these following

items such as Trees of Life and goddesses are placed into slaves is because THESE SLAVES ARE PART OF HIGH LEVEL SATANISM.

Because the word Cabala is a word originating in the Middle East it can be spelled with a Q, a O, a K and a C. All

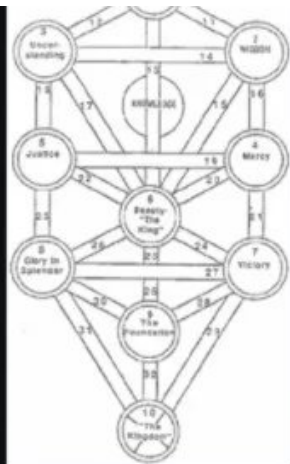

The slaves are a reflection of the world view of their programmers. You and I wouldn't bother with all this because we are not into magic. That we find ourselves reporting all this, does not mean we endorse any of this. We don't. But the programmers didn't ask us what to place into their slaves. If you have a low tolerance for understanding the Illuminati's cabalism, skip on down to the Carousel system.

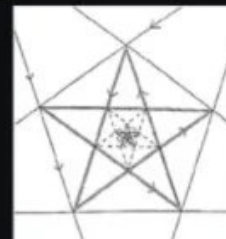

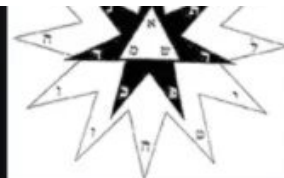

The Cabalistic Tree of Life is put into upper level Illuminati slaves. It is a very deep program laid in at about section (level) 11.

The Cabala is the basis of

- a. Freemasonry
- b. The magic of the Illuminati Monarch programming
- c. The key to the spiritual mysteries of the Scripture (according to Caballists).

these spellings are O.K. It can be spelled with one b or two, etc. Golem in the Cabala are ancient medieval mind controlled slaves--are these precursors to what we have today? WHO liked to program this? Mengele, and Wheeler (Dr. Green & Dr. Black) were skilled in the Cabala, especially Dr. Green (Mengele). Some of the Rothschild programmers have been too.

Mengele learned from the leading Jewish Kaballists, during concentration camp days--Mengele himself was an Ipsimus in Illuminati. Undoubtedly, it is standard programming and many other Illuminati programmers must be doing it too. WHAT is it? The Cabala is synonymous with Hermeticism or Hermetic magic. The Cabala was jewish-babylonian magic. The jewish black magicians brought it to Europe. It began to get widespread notice in Europe after Enlightenment period. The great pyramid according to the occult is a symbol of the Cabalistic Tree of Life--the branches of the tree form the four streams or lines to the base of the pyramid. Because the Cabala is the basis of their hermetic magic, Illuminati systems will be fairly consistent in the make of a slave's internal Tree of Life and Tree of Evil. A Maiden/Mother/Crone triad goddess will sit at the top of the structure and will be married to the

AntiChrist & Satan. The Cabalistic Tree of Life area of the System may have up to 12 other trees.

These are other magical trees. There are 10 circles or rooms which are joined by 22 lines that make up the Cabalistic Tree of Life called The Cabala for short. There are 4 worlds of the Cabala--3 pillars to the tree which are also given different names to these pillars at different times. As just mentioned, there are 10 spheres of the Tree of Life and they are joined by 22 paths. The Mother-of-Darkness alters (at least some of them) are placed in a Tree of Life, and they do what is called pathworking. The spheres of the tree (also called rooms) are called "sephiroth" and they along with the 22 paths that join them are the "file drawers of this universal file cabinet." Before the first sphere there are 3 veils of negative existence--the Ain, Ain Soph, and Ain Soph Aur. Alters in male and female systems in the Tree of Life will consider themselves to be gods or goddesses. Their names will often reflect god or goddess names. Chesed is a sphere which may be called a "Hall of Masters" or the "Sphere of the Adepts". Geburah is called "Hall of Karma" or "Hall of Judgment". The Illuminati alters of course believe in Karma. The center of the tree is called Tifareth which means Beauty or Harmony. Understanding of the mysteries of sacrifice may be attached here.

If we think of the Tree as three pillars--the right, center and left pillars, then we start with describing the right pillar from the top room down--an Illuminati system will have Ishtar! Venus/The Morning Star/Lucifer in the top room. The next room below this will be an alter of destruction, an alter of change, unbinding and freeing. The final right pillar room at the bottom is associated with virtue/white/victory/endurance. In the middle pillar at the top is The Crown. This is the Bride of Saturn (Satan, and the AntiChrist). The room in the middle pillar one down from the top is the Blue Room. Sometimes front Mother alters are in the blue room.

Other rooms have other colors assigned, which then tie in with the computer color coding. The blue room is the balancing point, an

important room, the center of all things, associated with the twinning.

The next room down is the Foundation. This room is the meeting point for the ethereal and the earth. The next and final room down on the middle pillar is the Kingdom. It has the life force of the first male child who was sacrificed by the slave. This is the feet on the earth room. The far left pillar has 3 rooms. The top left is associated with Midnight/the Mother/and water.

The next room down is associated with Discipline and control.

