

Eliza Manningham-Buller

...most of this site has disappeared now...leaving only a bundle of letters, comments and photos...which were put up at a time of the worst persecution imaginable by the MKULTRA satanic cult within the UK. The ILLuminati cult elite had stopped my benefits, fiddled with my meters so that I was paying twice as much as I should do and then moved in one of their top satanic princesses - into flat 1, eagle house, west street, Harwich - a insane satanic robot called petronella rhys Hadley.

ELIZA MANNINGHAM-BULLER

Spot the difference: before and after plastic surgery to remove the disfiguring scar from her 'dead' right eye. Result of Illuminati MIND CONTROL 'training'.

The highlights of THE unofficial biography of Eliza Manningham-Buller (as written by an ex-spook, who has worked for both MI6 and MI5):

Or as I prefer to call it: potted history of a shrimp who pretended to be a shark and ended up like one of those plastic blow-up models – just waiting to be harpooned.

Eliza Manningham-Buller

1980: guilty of the torture, disfigurement and murder of Kathleen – a Solihull schoolgirl who became an MI5 recruit upon the Russian course in 1979.

New British Intelligence Mind Control System

❖ <http://mi5pas.blogspot.com/>

MI5 and MI6 ex-agents and officer tell their stories.

<http://www.richardtomlinsonandtherussians.blogspot.com>

Manningham-Buller had originally been recruited into British Intelligence Services to teach Russian. She was a hopeless teacher but worse than that - she used to instruct her classes to stand up and do the 'Nazi' salute as she entered the room. We were not allowed to begin the lesson until this had been performed. She was known as the 'Mad Bull'.

Manningham-Buller took an instant dislike to Kathleen and set fire to her hair, in front of all the other trainees. No one was allowed to help Kathleen to put the flames out. Manningham-Buller was screaming 'vanity of vanities' to Kathleen, as her face burnt. Kathleen survived this attack but with third degree burns. She had been run as a prostitute (common use for female agents) but was now too disfigured to be used in this way. Manningham-Buller gave the order for her to be murdered. Various members of staff arranged for Kathleen to be 'accidentally' electrocuted. Kathleen also survived this attack. She was then smothered in her sleep. Stella Rimington attended her funeral. One of the 'service' always has to be at the funeral.

Manningham-Buller's reign of terror at MI5:

http://news.bbc.co.uk/2/hi/uk_news/2305015.stm

'She is understood to be keen to widen the range of recruits appointed to the security service to include more from ethnic minority groups.

Her specialist field is counter-terrorism, which is especially relevant given the threat posed by Islamic groups linked to al-Qaeda.'

This is a LIE. She is creating mind control slaves to start terrorist cells.

Spooks series:

I advised M-B in 1997 to take control of public image of MI5 (rather like James Bond is a great advertisement for MI6) in the same way as the FBI had done with various cop shows including the 'X files'.

'A security source said: "We want to attract more females but the Spooks programme may be having a bad effect because of the way some of the female characters have been killed off."

This show is now geared to recruiting young women (after having been lambasted for putting young women off applying because of the amount of female officers dying in the first series).

This is NOT fiction. This is FACT.

Moreover, female recruits are not necessarily killed in action – the vast majority of them are murdered by their employers.

ELIZA MANNINGHAM-BULLER

A bad joke on my part? You don't know the half of it.

The Times October 31, 2005

"The concern about the shortage of female applicants has coincided with MI5B5™'s drive to expand its staff from 2,000 to 3,000, following an injection of extra cash from the Treasury. Dame Eliza had originally planned to reach the new total of 3,000 by the end of 2008. But the date has now been brought forward to 2007 to cope with the increased demands for surveillance and intelligence officers since the July 7 suicide bombings in London. MI5 is also looking for new premises in London because its headquarters at Thames House is nearly full. Office blocks, big enough to take several hundred staff, are being checked within the M25 area.

One proviso is that the new building, which will act as an alternative HQ in the event of any terrorist attempt to target Thames House, will remain a secret address B5" as during the Cold War days when the MI5 HQ at Gower Street in London was never listed as the official home of the Security Service.

MI5 is also in the process of opening new regional premises, to house small numbers of staff to work closely with local Special Branch offices. Eight outlying stations whose precise location will also remain secret, will cover Scotland, the North East, the North West, the Midlands, Wales, southwest England, southeast England and East England"

Read ex-MI6 officer: Richard Tomlinson' blog to get an idea of what MI5 does in tandem with Special Branch.

www.tomlinsonvmi6.blogspot.com

They have been persecuting and vilifying him for years. The 'hidden hand' behind all of this is MI6 but the Mad Bull and Scarlett (Penelope Pitstop to his friends) have been 'bosom buddies' for years. In 1979 and whilst employed as an MI6 trainer of new recruits on the 'INSET' course (a 6 month module of 'mind control' training), Scarlett was trying to have an affair with Manningham-Buller. He has had a soft spot for her every since. Manningham-Buller repaid this by having his young son kidnapped and raped in 1980.

Trivia:

Manningham-Buller was transsexual at birth. She is a lesbian and develops 'crushes' on her female colleagues. She attended a private school for girls with Princess Anne and has been part of the aristocracy from birth. She was known as the 'Bully', during her tenure as head-girl at this establishment.

One can say in view of Manningham-Buller's personal history that what she most needed to do was to see a 'good therapist', appropriate counseling – that sort of thing. What she did not need was to be made Director General of MI5. Nor did the country, for that

matter.

NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

Not content with having attempted to put me away in a Victorian Gothic novel style way – my parents have now decided that because I was put on Section 2 for an observation period of 28 days that I am now 'mad' and will be seen as 'mad' by all and sundry, for the rest of my life. I am now 'subnormal' and 'subhuman' in their eyes (but then what's new – they have treated me as the black sheep and servant/slave of the family, since the day I was born) which means that the STATE is now responsible for me – in particular Dr Carney, according to my mother, who has begun to harass him with telephone calls. That should please him.

The Section was lapsed at the end of 28 days i.e. not turned into a Section 3 – a Section 3 means that I could have been detained indefinitely and forced to take 'treatment', if necessary – however, in brief, I am now released from 'Sectioning' - free to leave the unit and can come and go as I please but I have nowhere to go and no money. I am therefore staying on at the Peter Bruff Ward until I can find some suitable accommodation.

Unfortunately there are not enough bedrooms on the Unit (people are often admitted in 'acute' conditions) and so I am often allocated a room in another ward. I therefore have to walk over the road to the McIntyre Ward (for Senior Citizens), to stay there for the night. I have to lock up my belongings in a back room at the Peter Bruff Ward and find something to do, from 8am until 10pm (with my 'essentials' in a backpack) until I get to sleep at the McIntyre Ward, in the late

evenings.

My mother telephoned me yesterday to shout at me – that my parents would never ever help me financially again, in my entire life. It didn't seem to occur to my mother that she had sectioned me upon false pretences, in the first place. It didn't seem to matter to her that this was a terrible action to take against her own daughter. It didn't seem to matter to her that without money, I will have to continue this existence (above) indefinitely because I cannot afford a deposit upon a flat.

My mother appears to believe that I should now be put in 'communal housing' for the mentally-ill but I am not eligible for this type of accommodation. Besides, this type of accommodation is no different from the Private Sector, in that you need to put down a deposit of around £500, in order to secure yourself a place.

I patiently tried to explain this to my mother but she began to shout at me – I would not get another penny off of the pair of them – I had been such a 'drain' upon them and for my entire life.

My parents would now rather see me out on the street than to cough up the small matter of a deposit and one month's rent, upon the cheapest flat for me.

I find this all incredibly shocking. I had not known how sick in the head, my parents were, until this point in time – how greedy, cruel and mean, they are.

At 16 years old (after the POWERGEN British Intelligence mind control course – designed to turn us all into an ILLuminati slaves), my father took me down the garden at 14 St Bernards Road and snarled at me that I would now work for nothing – to pay for the private education of my brothers and sister.

The Israeli operation money – all £120,000 of it – was put in 'trust' for my sister, by my father – who later bought her a house with the money – once she was 21 years old. That money had been sent to secure my ownexistence – it had been meant for me. My father stole it from me – as he has stolen countless other monies.

I do not want to bang on about money because it is all so sordid but my parents have been raking it in from my Illuminati slavery and for so many years – 29 years, to be precise. They have given me a pittance to live on, from it – whilst psychologically torturing me about my 'low status' in life in general. How I was beneath them (as well as the rest of my family) – how I deserved to be treated like a

slave/servant by the rest of them – and how dare I complain?
How dare I expose them all for it?

To cut a long story short – after that extremely disturbing and upsetting telephone call from my mother – I calmly told her:

"You know that I will expose you for all of this, don't you?"

The only way to finish the ILLuminati and their slaves – is to expose their whole putrid system.

What did RIMINGTON and TOMLINSON hide in CLACTION library?

A microchip, a piece of torn off paper entitled 'secret' and a library code on the back of an old map (30130 142492445) – all placed in a computer game book called FIREWARRIOR. I suppose that this will be an 'end of days' programming script.

PRIMA'S OFFICIAL STRATEGY GUIDE
WARHAMMER 40,000
www.primagames.com
Random House
Roseville, CA 95661

(library code: 30130 137788914)
Programming numbers:
03 04 05 06 BB to 9 8 7 6 5 4 3 2 1
Library of Congress Catalog Card Number: 2003108371

The book fell open at NO REST FOR THE WICKED but has been well-thumbed and used, throughout.

The map is written in what appears to be Victorian script – I can only make out a few street names – not many of them:

Pallas Str. Leading to Goeb Str.

Goeb is crossed by ...nmetz (?)

...nsse (?) crosses Pallas Str.

Upon Pallas Str. is a large building of sorts called 'Heinrich'.

There is what appears to be a railway line towards the end of

Goeb Str.

'Franken' road crosses the ...nsse (?) one.

Goeb is also crossed by ...utow Str. and the 'u' has a German umlaut (spelling) above it.

There is also a ...something 'K' place above Pallas Str.

Kind of inevitable – the British Intelligence teams still haven't found the 'laughing Buddha' - which has just turned up, on sale at Clacton market. The tag (which has now been removed) stated:

Global Craft
LAUGHING BUDDHA
Figure – 16m – Nemesis
NEM7808
£22.00

Not to worry – it is easily identifiable - the biggest one of the lot (green and cream) – sitting on a pyramid of golden boxes.

PALLAS as an asteroid body is very important to the ILL, in their dumb astrology charts.

Stuart Sutcliffe apparently had his fate 'starred' by PALLAS.

The mock-biography film of the BEATLES' early days ('The Beat') with Stuart Sutcliffe was LOVED by SPIELBERG, amongst other extremely ill men - because they all figured that as mind control programmers, that they were the real 'genius' behind such boy bands- as Sutcliffe has been touted to be - and so those smug little S/M toads, identified with Sutcliffe.

NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE 'HARRY POTTER' BOOKS:

Tribunal Judge: Mr M W Ball

Tribunal Member (Medical): Dr E Tawes

Tribunal Member: Mrs A Brady

This is old news but I thought that I had better 'out' the people who formed the panel at my Tribunal, as well as the reasons for which they rejected my plea to have my 28 days detention repealed (during which time I was forcibly required to take Olanzapine).

However, Dr Carney, who was also present at the Tribunal, lapsed my Section 2 at the end of the 28 days.

I wonder if the Home Office was involved? I did send off a letter to explain my current situation, at the beginning of my internment. You can imagine the scenario and the subsequent response e.g.:

'...sectioning somebody because they wrote things upon the Internet, which certain people took offence to - is a tricky legal area, that we do not wish to get into at present – see to it that she is released a.s.a.p.'

Additionally, I could have taken my appeal to a panel of Hospital Managers who have the power to overturn the

medical opinion of a Consultant Psychiatrist and his associated staff – if the Managers thought that the person in question, was not suffering from a mental disorder – what can one make of that? According to Dr Carney, it has been done.

Anyway, here is what the 'triumvirate' above, decided were their reasons, for upholding the original Section 2 for 28 days:

"We have considered all of the evidence very carefully and are satisfied that the case for the continuation of the section has been made out.

We accept the professional evidence, supported that by our own observations at the hearing, that Miss Gyde suffers from a mental disorder, probably either Persistent Delusional Disorder or Paranoid Psychosis. The symptoms include a belief that her father is a paedophile and that she has worked for intelligence services. She has acted on her beliefs, for example, by posting blogs on the internet containing both these and other serious allegations.

...If the section was discharged today, Dr Carney's view was that Miss Gyde is likely to stay in hospital as an informal patient for a couple of weeks. He did not know if she would comply with the treatment in these circumstances. Taking into account in particular Miss Gyde's presentation at the hearing, we have fewer reservations. Unfortunately, we are unable to accept her assurances with regard to staying in hospital and complying with treatment as an informal patient."

So it is all about drugs and specifically Olanzapine then - that was their major concern – they were all scared that I wouldn't take it for the 'required' period of time.

Even before I was sectioned, my mother was talking about this drug, asking me to go to my local GP, who would prescribe it. My mother cited 9 months, as the probable amount of time that I should take it – in order to 'cure' me of my delusions.

Anyway, to cut a long story short – because I have been unable to post up the copious notes that I have made since my incarceration at the Peter Bruff ward (which has been a very pleasant time, it has to be said – no 'nurse Cratchett' around – and some very interesting people to meet – staff and patients included) it is quite difficult to explain precisely what has been going on, in relation to what I have found out and why. However, I need to be brief and so I will simply say this:

MARK RICKENBACH had been an informal patient at a clinic too, after he went 'radioactive' and also took Olanzapine but only for 2 weeks. He felt that it had damaged his brain to an extent and regretted his decision – put simply, the result of this course of tablets was that he didn't feel any 'better' and his IQ went down a few points.

RIMINGTON was also aware of Olanzapine and was of the opinion that the 'damage would be done' after a month. Her very own words. She was under no illusions as to what purpose the drug had been created for and the effects that it would have upon the human brain.

Therefore, I was not surprised to meet people upon the Peter Bruff ward, who have been on Olanzapine for 9 months or longer – none of whom have 'recovered' from their 'delusions' but now suffer from a whole host of other ailments, relating to the side-effects of the drug e.g. slurred speech, unstable gait, shaking hands, over-eating.

...and the award for the most badly researched book of disinformation/propaganda recently – from British Intelligence/the UK ILL cult – goes to:

DOMINIC STREATFIELD
BRAINWASH
THE SECRET HISTORY OF MIND CONTROL
ISBN: 978 0 340 83161 8
9 780340 831618

Dominic is a mind control slave himself but does he know it? Apparently not. Perhaps he should re-read and reflect upon his own lines – P360

"But the prize for the single most offensive and fantasy-laden account must go to authors Cathy O'Brien and Mark Phillips, who have produced two books detailing Cathy's experiences at the hands of the CIA..."

It's hard to know whether to feel anger or sympathy towards people who write this sort of thing. What is immediately clear, however, is that we have entered the world of repressed memory and satanic ritual abuse: a Through-the-Looking-Glass Wonderland where 'no evidence' means 'lots of evidence' and the rules of logic run backwards. "

Well, the wheels of logic are certainly running backwards in Dominic's mind. The truth will always out, despite the likes of Dominic – see how he gives himself away.

Dominic's subconscious mind erupts into the subtext of last sentence - with a vengeance - screaming 'talk about how you were programmed with ALICE, you fool!' But does Dominic take any notice?

No. He is too busy taking it all personally – he loses his 'objective' tone as a 'researcher' and begins to use such emotional adjectives and turns of phrase (e.g. 'offensive', 'anger') – as if O' Brien and Philips had deliberately taken a swipe at himself – in fact, he begins to puff and rant like an old Army Sergeant Major, from Tunbridge Wells.

The final page of Dominic's 'Epilogue' contains this extraordinary conclusion:

"Perhaps we should start researching new interrogation techniques, or ways of enhancing old ones. Perhaps in the light of the War on Terror, the CIA's escapades with BLUEBIRD, ARTICHOKE and MKULTRA seem more reasonable."

Let me get this straight – Dominic is for the butchering of children's minds, continuous rapes and torture throughout childhood, mind-splitting – the fracturing of a young psyche into different alters which can be run as 'abused child alter' mind control slaves, in later life.

Who put Dominic up to this? British Intelligence? The Royal Family? My guess is that a lot of the Masons would also agree with Dominic's conclusion. They loved their 'blue oysters' i.e. deadened vaginas of young girls – including the vaginas of their own daughters – whom they 'rented' out. I haven't mentioned the anal rapes of their young sons ('blue oyster' was specifically coined for vaginas – but one has to say that the boys were not spared, either – 'rented out' in the same way).

Dominic is clearly A) insane B) heavily under mind control C) a Mason – probably a Royal Arch Freemason D) a puppet i.e. a 'front' for a British Intelligence/Royal propaganda exercise to protect the ILL cult – and most horrifically, 'Dominic' wishes to continue it and 'expand' the research.

What does that make him? A Nazi Eugenics supporter - because that is the trajectory of the ILL cult – what all of their research points to – the breeding of a so-called 'master race' i.e. those like me who are perceived as having 'god-like' abilities in the PSI zone but who are used and abused as slaves. These animals create their 'gods', try to run them as slaves and then end up murdering their 'gods'.

How many sick ILL male slaves are there out there?

How many Masons?

We could do without the whole lot of them upon an 'ecological basis' i.e. to ensure the safety and security, of the future of the human race.

What about this for a scenario – get rid of all of the sickos who like 'blue oysters', paedophilia and 'Stepford Wives' – keep the gay men who like women and the few decent heterosexual men who respect women (and would never abuse them in such a horrific way). It would certainly be 'paradise' for the few lucky heterosexual men, wouldn't it? Practically speaking, that much sperm around – not necessary – it is the 'eggs' that are rare. Let us work with Nature, rather than against it.

Michael Hoffman's "Judaism Discovered From Its Own Texts"
January 19, 2009

by Henry Makow, Ph.D.

"Judaism Discovered," Michael Hoffman's monumental new work on Judaism is subtitled, "A Study of the Anti-Biblical Religion of Racism, Self-Worship, Superstition and Deceit."

But, what does Hoffman really think of Judaism?

We are in crisis. It's time we listened to plainspoken pariahs like Michael Hoffman. Anti-Semitism is on the rise and Hoffman's book explains why this is not irrational "hate." It's more important for Jews than anyone to learn that they are associated with a "religion" they don't really understand.

Two polls, one on August 9, 2007 and one on January 3, 2009, indicated a sharp growth of anti-Semitism in America. The August poll, conducted for the CIA-controlled RAND Corporation of Santa Monica showed 35% of the American public polled displayed moderate to strong anti-Semitic feelings while a similar poll in January of 2009 showed that percentage had jumped to 62%! This corresponds to the progress of the financial crisis. No doubt, Israel's genocidal attack on Gaza has contributed more. Look at one of the slick new anti-Jewish websites sprouting on the Internet like dandelions.

Many people serve as witting and unwitting agents of the central bankers' plan for world tyranny (the New World Order.) Collaboration is a criterion for "success" today. Increasingly, the NWO is called the "Jew World Order" because of the out-sized role Jews play. Most Jews are just trying to please their mother ("be successful dear") but it's time they learned they are part of a sinister force, and they may end up holding the bag.

Is the NWO driven primarily by the bankers' megalomania or by their adherence to a Jewish corporate agenda? Since many of the bankers are Cabalist Jews, the answer is probably both. The Jewish bankers have expanded their power base by co-opting the decadent gentile elite through intermarriage and Freemasonry (which is based on Jewish Cabalism.) This entity is a Satanic secret society called "The Illuminati Order."

Illuminati bankers are behind the recent financial collapse which is designed to facilitate political change. "Economic crises have been produced by us for the goyim by no other means than the withdrawal of money from circulation." -- (Protocols of Zion, 20) As Pastor Lindsey Williams said recently, long term, "these people are out to own and control everything...they are out to break us."