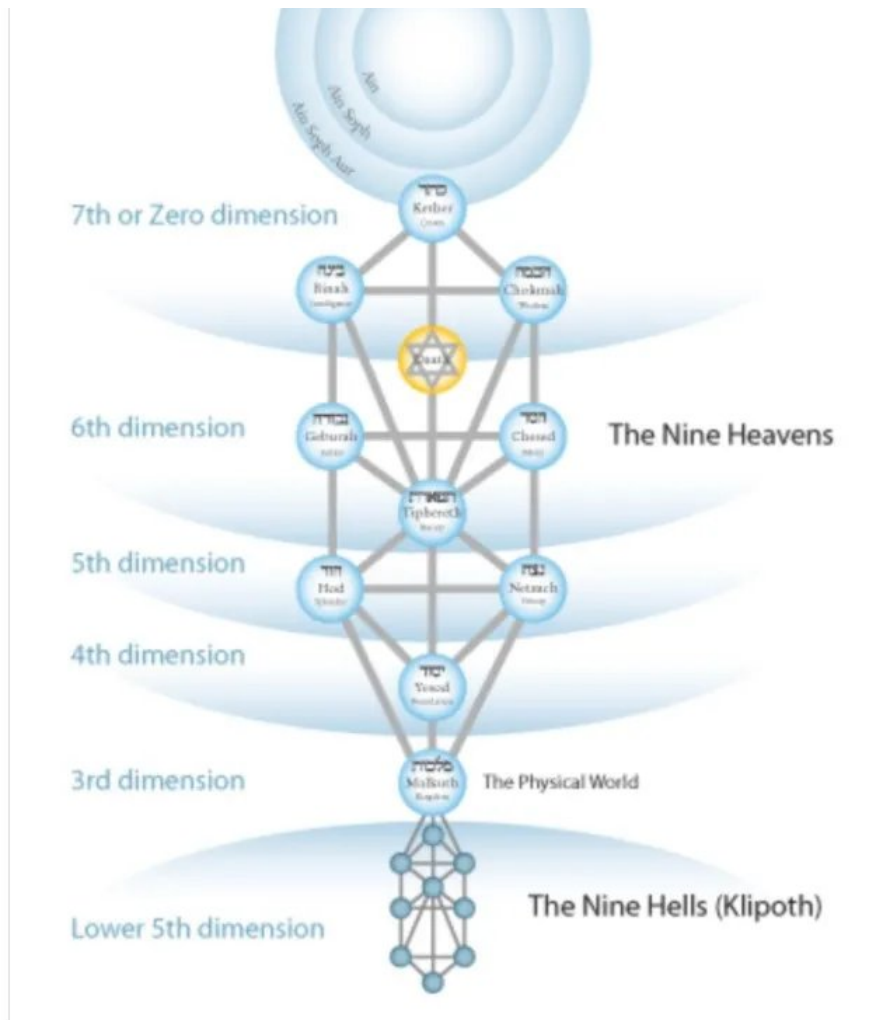

The next room down is an alter that performed an eating the dove ceremony. Each of these 10 rooms will not only have its own name, but each room's alter will have its own magical name, which is not to be confused with its access code. The alter associated with Wisdom "Chokmah" (and maybe even named Wisdom) is usually full of good information. In the occult literature, the tree is said to be attached upside down--that is its roots are in heaven. This applies to the internal programmed tree. Malkuth is the top of the tree. Malkuth is the "Gate of Death".

There seems to be more gatekeepers at these lower levels. The Lord of the Earth is the power of Malkuth. How it is put in? Our answer applies to Illuminati Mother-of-darkness level systems. Before a Mother-of-darkness system is 16 years old they will have gone through all the ceremonies involved in the creation of the alters which correspond to the rooms of the Cabalistic Tree of Life which is placed in each system. There is one alter assigned to each of the 10 rooms of the tree. Each one is created by a particular Illuminati ceremony.

After the age of 16, the System will be guided on a personalized pathway by the system's own demons and the life force of the sacrificed baby under the tree which relates to the story of Lilith. Lilith is not a single driving force, but the demon Lilith is joined with Zerodeth and Lucifer. Between age 16 and 19 the deep Satanic alters are working on "pathworking." This pathworking will

The 10 main spheres of the Cabalistic Tree correspond to 10 inter-dimensional locations.