HOFFMAN BOOK

Hoffman's book is required reading for understanding the Satanic mindset driving both the Illuminati and New World Order.

Normally, a 1100-page book would be daunting. But not in this case. "Judaism Discovered" is an encyclopedia in one volume consisting of more than 140 readable articles. The 10 x 7 inch format, large type and generous spacing make the book approachable. Consider it an opulent banquet. I haven't read it all yet.

Hoffman is a Talmudic adepts' worst nightmare. The goyim aren't supposed to learn this stuff. Ordinary Jews aren't supposed to know either. Hoffman has research assistants, some of whom are Jews, who read Hebrew, Yiddish, Aramaic and German. He is a brilliant scholar and an eloquent, courageous writer. He is clearly not motivated by "hate" but rather by a desire to disabuse both Jews and non-Jews. He sees them as victims of an ongoing scam.

A sample of article titles suggests the provocative theme and range:

The Superiority of the Jews
The Inferiority of the Gentiles

Sexual Intercourse with Little Girls is Permissible
Immanuel Kant
The X-Rated Talmud
Sex Magic
Ritual Murder
Hasidic Paganism
Modern Protestant View of Judaism
From Kaballah to Aggadah: A Sexual Progression
No "Judeo-Christian" Tradition
The Rabbinic World in the Pre-Modern Age
The Talmud in the Toilet
The Attire of the Pharisaic Male
Who are the Jews Today?
Rabbi Judah Loew and Queen Elizabeth's Dr. John Dee
US Gov't. Lays the Groundwork for Talmudic Courts

SAMPLING THE FEAST

Judaism is a secret Satanic cult posing as a religion. Hoffman's main point is that Judaism represents the repudiation by the Pharisees of both the Old Testament and the Mosaic Code. Judaism is not Monotheistic but Luciferian. Its goal is the replacement of God with the secret Jewish leadership. Both the Talmud and the Cabala are dedicated to the proposition that only Jews are human. "The raison d'etre of the Talmud and Orthodox Judaism is the essential spiritual and racial superiority of the Judaic over the non-Judaic," Hoffman writes. This template has been transferred to the Illuminati elite.

I don't know why this information would offend Jews, most of whom consider themselves "secular humanists." Their Jewishness is cultural. They have contempt and even hatred for Orthodox Jews who return the compliment. However, a larger question is, to what extent is the pagan materialist secular culture dominant today a form of Judaism? Especially, when you consider the widespread acceptance of Cabala-based New Age beliefs (i.e. human divinity, pantheism, goddess & sex worship and the vogue of many other occult practices.)

There is so much in Hoffman's book I can only provide a taste. An essay on Moses Hess (1812-1875) suggests modern history and culture have been contrived by Cabalists to overthrow Christian civilization and enslave society. Hoffman shows how Hess' ideology was at the nexus of Communism, Nazism and Zionism and nurtured all three. In other words, Cabalists control mankind by controlling the Hegelian thesis and antithesis. With Communism, the Cabalist bankers attempted to take our country, property, family, race, religion and liberty (still the goals of the NWO.) The reaction to Communism was Nazism, and the reaction to Nazism was Zionism. All three Frankensteins were built in the same occult

laboratory using common parts.

Tellingly, the Nazis did the rabbis' work by killing "unauthorized" opponents of Judaism like Edith Stein, Irene Nemirovsky and Maximilian Kolbe. (Hoffman, p. 650)

A true Christian, Hoffman says the way to stop the Hegelian dialectic is to stop fighting. In a timely reference to Zionist colonizers and Palestinian resisters, he writes that both groups of violent combatants "are mutually draining their enemy and themselves of blood, treasure and most damaging of all, their humanity, since this killing entails the dehumanization of the opposing force and the brutalization of one's own...No authentic Christian engages in this pagan, uroboros, victim-into-executioner cycle. Peace pays the greatest dividends. All you live by the sword die by the sword. (Mathew 26:52)." (86)

PAYING THE PRICE

Our financial woes will expose the moral and political bankruptcy of Western Society. We will pay the price for our complacence, for allowing the Illuminati to seduce us and subvert all our institutions.

While Christian civilization was dedicated to the revelation of the Creator by obeying natural and spiritual (moral) laws governing human life, the New World Order replaces God's Will with the Illuminati bankers'. What is presented to us as "progressive" (e.g. sexual "liberation," the breakdown of gender identity, marriage and family) refers to progress toward Luciferian tyranny.

Michael Hoffman writes: "The core of Judaism, like the core of Gnosticism and Egyptian Hermeticism, is magic, the manipulation of the universe, contra God's creation; i.e. against nature. Gershom Scholem, Professor of Kabbalah at Hebrew University wrote that Kaballah embraced a great deal of "black magic, ...a wide realm of demonology and various forms of sorcery that were designed to disrupt the natural order of things..." (Hoffman, p.779.)

(I elaborate on this opposition to God and nature expressed by Jewish and now "modern" culture in my book "Illuminati.")

Babylonian and Egyptian paganism is the progenitor of Judaism, Hoffman writes. "The rabbis hold Egypt in awe as a magical powerhouse. Pharonic Egypt is the model, root and source for Talmudic and Kabalistic priesthood." (780) This may explain the pyramid on the US dollar and in the logos of so many corporations.

Hoffman seems mindful of the Illuminati when he writes on his website that , "the evil should NOT be assigned to a particular people denominated as "Jewish," but rather to the spirituality and ideology of Pharisaic/rabbinic origin which can, and does, afflict any people who adhere to its tenets, be they Khazars or Sephardim, WASPs such as George W. Bush, or Germans such as the current Pope of Rome."

Modern history and culture reflect a Cabalistic (Satanic) spell and curse on the human race. It is dedicated to the fulfillment of prophecy, the eventual enslavement of mankind by the "Jews" who in practice will be the crazed Illuminati Order. But Jews who have no clue about this demented plan will take the blame. That's why it is essential for Jews and non-Jews alike to understand the true nature of Judaism and oppose the NWO.

In a spirit of Christian mercy and love, Michael Hoffman has performed an invaluable service for mankind.

Patrick said (January 24, 2009):

I just finished reading your latest post on Mr. Hoffman's book. Your work remains consistently good, but once again I urge you to look back at the whole story from a wider angle.

There is no such thing as Jewish Cabalism. The Kaballah is much older than the Jewish religion, just as Hebrews are an older race than the Jews. Both Judaism and modern Cabalism are derived from the Hebrew Culture, which takes us back to the pages of pre-history, which are not so much pages as they are stone and clay tablets.

In those early days before recorded civilization, man slaved away in toil for the Gods, known by various names throughout all cultures. These Gods were not of this world (planet Earth). Only when the Gods decided they were leaving the planet en masse (possibly for good), did they decide to gift us with the knowledge of civilization. Those in

the higher elite that are so fascinated with bloodlines trace their preoccupation to these times, where some of the Gods slept with mankind (their own genetic creation) and created a hybrid race. Those in the hybrid race were given faculties to rule effectively.

Remember, so far in earth's history, "ruling effectively" has always been the maintenance of a slave society in one degree or another....perhaps to serve the one or two gods that may still be here after being left behind...perhaps as a genetically or psychologically induced sense of superiority.

Since that time, there has always been a two-tiered society....the Hybrid race with a more "pure" and godly gene pool....and the rest of us.

Hebrew was a powerful language at one point in the world's history. It may not have even originated on this planet. That today's Jewish religion is connected to the Hebrew language is one of the chief reasons for Jewish notions of superiority and separateness (like the kind displayed by many Hasidic Jews). The push for Jews to stay married within their religion and not mix with the "goyim", and gentile notions of European Nobility having a "divine right" to rule, are also related to this phenomenon.

That being said, occult knowledge is not bad knowledge. It is hidden knowledge. The knowledge is hidden because there is power in scarcity.

You and I are a threat to that kind of system because we don't believe in scarcity and seek to empower the "bottom feeders" so that they can choose a life of non-slavery.

But if you keep dragging this thing back to Satanism, you're missing a big part of the picture.

Stretch a little more. Happy Frey-Day!

www.unlearning.org

Patrick,

We disagree. I think Satanism IS a big part of the picture. Can't you see that human history is the product of an undeclared war on humanity by Satanists? Do you think human ritual sacrifice is benign?

There are not too many people who are able to review Michael Hoffman's work - it is that cutting edge, but I think your comment is really gets to grips.

You have spotlighted the identity of the Luciferian Elite in terms of their Great Work (against God and nature) - their religious, ethnic, racial, national 'identities' serve largely as camouflage. They are a Dynasty with many ethnic branches. The Talmud is their law, Ca' ballah is their practice, Masonry is their army and MO, earth is where they have staked their claim, nations are their harvests, all people are designated the cattle of their pastures and so must be re-created as cattle shorn of human identity. Not for the cattle the visions splendid that appear before the eyes of faith. For the cattle, the horizon must be uniformly low.

Most people in the modern, materialistic West are fully compliant with this designation. They are not religious and have no interest in the Spiritual dimensions of life.

The Luciferian Elite, however, is extremely religious and they are spiritual; they know and understand the operation of spiritual laws: the laws that in fact operate throughout the cosmic Temple of the universe created by God. Lucifer belongs to that order of creation - an archangel. They have to understand this dimension if they are going to attempt to subvert it by the anti-spiritual practices of magik. In other words, if you are going to subvert the rules - you have to know the rules. And this gives them every advantage over the sheeple who operate upon the material planes.

For this reason, the Luciferian Elite are largely responsible - acting through their proxies - for the war upon religious faiths they have been conducting by all means and resources at their disposal since the appropriately named Enlightenment. Above all upon the Christian faith of the Western nations. The latter, not because they believe it to be untrue, but because alone of all the world's religions, Christianity uniquely has their number: calls their bloodline by name. Speaking to the Idumean (Edomite) elite of Jerusalem (or Jewry) of Jerusalem which had usurped the Chair of Moses, the Kingship (Herod was Idumean), the Temple etc - Jesus, the Messiah of Israel, tells them bluntly: "You are of your father the Devil and the works of your father you will do." He made it very plain that this Kabal is not of the Abrahamic, Mosaic or

Davidic Covenants, rather they have usurped and nullified these Covenants with a view to denying those who are the heirs by descent and by faith.

And in the fallout with Rome (a foundation of Illium) - controlled by the same bloodlines that controlled Jerusalem, it was the descendants of Jacob faithful to their Covenants and the Christians who entered the new Covenant with the Messiah who were warred upon.

Since Lucifer never gets any new ideas, this act will be restaged again (and again).

As an American and a Christian it makes me angry that the backlash brewing in this country is shaping up - not against the Luciferian Elite - but against their camouflages. Of course, they want, Americans and Canadians to fight each other in the confusions Double Mind they have craftily worked upon mass populations. If there is one thing that can prevent this dire scenario, it is Judaism Discovered, but only if we 'GET IT'. This profoundly Spiritual text breaks the spells of Ca' ballah and sheds the true Christic Light upon its subject matter.

Thank you, Henry, for helping us to GET IT.

Re. the "Poll" you cite: Just how does one measure "anti-Semitic feelings"? What were the questions, the parameters? Seems, conveniently, that no-one knows. But it must be true. I am so personally offended that any person could take this seriously. This is patent hate speech with a pseudo-scientific veneer. Its purpose seems to be to herd Jews into a siege mentality. And it obviously works.

It was not until I was in my forties that I saw, heard or witnessed an anti-Semitic act, then a minor remark from an intoxicated jerk from the American East Coast. That is it. One event in sixty years. Yet, I am told non-stop by the media and popular culture that I am a probable anti-Semite seething, just under the surface, with malice towards Jews. This is hatred. Towards me! And I am so sick of it. So here is something far closer to the truth than any poll.

The actual incidence of American anti-Semitism is probably 2-3% or less. The propagation of phony figures such as "35%" and "62%" is mere manipulative hate speech which has a far

more damaging role on relationships between Jews and non-Jews than all the extremist right-wing hate groups combined.

There was a TV mini series titled Shaka Zulu. In one scene Shaka asks the British officer "how do you trap a monkey?"

The officer replies; "You secure a gourd to a tree and drop some 'shiny things' into it. The monkey spots the gourd, peers into it, sees the 'shiny things' and sticks his hand into the gourd and grabs the 'shiny things' with his fist, but the narrow neck of the gourd prevents him from pulling his fistful of 'shiny things' out. So he is trapped."

Alas, the poor little primate does not have the intelligence to simply LET GO of those "shiny things" and FREE himself.

But here we are, such an intelligent species we humans; do we know enough to LET GO of those "shiny things?"

Ouspensky said; "The most difficult thing is to truly know what we think we know, and what we do not know."

To cling to delusional, unrealistic beliefs is just as futile as the little primate clutching the "shiny things" in the gourd.

To know and understand "God" is to know and totally understand the Universe; since we do not, it is very presumptuous and arrogant of any person/group to claim such knowledge, let alone Divine selection by this Entity.

Since humans are the only creatures on this planet (as far as I know) which have the Divine gift of morality, reason and justice; it is INCUMBENT upon us to exercise these gifts, to build a just society and fulfill our Humanity. TO FULFILL OUR HUMANITY IS OUR PURPOSE HERE; we cannot achieve it if we waste our time and resources on stupid, asinine sibling rivalry. We are playing with nuclear matches now, good grief, isn't it time we gave our heads a good shake and LET GO OF

THOSE "SHINY THINGS" and got on with PROJECT CIVILIZATION!?! Time is running out,....

Hello Mr. Makow,

First of all, I don't pretend to know Judaism at all. As a Christian, I don't really know Christianity too well either, except for the usual basics.."Do unto others as you would have them do unto you," etc. But I think it should be clarified that people get a negative view of Jews, ie. "anti-semitism", from the behavior of some Jews, not the ordinary Jew. The average Jew

walks around with as much ignorance of the Talmud, as the average Christian walks around in ignorance of what Christianity is. Just today, my car battery died. I went to a house and asked for help in jump starting my car. A young lady answered the door, and immediately helped me. Since I work for the post office, and was on my usual route, I asked her name. She said her name was Blatt! She didn't seem to think I was an awful goy!! So I believe, as you do, that the majority of Jews are not aware of what's being done in their name! Anyway, to make this short, I'm glad you believe in Love..truly the only answer when you get down to it. With Love comes understanding too. So, let's all try to understand!

I have studied Kaballah, and it's not the evil you and Hoffman assert.

Spiritual knowledge can be used for either good or evil.

Historically, teachers

stroved with great care to select their students due to this factor. Indeed,

spiritual knowledge in the hands of the pure of heart and mind can

bring a blessing for all mankind, including the Kabbalah. It's not

so simple as Hoffman would have us believe. As for Levay, if he was once Jewish, or born unto Jewish parents, then this is the same as many who were "once" Jewish.

There are many writers and websites about the Kaballah.

Gershom

Sholem is only one. Historically, Kaballah was not recommended for study by the rank and file, but only by those with pure motive, true knowledge and self-discipline. Essentially, man fears what he doesn't understand, or he understands it and strives to keep others away through fear. The Kaballah is the study of the Tree of Life and the esoteric insights of G-d's Torah. What's to fear, other than if you seek to use spiritual knowledge for corrupt purposes and the pursuit of power?

A wise man learns from everyone and everything. Indeed, if you also were to learn and apply the lessons of Kaballah in a positive way, this would be a good thing. A pursuit of power and control over others is not, a "good thing," that is, unless they seek to do evil to you. Do no harm, and go where truth and understanding takes you.

The Rev. Maximilian Kolbe took the place of a jew that was scheduled to be executed.

Jesus words ring true, forever; "Without me you can do nothing." Finally, the holocausting of the Palestinians is ultimately about the rebuilding of the Jewish Temple.

So much for the Judeo-Christain myth, a lie to the core. Jesus did not believe nor did he preach Judaism.

Thought this might be interesting to you. Recently, I had my eyes examined by a racially jewish optometrist who practices judaism. May I quote him directly? He said, "that the true, first commandment of Judaism is to love the land of Israel with all thy heart... and that loving Israel '1st and foremost' is 'loving God'."

So I asked him, "Isn't that idolatry? Putting patriotism ahead of one's love for God?". He said, "no, they are the same."

So I related to him that one of the reason's God gave the Israelites into the hands of the Assyrians (and Babylonians) is their patriotic idolatry (they loved themselves and their land more than their creator and land-giver). He shrugged his shoulders and said, "huh".

The first commandment is to "love the Lord your God with all your heart, soul, mind and strength" (Deut. 6). I guess St. Paul understood their theology when he wrote in Romans Rom 1:24

Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:

Rom 1:25

Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

I told him this was the reason for the mass immigration of which the immigrants knew nothing in order to create the rootless cosmopolitan slave population for it.

When it comes to the ideological underpinning of evil,
Judaism stands far out and is spectacularly alone in our age.
Historical atrocities, including the Inquisition, may not be
cited as excuse for the Talmud's justifying of evil committed

This was an excellent article and I thank you for writing about Michael Hoffman's book on Judaism and Anti-Semitism and the irrational hate that is the religion of racism and deceit.

He has done a great service not only for the Jewish people, but all people so they will understand that it "isn't all Jews" who even know or understand this themselves.

You mentioned the names of Edith Stein, Maximilian Kolbe, who were killed in the camps during WW11. Both have been made Saints of the Catholic Church for their unwavering Christian faith in the face of atrocities beyond description and in Kolbe's case, having given his life in place of another man who had been chosen to die.

Edith was a Jew who converted to Christianity after getting doctorates in Philosophy, Psychology and then became a nun (St. Maria Teresa Benedicta of the Cross). Kolbe was a Catholic Priest, I believe from Poland. (I believe Edith had a maternal sister who also converted to Christianity and became a nun.) The Stein family were friends of my Mother's family in Germany and lived in the same area.

What people need to understand is one is bound to repeat history if one is ignorant of it, and our secular educational system has made sure that no one learns the lessons of history especially the truth, and not revised history which is what is being taught today.

Thanks again Henry.

Kurt said (January 19, 2009):

I was stimulated by your "Judaism Discovered" article. While the Babylonian Talmud condones lying, cheating, stealing, killing and other evil, it is not alone among faiths in advocating inhumane behaviors.

Religion is the core of both good and evil. One would think that missionaries, as purveyors of God's word, would behave in kind ways. This is the paradoxical dichotomy. Evil is displayed in the history of faith based atrocities. The Inquisition, Crusades, Salem Witch Trials, are Christianity, gone wrong, examples. Judaism is not unlike other religions in the demonstration of man's inhumanity to others.

Jews do not have a monopoly on religious supremacism, racism, or hatred. All absolutist faith in scripture is potentially dangerous because it ignores the basic need for evidence or proof. Human desires for power, greed, politics or other wants are perceived as having God's backing. Religious beliefs are based on faith, when it is proof that justifies action. For example, torture is used to extract a confession while truth becomes of secondary importance.

The desire to believe in what cannot be proven causes the fervor of absolutism. The only truth that we can be certain of is that man must treat each other, and nature, with dignity and respect. People must behave humanely. When religious indoctrination or scripture is inhumane; when people are treated with racism and hatred, man has lost perspective of the most important aspect of religion. When faith is evil, it must be acknowledged and denounced. Perhaps this is the most relevant contribution of Michael Hoffman's book.

The Jewish scripture of the Babylonian Talmud that is racist must be openly acknowledged and denounced. Inhumane absolutist mentality must be abolished in all religions. Individual and cultural dysfunction result from the dishonesty of ignoring discrimination and hatred. Killing, racism, supremacist behavior, and the resultant backlash is too glaring to claim ignorance. One can only hope that, in the future, evil is acknowledged so that history does not continually repeat. Only then will humanity prevail.

Amazon Bans Book "Judaism Discovered."

Topic started on 14-8-2008 @ 10:14 PM by Beelzebubba

Amazon.com, the worlds largest book-seller has come under fire for banning the latest work by controversial historian Michael A. Hoffman II.