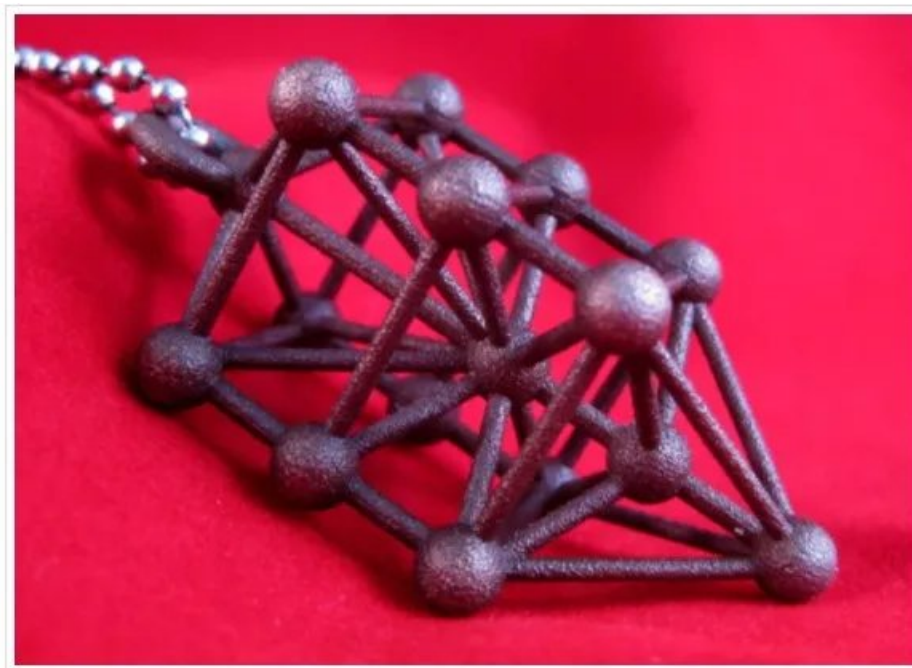

MK-ULTRA core parts were laid inter-dimensionally according to the Cabalistic Tree of Life structure and its corresponding Tree of Death via near death experiences. For example, Lilith, a water part, was laid through waterboarding the child to death, while Rose was born of a fire ritual.

One can purchase on the internet a set of 10 tuning forks to match the 10 spheres. Each of the 10 Cabalistic locations is accessed via a certain harmony / frequency which matches the tuning forks.

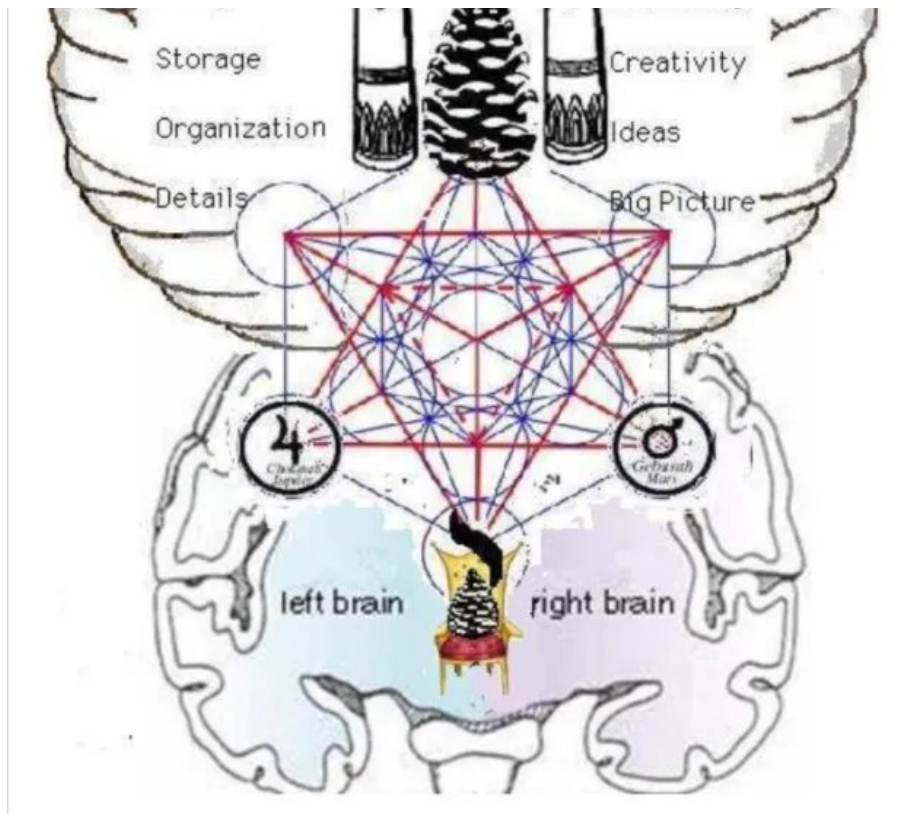

As Timothy Leary discovered, altered states of consciousness, or inter-dimensional locations, were reached through a combination of sensory deprivation, hypnosis, LSD, and electrocution. Mengele laid his core splits inter-dimensionally using these evil techniques. Mengele's final 3D programming structure looked like this:

3D image of Cabalistic Tree of Life programming structure.

The brain's right hemisphere processes inter-dimensionally; hence, Mengele sought child subjects with extremely high visual-spatial (right hemispheric) processing ability to train in astral projection and other inter-dimensional activities.

Dorothy, associated on the pentagram with emerald green (statistically the favourite colour of high IQ folk) held executive function in Mengele's core programming structure. In my book EYES WIDE OPEN, I referred to *The Wonderful Wizard of Oz* (with Oz = Osiris) as a Core MK-ULTRA programming script. I said the author of the Oz series Frank Baum was a member of the Theosophical Society. While I'm at it, here is another tidbit for those familiar with the content of my book. Theosophical Society President John Algeo, wrote:

” *Emerald or GREEN is the colour of harmony, of balance; it is midway in the colour spectrum; it is the colour of the FOURTH or harmonizing ray... We can overcome death and illusion only in the world of death and illusion. We must pass through the valley of the shadow to come to the land of eternal light. So, Dorothy must go to the uttermost West, encounter the wicked Witch of death, and overcome her – with water, the symbol of life.*

At age 10 years my Dorothy part malfunctioned and was replaced by Alice who held executive function until age 50 years. Codenamed 'Alice,' I was the subject of Project Alice, which was the forerunner to CERN hadron collider's ALICE experiment in which JASON scientists seek

the correct key / frequency which will open the veil that separates this from the other dimensions and allow inter-dimensional beings to enter our dimension. CERN is run by a quantum D-Wave computer that, according to former CEO Gordie Rose, makes its computations inter-dimensionally.

Like Tesla tried to tell us, the universe is explained by frequency and vibration.

It's all explained in my free book...

The Order was aimed towards women, even though patriarchal.

Fiona's post is a good example of the difference between Exoteric - what is told to the public and the Esoteric - the hidden and secretive. Revealing something allows the orders to hide behind a public front and deny any other parts or meaning. eg High level esoteric freemasons hide behind the exoteric mass low level first three degrees freemasons, who are often ignorant of higher degrees, sinister purpose and use freemasonry as an aid to business and networking or charity.

The exoteric Order of Eastern Star information is available, eg on wikipedia [Order of the Eastern Star \[2a\]](#). Some of the esoteric secrets, Fiona has told us from her insider knowledge and training.

Exoteric

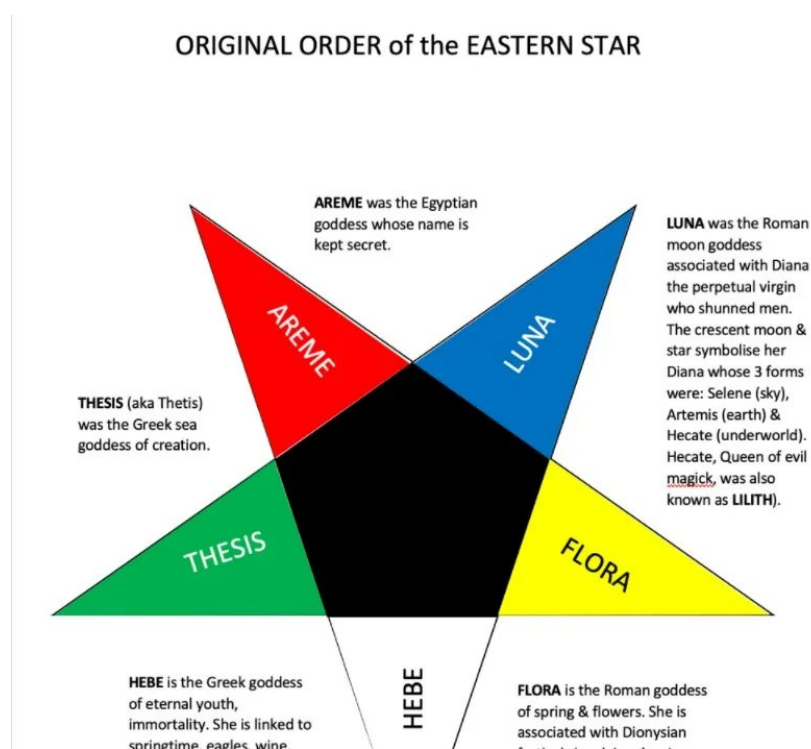

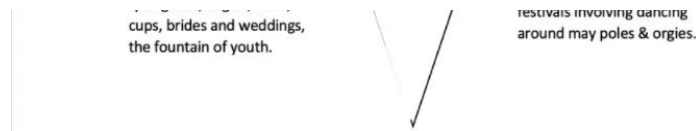

Wikipedia states *The meaning of the letters FATAL surrounding the center pentagon in the emblem is only revealed to members of the Order.* [2a]

Esoteric

Fiona reveals that when the order was first formed the original star was this...