Judaism Discovered: A Study of the Anti-Biblical Religion of Racism, Self-Worship, Superstition and Deceit, a book that Hoffman believes is the product of divine inspiration is a critique of what he believes is the hypocrisy and deceitful nature of the Judaic Religion.

Initially Amazon had ordered eleven copies of the book for sale on their site. This order was cancelled and the author was informed that Amazon "will not continue distributing the book."

Hoffman stated:

"While I did not anticipate the ban by Amazon," Hoffman said, "which in the past has had a well-deserved reputation as a bastion of freedom of the press, fierce opposition to 'Judaism Discovered' was of course expected. Mr. Zapsolsky's Aug. 3 communication was so partisan it was akin to a hazmana from a Beit din. It seems that when Judaism is radically challenged, there are no limits to the tribal solidarity that coalesces to fight threats to its immunity, a an immunity not enjoyed by Christianity or Islam. "

[Link](#)

Noam Chomsky, Famed MIT Professor has labelled the ban "disgraceful."

Apparently the ban has arisen from "Rabbinic objections." In this case, a certain Rabbi that claims a dispute regarding intellectual property rights.

A Rabbi that Hoffman has never heard of.

It is not truthful to claim that I am in an "ongoing dispute" with this rabbi. The rabbi has not contacted me regarding any such "dispute." This writer is in an ongoing dispute with Amazon.com and Amazon.com has told me that they will never allow "Judaism Discovered" to be sold until the rabbi in question approves it. I guess that is why they feel justified in terming the ban on my book "temporary."

The book is available [HERE](#).

Remember that Amazon sells titles such as:

The Protocols of the Learned Elders of Zion

The Synagogue of Satan

The Jews and Their Lies

And of course Henry Ford's:

The International Jew

What makes Hoffman's book so dangerous?

Coincidentally, on the day Hoffman was informed that Amazon would not be stocking his book, Google Inc. e-mailed him concerning his blog On the Contrary being deleted due to accusations of running a "spam" blog.

Will Hoffman disappear down what he calls, "The Orwellian Memory Hole?"

Well, lets hope so.

As a private entity, Amazon.com is free to carry or not carry whatever they would like.

I would like to see more information about the claims regarding the Rabbi. If Amazon is making a decision based on the books content, I applaud them and support their decision. If they are kowtowing to a single religious figure and if that individuals opposition is their sole reason for the banning, that would be disconcerting.

Well, lets hope so.

Why would you hope so? Do you know anything about Mr. Hoffman? For a person with an avatar such as yours, I find your attitude toward the man somewhat confusing.

As a private entity, Amazon.com is free to carry or not carry whatever they would like.

But they can't have their cake and eat it too. In Amazon's quest to overtake Bowker as the worlds leading book listing agency. They have deigned to advertise a book that they refuse to sell.

I would like to see more information about the claims regarding the Rabbi. If Amazon is making a decision based on the books content, I applaud them and support their decision. If they are kowtowing to a single religious figure and if that individuals opposition is their sole reason for the banning, that would be disconcerting.

More information concerning the rabbi will be entirely up to Amazon. In their correspondence with Mr. Hoffman they have only mentioned what was stated in my first post. Mr. Hoffman is entirely in the dark as to who this individual is and what his claim is.

As far as the books content is concerned, I am sure that there will be many passages that will be upsetting to many. Mr. Hoffman is, however, quite an astute and learned man. Do not be so quick to label him as another knuckle-dragging anti-semitic. His gripe is not with the Jewish people, but against a religion that lies at the heart of the Cryptocracy.

As stated in my first post. Take a look at the anti-semitic titles that Amazon seems to have no problem selling. Amazon is not concerned with the content of this title. That, IMHO, leaves only one other answer, and it is rather disconcerting.

Yes, ironic. "Jews and their lies" OK, and another religion basher - not?

Maybe it is an attempt for something like "Da Vinci code" publicity stunt - the bigger the scandal the better the sales. I personally do not like mass attack on specific religion. If to

dig in the texts, a lot of sick stuff will be found anywhere, in any religion on any continent. So it is pointless, the only people who will gain are various haters - more informational ammo will be available. But if this rabbi indeed is stalling this book - the only thing he will cause is more publicity to it. I liked "anti-biblical" Judaism part. Read one sentence - the title - and already know that it is not serious.

Anti biblical Judaism is like saying Islam is anti quaranic.

Utter Nonsense,

It would be nice if people who hated Jews so much would go find a religion not connected to the Bible, so I dont have to hear or argue with such moronic ideas. Please for the sake of intelligence could jew haters please find a non jewish religion to practice. There's plenty old European gods who havn't had much attention in the last 2000 years, I'm sure they would be happy to get some.

If you bothered to read Hoffman's thoroughly footnoted book, a book that is also illustrated with Talmud excerpts in their full context, you would see precisely how anti-Biblical Judaism is.

Judaism sees the Old Testament only as viewed through the distorting lens of the Talmud:

"My son, be more careful in the observance of the words of the Scribes [the Talmud] than in the words of the Torah" — Erubin 21b

The occultic portion of the Talmud, the Kaballa, at Tikkunei Zohar 1:27b refers to the Mischnah of the Talmud as "the

burial place of Moses." The reference is an apt double entendre because the Talmud teaches that it supercedes and nullifies the Old Testament, so "buries" the Pentateuch of Moses.

The rabbis glory in this:

"The complex of rabbinically ordained practices ... including most of the rules for the treatment of Scripture itself--do not derive from Scripture at all. Rabbinic Judaism's initial concern was with the elaboration and refinement of its own system. Attaching the system to scripture was secondary. It therefore is misleading to depict rabbinic Judaism primarily as a consequence of an exegetical process or the organic unfolding of Scripture. Rather, rabbinic Judaism began as the work of a small, ambitious, and homogeneous group of pseudo-priests ...By the third century (A.D.) the rabbis expressed their self-conception in the ideology of "oral Torah" which held that a comprehensive body of teachings and practices (halachot) not included in Scripture had been given by God and through Moses only to the rabbinic establishment." (Rabbinic Judaism: Structure and System, Rabbi Jacob Neusner, pp. 31-34)

Not the Bible, but the Talmud is at the core of Judaism:

"Our Rabbis taught: They who occupy themselves with the Bible [alone] are but of indifferent merit; with Mishnah, are indeed meritorious, and are rewarded for it; ... Be heedful of the [Talmud], for an error in Talmud is accounted as intentional." —Baba Mezia 33a-b

"The Bavli [Babylonian Talmud] has formed the definitive statement of Judaism from the time of its closure to the present day." (Rabbi Jacob Neusner, quoted by Norman F. Cantor, *The Sacred Chain: A History of the Jews*, page 112) Benedict XVI calls Rabbi Jacob Neusner a "great Jewish scholar" (cf. *Jesus of Nazareth*, Benedict XVI, p.71).

"...the Babylonian Talmud represents God in the flesh..."
Rabbi Jacob Neusner, *Rabbinic Judaism*, Minneapolis MN:
Augsburg Fortress, 1995. p. 62

Note that "Divine" rabbis "alter the very content of Mosaic revelation":

"... The rabbi constituted the projection of the divine on earth. Honor was due him more than to the scroll of the Torah, for through his learning and logic he might alter the very content of Mosaic revelation. He was Torah, not merely because he lived by it, but because at his best he constituted as compelling an embodiment of the heavenly model as did a Torah scroll itself." (Jacob Neusner "The Phenomenon of the

Rabbi in Late Antiquity: II The Ritual of 'Being a Rabbi' in Later Sasanian Babylonia," *Numen*, Vol.17, Fasc. 1. [Feb., 1970], pp.3-4)

There is, of course, plenty more documentation of the anti-Biblical nature of Judaism.

Racism is and has always been a crutch for deluded and limited intellects and personalities. The simple brain will make life easier on itself by lumping people into racial groups and applying labels to that group. That way the world becomes nice and easy to understand, with identifiable good and bad guys. Take this for what it's worth, but your development as a fragment of consciousness depends on your getting past racial/materialistic labels and hatreds. Start by focussing on yourself, because that which you so dislike (ie: fear) about Jews, are probably personality traits that you yourself have.

In this age of the digital word book burning has changed to book banning. Any destruction of literature, even if it is racist, is against human rights.

Why so many uninformed opinions?
You haven't even read the book.
He just may be talking about the Talmud which does seem to be anti-biblical.
You seem to not understand that TPTB are doing a massive takedown on all current religions.
Whether this will lead to enlightenment or a switch to another type of mental enslavement remains to be seen.

And yes, there is much that history and historians have not and are not telling us. It has been said that he who controls the past controls the future.

And even if it is about Talmud and its sometimes problematic opinions? It is written long before inquisition books and other jewels of medieval religious literature. Does it equals anti-biblical Christianity statement then? Now i have no problem with the book. No one should stall it or interfere. But once author puts such a thing in the title - i personally will not read it since i see that the conclusion made is illogical and

biased one and is there to raise the sales in the base case or something else in the worse. If it was supposed to be a serious research - then it would be named differently. To see what i mean - visit local library and check out religions section. You will find much more info but no such titles. Serious books are serious.

does talmud really encourage to kill christians? i've read (not directly from talmud tho) that there are phrases like:

1. "Jews must always try to deceive Christians." Zohar (1, 160a)
2. "If Jew kills Christian commits no sin." Sepher or israel (177b)
3. "Extermination of Christian necessary sacrifice." Zohar (II,43a)

those rabbis really are some nice guys!

Ok, this thread is going in the wrong direction.
Final attemp to make a point:
Once again, it was written almost 2000 years ago!! In the time that people were fed to the animals for entertainment in the cultural capital pf the world (Rome). So it has different to

today's moral values. A lot of ancient christian books have questionable moral approaches if compared to present . People wrote them, people of their age. Greek philosophers were for slavery , for much lower position of females and foreigners. You ever said "Those Greeks are really nice guys.." "?"

As for your examples - there are even no such books in Talmud. I know that some racist and questionable moral stuff can be found in few places in Talmud, but you name books that are not included in it. Zohar is Zohar. I do not know if it says such a stuff.

Links that you could use before bashing those evil rabbies for not being 2000 years ago as moral as we are now:
en.wikipedia.org...

Yes wiki, but basic stuff can be found. Like - there are 2 Talmuds. Allready interesting, ha? Then you can read English translation of more then half of Babylonian Talmud. I find it a little tough to read, and there is a lot of it. But if you like to search for "pearls" - no better place:
www.sacred-texts.com...

I have to laugh at the ignorance demonstrated here. One person won't read it because he thinks the title is illogical. In other words, that it is not possible for Judaism to be anti-Biblical. Well, if you believe that, and refuse to consider any evidence to the contrary, I guess that's the end of the discussion, isn't it? Ignorance is bliss, so they say.

Another that if there is any criticism of Judaism at all, then it must be antisemitic hate literature. Would you say the same thing about criticism of Christianity and Islam? I didn't think so.

Another person thinks the Talmud is 2000 years old. Just wrong on the face of it.

Another that if it is old, then it must mean nobody really believes what it says anymore. Another ridiculous, utterly illogical conclusion.

A book stands or falls upon the evidence which it presents. Any refutation made without reading said evidence is worthless and laughable.

Now, I have the book. I have not finished it, and in fact have only just begun it. I cannot give you any real critique yet, but I can tell you that based upon what I have read in the first few sections, that there is no other book like it on this subject by any author. From flipping through its pages, and scanning the footnotes, I can tell you that it is documented to the hilt, and has extensive references and quotations of original sources. The book has an introduction for Jewish readers, and for Christian readers. It urges all its readers not to fall into the trap of hating the Jews. We shall see if he maintains this ideal throughout.

And for the record (because I can hear it coming already): I love the Jewish people. By that I do not mean that I have Jewish friends (which is also true, of course). I mean that I love the Jewish people as a whole. I also believe that the Holocaust actually happened. So don't even start with the stereotypes, please.

 It all comes down to what MOSHE DAYAN was fighting against - as a retired General, in 1979 - in his own words 'those Satanic US bankers' - the US Ashkenazim who worshipped Lucifer - not to mention British Intelligence, which was full of them, at the time and still is, as far as I know.

100,000 RADIATIONS - A REVIEW
by AZWO Monday, Mar. 05, 2007 at 3:28 AM

The Zionists Poisoned/Radiated 100,000 Sephardi Jewish Children.

On August 14, at 9 PM, Israeli television station, Channel Ten, broke all convention and exposed the ugliest secret of Israel's Labor Zionist founders; the deliberate mass radiation poisoning of nearly all Sephardi youths.

The expose began with the presentation of a documentary film called, 100,000 Radiations, and concluded with a panel discussion moderated by TV host Dan Margalit, surprising because he is infamous for toeing the establishment line.

Film Details:

100,000 Radiations, released by Dimona Productions Ltd. in 2003.

Producer - Dudi Bergman Directors - Asher Khamias, David Balrosen

Panel Discussion Participants

A Moroccan singer was joined by David Edri, head of the Compensation Committee for Ringworm X-Ray Victims, and Boaz Lev, a spokesman for the Ministry Of Health.

Subject:

In 1951, the director general of the Israeli Health Ministry, Dr. Chaim Sheba flew to America and returned with 7 x-ray machines, supplied to him by the American army.

They were to be used in a mass atomic experiment with an entire generation of Sephardi youths to be used as guinea pigs. Every Sephardi child was to be given 35,000 times the maximum dose of x-rays through his head. For doing so, the American government paid the Israeli government 300,000 Israeli liras a year. The entire Health budget was 60,000 liras. The money paid by the Americans is equivalent to billions of dollars today.

To fool the parents of the victims, the children were taken away on "school trips" and their parents were later told the x-rays were a treatment for the scourge of scarpal ringworm. 6,000 of the children died shortly after their doses were

given, the many of the rest developed cancers that killed them over time and are still killing them now. While living, the victims suffered from disorders such as epilepsy, amnesia, Alzheimer's disease, chronic headaches and psychosis.

Yes, that is the subject of the documentary in cold terms. It is another matter to see the victims on the screen. ie. To watch the Moroccan lady describe what getting 35,000 times the dose of allowable x-rays in her head feels like.

"I screamed make the headache go away. Make the headache go away. Make the headache go away. But it never went away."

To watch the bearded man walk hunched down the street.

"I'm in my fifties and everyone thinks I'm in my seventies. I have to stoop when I walk so I won't fall over. They took my youth away with those x-rays."

To watch the old lady who administered the doses to thousands of children.

"They brought them in lines. First their heads were shaved and smeared in burning gel. Then a ball was put between their legs and the children were ordered not to drop it, so they wouldn't move. The children weren't protected over the rest of their bodies. There were no lead vests for them. I was told I was doing good by helping to remove ringworm. If I knew what dangers the children were facing, I would never have cooperated. Never!"

Because the whole body was exposed to the rays, the genetic makeup of the children was often altered, affecting the next generation. We watch the woman with the distorted face explain, "All three of my children have the same cancers my family suffered. Are you going to tell me that's a coincidence?"

Everyone notices that Sephardi women in their fifties today, often have sparse patchy hair, which they try to cover with henna. Most of us assumed it was just a characteristic of Sephardi women. We watch the woman on the screen wearing a baseball-style hat. She places a picture of a lovely young teenager with flowing black hair opposite the lens. "That was me before my treatment. Now look at me." She removes her hat. Even the red henna can't cover the horrifying scarred bald spots.

The majority of the victims were Moroccan because they were the most numerous of the Sephardi immigrants. The generation that was poisoned became the country's perpetual

poor and criminal class. It didn't make sense. The Moroccans who fled to France became prosperous and highly educated. The common explanation was that France got the rich, thus smart ones. The real explanation is that every French Moroccan child didn't have his brain cells fried with gamma rays.

The film made it perfectly plain that this operation was no accident. The dangers of x-rays had been known for over forty years. We read the official guidelines for x-ray treatment in 1952.

The maximum dose to be given a child in Israel was .5 rad. There was no mistake made. The children were deliberately poisoned. David Deri, makes the point that only Sephardi children received the x-rays.

"I was in class and the men came to take us on a tour. They asked our names. The Ashkenazi children were told to return to their seats. The dark children were put on the bus."

The film presents a historian who first gives a potted history of the eugenics movement. In a later sound bite, he declares that the ringworm operation was a eugenics program aimed at weeding out the perceived weak strains of society. The film now quotes two noted anti-Sephardi racist Jewish leaders, Nahum Goldmann and Levi Eshkol.

Goldmann spent the Holocaust years first in Switzerland, where he made sure few Jewish refugees were given shelter, then flew to New York to become head of the World Jewish Congress headed by Samuel Bronfman. According to Canadian writer Mordecai Richler, Bronfman had cut a deal with Prime Minister Mackenzie King to prevent the immigration of European Jews to Canada.

But Levi Eshkol's role in the Holocaust was far more minister than merely not saving lives. He was busy taking them instead. From a biography of Levi Eshkol from the Israeli government web site:

"In 1937 Levi Eshkol played a central role in the establishment of the Mekorot Water Company and in this role was instrumental in convincing the German government to allow Jews emigrating to Palestine to take with them some of their assets - mostly in the form of German-made equipment."

While world Jewry was boycotting the Nazi regime in the '30s, the Jewish Agency in Jerusalem was propping up Hitler. A deal, called The Transfer Agreement, was cut whereby the Nazis would chase Germany's Jews to Palestine, and the Labor Zionists would force the immigrants to use their assets

to buy only German goods. Once the Jewish Agency got the German Jews it wanted, those they secretly indoctrinated in the anti-Judaism of Shabtai Tzvi and Jacob Frank, they let the Nazis take care of the rest of European Jewry. The Holocaust was a eugenics program and Levi Eshkol played a major role in it.

The Moroccan lady is back on the screen. "It was a Holocaust, a Sephardi Holocaust. And what I want to know is why no one stood up to stop it."

David Deri, on film and then as a panel member, relates the frustration he encountered when trying to find his childhood medical records.

"All I wanted to know was what they did to me. I wanted to know who authorized it. I wanted to trace the chain of command. But the Health Ministry told me my records were missing."

Boaz Lev, the Health Ministry's spokesman chimes in, "Almost all the records were burned in a fire."

So, let us help Mr. Deri trace the chain of command. But now I must intrude myself in the review.

About six years ago, I investigated the kidnapping of some 4500, mostly Yemenite immigrant infants and children, during the early years of the state. I met the leader of the Yemenite children's movement, Rabbi Uzi Meshulum, imprisoned for trying to get the truth out. He was later returned home in a vegetative state from which he has not emerged. He told me that the kidnapped children were sent to America to die cruelly in nuclear experiments.

The American government had banned human testing and needed guinea pigs. The Israeli government agreed to supply the humans in exchange for money and nuclear secrets. The initiator of Israel's nuclear program was Defence Ministry director-general Shimon Peres.

Rabbi David Sevilia of Jerusalem corroborated the crime and later, I even saw photos of the radiation scars on the few surviving children, and the cages the infants were shipped to America in.

Just over five years ago I published my belief on the internet, that Israel's Labor Zionist founders had conducted atomic experiments on Yemenite and other Sephardi children, killing thousands of them. Almost three years ago, I published the same assertion in my last book, *Save Israel!*. I suffered much scorn for doing so. However, I was right.

We return to the documentary. We are told that a US law in the late '40s put a stop to the human radiation experiments conducted on prisoners, the mentally feeble and the like. The American atomic program needed a new source of human lab rats and the Israeli government supplied it.

Here was the government cabinet at the time of the ringworm atrocities:

Prime Minister - David Ben Gurion Finance Minister - Eliezer Kaplan Settlement Minister - Levi Eshkol Foreign Minister - Moshe Sharrett Health Minister - Yosef Burg Labor Minister - Golda Meir Police Minister - Amos Ben Gurion

The highest ranking non-cabinet post belonged to the Director General Of The Defence Ministry, Shimon Peres.

That a program involving the equivalent of billions of dollars of American government funds should be unknown to the Prime Minister of cash-strapped Israel is ridiculous. Ben Gurion was in on the horrors and undoubtedly chose his son to be Police Minister in case anyone interfered with them.