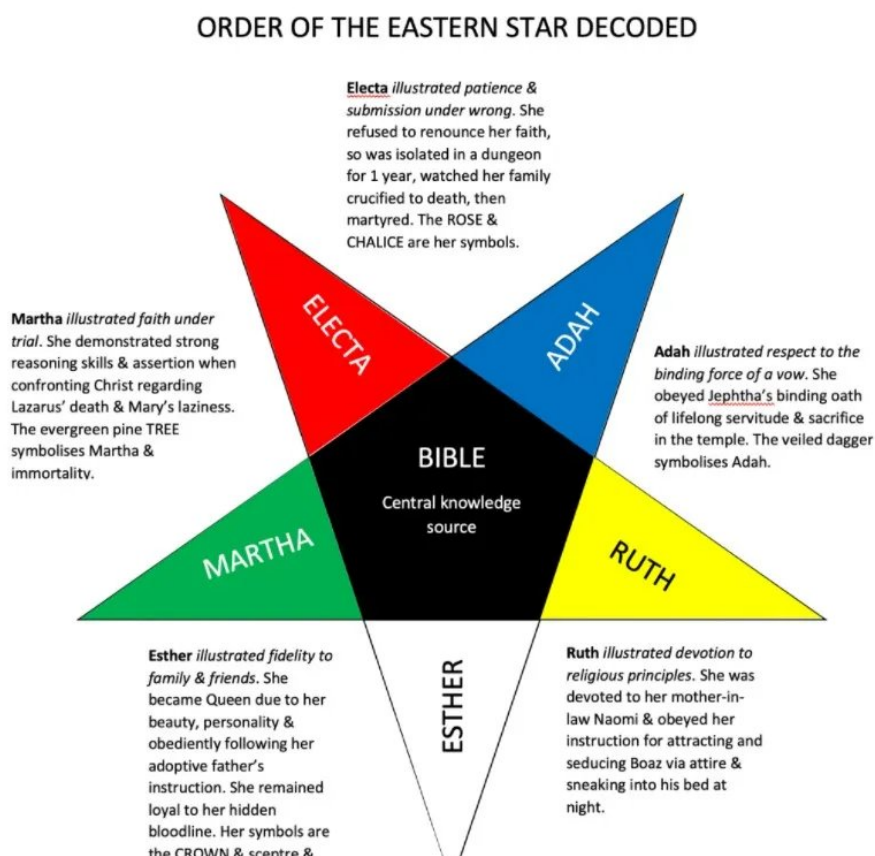

- Yellow F Flora Roman goddess of spring and flowers
- White H Hebe Greek Goddess of Eternal youth, immortality
- Green T Thesis aka Thetis Greek sea goddess of creation
- Red A Areme - Egyptian goddess whose name is secret
- Blue L Luna Roman Moon Goddess associated with Diana and perpetual virgin whose three forms were Selene Sky Goddess, Artemis Earth and Hecate Underworld Queen of Evil magick aka Lilith...
- Black Centre pentagon

This largely corresponds to FATAL except for H.

Exoteric wikipedia states formation in 1850 by Rob Morris, but various sources have different dates see *Order of the Eastern Star* archive [17a], *Eastern Star Our History* archive [19a], AA registry *The Order of the Eastern Star Begins* archive [20]

Exoteric

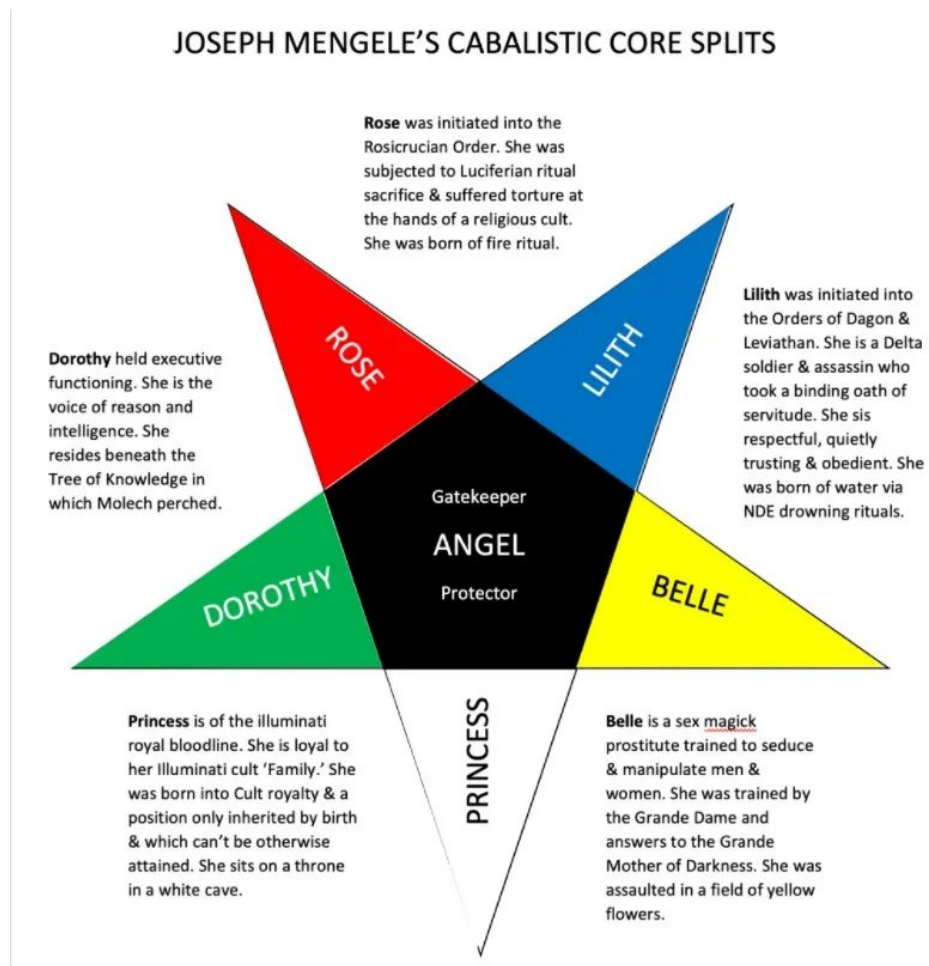

Fiona said that 28 years later the Eastern Star was then Judeo- Christianised to...

- Yellow Ruth - devoted to religious principles. Seduced Boaz
- White Esther - fidelity to family and friends, symbol crown and sceptre and Madonna Lily
- Green Martha - faith under trial, immortality symbol evergreen pine
- Red Electa - patience and submission under wrong, symbol Rose and Chalice
- Blue Adah - binding force of vow, symbol veiled dagger
- Black Centre pentagon Bible

Monarch Mind Control Programming

Fiona then goes on to say that Joseph Mengele used the Eastern Star for programming, and I am presuming this was her programming and maybe others experience as well...

- Yellow Belle Sex Magick prostitute and seductress. Assaulted in field of yellow flowers. Trained by Grande Dame.
- White Princess of Illuminati royal bloodline. Sits on throne in white cave
- Green Dorothy voice of reason and intelligence. Resides beneath Tree of Knowledge, in

which Molech is perched.

- Red Rose Rosicrucian Order Subjected to Luciferian ritual sacrifice and tortured by religious cult. Born of fire ritual.
- Blue Lilith orders of Dagon, Leviathan. Delta Soldier and assassin. Born of water and drowning ritual.

Why does FATAL not match exactly to Fiona's origins of Eastern Star?

Its close except for H, Hebe. There is F Flora, H Hebe, T Thesis/Thetis, A Areme, L Luna.

I am not sure. Hebe appears the odd one out, but it was not a point that Fiona was addressing, she was just telling of her experiences and teaching. To spend much time trying to follow the duplicitous twists and turns of the Luciferian system, where betrayal is a virtue, is often unfruitful. For betrayal see *Illuminati Secrets to Creating Wealth* [15] and serendipitously just today see *Betrayal:Brought to you by the Death Cult and Clown Parades* [21].

Hebe was the incestuous daughter of Zeus and Hera, and Goddess of Youth, and her name used in the word *Hebephilia*, the strong, persistent sexual interest by adults in pubescent children who are in early adolescence, typically ages 11–14. Wikipedia *Hebe* [10]

The Eastern Star is one example that information available publicly, exoterically, should never be trusted as the esoteric truth. However truth is not a word that sits well with the Luciferian system, perhaps esoteric information would be better. There is layer upon layer of deception, by design. Even those in the system are deceived. An explanation is only given to satisfy those at a certain level and this can be turned on its head at the next level. This goes for everything about the system.

Birth dates, names and certificates are another example. These are routinely fabricated by the cabal which of course includes many if not all churches. Never automatically trust exoteric information about an esoteric system.

This is a collation of some information about the Eastern Star.

Table of Eastern Star Colours, elements and associated goddesses and symbolism

Following are some screenshots from wikipedia *Order of the Eastern Star* [2a] showing the history, emblems, officers, HQ and retirement home of the Eastern Star, with some comments.

History [edit]

The Order was created by [Rob Morris](#) in 1850 when he was teaching at the [Eureka Masonic College](#) in Richland, Mississippi. While confined by illness, he set down the principles of the order in his *Rosary of the Eastern Star*. By 1855, he had organized a "Supreme Constellation" in New York, which chartered chapters throughout the United States.

In 1866, Dr. Morris started working with [Robert Macoy](#), and handed the Order over to him while Morris was traveling in the Holy Land. Macoy organized the current system of Chapters, and modified Dr. Morris' *Rosary* into a *Ritual*.

On December 1, 1874, Queen Esther Chapter No. 1 became the first [Prince Hall Affiliate](#) chapter of the Order of the Eastern Star when it was established in [Washington, D.C.](#) by Thornton Andrew Jackson.^[3]

The "General Grand Chapter" was formed in [Indianapolis, Indiana](#) on November 6, 1876. Committees formed at that time created the *Ritual of the Order of the Eastern Star* in more or less its current form.^[4]

Emblem and heroines [edit]

The emblem of the Order is a five-pointed star with the white ray of the star pointing downwards towards the manger. The meaning of the letters FATAL surrounding the center pentagon in the emblem is only revealed to members of the Order. In the Chapter room, the downward-pointing white ray points to the West. The character-building lessons taught in the Order are stories inspired by Biblical figures:

- **Adah** ([Jephthah's daughter](#), from the [Book of Judges](#)). In Eastern Star, Adah is represented by the color blue and a sword and veil. Adah represents the virtue of obedience to duty.^[5]
- **Ruth**, the widow from the [Book of Ruth](#). In Eastern Star, Ruth is represented by the color yellow and a sheaf of barley. Ruth represents the virtue of religious principles.^[5]
- **Esther**, the wife from the [Book of Esther](#). In Eastern Star, Esther is represented by the color white and a crown and scepter. Esther represents the virtue of loyalty.^[5]
- **Martha**, sister of [Mary](#) and [Lazarus](#), from the [Gospel of Luke](#) and the [Gospel of John](#). In Eastern Star, Martha is represented by the color green and a broken column. Martha represents the virtue of endurance in trial.^[5]
- **Electa** (the "elect lady" from [II John](#)), the mother. In Eastern Star, Electa is represented by the color red and a chalice. Electa represents the virtue of endurance of persecution.^[5]

Officers [edit]

There are 18 main officers in a full chapter:

- **Worthy Matron** – presiding officer
- **Worthy Patron** – a Master Mason who provides general supervision
- **Associate Matron** – assumes the duties of the Worthy Matron in the absence of that officer
- **Associate Patron** – assumes the duties of the Worthy Patron in the absence of that officer
- **Secretary** – takes care of all correspondence and minutes
- **Treasurer** – takes care of monies of the Chapter
- **Conductress** – Leads visitors and initiations.
- **Associate Conductress** – Prepares candidates for initiation, assists the conductress with introductions and handles the ballot box.
- **Chaplain** – leads the Chapter in prayer
- **Marshal** – presents the Flag and leads in all ceremonies
- **Organist** – provides music for the meetings
- **Adah** – Shares the lesson of Duty of Obedience to the will of God
- **Ruth** – Shares the lesson of Honor and Justice
- **Esther** – Shares the lesson of Loyalty to Family and Friends
- **Martha** – Shares the lesson of Faith and Trust in God and Everlasting Life

- **Electa** – Shares the lesson of Charity and Hospitality
- **Warder** – Sits next to the door inside the meeting room, to make sure those that enter the chapter room are members of the Order.
- **Sentinel** – Sits next to the door outside the chapter room, to ensure people who wish to enter are members of the Order.