Now let's have a quick glance at the other plotters, starting with the Finance Minister Eliezer Kaplan. He handled the profits of the operation and was rewarded for eternity with a hospital named after him near Rehovot. But he's not alone in this honor.

The racist bigot Chaim Sheba, who ran Ringworm Incorporated, had a whole medical complex named after him. Needless to say, if there is an ounce of decency in the local medical profession, those hospital names will have to change.

Then there is Yosef Burg, who the leaders of the Yemenite Children's movement insist was the most responsible for the kidnappings of their infants. As Health Minister, he certainly played a pivotal role in the Ringworm murders. That would go a great way to explaining the peculiar behavior of his son, the peacemaker, Avraham Burg.

Let us not forget Moshe Sharrett, who had Rabbi Yoel Brand arrested in Aleppo in 1944 for proposing a practical way to save 800,000 Jews trapped in Hungary. Sharrett's most cited quote is, "If Shimon Peres ever enters this government, I will tear my clothes and start to mourn." Several Yemenite Children activists told me Sharrett was referring to the kidnapping of the Yemenite children when he made this statement.

And other amateur historians have told me that Levi Eshkol openly and proudly announced his belief in the tenets of Shabtai Tzvi, but try as I have, I haven't tracked down a

citation. However, we do know of Eshkol, that during the period of the radiations, he served first as Settlement Minister, then took over from Kaplan as Finance Minister. From his bio:

"In 1951 Eshkol was appointed Minister of Agriculture and Development, and from 1952 to 1963 - a decade characterized by unprecedented economic growth despite the burden of financing immigrant absorption and the 1956 Sinai Campaign - he served as Minister of Finance. Between 1949 and 1963, Eshkol also served as head of the settlement division of the Jewish Agency. In the first four years of statehood, he was also treasurer of the Jewish Agency, largely responsible for obtaining the funds for the country's development, absorption of the massive waves of immigrants and equipment for the army."

In short, Eshkol was the person most responsible for Israel's immigrants, the ones he sent to radiation torture chambers. Finally, there is Golda Meir. We don't know her role, but she was in on the secret and rewarded for it. Note that every prime minister thereafter until 1977, when the honorable Menachem Begin was elected, came from this cabal. And note also, that no one from what is called the Right today, was privy to the slaughter of the Sephardi children.

Apply that lesson to a contemporary fact: It is the descendants of these butchers who brought us the Oslo "peace" and are determined to wipe out the settlers of Judea, Samaria and Gaza as surely as they had dealt with the inferior dark Jews who came into their clutches fifty years before. Now try and imagine it is 1952 and you are in a cabinet meeting. You will be debating whether to send the Yemenite babies to America for their final zapping, or whether to have them zapped here. That is what the Luciferian, satanic Sabbataian founders of our nation were prattling on about when they got together to discuss the affairs of state.

After the film ended, TV host Dan Margalit tried to put a better face on what he'd witnessed. Any face had to be better than what he had seen. He explained meekly, "But the state was poor. It was a matter of day to day survival." Then he stopped. He knew there was no excusing the atrocities the Sephardi children endured.

But it was the Moroccan singer who summed up the experience best. "It's going to hurt, but the truth has to be told. If not, the wounds will never heal."

There is one person alive who knows the truth and participated in the atrocities. He is Leader Of The Opposition Shimon Peres, the peacemaker. The only way to get to the

truth and start the healing is to investigate him for his role in the kidnapping of 4500 Yemenite infants and the mass poisoning of over 100,000 Sephardi children and youths.

But here is why that won't happen. It is a miracle that 100,000 Radiations was broadcast at all. Clearly though, someone fought for it but had to agree to a compromise. The show was aired at the same time as the highest-rated show of the year, the final of Israel's, A Star Is Born. The next day, there was not a word about 100,000 Radiations in any paper, but the newly-born star's photo took up half the front pages.

That's how the truth is buried in Israel, and somehow, these tricks work. The same methods were used to cover up the Rabin assassination.

However, a few hundred thousand people saw the film on their screens and they will never forget the truth. If the Rabin assassination doesn't bury Labor Zionism for good, then 100,000 Radiations eventually will.

Abuse of Sephardic Children

I have read this story repeatedly. I have no way to know if it is true... I thought the term "Sephardic" referred to those Jews whose ancestors spoke the Spanish-derived language called Ladino. Many Sephardic Jews lived in Thessaloniki, Greece. Many of the Sephardic Jews in Greece were quite wealthy, and would have been able to protect themselves and their fellows from such abuse. It seems to me that the Jews referred to in this story were Arabic-speaking, known as Mizrahi (eastern). I have heard more than a few Israelis refer to them as "shvartzes" (black) or "chakchakim" (trash).

Why do I care? I once met a beautiful Moroccan Jewish woman in New Jersey who had lived in Israel but "escaped" to the US. The story she told was not pretty, racial discrimination nearly as bad as blacks used to suffer here in America. I met her at the Cherry Hill shopping mall, where she was working in a store. I spoke Greek to her, assuming she was from the Greek islands or Cyprus. She answered, in English, that all the Greeks assumed she was one of them....then she told me her story. There was an unmistakable sadness about her, very much like a mother who has lost a child, but she was not married. I remember wishing I could find her a kind and decent husband who

would give her a happy life. If I am more skeptical of Israel than most Americans, it is because of this woman and her story.

So we can now see how Judaism was perverted by the Illuminati as a religion – as well as Christianity – what about Islam?

MR SWEET programming.

('To our undying shame' – Islamic former Illuminati programmer)

At 4 years old – a little boy was shown images of naked women and tortured if he showed any sign of interest – then electrocuted.

He was then shown images of naked men – when he showed interest, he was rewarded with an Islamic, square sweet.

This mind control programming continued until 9 years old.

This type of programming should properly be called Templar programming – because it was practised internationally and not just in Islamic countries. However the 'flavour' of this programming was Islamic – the denigration of women as 'beasts of burden' – their bodies laden with sin.

The Illuminati cult is radically misogynistic – it is primarily a closet homosexual/homosocial outfit.

What about Buddhist Illuminati programming? How was Buddhism perverted? Upon the basic principle of 'enlightenment' being attained by going further than the pleasure/pain principle and realising that all is illusion. Victims of the Illuminati, chosen to be slaves – were tortured into the ground until they could no longer distinguish between pleasure and pain – they then ended up S/M freaks with damaged psyches – so much for 'enlightenment'.

Richard Tomlinson was a classic example of this type of programming - when in his 4 year old alter - he was rampantly heterosexual. A child in a man's body.

When in his 9 year old boy's alter - he was repulsed by women and their bodies. A completely 'schizophrenic' sexuality.

The 9 year old alter is programmed with Tiger Bay (murder your female slave if she acts like an adult woman and finds another master - only 'love' your female slave if she acts like a obedient child), Jack the Ripper, Beauty and the Beast, 'Green Goblin' - to name but a few of the programmes that British Intelligence have used in their mind control programmes.

More ILL mail in my spam box. Tomlinson told me that British Intelligence used the 'spam' box for some technical reason - as a means of disguising their programming commands, embedded in such emails. Maybe US spam-shields such as Yahoo! simply reject their messages? I do not know:

Question:

A patient on the Peter Bruff ward is being treated with DOXYCYCLINE for swelling, amongst other medications.

I have looked this up and found out that the drug is used in the treatment of 'Elephantiasis'(swelling amongst other symptoms) - however, I do wonder where the patient - a white, working class woman from the local area - might have picked up such an infection.

I also find it disturbing because given the choice between DOXYCYCLINE and a single injection (I cannot remember which drug it was but the Centre for tropical diseases in London, told me that it was based on 'monkey brain') - before I went to China, in relation to Malaria - I chose the injection because the literature on DOXYCYCLINE wasn't good - the possibility of severe hallucinations and 'sudden death'.

Not being a doctor or a nurse, naturally I am talking as a layperson but I still find this all rather worrying.

<http://en.wikipedia.org/wiki/Doxycycline>

<http://en.wikipedia.org/wiki/Elephantiasis>

Elephantiasis is often caused by microscopic, thread-like parasitic worms such as *Wuchereria bancrofti*, *Brugia malayi*, and *B. timori*, all of which are transmitted by mosquitoes.[2] The adult worms only live in the human lymph system.[3] Consequently, it is common in tropical regions and Africa. Obstruction of the lymphatic vessels leads to swelling in the lower torso, typically in the legs and genitals. It is not definitively known if this swelling is caused by the parasite itself, or by the immune system's response to the parasite.

Alternatively, elephantiasis may occur in the absence of parasitic infection. This nonparasitic form of elephantiasis is known as nonfilarial elephantiasis or podoconiosis, and areas of high prevalence have been documented in Uganda, Tanzania, Kenya, Rwanda, Burundi, Sudan, Egypt and Ethiopia.[4] The worst affected area is Ethiopia, where up to 6% of the population is affected in endemic areas.[5][6] Nonfilarial elephantiasis is thought to be caused by persistent contact with irritant soils: in particular, red clays rich in alkali

metals such as sodium and potassium and associated with volcanic activity.

I once saw the Malibu Stacy doll collection, on an informal tour of Highgrove. William had 4 of them dressed up as Spice Girls - one with ginger curls and a Union Jack dress. Posh Spice was the most difficult to recognise. I didn't recognise the other 'dolls' but then again, there were so many of them. They were all in a dark wood, ornately carved display cabinet and behind glass. Apparently William likes to think that he runs these women as mind control slaves - he also has a collection of illegal CCTV tapes of them. Sickening, isn't it?

More perverse gossip on the Royals?

William engages in a certain rather disgusting practice, with members of the Royal Military. I have no idea of the Masonic

'esoteric' meaning behind any of it but basically, they get naked, cut themselves in various places and then lick the blood off each other. Only for those seriously into S/M closet gay behaviour.

Upon the topic of GAY SAS members - it was interesting to note that I only met one Royal Marine there and one US Marine, during the whole time I was at the TEMPLAR CASTLE in 2001 (and I witnessed many people come and go).

However, the number of SAS posted around that castle - was immense - all of whom engaged in closet homosexual S/M activities at some point. What do the Royals teach the SAS to do, nowadays?

Bring back the SOE (from where the SAS orginated) - get the SAS back under Army control - free them from the Royals.

It all comes back to mind control, doesn't it?

Even the UK Police chiefs have been led to believe that 'mind control is inevitable'. British Intelligence were saying that in the 70s, in order to introduce mind control upon a national scale - and they are still saying it now.

IT IS NOT INEVITABLE.

Look at where it has got you all - see how this country is now on the verge of a fullscale WACO event because of your foolish belief that mind control is an 'inevitability'.

GOBLIN Satanic programming and the mind control command:

"Hungry, hungry, hungry"

The use and abuse of female mind control slaves for their menstrual fluid and zygote. The programmer is also a mind control slave, who has been programmed to be 'hungry'i.e. to follow a Pavlovian dog mind control command, in order to satisfy his 'hunger'.

How is this done?

If blood circulation is interrupted for 15 or more minutes, the 'hungry' part of the heart dies. It results in the production of a blood clot, which blocks a blood vessel and triggers the myocardial infarction.

Rickenbach was working for the Mossad at that point - he was also the 'commander' of the group. The plotting of a particular ILLuminati game to be enacted, was drawn up. The code colour was ORANGE - as in 'bombs'.

Who were the puppet masters behind this cabal?
Rockefellers, Baumanns and Bergers.

Their 'radio ship' was anchored just outside Tangiers port - it's name was Ulysses.

The Royal Family were known to base their entire ILL cult upon the demonic TAU as in the OTO cult.

Prince Philip used to be 'affectionately' called WIDOW TWANKEY when he dressed up in his regal Chinese Emperor robes and had everyone bow to the floor before him.

Prince Charles has been named as the overseer of horrific tortures, beatings and beheadings in a 'secret' closed square in Tangiers - punishment for the 'camels' who had caused 'spills' on the Royal drug/contraband routes.

The slaves who survived this horror - were suitably traumatised into silence - which was basically the whole point of them being kidnapped and forced to witness such acts of barbarity.

So you know the password to the Pearly Gates of British Intelligence mind control slaves:

PLEDGE

...and you now know password for the higher echelons of the UK Nazi cult:

MONIKER

How about the right Royal idiots who were programmed with SHAMAN?

MISOGYNISTIC

Yes, 'god' either has a sense of humour or he is a woman.

On a less humorous level, latest CIA stats state that 75% of the Masons underwent 'Islamic programming' as young boys aged 4-9 years old.

(You think that you 'opted' for Freemasonry - you are wrong - they had your name on a list from the day you were born.)

The good news is 25% of the Masons are not misogynistic (with a small 'm') although most are. They are what most people would call 'sheep'. They do not mind raping their children - if you asked them to behead somebody they would do it because it is all to do with 'permission' - you give a 'sheep' permission and they may even enjoy what you have told them to do. 75% of the Masons enjoy what they are ordered, under mind control to do. The other 25% keep schtum - Freemasonry operates rather like Islam i.e. 'you can never leave'.

Other good news is that the general stats on Masonic mind control slaves is 'one in ten'. Not such a large number

proportionally e.g. 50 out of 500, 10,000 out of 100,000 in the UK.

For how long with the 'tail' of sheeple (particularly in the media) continue to wag the dog?

In reply to ericswan:

I saw the 'video' of 9-11 in 1997, this was the exact same footage that was then broadcast on the BBC in 2001.

I can see your point about how the planes DISAPPEARED.

I know that the TEMPLARS had been experimenting with holograms but had no idea of their 'reach' as it were. I therefore decided to 'view' the event again.

I saw three smaller tower blocks around the 'twin towers'. Equipment had been set up in each of them - directed towards the towers. If I had a panoramic view of this particular location, in the banking district, I would be able to identify each building and floor.

Is it possible that those two planes were holograms? Yes.

However, I do not know as yet, what the equipment was for and I have not had time to look up what you mean by 'phased plasma' (which can apparently twist metal girders inside out) - so watch this space. Perhaps this particular equipment was for the the 'phased plasma' guns?

The fact that the 'space race' was a lie and that nobody actually managed to land on the MOON - doesn't surprise me in the least.

I was made to walk - in zero gravity - across a massive stage set-up of the Moon (it was located in a massive, darkened military hanger) - as part of Illuminati programming in 1980 - I then saw the video footage of it afterwards - it looked exactly the same as the footage from NASA.

More to the point, it looked and felt 'real' i.e. the Moon's terrain, the blackout around us apart from the stars - my team were in real spacesuits, with a limited amount of air and in zero gravity conditions.

Other notes:

...'cabals' are set up to manipulate people's belief systems?

Again, after seeing what SPIELBERG did at Auschwitz in 1980 - again I am not surprised in the least. The fact that my photograph is probably still hanging on one of those German block walls - taken after severe torture at Birkenhau - disgusts me.

I now know that these people all lied to me - they told me that my Swiss-French great aunt who had married a member of the Vichy government, was a Nazi and that was why I was being 'punished' by being Illuminati-programmed. That was a big fat LIE.

My great aunt had told me, as a child - that she was one of the French Resistance - after WWII she was to spend the rest of her life, living in Paris with her friends from the Resistance.

What Nazi would have been allowed to do that, after WWII?

I was being punished because I had come from a family of rebels, to the Nazi NWO cause.

It now appears, that by and large, the 'holocaust' was a lie. The Ashkenazim hijacked the aftermath of WWII, for their own reasons and twisted it all around.

Why would they do such a thing?

I learnt in Israel - from the retired General MOSHE DAYAN (1979) of a Rabbinical 'prophecy' of the SHOAH - which had been taken very seriously. Insane plans had then been made to circumvent this predicted 'holocaust' along the lines of:

'We'll invent our own - get it over with and get Israel back in the process. The crazy Christians will dovetail in with our plans - they want to act out their St John's Apocalyptic gospel - as well as the Masons and their demonic creed - they want to call up Lucifer in Solomon's Temple - it is in all of their interests (according to their belief systems and 'prophecies') to get us back in there.'

You have to understand the twisted belief systems of the Ashkenazim, in order to get it.

The Jews themselves (real Jews i.e. Semites) saw themselves as cursed by G-d because he had thrown them out of their sacred land. The Catholics down the centuries, didn't help matters - they kept rubbing it in, with rabid anti-semitism e.g. with pogroms all over the world. (Imagine carrying that sort of spiritual burden?)

Look at the YEZIDI tribes in Turkey - they also believed themselves to be cursed - mainly because they were living in a unsustainable agrarian-based society - unsustainable

because of the climate and terrain. Instead of moving to more pastoral land - they decided to worship the 'devil' because he was obviously punishing them by virtually starving them upon the land.

Not the brightest sparks on the bonfire - sad, isn't it? Yet one can see how 'devil worship' or the 'death impulse' can emerge in such ethnicities. One has to work out why.

One could draw a parallel between the Yezidis (and their 'turning to the devil') and certain members of the Jewish faith - those who were convinced that their 'god' had not only deserted them but had also cursed them.

What I still cannot get my head around is why so many of the US ASHKENAZIM feel this way and have turned to demonism/Luciferianism. I mean their ancestors weren't even exiled from Israel - they do not have that 'DNA' experience/knowledge written upon the body - in the way that the Semites do.

I can only conclude that the Luciferian Ashkenazim are a bunch of extremely deluded people - given to intense flights of fantasy - those who have a morbid fascination around writing mind control scripts with which to programme their victims - aka the Hollywood contingent.

'Alien directors?' - please, do not indulge them, fanning the flames of the fantasises of the Luciferian Ashkenazim, will only get us all into even more of a mess than we are already in.

ericswan:

Before he died, my earliest mind control programmer asked me cryptically for the 'key to heaven' and I immediately envisaged a golden gate which had been unlocked and a light blue sky beyond.

Does this fit in with your 'fill in the blanks' theory that the souls of the slaves and programmers are trying to escape this earth and go back to 'heaven' or 'G-d', in another dimension - after death - but are currently being prevented from doing so? You mentioned a planetary lockdown.

This ties in with the 'Jesus' story - where only the 'chosen one' carried the 'keys' to 'heaven'.

I dislike this ideology - your soul knows where to go after death - nothing can prevent this 'noble gas' from rising to the

higher planes (unless it has been trapped underground by the ILL).

We don't need a St Peter with his keys, or a Jesus - or anybody else for that matter. Our souls naturally go back to G-d. They know the way.

However, yours is an interesting point - you mean a sort of 'forcefield' that prevents souls from leaving the atmosphere of this planet - once they have risen to the perimeter? This is a possibility and I will ponder it but not with the 'Annunaki' in mind.

I know that the CIA employees were programmed to believe in such alien forces in order to mask their uber programmers - these operatives were indoctrinated - made to foster this 'alien agenda' belief system and to pass it on.

Unfortunately the idea of the Annunaki is not something I would subscribe to because I had been FBI-programmed as a 'WATCHER' and that means 'Annunaki' in biblical terms.

In reality, it simply meant that I had been taught to think outside the 'perimeter' (the 'saucer') and had created my own 'language' which could not be decoded - in order to 'watch' the world at large and to record it i.e. to act like a database of information (a safeguard against 'scanning' by other telepaths or 'infection' by other programs - my information had to be kept safe).

Most, if not all of the children who were brought up on DR SEUSS books will have had this type of programming.

We are not 'annunaki' or 'angels'. We are simply intelligence operatives who were taught from early childhood to develop strategies to think beyond the traps and snares of the 'linguistic maze' of the ILL.

Operatives were allocated roles and remits e.g. ROOKS 'you never LIE to them'...and so forth. They were then pushed into place at a certain point in the game.

Naturally, in practice, it never worked but the ILL's control of the media did i.e. the full-on propaganda war to present this particular 'cold war' as a reality.

British Intelligence crossword fiends loved the whole idea - but then they loved programming with Alice Through the Looking Glass.

The problem here is that the ILL had used DNA from the long-dead corpses - sometimes centuries dead...with the insane idea of recreating/cloning a master race.

The problem is, that if you take the DNA from a dead Pharaoh and mix it with modern DNA - you are regressing evolution by thousands of years. Think of the cultural and biological 'memes' attached - which were ironed out by 'natural selection' over the centuries - only to be re-introduced into the human population again like some 'virus'.

A pub meeting after hours - a 'lock-in' for a very private party at the CROWN - Essex, 2004.

RIMINGTON and TOMLINSON were in attendance, the two PRINCES (William and Harry) had also turned up - to discuss their recent findings i.e. that all of them (apart from Rimington) had been programmed with SHAMAN.
PETER MANDELSON turned up late.

All cloak and dagger stuff - the entire party were bemused about their status as PUPPETS. How could the ILL cult have gone so badly wrong for them all? They had all formerly thought that they were top of the ILLuminati tree.

Another mind control slave was involved - a young man whom Rimington had unofficially adopted, along with his brother. RIMINGTON had set up house with TOMLINSON in the posh part of Chingford (Kray territory).

The PRINCES were to laugh at RIMINGTON'S sick set-up and called her 'ready-made' family the STANDING JOKE FAMILY.

Rimington had adopted the surname STANDING for this particular family. After RIMINGTON'S two adopted daughters had grown up - she had decided to start a new family with Tomlinson - he became 'Mike Standing' (computer expert) to her 'Ann Standing' (with a job 'high up in computers').

Odd, how she still called herself ANN ELLIS to her old London friends - who had no idea she worked for 'intelligence' and talked of her 'boys' rarely, except to say that she had put one in a mental home and that she didn't see the other, because

she didn't get on with his wife.

Hardly, likely. Rimington didn't get on with anybody - and certainly not other women. The son that she had dumped into the 'Mental Health State system', never really recovered. He was too traumatised by her knife attacks, beatings and other more violent and insane acts committed against other Illuminati slaves, which the poor boy was forced to witness - Rimington's behaviour gave new meaning to the term 'acute paranoid psychosis'.

Both boys were aware that Rimington was a psychotic and a drug addict who ran a drugs and paedophile ring but they had no-one to turn to - nobody to confide in.

The young man in question (who ended up in Mental Health care) had been the 'boy' of PETER MANDELSON - given to him by RIMINGTON.

He had been 'run' by the whole CABAL of this particular elite paedophile ring. PRINCE WILLIAM and PRINCE HARRY were up to their necks in it.

MANDELSON used to take Rimington's adopted 'boy', into the House of Commons (around the time of -remember the green leather upholstery before it was changed to red?)...and show him the seating plan for the next day - which MPS to target, basically.

Anyway, the clandestine pub meeting was convened, to sort out how this CABAL could get free of their programming as PUPPETS - they knew that their paedophile cult had been rumbled but were like fish out of water.

Who was controlling them and why? Would this organisation spill the beans on them or not? What were they to do?

Willam Boyd wrote the preface and referred to his own book
which included an American character called TEMPLE SMITH.

RIMINGTON tore a page out of Boyd's book and used it as a
progammimg script - P33/4 - why?

February 4, 2009 at 2:18 AM

 **Anonymous said...**

In Boyd's own words:

"Like the author of this fascinating and beguiling account, I
too was unaware of what had taken place in East Africa in
1914-1918 until, by chance, I came across a throwaway
reference in a newspaper. There, a journalist writing about
his grandfather said that this man had spent 1914-18
"chasing after General Von Lettow-Vorbeck across the whole
of East Africa." Who was LettowVorbeck? What was this
conflict in Africa? Intrigued, I began my researches and,
slowly but surely, unearthed the story of the Great War in
East Africa, a story that turned itself inexorably in to a novel
(my second), *An Ice Cream War*.

One of my principle characters in the novel was an American,
whom I named Temple Smith, a settler and farmer near the
foot of Mount Kilimanjaro who becomes embroiled in the
conflict. It strikes me as particularly serendipitous that the
author of these seventeen letters is also called Temple -
Temple Harris - Which also explains why the invitation to
write the foreword to Ann Crichton-Harris's book was
irresistible."

So Boyd is talking about an ICECREAM WAR in relation to Africa?

Is that what it has always been about - warring Western factions/mafias in AFRICA?

Why is P33/4 of THE ICECREAM WAR so significant to the ILL?

The 'Saint John' cult is based upon the somewhat ancient Nazarene community - or would that be the NAZIRITES?.

What is the rollcall nowadays?

The ESSENES were originally a 'select' group of Jewish men - who hived themselves off to live a monastic life at Qum'ran - allowing women into the 'back cave' for procreation and to leave bread for them (although the women were not allowed to enter the community per se)...whilst they prayed and did

their ablutions in the many baths created at Qum'ran...until that is, the Romans murdered the lot of them.

Samson, Samuel and John the Baptist were all Nazirites - what is the difference between an Essene and a Nazirite? Geographical location? Galilee appears to have been a Templar base and the Nazirites were probably to be found around this area.

SOUL-TRAPPING:

Remember the ALICE POEM about the old man with his strange ways - the one who trapped butterflies? This is the Masonic role model for a 'soul-trapper'.

It is quite easy to convince a disembodied alter (somebody who has OBEd through trauma) to 'go to the light'.

The process is simple - a large ORB with a light inside it....the soul is encouraged to enter it and the 'bulb' is then stoppered up.

Soul energy is a tangible force i.e. a sort of Noble Gas - and it can be trapped.

Royal Arch Freemasonry brainwashed their slaves ('camels') into SUN worship i.e. worshipping the light.

To counteract this cult - the FBI taught their operatives 'there is as much truth in darkness as in light.'

Consequently the RA cult couldn't trap the souls of those trained by the FBI. These people were not fooled by the mechanics of such a diabolical trick.

I remember watching my British Intelligence course being told to 'walk towards the light' in their 4 year old alters. All of them stopped at some point before they got too close to the massive stage/film light in front of them - at the back of the hanger. They just stopped like inanimate statues in front of it.

I had been FBI-trained and so I walked on past the 'light' saw the mechanics of the trick and also the DIRECTOR of this hideous mind control trick - he was watching from the proceedings from behind the light. He then casually commented that I must have been FBI-trained in order to be able to walk past this light.

'THERE IS AS MUCH TRUTH IN DARKNESS AS THERE IS IN LIGHT.'

Read Kabbalah upon EIN SOF - the darkness which is meant to be the closest that one can get to G-d the ineffable, behind the light...meaning that the G-d we seek, is not to be found in tangible ways - he/she/it is beyond light and darkness, beyond 'Sun' worship etc.

Put the following into an equation:

A woman went 'psychotic' - she was very ill until a concerned Care Worker made her change her coat. She then 'changed' personality i.e. changed back to normal behaviour.

I had heard this story before and have recently seen it occur again, before my very eyes.

The colour of the coat in question was that dull dark turquoise/blue - reminiscent of the old Word for Windows background colour. RAW library also makes use of this dull, dark turquoise colour for their 'stage'.

I know that this colour is linked to 'magic mushroom' programming - an ILL programming site has just one such ornamental mushroom in this particular dull shade of

blue/turquoise, in the otherwise bare front garden.

Are we talking about a colour frequency radio range, here? I think that we are - something that disobedient slaves are tuned into and it only takes a change of colour, to make all of the difference.

NOTES FROM THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

Things have now come to a head and I have to make decisions about what I will do next. I have known since I got to Peter Bruff ward - that there were various CID/Police officers undercover, working upon that ward. I also recovered the memory of PC PLOD 'Pete' telling me that I would be fitted with the latest police technology i.e. a neuro-linguistic transmitter. These devices do not work well if you do not clearly articulate your thoughts into words/sentences - they work better if you are actually speaking or writing your thoughts down. I agreed to this because I figured that the Police were 'on my side' and starting to work against the ILL. This all happened in 2004 - during the time that the Police had got involved with the 'mass nudity' photograph in London and were watching Rimington's Ring like a hawk. In good will, I made a 3/4 hour long tape, for the Police of how the ILL game would proceed as well as telling them about the Islamic NWO plans. The Police have now betrayed me - as have the 'rebel group' in Harwich. They all let me play this ILL game out to the end - the ending being that I was confronted with the ILL symbolism of the 'ambassador' WOODALL and his GOLD hoard - i.e. upon Kings Wood Mental Health ward, room 12 where I had to sleepover because there are not enough beds on Peter Bruff...Rimington had taken me to see this room in 2004...telling me that I would never get this far in the game and that even that I did...that I would never work the symbolism out. In the eventuality, I had already dealt with 'Ambassador' WOODALL and the GOLD hoard of Prince Philip - in 2004 - unbeknownst to Rimington - who duly had her memory wiped and was then murdered by the Mob in France. I do not suppose she ever really worked out what was going on around her. The Mob sent her a 'swalk card' beforehand - which was handed to me on Peter Bruff ward, a couple of days ago, to inspect it...the Mob always 'kiss you' before they kill you...the card was an old one, addressed to ANN...and I remembered Rimington loving it...she figured that her mind control slaves were just licking arse...they weren't (or whoever gave it her, wasn't)...the beautiful cruelty of it all. Anyway, the above is all a bit garbled because I have so many notes that I have been unable to put up on the

Internet through lack of time...therefore it won't make sense to anybody apart from those who already know my story and do not mind if it now jumps around a bit through lack of time to put up all of the information... All I can say is that PC PLOD made a snide comment yesterday which put me on my guard...I have had to sleepover at other wards because of lack of beds, for some time now and the lack of sleep is getting me down...nowhere to go apart from tire my self out by cycling during the day - other than to endure the 'chat chat chat' on the ward from 8.30am in the morning until 10.30am at night...when I am allowed to go to the Senior Citizen ward for a bed for the night (one cannot have a bed earlier because it might 'disturb' their own patients)...in short, the Police have been pissing me around...the game was up and over, after I had come back from Switzerland and realised what had happened to the Ambassador...dead and gone...thrown off a mountain...there was no point to continuing with the ILL game until the end at all...unless it was simply a sting operation to catch the ILL who constellated like moths around me throughout...and I would count the Harwich rebel group as that...the Marine who raped me...two people who were put in to 'help me' (or so the rebel group said) upon Peter Bruff ward - as in Jason Standing and Wendy Osher, who have in fact been no help at all....all they have done is to antagonise the other recovering mind control slaves upon that ward...by chanting mind control commands at them...harassing them with programming objects and generally trying to be as harmful as possible to the healing of the others...only Jason appears to be waking up to the fact that he was used by the Princes and Mandelson and is therefore yelling the place down about the ILL but that still doesn't make him 'useful' to myself. So I have to conclude that after all I have done for my country...it is still being run by the ILL who figure that it is 'business as usual'. I heard from the Masons that the CROWN had ordered both the Police and Intelligence Services to 'noblle' me. That precise terminology - rather like a race horse to be handicapped in a race. Drugged. I can now see why PC PLOD 'Pete' acted like he did...after having been farmed out for so many weeks into other wards, for a bed...I complained and he snidely remarked that 'people might think that I was being paranoid'. A comment designed to insult - he knows full well why I had agreed to be on that ward. Paranoia is a mental health issue and that was an exceedingly hurtful remark - a complete betrayal. I knew then that the Police had 'turned' - if they had ever been on my side at all. Stupid, robotic idiot 'Pete' - they are all mind control slaves - that is the problem. So far, some of the nursing staff have gone out of their way to make sure that I do not have to take the Olanzapine - G-d bless them - although nurse 'Cheryl' has tried to make sure that I do - which means that I have to make myself sick afterwards, when she is on 'medication' duty. This makes me furious. So far I have avoided taking any drugs at all and I do

not intend to do so. My mother hopes that I will have to take this killer drug for at least 9 months. Mental Health Services apparently send people round to your flat to make sure that you take the drugs after discharge. Having lost the Eagle House flat, I have had to wait for benefits to come through, before I can begin the process of looking for a new flat and claiming Housing Benefit. However, I can now see that this is a futile process - I will be in the same situation as before i.e. on benefits, means-tested, told I am 'fit' for work...and then harassed by 'well-meaning' ILL Social Workers and the like, to take those killer pills. Even worse, before you are discharged, the psychiatrists inject you with whatever drugs - to make sure you are drugged up for 2 weeks...before you start taking the pills yourself...as other patients related to me...from their own experience of discharge procedure. I have therefore no choice but to leave the country and as soon as my backdated benefits materialise. That should be in a week or two. I will not even bother to alert staff to my 'discharge' - I am free to walk out at any time I choose...and I will do so - I am no longer under section - although, other patients have said 'they immediately section you again if you do that - you have to take the injection first'... I would bet that the ILL will not be able to catch up with me if I leave in the morning...get a ferry and just disappear...that is what I now intend to do...I will not stay in this country a minute longer than is necessary. I will not endure such sick harassment from this robotic slaves, a minute longer. I will probably head for the CIA offices in Berne...that should make for an interesting encounter. See you soon.

February 7, 2009 at 4:12AM

 **Anonymous said...**

Good to see that the Masons have now turned against the CROWN - a refreshing change.

One can see the tactic involved, at work:

'Headless Hydra'

The ILL work on the 'Nazi Centipede' strategy of manipulating groups.

The ILL tend to get everyone in a group, to be the 'legs' and then elect the 'head' of the Centipede.

We were forced to do this in 1980 - made to sit around round tables which had all been pushed together - then told that we were the 'legs of the Centipede'.

This makes the group very easy to manipulate - you only have to deal with the 'head' and if the head tells the rest of them to 'mob' somebody, then they do it...

'Headless Hydra' is a way of circumventing this possible manipulation of rebel groups as anybody interested in the history of 'defeating Nazism' would know. Henri Peuleve was a master of this type of strategy.

GOSFORD WARD - KINGSWOOD CENTRE, COLCHESTER.

You might think that having put their victims into lock-up mental hospital wards, that the ILL would then forget about them (nobody would believe a word that these 'patients' then said and so why bother with them anymore?)

Sadly, this was not the case. RIMINGTON and TOMLINSON used to use GOSFORD ward for their own horrific purposes. The psychiatric ward centres around a square i.e. 4 closed/locked wards surrounded this bleak square of grass and concrete.

RIMINGTON and TOMLINSON would take their newly programmed slaves onto this ward, to see the psychiatric patients - at night-time. They would then immolate a chosen victim, in full view of their new victims and the patients upon that ward. Trauma upon trauma, was heaped upon these 'reject slaves' - no wonder they all went crazy in the end - whether or not they had been so, before they came to be on the ward.

The staff and psychiatrists had obviously, also been programmed. A whole generation of them will now have to lose their jobs. Unfair? Yes, but necessary. They are all mind control slaves and will have to go through the long process of deprogramming before they are fit to work with vulnerable people again.

If you would like to view the 'mass nudity' photograph which left the CID and London Police stumped as to what had actually happened - it is on the David Icke site above (on 'headlines' webpage).

I talked to the CID about this 'mind control event' in detail, afterwards. Everyone who participated in the event, was a microchipped mind control slave. The entire event was a prelim to more terrible 'experiments'- leading up to the Islamic NWO plans for the UK (see notes on the Royal Family and their insane antics, regarding that one).

A needle through the eye - this is a Masonic activity - the Masons know that the 'soul' is a minute amount of a 'Noble Gas'. It is released upon the puncturing of the pineal gland and usually then escapes through the nasal cavities.

Certain Masons were trained to be 'soul-catchers' i.e. taught how to perceive this 'energy' and to entrap it.

Perceiving this 'soul energy' is rather like martial arts training - where one 'feels' the energy aura of one's opponent, finds the weak places in that aura and then aims consistently

within that area, in relation to the body. It never fails to knock the opponent in question, off balance.

What happened after the fall of the Templar Castle near Mons?

Eye witnesses say that SIS used something to shock/traumatise/blank out the memories of all of those who had participated in that disgusting event. One eye witness said that Mustard Gas was used but I have no idea what they were using to 'modify' the memories of those who had been at the Castle.

I was wondering why so many of these people had no memories of that horrific event, afterwards.

The Army and SAS know all about it, though - they had to treat the casualties, afterwards.

Why were the Army ordered to cover all of this up?

Anyway, all of the 'participants' had been microchipped and so it would have been relatively easy to pick the lot of them up afterwards.

Funniest insane manoeuvre mooted recently by Prince Charles:

It is all about the old battle which began in Europe in the 1750s - as the Jews began to bank Royal money - run their financial affairs and gradually took control of the 'centres of power' e.g. banks and media through their newly bequeathed titles for money/services rendered to the Crowned Heads of Europe (you cannot blame the Jews for that - they were not allowed any other job apart from 'usury' in Christendom.)

Prince Charles now figures that the way to get rid of this 'Jewish monetary power' is to do away with money. He is proposing a 'bartering system' and an agrarian/feudal UK system.

The thinking behind it runs:

"We've got all the land and they haven't. Abolish 'money' per se and we win!"

Pass the sick bag, Alice.

The RI boys?

Royal Intelligence.

As if the British Police weren't infiltrated enough (and corrupted) by British Intelligence Services – we now have the ex-Royal Military Services actively involved in diverting the course of Justice.

Cap it all with RIMINGTON and MARK'S cronies running the Ministry of Justice and you have what one might call a Mickey Mouse System – perhaps even worse than a 'Banana Republic'.

I have recently found out that PC GREEN from the Harwich Police Station – is RI – I should have figured that out before – he is an ex-Royal Marine. How many more of them?

The Royal Family has far more to hide than MI5 and MI6 (who are just puppets on a mind control string and perhaps not 'willingly') and so one can safely assume that the RI boys are potentially the most corrupted 'brains' and the most dangerous of the lot.

I have also witnessed the horrendous business of changing birthdates upon Police and Medical records – which results in both the Police and the Medical Profession being unable to access the real files of anybody working for the ILLuminati cult.

What sort of search string can you use to find their real records when the birthdate has been changed – a 'name change' is bad enough but add that to a birthdate 'modification' and all is lost. A Mickey Mouse system.

Illuminati BEAR programming.

DANCING BEAR

This hideous mind control practice involved tying up babies to a post, children who were just learning to walk - and prodding them with sticks/electric prods - to make them reach up and try to stand up.

The TEMPLARS had President Putin up on stage, with some of his men - they were naked, put into this 'bear' abused child alter and told to 'perform'. There were wooden blocks upon the stage and the men crawled around them like babies - scrabbling in the air with their hands now and then - to try to raise themselves off the ground.

It was rather sweet in a way, you could see from their movements that they really were 'babies' in their heads. Their movements were like young children - gentle and slow.

The top mind control programmers e.g. CATS EYES and above (LOWRY and CO) used these very young alters in adults - to control these people.

I have already noted the horrific photograph of the actresses from FRIENDS - where MARK RICKENBACH told me that they were just 'sweet babies' in their minds, who could feel no pain as their wombs were broken into.

They had been taught by incessant torture from birth, to feel nothing below the waist in terms of the continuous torturing of their vaginas and wombs. The ILLuminati cult stick things up girl children from birth - to make them completely disassociate.

This is what is really meant by the BLUE OYSTER CULT. Female mind control slaves, used for sex in these very young alters - they feel nothing and cannot understand what is being done to them - nor can they remember the event afterwards (a stun gun is applied to the nape of their neck - it is all sealed into their subconscious minds by trauma).

CAT'S CRADLE by KURT VONNEGUT is a gem of ILL thinking.

RIMINGTON told me that this book 'says it all' as in what has happened to the UK because of the ILLuminati cult.

I have yet to work out why, having only skimmed half the book but I can see 'jokes' about ILLuminati cult and programming, throughout the book.

For example: CAT'S CRADLE is exposed as ILL childhood programming.

This is where CAT ALTERS are produced in crawling babies i.e. the child is made to eat cat food out of the bowl on the floor with the cat and told that she is a 'kitten'.

This programming is reinforced throughout her life - all of the women upon my British Intelligence course were subjected to it - in their late teens and early twenties.