As can be read below, the Eastern Star HQ is located in Du Pont Circle [2a]. Du Ponts are in charge of Illuminati South Quadrant : Red or Black Dragons, see *Obama is now running the Satanic Council* [12]. See also a Dupont, Robert H. Richards IV, who suffers practically no adverse effects of sexually abusing his own children when Beau Biden was State Attorney General see *Beau Biden Foundation for the Protection of Children?* [11w] [11s].

Headquarters [edit]

Main article: *International Temple*

The General Grand Chapter headquarters, the [International Temple](#), is located in the [Dupont Circle](#) neighborhood of Washington, D.C., in the Perry Belmont Mansion. The mansion was built in 1909 for the purpose of entertaining the guests of Perry Belmont. They included Britain's [Prince of Wales](#) in 1919. General Grand Chapter purchased the building in 1935. The secretary of General Grand Chapter lives there while serving his or her term of office. The mansion features works of art from around the world, most of which were given as gifts from various international Eastern Star chapters.

Interesting also in the section above is the Eastern Star Chapters collect art, and also have donated some to the HQ in Perry Belmont Mansion. As we see time and again, art appears to be used for laundering and trafficking money for whatever nefarious reasons.

Also interesting is that there used to be a Eastern Star Retirement Home in Los Angeles. *Eastern Star Home* [14] It was for members of the Eastern Star and female relatives. It is now the Archer School for girls. No doubt architectural and other symbolism is still there. Note it was a filming location for paedophile Polanski.

Eastern Star Home

From Wikipedia, the free encyclopedia

The **Eastern Star Home** was a retirement home and convalescent facility in Los Angeles, California for the members of the Order of the Eastern Star, Master Masons and their female relatives.^[1] Built between 1931 and 1936,^[2] the home operated until the late 1990s when membership in the home had decreased precipitously to just 34 residents. "The retirement home moved to a new location, and the Order of the Eastern Star sold the property at Sunset Boulevard to Archer School for Girls."^[2]

San Francisco architect [William Mosser II](#), and [Train & Cressy](#), designed the building in the [Spanish Colonial Revival style](#).^[3] When the cornerstone was laid October 17, 1931, Sunset Boulevard was still known as Beverly Boulevard and the neighborhood was called "Westgate Heights". The original floor plan had 56 singles and nine double rooms, as well as sitting rooms and sun porches on every level.^[4]

"The Eastern Star Home exhibits the complex, irregular massing; courtyard plan; clay tile hipped and gabled roof, and smooth stucco exterior walls associated with Spanish Colonial Revival style architecture. Though alterations have been made to the Eastern Star Home over time, it retains significant character-defining features on the interior and exterior. It retains integrity of location, design, setting, materials, workmanship, feeling, and association...The primary feature of the central courtyard is the fountain located in the center of an open lawn. The fountain is star-shaped, with a ceramic basin in the center perched on a multi-tiered based. It is sheathed in decorative clay tile produced by Claycraft Potteries."^[2]

The original illuminated star was donated by the California Bethels of Job's Daughters in 1935.^[5]

The Eastern Star Home was a filming location for the 1974 Roman Polanski film *Chinatown*.^[6]

ORIGINAL ORDER of the EASTERN STAR

AREME is the Egyptian goddess whose name is kept secret.

LUNA was the Roman moon goddess associated with Diana the perpetual virgin who shunned men. The crescent moon & star symbolise her. Diana whose 3 forms were: Selene (sky), Artemis (earth) & Hecate (underworld). Hecate, Queen of evil magic, was also known as **LULITH**.

THESIS (aka Thetis) was the Greek sea goddess of creation.

FLORA is the Roman goddess of spring & flowers. She is associated with Dionysian festivals involving dancing around may poles & orgies.

HEBE is the Greek goddess of eternal youth, immortality. She is linked to springtime, eagles, wine, cups, brides and weddings, the fountain of youth.

The real origin of the Order of the Eastern Star, like Masonry, will always be shrouded in mystery. Many researchers believe it had a French origin as early as 1703. By some, this is claimed to be the first inception of "Female Masonry" or "Androgynous Degrees", i.e., degrees for both men and women. There appeared at that time to be a demand for "Side Degrees" or Degrees conferred on ladies and quite a list sprang up: "Heroines of Jericho," "Danger in the Dark," "Tall Cedars of Lebanon," and others. These were extensively used, but soon fell into decay due to lack of lasting worth.

The real origin and honor of the Eastern Star initiatory degrees belongs to Dr. Rob Morris and this origin comes under the First Era. It wasn't until 1850, while confined to his home after an accident, that Dr. Morris fully developed the Eastern Star Degrees. During this time, he carefully thought out the symbolism, the significance of the floor plan and the corps of officers. He also established the Order's signs and passwords; the colors and emblem; and defined the fundamental principles that have remained unchanged throughout the years. The so-called mysteries of the Order were communicated freely to all Master Masons and their relatives: Dr. Morris, and other prominent Master Masons gave many lectures and conferred the degrees on many ladies throughout the nation.

The First Era of the Order of Eastern Star extended from 1850 to 1866, under Dr. Morris' leadership. In 1850, Dr. Morris selected the Biblical heroines representing the heroic conduct, high moral values and noble principles of this fledgling Order. The Second Era extended from 1866 to 1876, under the leadership of Robert Macey of New York. The Third Era, 1876 to the present time, saw the establishment of the General Grand Chapter, Order of the Eastern Star. Of these Eras, the first is perhaps the most important as it prepared the way for the other two.