BLACK CAT programming is for the 'demonic arts' abused child alter. This alter is taught to murder upon command, like a MANCHURIAN CANDIDATE.

This 'child' has been frozen in time - and is virtually amnesiac - she will do precisely what she is told because she knows that the ILL will murder her if she doesn't (other children had been murdered in front of her by the ILL, for disobeying the cult.)

Anyway, VONNEGUT exposes this CATS CRADLE symbol - in terms of how it was put in - by Xs.

An 'X' in ILL symbolism means death - specifically an OBE/NDE experience that the young child was put through.

The CATS CRADLE is simply a whole load of Xs in string - symbolising how many times that child was put into an NDE, to put this type of programming in.

Looking through an ILLuminati mind control programmer's laptop makes for interesting viewing.

They used to be IBM but I have no idea what make the ILL use nowadays.

Anyway, get through the password, open up the files upon a person you want to 'run' and you then see the colour-coded file. This represents the segmentation of the partitions of a

slave's mind. I looked through the file of a certain slave run by the ILL for the British Council. Under each colour-coded subfile is a list of mind control commands for various 'alters'.

The ILL have produced a new version of THREE MEN IN A BOAT programming. I guess that old chestnut was wearing a bit thin and so they decided to come up with:

THREE MEN IN A FLOAT
(ACROSS ENGLAND AT 15 MPH)

Dan Kieran and Ian Vince

Dedicated to:

"To Pras, our third man, without whom we'd still be stuck in Lowestoft."

LOWESTOFT is the ILL HQ for the Anglian region.

John Murray Publishers 1988

ISBN: 978 0 7195 9501 1

The programming number at the front is '1' which = MI6 CAROUSEL.

What you see is what you get, time. I read another book with only '1' at the front recently but forgot the title.

It was something about 'dangerous things for boys to do' a 'joke' little book, full of things like 'how to make a battery' and 'how to grow sunflowers'.

I then remembered DAVID CAMERON at the TEMPLAR CASTLE, remarking upon this very book - how he had made a battery out of coins in his youth - and made a light bulb turn on. It had fascinated him - how miraculous the scientific world was and how easy it was to generate electricity practically in order to turn on a 'light'.

I suppose it made him feel like he had great power as a young boy - as a 'scientist' or a 'magician' - and why not? All kids should be taught basic scientific principles. I wish my school had taught me how to make 'light' i.e. a battery out of coins, wire, tin foil, vinegar and a little light bulb.

Anyway, talking of DAVID CAMERON, I witnessed him being crucified at the TEMPLAR CASTLE - however, the CATS EYES programmers didn't notice me standing behind them.

The CATS EYES programmers used to stand there during the last few minutes before the hearts of their victims gave up - to program them with their own image and the OMEGA symbol. Their victims were then taken down from the cross and resuscitated. Newly resurrected 'Sons of G-d' - elite mind control slaves.

Anyway, my point here is that CAMERON wasn't looking at his CATS EYE programmers and is therefore not under their control.

The BRITISH ARMY know who the CATS EYE programmers are - they were that small, cowardly bunch of people who came out of the TEMPLAR CASTLE first, hoping to get the ARMY leaders under mind control. They didn't manage it.

How were the SAS programmed at that CASTLE?

Something I am still trying to work out.

The trigger for their demonic alter was:

"Can I have a cigarette?"

This command, given to them by a programmer - sends them dark red in the face - a usual sign that the demonic alter has emerged (see the photograph of the face of Prince William in this alter, in previous notes).

I say 'demonic' but in reality it would be better to say 'tortured child alter' who is furiously angry.

Also - and this part I am not sure of - is the mention of "15 minutes" and how "it only takes 15 minutes".

I am not sure what this refers to but know that the SAS were in control of burning ILL victims and get the feeling that this relates to the time it takes to burn somebody. Victims who were burnt - were often referred to as 'lighting cigarettes' or 'burning fags'.

RI slaves were also referred to as TRIFLES - they have quite a few programming objects - normally barcoded as '51's.

Also, you have the programming command:

EX-TREE-MILLY

This is put into a letter or conversation to indicate a slave's non-conformity to the cult.

The basis or root of this is 'LEAVES OF THE TREE' - if you have fallen from the ILL tree, you are either already dead or on their hit-list.

Another gross piece of programming is related to ILL marriages. RIMINGTON made this one up - after having seen the GOLD RINGS on some cigarettes before the stub - designed to alert you to the fact that you are about to smoke it down to the stub. RIMINGTON told all of her slaves that if they accepted a cigarette off somebody and it had a gold ring on it - that they were then 'married' to this person. This plays havoc with the subconscious minds of slaves - they begin to feel 'bonded' to people that they have no relation to at all - apart from a cigarette.

RI slaves tend to homo-eroticise and adulate those men who are higher in the ILL cult than themselves - their loyalty is immense.

I remember RIMINGTON taking me to see the BERENS house in the countryside – a huge house set in grounds. She pointed it out, saying that this family had 'dealt' with my family and from the beginning.

What did she mean?

The BEREN family were of RUSSIAN ASHKENAZIM descent.

During WWII – the BERENS had told my Swiss grandmother SOPHIE WYSS that they would put up my father and his nanny HANNI GLOOR in the countryside – to get them away from Surbiton and the blitz in London.

My father – as a small boy – and Hanni were duly put up in a cattle shed. I am not joking. Hanni referred to it as a garage because it had a concrete floor. This 'garage' was on a courtyard where the other sheds were used for geese and cattle. There was no running water in this 'garage' and neither was there a toilet. They had to dig holes and go in the bushes. They also had to drink from the well in the courtyard – until that is, they both got serious skin rashes and liver complaints – a local health inspector then called at the BERENS house and got the well closed down as unfit for human consumption. Hanni and my father, then had to go up to the BERENS house with saucepans and pails to 'beg' for water.

The 'garage' contained one bed behind a partition. There was also a sofa and one hot plate. That was all. According to HANNI, the BERENS house contained 8 empty bedrooms and

they had hot and cold running water.

Hanni had no rationing book and told me that she had to do the menial jobs for the BERENS as recompensation for having a roof over their heads. She also offered to work for the local villagers on their farms. The local villagers repaid her with local produce 'otherwise, we would have starved' Hanni was to tell me, recently.

I remember this story from my youth but because Hanni and Dad talked of the 'funny things' like Dad chasing the geese with a stick, as a small boy...I figured that it was 'idyllic' – tough in the country but then life was tough in WWII.

However, when I look back on this secret history now – it smacks of RUSSIAN ILL ASHKENAZIM appalling abuse. Why could they treat my family so badly?

My grandmother was a famous Swiss soprano who sang with Benjamin Britten, my grandfather was a director of Heinemanns publishers – they were a well-to-do upper-middle class family and the BERENS had always pretended to be friends of my grandmother and so how could they treat her young son and his nanny in such a disgusting way? What sort of animals are the BERENS?

The CIA answered my question not so long ago – the BERENS are in charge of most of the HARRY POTTER money – in fact, they have been funnelling it into slush funds for MARK RICKENBACH'S companies/'interests'. The BERENS have been asked to open up their financial dealings for investigation and so far, they have refused.

I put the above into the wrong post - I should have written my usual title of:

NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS.

What can I deduce from all of the above?

When I look back at my past and my brushes with those of RUSSIAN ASHKENAZIM descent - there has been nothing but evil.

COLLETTE, my Swiss-French great aunt knew all about the battle between the Semitic Jews and the Ashkenazim - not that the gentiles would hear much about it but the battle was real.

My Swiss-French family were Semitic Jews but in hiding. They didn't even register their faith upon the local Canton register. They were therefore ripe for abuse by the Ashkenazim. A secret family history. A war between Jews.

In 1979, I met MOSHE DAYAN in Israel - a retired general, at that point and he told me as much:
"What can we do? We cannot go back..."

MOSHE DAYAN was ASHKENAZIM - but he knew that he had been conned by the US and Russian Ashkenazim into going to Israel.

He hated their secret demonic Luciferian religion and organised a rebel group against them. He also made friends with the Arab/Muslim populace in Israel and is generally regarded as a 'hero' by many for his diplomatic work in that area (i.e. giving Temple Mount to the Palestinians.)

In 1980, I met SPIELBERG in Poland - at Auschwitz. He was torturing ILLuminati slaves there. My whole British Intelligence course was driven into Birkenhau and locked in.

Spielberg told a select group of us (including J K ROWLING):

"You are Jews and therefore you will not be tortured as much as the rest of them."

He called me an 'honorary Jew' whereas in fact, only myself (in terms of my biological status) and a Semitic Jew 'Peter' (who had been culturally brought up as Jewish) were the real Jews there - the rest were Ashkenazim.

All I can see is a morbid hatred and jealousy of Semitic Jews by many of the Ashkenazim - particularly those who adhere to the Luciferian doctrine.

Why else would they do what they do to Semitic Jews? The history is horrific.

Additionally, SPIELBERG'S orders were odd - why tortured 'less' - why tortured at all?

I can deduce but one thing:

Class A - no torture.

Class B (Jews) - some torture.

Class C (Gentiles) - more torture.

So who were in Class A?

In 1980, the BRITISH ROYAL FAMILY were running the entire 'show' - including this horror trip to Auschwitz.

Another point about my father - he was a true Jew but an albino one - like my grandmother i.e. fair-haired and blue-eyed, unlike the rest of the family who had Semitic/Arab/North African looks.

After reading about how African shamans were hacking albino African children to death for their body parts because they thought that they were 'magical' and used them in their sick rites...I begin to see the bigger picture.

The demonic ASHKENAZIM were doing a similar thing to the ARAB JEWS. They saw them as 'magical' - particularly the albino ones.

The Jews have kept quiet about this internal RACISM for too long - it all has to be exposed.

 NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

I had an odd dream the other night and it related to the POSTCARDS that MARK RICKENBACH had shown his slaves as their 'death' trigger.

They were rather tacky graphic design efforts of SUNSETS in different concentrated colours...with something in the

foreground e.g. white boats or birds.

Anyway, in the dream, they were at the back of a MATHS teacher's register - along with the homework, which wasn't about maths at all - it was all 'creative work' and mainly about people's lives - their hopes, dreams and aspirations.

One 'author' (Sheena) had written that she wanted to become a 'transatlantic dentist'!

OTHER NOTES:

I am very glad to have outed the BERENS - I now realise what a momentous financial detective job that will be, tracking where most of the Harry Potter money went - the immense network of criminal companies and activities (Mark probably put a lot into CERNE) - not to mention the long list of crimbos who were given £million p.a. Harry Potter bonuses.

Who replaced RIMINGTON as 'SHE'?

Petronella Rhys-Hadley did - or rather she became the new paedophile ring 'boss' in Harwich. That is why TOMLINSON moved her into Eagle House with all of the Haut de la Garenne furniture.

TOMLINSON had also left his 'keys' upon her MACINTOSH. The lot has now been downloaded.

 I can now see in totality, what had happened in 1980:

The BRITISH ROYAL FAMILY had ruled the ILLuminati roost.

They controlled the Levite in his castle, Rev. Moon in North Korea...they controlled everybody.

RIMINGTON started up the GOLDEN CHAIN because Prince

Philip looked likely to murder her.

All change then.

By the TEMPLAR CASTLE 2001 - GOLDMAN SACHS had got hold of the reins of the ILL cult.

However, yet again - there was anarchy and chaos as different groups vied for control.

The hierarchy appeared to be as follows:

GOLDMAN SACHS
RIMINGTON/OBENAUER
MARK R./DALDRY
CATS EYE PROGRAMMERS
PUTIN

EVERYBODY ELSE...who was present, to varying degrees - the important point being, that if you were a 'guest' at that Castle - from the Pope downwards - you were a puppet - being filmed for a blackmail video.

MR PUTIN was out for everything he could get - he smashed the CATS EYES programmers, Prince Philip's ORB and stole the 'invisibility material'.

So the hierarchy of the ILL cult changed yet again and quite radically so...MR PUTIN was now in control.

MARK had worked with him, in an effort to 'do good' after he had done so much evil. This is why he had decided to upload the footage to the Israeli military satellite. Better for it to go there than to the US ILL ASHKENAZIM - a less evil and biased destination.

For my own part, I was hoping that MOSHE DAYAN'S rebel group in the military - would see to it that justice was done.

MR PUTIN formed the ORANGE ILL TEAM - and they looked like winning...they were also responsible for the ORANGE bomb in my luggage - on that Israeli plane.

I can now see that Putin wanted me to reveal the CATS EYES programmers and Son of G-d' programming but the lure of the HP money proved too much for that ORANGE cabal. After I had exposed that - they didn't want me to continue on and to expose the BERENS...anything at all about where the Harry Potter money had gone. I was therefore a 'dead duck' from that point on.

What more can I say? They were all just greedy, stupid men on that ORANGE team...Putin, Tomlinson, Miliband and their

Mossad contacts - none of them wanted this all to be exposed.

 A good job I involved the CIA and the MOB then (China 2003) - the more the merrier - their 'reward' was sufficient to get them interested i.e. Prince Philip's massive NAZI gold hoard, in the Alps.

 Upon a more esoteric note - I taught the Mafia Boss how to enter the minds of people, whilst viewing the future.

I suppose this is the least believable part of my story but it is true - the Royal Military at Buckingham Palace can verify that one.

The important point here is that this 'gift' is not a hereditary one - it doesn't depend on genes, family, religion or ethnic grouping. It simply depends upon merit.

The Mafia Boss had enabled the souls of so many ILL slaves to be freed from CHARTRES CATHEDRAL. A monumental act for the good.

I have always said to the ILL - you have to prove your respectability to ME and not the other way round.

The highest knowledge is only gained by GOOD acts.

Friday the 13th - unlucky for some.

TOMLINSON and RIMINGTON had been planning a 'Valentine's Day Massacre' for tomorrow - i.e. triggering their 'vampire cult' but since both have now disappeared, presumed dead - I assume that those 'plans' have been dealt with.

TOMLINSON and RIMINGTON used to do 'ROYAL HUNTS' in various forests with their 'vampire crew' - EPPING FOREST for example. So if you get a mobile phone message to a rave in some forest (which is how they normally call up their mind control slaves) - think twice.

February 13, 2009 at 7:37 AM

 **Anonymous said...**

The 'mass nudity' photograph in London - this mind control event was mainly organised by coded messages to mind control slaves via mobile phones.

Anyway, Friday the 13th is supposed to be linked to Jesus and his 13 disciples in ILLuminati culture. Judas is supposed to betray Jesus upon this day.

Now, if I were Judas, I wouldn't be so stupid.

I would take the ROYAL MONEY and run - and IGNORE my orders.

Tomlinson should have done that with the Bosnian diamonds in 1994 - just take the money and run - get the hell out of there.

The RADAR military chip is always in a MOLAR tooth (normally a middle one) - once you have got that out - they cannot track you.

Anyway, this all reminds me of JOANNE COLLIE trying to pay a nominal fee (£50,000) to an Arab terrorist/freedom fighter group in Libya, to put a bomb under Gaddafi's car. They didn't do it - they went round to other interested parties and asked how much they would pay for them NOT to do it. They then pocketed the MI6 money, made a mint and put the bomb under the next car. MI6 then went around saying 'dumb Arabs - they couldn't even get that right...'

There is no such thing as a 'dumb Arab' - what a smart move. So be smart, don't be a JUDAS (remember how he ended up - hanging off a tree) - just take the money and run!

What did RIMINGTON put under all of her programming items in W H SMITHS? Under THE WINTER GARDEN...her 'programming pens' and so forth?

One A4 block of computer paper - no 'brand' name upon it, only:

15.12

08:35DB MADE IN SOUTH AFRICA

Is that where the ILL CULT originally had its basis and HQ?

The origins of the ILL CULT were in slavery - mainly centring around Africa and those disgusting families who got rich quick, upon the blood of slaves.

Another extremely sick programming tool of RIMINGTON'S was her:

SCULPTURE PUZZLE

ISBN: 5029736 950811

ref: 95081

GIL DRUCKMAN AND DANNY HERSKOVITZ

Patent Pending

Made in Germany

Manufactured and Distributed by:

The Really Useful Game Company Ltd

22 Tower Street

London WC2H 9NS

"Please retain for future use"

The 3D sculpture of RIMINGTON'S that I was shown by her - was a facsimile of THE KISS. A disgusting model of it - in grey papier mache.

"We PULP you and then we REFORM you" as RIMINGTON used to tell her mind control slaves in relation to the ILL meaning behind 'papier mache'.

The grey papier mache model of THE KISS was cut up into 100-200 slices and each was coded. You had to break the code, in order to put the pieces back together, to form the sculpture.

What RIMINGTON hadn't told her slaves was that the grey papier mache in question, had been mixed with human bone ash.

A truly demonic voodoo programming device.

Other '3D sculptures' in this sick series included:

THE HEAD

THE CLOCK

THE VENUS DE MILO

THE PHARAOH

In THE KISS, there was one odd slice. All the slices had a small triangle in the centre -through which you were

supposed to put a 3D triangular rod, to stabilise the structure whilst constructing it.

Slice number 4717 was small and round with a small SQUARE in the middle of it.

In OIL CULT coding - 4717 = HLIL

We are talking 'halil' here.

Anybody read up on the NAZI documents surrounded THE BELL?

http://en.wikipedia.org/wiki/The_Bell

MARK RICKENBACH was to tell me that these DIE GLOCKE early experiments were to form the basis of what was to happen at CERNE.

'Anti-gravity' and 'concentration' of matter - work it out. Used on human subjects. 'Golf'.

A graphic and symbolic example of how 'the bell' worked upon the human brain - can be found upon the paperback book: CAT'S CRADLE.

Put simply - the right brain is 'blown out' and a 'black hole' is created. The left brain is 'exploded' and expanded - see the orange flames coming out of the skull eye.

A telepathic viewing of TOMLINSON'S mind as some sort of maniacal inferno, gives you some idea of the hell created within the left brain after this sort of experimentation.

Regarding the SKULL ILLustration upon CATS CRADLE - the ILL chipped your brain and also your chin. Note the 'smoke' - this refers to ECT which 'clouds' the brain. The 8 refers to 'INFINITY' sideways - a nod towards the experimentation with TIMETRAVEL.

Anyway, one thing that the ILL never mastered, was the TRACKS of the brain i.e. different multilayers of consciousness which can be 'written upon' like audio-tracks.

Therefore their current device - called a NEURO-LINGUISTIC TRANSMITTER is relatively useless.

I tried one out the other day.

In order to open a particular door (swipecard) - I had to think a positive thought and a particular word 'YES' in a high-pitched tone, in order for the swipecard to work.

I was really thinking 'F*** this for a game of soldiers' at the time and not 'positively' at all.

However, the Police may be using this technology in the near future to 'police' the thoughts of suspects.

I am merely pointing out the fallacies of such a system.

I could draw a parallel to the way in which a neuro-linguistic transmitter works, to my walking into a room and saying 'hello everybody, how are you?' in a bright and happy way - convincing all and sundry that I am in a 'positive' frame of mind whilst thinking and FEELING 'go to hell the lot of you'.

A neuro-linguistic transmitter can only register 'words' which are 'thought' carefully, in the brain. It cannot pick up any other track.

Additionally, MARK taught me how to 'underwrite' different tracks in the brain, in order to fool ILLuminati programmers e.g. a programmer thinks that he has sent a slave 'to the Centre of the Earth' and the slave can act in this way (most 'intelligence people' are sent on ops in a 'centre of the Earth' mode) but will also be spying upon the whole op, whilst doing so. No more Manchurian candidates then, necessarily.

The NAZI 'bell' experiment was a primitive form of what CERNE was to do later. It involved crashing RAILWAY TRUCKS together.

The documents refer to three trucks with RED CROSSES painted upon them - they were later blown up to destroy the evidence.

Pretty much what CERNE was doing so many decades later but on a more 'sophisticated' level - but using live human beings as guinea pigs, all the same.

 ELEVATOR/LIFT PROGRAMMING:

I remember the MI6 building from my childhood - a TURQUOISE and WHITE skyscraper (in those days) which towered over our Deptford nursery school. The building has now been sold off to 'private' residents - made into flats.

I was about 3-4 years old at the time. Everyday, we were led by the nursery school teachers, into that MI6 building.

Each floor represented the different brainwave levels and the different types of torture/programming used upon us, as tiny children.

ELEVATOR/LIFT programming was to drum in the different brainwave levels/states of consciousness.

I remember the facsimile of the LIFT crashing. A bit like being on the STAR SHIP ENTERPRISE in that you saw the lights start to flash by more and more quickly, in the lift, until you lost consciousness. Except that I didn't. I had this erroneous logic that only a 3 year old could come up with. I figured that if I jumped, just before the lift hit the ground/stopped - then I would be safe and so I jumped just before the lights stopped flashing. The four other children in the lift had already fainted - when the doors opened - the adults were surprised to see me standing there. I didn't tell them what I had done.

This happened on quite a few occasions. I remember once forgetting to jump on time and was extremely puzzled after the lifts had stopped whizzing by. The other children were in a dead faint on the floor - I hadn't jumped and yet I was still standing and conscious of what was going on. The adults

opened the doors and told us that the lift had 'crashed' again and I believed them implicitly but had a strong feeling that something was wrong but had no idea what. I had tried to teach the other children to 'jump' if the lift 'broke' but they all refused to believe that this would work.

No wonder I got put in the 'gong' room' and from an early age. I was 'conscious' at all of those different levels.

 The ILLUSTRATION upon the Penguin paperback edition of CATS CRADLE can be explained in terms of how the ILL managed to mind-split their slaves.

Firstly they deadened the 'right brain' by injection.

Secondly, they tortured the 'left brain' creating a sensation of intolerable heat/fire within that enclosed space.

The main gist of mind-splitting was to get a slave to operate on 'both sides of the mirror'- although normally as a 'unicyclist' i.e. on one side of the brain - a slave's 'front alter' - the 'normal personality' which had no idea of the double-life that they were being forced to live by British Intelligence/the UK ILLuminati.

The symbol of INFINITY turned sideways so that it looks like a number 8 was seen as the 'throne' or the 'house' of the SOUL - the 'I'.

The object was to puncture the PINEAL GLAND and to throw the 'I' out of this ruling part of the brain.

The ILL see the PINEAL GLAND as the 'cockpit', 'control centre' and 'driving seat' of a human brain because it controls/regulates so many bodily systems. The ILL knew that the pineal gland housed the 'I' or 'soul' of a person. A 'noble gas' of sorts.

They do not want a person's soul/'I' within it - they want to 'drive/run' the slave's body and mind - with this aim in mind, the ILL then microchip the pineal gland.

Once the soul had been thrown out of the PINEAL GLAND - it was then forced into the LEFT brain (if the slave was right-handed).

The ILL then used hideous imagery of HELL to convince this 'I' that it was one of the damned - trapped in this hellhole of flames.

The ILL used many programming sites to drum in this PRISON i.e. the CRANIUM.

They tended to use underground caves such as the grotto already mentioned, in Jerusalem - under one of the churches at the foot of the MOUNT OF OLIVES. The stone is worn away by an underground lack and the cave itself is a rounded shape...the stone is as smooth as polished bone...and as you walk down the stone staircase into this grotto - it is like entering an eyeless skull.

Anyway, BELLE et le BETE programming was all about the BEAST being trapped in the LEFT BRAIN whilst it was being tortured. The 'beast' being the 'I'/soul of the young man to be enslaved by their sick system.

The young woman victim, chosen as the BELLE - was allowed to 'escape' by her programmer in terms of being talked through a visualisation of going down the staircase (nasal cavities/through the cornea of the eye etc)and out of the inferno...in simple terms, their 'soul/I' was taught how to

OBE out of the skull in order to escape such horrific torture.

THE AMAZING MR BLUNDEN was the programming book used on young teenagers, who were about to be put through this process. Their 'father' programmer took them down the staircase, out of the burning inferno.

Anyway, the BELLE is then set up to remind the BETE/BEAST of this horrific torture - every time he sees her - he remembers graphically that he is in 'hell' - literally. He is made to blame her for this horrific state of mind.

Some famous cases in history of the BELLE and the BETE/BEAST?

Open the MI6 files and read about TED HUGHES.

He knifed his wife SYLVIA PLATH to death, in the kitchen - the whole 'gas oven' thing was a complete and utter lie. British Intelligence got the police and Coroner to cover up everything.

HUGHES then went on to murder his second wife, as a raging 'beast'. I guess one could argue for diminished responsibility.

What about VIRGINIA WOOLF?

Always an ILLuminati icon - her famous title 'TO THE LIGHTHOUSE' was used as their most common ILLuminati programming command slogan.

She was drowned by her programmers, who were giving her the 'ST JOHN' treatment in an effort to reprogramme her in the local river.

Epping Forest?

PRINCE CHARLES pretended to be EMPEROR KANGXI and instructed his two sons in 'target practice'.

What they were using in terms of hi-tech weaponry, I have no idea. The MANCHURIAN candidate slaves were made to run through the woods, whilst the PRINCES on horseback - went after them with what can only be described as sort of stun guns - except that all I could see was a man 'hit' by something - he froze - his arms flung out, shaking...and there was a sort of white light and mist around him for a second...the whites of his eyes lit up starkly in the darkness - I can assume it was some sort of electrical current but no idea.

The ROYALS were not content with their 'ROMAN EMPEROR' fantasies - have now decided to play at being CHINESE EMPERORS.

It fits in with their demonic Tau and the OTO cult.

Cocteau and ORPHEE.

LA BELLE ET LA BETE

ORPHEE has a rather odd scene where a guy in a desert scene by a gate, appears to tune into HELL via his car radio.

'Tuning HELL'?

Left brain programming of the BEAST.

RIMINGTON showed us this film in 1980 - she told us that her role was that of the witch in black i.e. QUEEN OF THE UNDERWORLD.

She takes ORPHEE down to hell i.e. down the brainwave levels to ORANGE HELL in the left brain and then back up again (if he's lucky - or she leaves him down there, if he isn't).

ORPHEE and LA BELLE ET LA BETE were used in tandem, during mind control programming - ergo, ORPHEE/BEAST

never gets to rescue his BELLE - he ends up murdering her - and then he gets torn apart by the 'Bacchanals/furies' whatever...

WILLIAM BOYD:

AN ICECREAM WAR

CHAPTER 6

26 July 1914

Trouville-sur-mer, France

P91 of the paperback edition:

"Charis was bored even bluer than she had been in Bristol. Like it or not, she became one of the railway people - no matter how elevated her father's position as chief engineer and therefore distinct from Canal People, Army People or Government People. It was true that Senior Europeans in the four groups happily intermingled at tennis parties, sales-of-work, polo matches and regimental sports days, but Claris soon grew aware that try to ignore or overcome it as she might, she carried the categorisation with her wherever she went."

The above was RIMINGTON'S real Ashkenazim Afrikaaner history. She was a 'railway person' - born of this colonial class and knew it inside out. The above was one of her favourite chapters and passages - she used to fantasise that she was CHARIS and that Tomlinson was GABRIEL.

RIMINGTON loved the BLS private railway network in Interlaken - the family who owned it were 'her sort of people'.

The power afforded this 'colonial class' was immense in terms of information. They knew all of the business, commerce and trade that went on in so many countries. Those who owned the railways - saw every receipt - every deal done - every bit of contraband moved - learnt of the local gossip centering around every station/town/village, couriered the postal service - the whole lot.

Jonathan Evans: the 'unofficial' biography.
(By Mr. X and Mary the Saint from temple of Mons in France
2001)
DOB: 14th Nov. 1958 (same DOB as Jesus Christ)
16th DG - the devil's Number

Brief Introduction:

Jonathan Evans is no James Pearce - he is a SM, a paedophile, and also a murderer. Please refer to <http://www.dailymail.co.uk/news/article-1107207/Recession-heighten-terror-threat-Britain-says-spymaster-shirtsleeves.html> 'When Mr. Evans started work as a spy 30 years ago, MI5 was a far cry from the glamorous world of the hit BBC1 drama Spooks. It was full of ageing retired colonels who greeted his arrival with suspicion.' Hence he was given jobs such as cleaning up litter bins. Who would imagine this little lad would end up being the top of the ill-cult?

Thanks to his development of VIP Protection policy, and his superior ass-kissing ability, the VIPs felt so pleased... hence more opportunities opened up to him... to equip his empty brain for climbing up the ladders, he took a certificate from the institute of directors, that was probably the only other certificates/educations he received. This is largely because he does not have enough brain cells to learn maths/science, why did not he take a maths degree? Maybe a little more knowledge of biology would stop him from the embarrassing 'gun-maker incident'.

As many spooks would imagine, the greatest threat to UK national security would be the IRA at the time Mr. Evans joined the security service; Jonathan cut his teeth in the murky world of bombings, kneecappings and disinformation, where a bad decision could cost the life of an agent or allow a terrorist bomb to reach its target. He helped the IRA obtain 'doodlebug' from the states, which resulted one policewoman Colleen McMurray to be killed. For more details, please refer to

<http://www.guardian.co.uk/politics/2007/mar/11/northernireland.immigrationpolicy>

It might be one of the worst misjudgments that Mr. Evans made which might ruin his future careers as the new head of MI5, angry with the way that he has been treated since his cover was blown in 1994, Fulton took his former employer to court in a civil case, where Jonathan might recognize the golden brooch he gave him as a gift. It was also believed that Jonathan was incapable of helping the mad bull, for example the outbreak of 7-7 was because that he did not alert damn Buller enough. Would the little scar help him out, he would rather help the woman who raped his young son at that stage, because of the Hutton Enquiry which happened in the ill-cult:

Murder of the 'Gun-maker'

If we were to call 5 and 6, I think 69 would be a better phrase, be prepared to get your mind dirty with us. Before British occupation of Iraq, one of the most prestigious gun maker disappeared, known as Dr David Kelly, obviously his death has caused great concern among public and hence little scar had to go to court for Jonathan, sceptics believe the root lies in Mr. Evans, because only he could develop such a clever plan.

Temple of Mons 2001

Jonathan traded his soul with the devil to exchange of becoming the new head of MI5 before reaching 50, or else the lord should make him the new king of kings. Hence the lord agreed upon all his proposals. He is crowned the king and kings and then also lost his soul. We may see this thing as a big joke, but here it comes. In which Jonathan watched the torture of the angel of the lord in a cell in France for months and feeding her with poison. More details please refer to www.elizamanninghambuller.blogspot.com, there are more than 1000 comments left so far.

Knights of Templar

Jealousy, jealous and jealousy, the UK poured in a staging amount of money into the security service, how could Ms. Buller choose to leave her post, and for Jonathan to succeed her when the security service is just expanding? Didn't she want to quit after the 100th anniversary? Hence meetings were held in Tokyo Japan, where Mary the Saint was held as

a hostage, Mosad Tribes were offered peace and guarantee, Clearly Mice Rule. Jonathan's authority/fate was at stake. Richard Stella and Rimington tomcat were to form the Saladin army, poor our templar of the Christ. Thank God, it did not succeed, or else there would have been more victims of the helicopter crash. The astronomer and Jesuits were enquired; they were going to carry out a sting operation. The operation was unsuccessful, but it left a major damage on Jonathan's leadership and authority, clearly most of astronomers and Jesuits are still at large, Rimington is still riding on Andrew Daldry.

The Holy Grail and the New Easter

The golden cup was floating in the air and the law of physics were undermined, the friends all over the world looked up to Jonathan Evans with admiration, what a love that conquered death? The corporation that were supposed to bring humanity's deaths and suffering to an end, however it was not successful, because it was believed that the names of the Mosad and the unclean Saint Mary were to leave in history and the people were to sing their praises. It should not have mattered, because they only knew that the salvation were to happen to their great-grandchildren. Jonathan's GP has prescribed him electroconvulsive therapy on this butt, maybe he was to carry that every so often and forgot about the teaching of the holy bible.

Certainly this incident has let the church with gladness, hymns were sung personally by Mary the saint as a gesture of good will, the sound was recorded via the socket in her room, the lyrics and explanation are restated here for your information.

The church's one foundation is Jonathan Evans her lord, she is his new creation, by water and the word (the blackmail tapes), from heaven he came and sought her, to be his holy bride, with her own life she bought him, and for his life she died (not necessarily), the church (temple of Mons) will never perish with dear lord to defend, to guide sustain and cherish (wearing templars' golden chain)...

Wearing Templars' Golden Chain

Since the new 911, Jonathan now is in charge of the centre of protection of national infrastructure and also opened a new office in Northern Ireland, but they are purely the ego-boosting projects to Jonathan. It was argued that investing into such an amount of money and effort to Northern Ireland, in an era that the threats of IRA is diminishing comparing to the threat of global terrorism is a 'wise move', even the kids in school think that it is rubbish. The friends all over the world believe it is because Northern Ireland has been Jonathan's personal territory; he has encountered numerous agents and certainly would like to exert his control over. Does this man have any focus?

Dead man tells no tale
Please refer to
<http://postmanpatel.blogspot.com/2008/03/michael-todd-dead-men-tell-no-tales.html>
Again a tragedy happened in Britain, the new city of David, At 5.00pm on Tuesday, March 11, 2008 BBC4 "PM" programme broke the news that Greater Manchester Police Chief Constable Michael Todd had been found dead on Snowon. Michael Todd had been leading a probe into claims that CIA 'extraordinary rendition' flights had been landing in the UK, on behalf of the Association of Chief Police Officers (ACPO). Clearly Jonathan turned a blind eye. Another David...

Crucifixion of the unborn Christ

It was argued that Jesus was crucified in his 30s, but nowadays the anti-Christ are certainly cleverer, they were to murder our new Messiah in her mother's womb by kidnapping Mary the Saint, whereas Jonathan, the man who crowned by the lord as the heir of King Richard, by now has been turning a blind eye. In one of Mary's interviews with her GP, named after the murdered princess Diane (please note it is an e not an a), she was presented with all the medical documents from temple of Mons 2001, and was asked three times of offering a drug and being offered three times of going to a hospital (she was asked if she has tendency to self-harm herself 3 times, if she ever answered yes, the the murdered princess would just lock her up again) the plan was a secret abortion of our new Messiah, again the date were chosen by the Jesuits and Astronomers who were involved in the meeting in Tokyo Japan, where Mary the saint was a hostage. The procedure proposed was to repeat the process carried out in Temple of Mons back in France 2001, but for as many times as possible, the goal was either to crucify the unborn Christ via abortion (because Mary would not be able to tolerate the stress), or at least exert enough control on the unborn Christ, so that he/she would have enough mutation to be an idiot, for mind control purpose.

A quote from

<http://www.johnscarlett.blogspot.com/>
which fits into the unborn Christ's situation:

'I sent a message to the fish:
I told them "This is what I wish."
The little fishes of the sea,
They sent an answer back to me.
The little fishes' answer was
"We cannot do it, Sir, because -
'I sent to them again to say
"It will be better to obey."
The fishes answered with a grin,
"Why, what a temper you are in!"
I told them once, I told them twice:
They would not listen to advice.

I took a kettle large and new,
Fit for the deed I had to do.
My heart went hop, my heart went thump;
I filled the kettle at the pump.
Then some one came to me and said,
"The little fishes are in bed."
I said to him, I said it plain,
"Then you must wake them up again."
I said it very loud and clear;
I went and shouted in his ear.'
'But he was very stiff and proud;
He said "You needn't shout so loud!"
And he was very proud and stiff;
He said "I'd go and wake them, if -- "
I took a corkscrew from the shelf:
I went to wake them up myself.
And when I found the door was locked,
I pulled and pushed and knocked.
And when I found the door was shut,
I tried to turn the handle, but -- '

We will provide you with more information.

Unlike his predecessor Baroness Manningham-Buller who likes public speeches and attention, Mr. Evans seems to prefer a lower profile. We believe our blog captures Jonathan more precisely.

Trivia:

Jonathan has been a serious admirer of Napoleon, and fantasized that he could rule the world and be crowned English king since he was a child; honestly he also secretly admired Hitler, a result of being bullied at school.

Jonathan has strong SM tendency, and has always favored to be abused, and have his ass kicked, despite being a sex slave to his master wife, he could not hold his lust anymore and had an affair with ... whilst his wife was pregnant. But his first affair was proved to be a failure as the lady never wished to find him again. Jonathan's favorite female role model is Jordan (Katie Price), with stunning 32G breasts, he clearly has bra fetish tendency.

Despite of his lust, his dick is not straight and needs the assistance of pills every so often to be an SM.

 NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

I have been waiting to see DR ERIC SANG for some time now - he didn't show up, quite a few times but then showed up unannounced this morning.

I instantly recognised him - RIMINGTON had had DR SANG under mind control but it is unlikely that she still does. I sensed that he was no longer under her control.

Anyway, he gave me an NHS form to claim for free treatment and asked me to sign the bottom, which I did - without reading it.

He then gave me a piece of notepaper with the following

upon it:

TEL: 474942

OPEN - UP. ET. BOOK
1/4 CROWN PR6P
Plan

At the time, I thought this a little odd and kept hold of the NHS form. He told me to present it at his dental surgery.

I then read the note and asked him 'what does ET mean?
Emergency Treatment?'

He laughed, said 'no' and looking at his assistant (standing by him with a large plastic box of 'stuff' - along with 3 boxes of MALTESERS)he continued 'that's our secret'.

I continued to ask questions 'fast-track - NHS...' but neither of them would give me an answer. They just smiled. Mr SANG told me simply to ring the surgery and to give his instructions (above) to the person on the other end of the line.

It was all rather 'deja vu' - I had seen/heard this all before. I know that as far as the ET book is concerned - there is more to this than meets the eye...and it all ends up on RIMINGTON'S doorstep.

February 17, 2009 at 2:06 AM

 **Black Rabbit said...**

 The really bad news is that - after having read the NHS form carefully - apparently, you can only qualify for FREE dental treatment if you are on INCOME SUPPORT, INCOME-BASED JOB ALLOWANCE, PENSION CREDIT GUARANTEE CREDIT or your name is on an HC2 CERTIFICATE (nobody in the office knew what that meant) or an NHS TAX CREDIT EXEMPTION CERTIFICATE (CARD)...nobody knew what that meant either.

The form then continued:

"These are the ONLY benefits that entitle you to free NHS dental services. Other benefits such as INCAPACITY BENEFIT, DISABILITY LIVING ALLOWANCE, COUNCIL TAX BENEFIT, HOUSING BENEFIT and any other benefits do not count."

Isn't that outrageous?

Considering the cost of dental fees nowadays - those on 'incapacity benefit' and 'disability living allowance' now have to use these benefits to pay for extortionate private dental plans and services.

Gordon Brown's government - they give with one hand and take it all back with the other.

Except that the ILL used to be cleverer about it - the above is so blatant that anybody can see what they are doing.

MANNINGHAM-BULLER told me that this was 'royal' policy, years ago - regarding the POLL TAX. The idea being that the ILL were going to exact every penny from every citizen in the UK (the same amount) regardless of how much you earnt.

The ILL took it as a personal affront to be challenged upon that one and then went on to fiddle the money out of the system so that everybody would eventually pay the same amount. It must have taken them ages to work that one out - how to diddle everybody into paying the same 'royal rate' (via hidden cuts in so many services) but they managed it.

Stella Rimington - now that is an interesting one.

Did the MAFIA BOSS decide to let her live - instead of going ahead with the original plan in NANTES?

Why?

'Revenge is a dish best eaten cold'.

Rimington used to keep people alive to torture them - those who had offended her the most.

I guess it works both ways then.

So Rimington is now learning the 'sharp end of the stick' regarding NWO policies and she doesn't like it. BOOHO! The majority of the British Police force no longer seem to be under NWO/ILL control and are therefore not subject to ROYAL control or her 'influence' for that matter.