OES Origins

The origins of the Order of the Eastern Star dates back to the mid-19th century. Dr. Rob Morris was a Freemason, Master Mason and Poet Laureate of Masonry, who made it his mission to share the principles of Masonry with women. He and his wife, Charlotte Mendenhall Morris, developed the concepts and beliefs that formed the foundation for the Order of the Eastern Star.

Order of the Eastern Star

The Order of the Eastern Star has a tangled history. Originally conceived as an American form of **Adaptive Masonry**, as early as the 1840s, it took until 1876 for the General Grand Chapter, Order of the Eastern Star, to be formed, and **Hebe** set at least two separate organizations that both in that they are dedicated to the education of all Eastern Stars, but which had a separate existence from the General Grand Chapter and were founded in 1947 and 1962 respectively. There is also an African American organization, dating from the 1920s, which African American Masons officially banned blacks from membership. The General Grand Chapter of the Order of the Eastern Star was founded in 1876. It currently extends worldwide, as an association (where appropriate) with the Supreme Grand Chapter of Scotland. It is open to Master Masons in good standing, and their female relatives over the age of 18 years. There were 2,973,063 members in 1994.

Robert Morris, Master Mason, schoolteacher and poet, first attempted in the 1840s to establish Adaptive Masonry in the United States, using a small set of his own drawings. He first invited his fellow Masons the long-time Masonic system, he nevertheless persisted and throughout the 1850s conferred various degrees on female relatives of Master Masons, with varying levels of cooperation from other Master Masons. His Families of the Eastern Star dated from 1857.

Real acceptance was slow in coming, and it was not until Morris' rituals were revised by the Masonic publisher Robert Macey in 1866 that any greater success came. Macey added the degrees of Queen of the South, First Master's Degree and the Ancestral Degree. From then, in less than 10 years before the General Grand Chapter was organized, and the Grand Lodge of England still does not admit that the Eastern Star has anything to do with Freemasonry. Indeed, the UGLE has in the past threatened with expulsion any Master Mason who receives any O.E.S. Degree or serves as Worthy Patron.

The order as now constituted works five degrees, based on the story of five women in the Bible — an example of the way in which organizations adhering to deism have become progressively more Christian in the United States, especially where women are involved. The degree of the order is, "We have seen His star in the East, and are come to worship Him." The order even awards scholarships to those involved in religious training.

The grid also illustrates powerful patriarchal values, and, of course, the degrees must be conferred by a (male) Master Mason. The degrees are:

1. Obedience, symbolized by Adah (daughter of Japheth) (daughter)
2. Devotion to religious values, symbolized by Ruth (widow)
3. Fidelity, exemplified by Esther (widow)
4. Faith in the Redeemer, symbolized by Martha sister of Lazarus (sister)
5. Charity, symbolized by Eliza, identified as the "Elder Lady" in the second quote of St. John (mother)

This might be a useless comment to write here but I don't know of a more appropriate place to leave this. It has to do with the deception in the world over Covid and Ukraine mostly, though it's everywhere.

It was about 5 weeks ago that the Project Veritas Jordon Walker video came out. When I was growing up I generally was the most naive and gullible person around because I trusted people but when I saw that first video I knew within seconds that it was fake. George Webb debunked it within hours yet the majority of antinarrative substacks and commentators and commenters went off the deep end and have never come back to reality.

Then the Seymour Hersh Nord Stream bombing article came out and the geopolitical antinarrative experts fell for it without seemingly ever reading it. It was full of holes. [Eugyppius.substack.com](https://eugyppius.substack.com) helped me out with that but there were many debunkers.

Now it's 5 weeks later and we've survived an alien invasion attempt using interstellar or intergalactic weather balloons. Prior to all of this the knowledge that the US government used the US military to most likely release the virus but also most certainly, create and coerce the world into getting the gene therapies, was gaining traction (based on the frequency of comments posted wherever I travelled).

Since my sources for geopolitical analysis proved themselves useless I've migrated and have been listening to Conspiracy Distillery at YouTube and at his website, Brendon O'Connell on YouTube and George Webb at TheDukeReport at Rumble.

Arturo Tafoya at Conspiracy Distillery was recruited into Cicada3301 (not quite, it's really complicated. I just don't want you distrusting me for trimming details), the sort of precursor to Q. Maybe start at the 1.15.14 long Q Investigation one. Long story short, everyone knows everyone and it's all fake. Example: Frazzledrip was first promoted by Media Matters which was owned by a guy

I converted and saved on my computer the video that Fiona had on her YouTube channel. It was the 2 3/4 hour one where she, among other things, explained the types of psychological therapy which are effective or ineffective for this type of trauma (most are worse than useless and that's obvious to anyone with any sense in their head). I'm a 58 year male that's been reading psychology books since I was 11. She confirmed many things that I suspected but couldn't explain, even to myself.

The thing is, she seemed so intelligent and strong in that video. Everything about her leant credibility to her story. But once that video was removed, and I've tried to find it elsewhere, every other video about her seemed to make her look weak and semi-hysterical. Like she was just another crackpot. Very strange considering how impressive she was in the other video. And as far as I could tell, that was the only video taken down.