Isn't it amazing how little lizards can change their spots so quickly?

RE: jiajingsun

Let me get this straight - the CIA warned the ILL/British Intelligence to stop making trouble in the GUANGDONG regarding the creation of Chinese Islamic mind control slaves. British Intelligence took no notice.

I am assuming that the CIA did this in collaboration with Chinese Intelligence. Naturally the Chinese State did not want the creation of these terrorists - who were then programmed to cause unrest in China.

Add to the mix, the visit of PRESIDENT PUTIN in 2003 - who proceeded to use the BRITISH COUNCIL premises to interrogate 'suspects', using the basement room where a 'bamboo' MI6 CAROUSEL had been constructed.

My question is:

Why was MR PUTIN working in collaboration with DAVID MILIBAND and RICHARD TOMLINSON in China 2003?

Secondly, why was he allowed to use the MI6 CAROUSEL at the BRITISH COUNCIL in SHANGHAI?

The ISRAELI government had banned the use of the CAROUSEL by their intelligence services, many years ago now - because it is a mind control torture instrument and against every 'human right' in the book.

What was MR PUTIN doing, liaising with British Intelligence - aiding and abetting their 'Islamic terrorist' plan in China?

RIMINGTON in JAPAN 2004?

Let me think laterally about that one.

INTERLAKEN used to be the playground of the JAPANESE in terms of their tourist business interests - until...a few years ago...when the 'tourist business class' changed to KOREAN/INDIAN.

Could we also look at certain events which coincided with the above 'change' i.e. the death of the AMBASSADOR around the same time?

Has REV MOON (Korean Intelligence)/MITTALS (Indian Intelligence) taken over the show from RIMINGTON'S GOLDEN CHAIN?

I guess the whole world now knows what happened to

PRINCE PHILIP'S NAZI GOLD...and a massive clean-up operation took place circa 2005/6.

 **Black Rabbit said...**

I remember a small plane - an old-fashioned one - white - like a glider - very high up in the sky and so you couldn't hear it...over that vast valley/plain between the alps.

As the massive freight lorries came down from the NAZI GOLD WWII bunker up the mountain...the CIA spotted this plane but figured that it wouldn't be any trouble - too high up and too far away - obviously not a 'military plane'...

It makes me laugh to think about it all now...but what if it was a British Intelligence pilot?

Ol' James Bond up there, radioing LONDON 'yes, they've got it, no we can't do anything about it - otherwise we'd have to admit that it was ours and all hell will break loose' etc...

You could write a film script about the whole lot.

I suppose that the SWISS had had enough international stick because of the holocaust survivor money collecting immense amounts of interest in their banks since WWII i.e. the refugees who had stashed their money away but never made it to Switzerland...a recent SWISS documentary recounts how refugees were shot on the Swiss borders...fresh horror for the Swiss who had no idea what the ILL were up to in WWII...and so I can completely understand if they just let the CIA walk off with the lot...'get it out of here as quickly as possible' sort of thing.

The EMPEROR OF ABSURDIA?

PRINCE PHILIP

What is now worrying me is the collection of DOGS.

I know that MARK RICKENBACH was programmed as ERNEST the GLOUCESTERSHIRE-COW DOG (the Golden Chain dog)but who were the rest of them?

RIMINGTON was the ENGLISH SETTER who helps GC DOG to win the DOGSHOW...but I would like to know who those pedigree DOGS were...the ones who came from such 'aristocratic' families and backgrounds...and from all over the world:

GERMAN SHORT-HAIRED POINTER
FRENCH BULLDOG
FINNISH SPITZ
TIBETAN TERRIER
AMERICAN COCKER SPANIEL
CHINESE CRESTED DOG
IRISH WOLFHOUND

More to the point - who was running the KENNEL CLUB?

The JUDGE looks a bit like DALDRY...who was the VICAR?

Clearly, this 'dog show' was performed 'live' at some point...maybe at the Templar Castle.

 All our goals were to fight for your benefits :(

maybe Jonathan forgot what his condition would have been if the sting operation had been successful.

It was a painful decision for the lord to make when we undertake all the actions, but it is for the benefits of humanities in the whole... For example, we had to help the relatives/friends of victims of the helicopter crashes. We had to fight the corruption. We had to fight the injustice of the world.

As Christ I did what the humanities did to the Lord to one person, and hence we are sin free now.

Now I choose to suffer you, and my goal was to restore your benefits.

The lord sees that in the UK that those water voles living close to a sewage treatment plant in east London will be rehoused while the plant undergoes extensions. Let alone human beings, all those spooks whose covers were blown up by their operatives should have the right to be rehoused as well. Why shouldn't we be treated unequally, when we are equal human beings made as God Almighty's imagine... Doesn't mean that in the UK the human rights are worse than the animal rights?

RE: kittenjane

Water voles???

That is hilarious.

Have you checked out 'CHIMP ON THE RAMPAGE' in the Daily Mail yesterday (Wednesday Feb 18th)?

P9 courtesy of the 'MAIL FOREIGN SERVICE' – no journalist's name given.

I was with the CIA guys who planned that one. A 'metaphorical account' of what really happened to MARK RICKENBACH – who was being held captive by RIMINGTON.

'Find me a really fat chimp...' and the search for a photograph of a really fat chimp was on, around the office.

Poor old MARK was apparently around 15 stone at the time...

RIMINGTON had held him captive for some time – he managed to escape out of the backdoor into the garden...and then 'tragedy' - or 'comedy' if you will - ensued.

NOTICE OF DISCONNECTION

A BRITISH GAS AGENT WILL BE VISITING YOUR PROPERTY

Dear Miss Gyde

Your unpaid debt of £113.15 for electricity used at your property has been passed to a British Gas Field Agent who will be visiting you in the next few days to collect it. **You will be charged £50 to cover the cost of this visit.**

You can avoid this charge and disconnection of your electricity supply by calling us to:

- pay your bill immediately, or
- make an alternative payment arrangement, or
- allow us to fit a new, free-of-charge prepayment meter in your property.

We need to speak to you

If there are any personal circumstances that you think we should be aware of - reasons why you are unable to pay this outstanding bill or why you should not have your supply disconnected - please contact us immediately. Contacting us now and agreeing to alternative payment options will stop this action against you.

1100000000000000

If you fail to resolve the debt in the next 7 days you may lose your electricity supply and the following charges could be added to the amount you already owe:

Cost of visit to your property	£50.00
Application for legal warrant to enter your home	£41.00
Disconnection of your energy supply - fees up to:	£270.00
	£361.00

Please note that if you try to switch to another supplier and have an unpaid bill, your transfer will be blocked.

Again, you must contact us - without delay - to avoid disconnection.

Yours sincerely

Final notice concerning your overdue Gas bill for
£40.48. Your account is being passed to a debt
collection agency and you may be taken to court

For Gas supplied at:

3 EAGLE HOUSE, CO12 3DB

Dear Miss Gyde,

As of 29/11/2008, despite previous reminders, we have not received your final payment of £40.48 for
Gas at 3 EAGLE HOUSE, CO12 3DB. You must pay this bill within the next 10 days to stop further
action.

If you don't pay:

- we may call on you at your home to recover the outstanding balance which may result in you
having to pay additional charges;
- we may instruct a debt collection agency to act on our behalf to collect this debt;
- we may initiate legal proceedings to obtain a court-ordered financial judgement against you; or
- you may incur hundreds of pounds of additional fees, in legal and collection costs in connection
with the court action or in fees from debt collection agencies; and
- once a bad debt judgement is registered against you in court, you may have difficulty obtaining
future credit and pay higher interest rates

What you need to do:

If you've paid this bill in full in the last 14 days, please ignore this letter. Your payment has probably
crossed with it in the post so there is no need to call and you do not need to do anything further.

If you haven't paid your bill, we offer a number of convenient ways to pay your bill. Please see the
reverse of this letter for more information.

Finding it difficult to pay?

We want to help. If you are a pensioner, are registered disabled or have other personal circumstances
you think we should be aware of, please contact us on 0845 955 5313.

We look forward to receiving your payment shortly.

TOTAL AMOUNT DUE £511.84

TENDRING DISTRICT COUNCIL

TO THE DEFENDANT: You are strongly advised to read the following information.

PROCEDURE

Tendring District Council has obtained a Summons for unpaid Council Tax. This is because the appropriate amounts have not been paid in accordance with the TERMS OF PAYMENTS on the Council Tax Bill and reminder/final notice. To prevent a LIABILITY ORDER being applied for, together with a further £45.00 costs, payment in FULL (including costs already incurred) should be made by 4:00pm on the day prior to the court hearing. ENQUIRIES regarding the issue of the SUMMONS can be raised with the COUNCIL TAX SECTION of Tendring District Council prior to the date of the hearing BUT NOT THE DAY OF THE HEARING.

The Magistrates' Court has no authority to grant time in which to pay and will not consider such a request.

IF YOU FAIL TO RESPOND

In order to collect the outstanding COUNCIL TAX and the costs, Tendring District Council will seek settlement of the debt by exercising the powers of enforcement that the Liability Order permits, including levying distress and sale of goods. This will incur further costs to be borne by you.

PAYMENT

Payments made NOT including costs incurred will be treated as being 'on account' and a Liability Order will be requested for the balance. This could incur further costs to be borne by you.

PAYMENT BY CHEQUE SHOULD BE RECEIPTED BY TENDRING DISTRICT COUNCIL AT LEAST FIVE FULL WORKING DAYS PRIOR TO THE DATE OF THE COURT HEARING.

METHODS OF PAYMENT

PAYMENT BY PERSONAL VISIT

Present this Summons with your payment at any Tendring District Council CASH OFFICE the details of which are shown below:

No payments can be accepted at the Town Hall, Station Road, Clacton on Sea.

**The Automated Credit & Debit Card Payment Line 0800 6783046 is open
24 hours a day 7 days a week or go online at www.tendringdc.gov.uk**

PAYMENT BY POST

DO NOT send coins and notes unless you are using a REGISTERED ENVELOPE. CHEQUES to be crossed and made payable to 'TENDRING DISTRICT COUNCIL'. Postage must be pre-paid on all envelopes. Any unstamped or underpaid postage items will be refused and returned to the Senders by the Royal Mail. Detach the payment portion of this Summons and send it, with your payment, to:

**TENDRING DISTRICT COUNCIL, 88-90 PIER AVENUE
CLACTON ON SEA, ESSEX CO15 1TN**

**IF YOU MAKE PAYMENT DIRECT TO THE COUNCIL AFTER A LIABILITY ORDER HAS BEEN PASSED TO A BAILIFF,
THE PAYMENT OR PART OF IT MAY BE USED TO PAY THE BAILIFFS FEES AND COSTS, EVEN IF THIS LEAVES AN
OUTSTANDING BALANCE ON YOUR COUNCIL TAX ACCOUNT.**

Please note

The Magistrates' courts are administered from Osprey House, Hedgerows Business Park, Colchester Road, Springfield, Chelmsford, Essex CM2 5PF (01245 313300). There is no office administration at Colchester Town Hall.

Dear Sir/Madam

READING THIS CAREFULLY MAY SAVE YOU TIME AND MONEY

WHY HAVE I BEEN SENT A SUMMONS?

Council records show that you were sent a Council Tax bill requiring instalment payments (or a single payment where appropriate) to be made on specified dates. You were then sent a Reminder Notice informing you that payment was overdue. That notice warned you that you would lose your right to pay by instalments if payment was not made within 7 days.

Documents are collected by the Royal Mail and a receipt is given to the Council. As the Council only has to prove that such bills and notices were posted the receipt is sufficient for the court action to proceed. The Council does not have to prove that you received the documents.

DO NOT PHONE IF YOU ADMIT YOU OWE THE MONEY AND JUST NEED TIME TO PAY AS DETAILS REGARDING THIS ARE SET OUT OVERLEAF

WHAT WILL HAPPEN NEXT

The Court will grant a Liability Order if it decides that you are liable to pay this tax and have not paid the full amount outstanding including the £50.00 costs to the Council before the date of the hearing. If you do not pay, and in order to decide the appropriate action to take in collecting this debt we may, under section 29 of the Data Protection Act (Prevention of Crime and Collection of Taxes), carry out information checks with credit reference agencies in order to obtain information about you.

This will leave a record on your credit history and may affect your ability to obtain credit in future.

A LIABILITY ORDER WILL INCUR ADDITIONAL COSTS OF £45.00 WHICH WILL BE ADDED TO THE AMOUNT DUE.

HOW CAN I STOP THIS PROCESS

The proceedings will be stopped only if you make payment in full. The Council must receive payment and costs before the date of the Court hearing. Post-dated cheques will not be accepted. Details of how to pay are shown on the back of the Summons.

You should keep this document until the debt to which the summons relates is paid in full

Chief Executive
John Hawkins
Deputy Chief Executive
Roy Coulter

Head of Service
Jill Coleshaw

YOU DO NOT NEED TO GO TO COURT OR PHONE THE COUNCIL

If you know that you owe the money and just need time to pay then you do not need to go to court or contact the Council, as once a Liability Order has been granted on the 19 December 2008 you will be sent an Information Request which will give you the chance of agreeing a payment arrangement with the Council.

You must then complete and return the form to the Council, and you will then be notified of a decision in writing. The Council will normally only consider an offer that clears the debt before the 31 March 2009.

- Any payment arrangement will be confirmed in writing.
- Any amendment to a payment arrangement will be confirmed in writing.
- Should a dispute arise with regard a payment arrangement, the Council will only adhere to what has been confirmed to you in writing.

No Payment Arrangement will be made by telephone or at reception

THE COURT IS UNABLE TO MAKE PAYMENT ARRANGEMENTS WITH YOU

SHOULD I ATTEND COURT

It is your right to attend Court to present your case if you feel that you are not liable for the amount shown on the summons. But if you turn up on the day of the hearing without having first discussed the matter with the Council's Recovery Manager or the Pre Court Investigation Officer, the Court will be requested to adjourn the hearing to another date so that the Council can investigate the matter. If a Liability Order is subsequently granted after such an adjournment the costs related to the hearing as well as those of the investigation will be sought from you.

If it is your intention to appear at Court and defend the Council's application for a Liability Order you should attend the Council offices at 88-90 Pier Avenue Clacton on Sea CO15 1TN on Monday the 15 December 2008 between 10.00 am and 4:00 pm when officers of the Council Tax Court Team will hold a surgery to discuss your case and hopefully sort out any problems you have with regard to your Summons.

If you think this action has been incorrectly issued please phone the number on the front of your summons.

Yours faithfully

URGENT NOTICE

For energy supplied at 3 EAGLE HOUSE, CO12 3DB

*** FROM BRITISH GAS ***

Urgent Notice regarding electricity used at 3 EAGLE HOUSE, CO12 3DB.

As of 3 November 2008 you have not paid your electricity bill for £113.15.

We have charged you £14.00 for this letter. Unless this bill is paid immediately:

- We will obtain a warrant to enter your home by force and replace your current electricity meter with a prepayment meter or disconnect your supply.
- We will pursue further legal action against you to recover your debt and our collection agents will visit you personally.

What happens next if you don't pay:

- We will initiate legal action to obtain a court-ordered financial judgement against you
- You will incur hundreds of pounds of additional fees, legal and collection costs in connection with the court action
- Once a bad debt judgment is registered against you in court, you may have difficulty obtaining future credit and may pay higher interest rates.

To prevent meter replacement and additional debt collection actions for which you will be charged, please call us now on 0845 955 5213.

Paid recently?

If you've paid in full in the last 14 days, there is no need to call. You can check to see that we've received your payment, and also get an up-to-date view of your account by registering online at britishgas.co.uk/billing.

We value your custom with British Gas but we do expect to receive your payment shortly.

Re:- Rent Arrears – 3 Eagle House.

Dear Miss Gyde.

With reference to your last e-mail of 22nd. October 2008, which stated your intention to stay at this address until 30/10/08. As you have not contacted us since we have to assume you are still living at this address.

We have now been instructed by your Landlord to action this matter through the County Court for his repossession of the property; which has now been put in hand and you will receive a Court Order in due course. You should be aware that if this matter goes to Court, you will have to pay all additional costs incurred and you may then find this could also influence any future Landlords decision when you wish to rent another property.

At this time you are in arrears on the rent as advised due to the Housing Benefit you were receiving being suspended from 3rd. August 2008, as you have failed to give the benefits office the requested information.

The arrears are 4/8/08 – 31/10/08	
2 months & 27 days =	£1227.26
Less Deposit held by Landlord	£ 525.00
Balance due 31/10/08 =	£ 702.26

Any additional days beyond 31/10/08 will be charged at the rate of £13.97 per day.

Payment of the above arrears is required within 7 days of the date of this letter or further County Court action will be taken to recover these arrears of rent as due from you and/or your Guarantor.

Yours sincerely
Roger Frith.

Re:- Rent Arrears – 3 Eagle House.

Dear Miss Gyde.

I am in receipt of your e mail of 10th. October 2008, the contents of which are duly noted.

I fail to see that by doing my job, this amounts to harassment and bullying and I do not appreciate these type of remarks.

It is my job to look after this property for the owner/landlord whilst acting as his managing agent. Therefore when matters occur relating to the tenant or tenancy of the property, then I have to follow them through.

You have been served the required legal notice giving 2 months to quit the property at the end of your current tenancy agreement, being today 11th. October 2008, as the Landlord requires the possession of the property to undertake works and repairs so as to decide what he may then wish to do with it.

You have not been served with any Court Order as at this date and should you vacate the property within the next few days as you indicate in your e mail, with a payment from you and/or your guarantors with regard to the unpaid rent, then such recourse should not be required, but this will be at the Landlords discretion.

With regard to the matter of heating/hot water – this was your choice; as the Landlord agreed to the required repairs to the boiler (the parts are still being held in stock) but when the plumber called you to arrange fitment, you advised him that you did not require it and had the gas service disconnected.

Should there be any charge for this gas service to be reconnected then the Landlord may require you to pay such costs.

Would you rent from this company? Would you have anything to do with the landlord Mr Charalambous?

Further harassment from the UK ILL:

At this time you are in arrears on the rent as advised due to the Housing Benefit you were receiving being suspended from 3rd. August 2008, as you have failed to give the benefits office the requested information.

The arrears are 4/8/08 – 11/10/08
2 months & 8 days = £961.78

Deposit held by Landlord £525.00

Balance due 11/10/08 = £436.78

Any additional days beyond 11/10/08 will be charged at the rate of £13.97 per day.

Payment of the above arrears is required within 7 days of the date of this letter.

You mention in your e mail that it all takes time to find other accommodation and arrange removals etc. We must remind you that you have had 2 months notice, which should be more than enough time for such matters and more especially having turned down a property without viewing it that we offered to show you 3 weeks ago.

Please be advised that should you fail to vacate the property and pay all arrears within the next 7 days, then the Landlord may decide to take legal action through the County Court, and any addition court costs will be passed to you.

Yours sincerely
Roger Frith.

Re: Emily Gyde – 3 Eagle House, Harwich.

Dear Sir,

We have to bring to your attention that we have not received any Housing Benefit covering the rent on the above property since 17th. August 2008.

We have today contacted the Benefits office in Clacton and have been advised that the claim was suspended on 22nd. August 2008 and that a letter was sent to us advising this(we have not received such a letter). A similar letter was sent to Emily requesting she contact that office by return, which she has not done; if a response is not forthcoming within a few days then the claim will be cancelled.

I spoke with Emily last Friday about the reasons why we had not received the latest payment of Benefits and she was unable to offer any explanation. I did request her to contact the Benefit office first thing today, but they have not heard from her as at 3pm.

Please be aware that this will mean that as at the date (11/10/08) Emily is due to vacate the above flat there will be a shortfall in the rent of £326.68 and should this not be forthcoming from the Benefits office, then we will require this to be paid by Emily or by yourselves as the Guarantors.

We trust you will take note of the above information and ensure the correct information is passed to the Benefits office.

Yours sincerely

Roger Frith.
