...most of this site has disappeared now...leaving only a bundle of letters, comments and photos...which were put up at a time of the worst persecution imaginable by the MKULTRA satanic cult within the UK. The ILLuminati cult elite had stopped my benefits, fiddled with my meters so that I was paying twice as much as I should do and then moved in one of their top satanic princesses - into flat 1, eagle house, west street, Harwich - a insane satanic robot called petronella rhys Hadley.

ELIZA MANNINGHAM-BULLER

Spot the difference: before and after plastic surgery to remove the disfiguring scar from her 'dead' right eye. Result of Illuminati MIND CONTROL 'training'.

The highlights of THE unofficial biography of Eliza Manningham-Buller (as written by an ex-spook, who has worked for both MI6 and MI5):

Or as I prefer to call it: potted history of a shrimp who pretended to be a shark and ended up like one of those plastic blow-up models – just waiting to be harpooned.

Eliza Manningham-Buller

1980: guilty of the torture, disfigurement and murder of Kathleen – a Solihull schoolgirl who became an MI5 recruit upon the Russian course in 1979.

New British Intelligence Mind Control System

❖ <http://mi5pas.blogspot.com/>

MI5 and MI6 ex-agents and officer tell their stories.

<http://www.richardtomlinsonandtherussians.blogspot.com>

Manningham-Buller had originally been recruited into British Intelligence Services to teach Russian. She was a hopeless teacher but worse than that - she used to instruct her classes to stand up and do the 'Nazi' salute as she entered the room. We were not allowed to begin the lesson until this had been performed. She was known as the 'Mad Bull'.

Manningham-Buller took an instant dislike to Kathleen and set fire to her hair, in front of all the other trainees. No one was allowed to help Kathleen to put the flames out. Manningham-Buller was screaming 'vanity of vanities' to Kathleen, as her face burnt. Kathleen survived this attack but with third degree burns. She had been run as a prostitute (common use for female agents) but was now too disfigured to be used in this way. Manningham-Buller gave the order for her to be murdered. Various members of staff arranged for Kathleen to be 'accidentally' electrocuted. Kathleen also survived this attack. She was then smothered in her sleep. Stella Rimington attended her funeral. One of the 'service' always has to be at the funeral.

Manningham-Buller's reign of terror at MI5:

http://news.bbc.co.uk/2/hi/uk_news/2305015.stm

'She is understood to be keen to widen the range of recruits appointed to the security service to include more from ethnic minority groups.

Her specialist field is counter-terrorism, which is especially relevant given the threat posed by Islamic groups linked to al-Qaeda.'

This is a LIE. She is creating mind control slaves to start terrorist cells.

Spooks series:

I advised M-B in 1997 to take control of public image of MI5 (rather like James Bond is a great advertisement for MI6) in the same way as the FBI had done with various cop shows including the 'X files'.

'A security source said: "We want to attract more females but the Spooks programme may be having a bad effect because of the way some of the female characters have been killed off."

This show is now geared to recruiting young women (after having been lambasted for putting young women off applying because of the amount of female officers dying in the first series).

This is NOT fiction. This is FACT.

Moreover, female recruits are not necessarily killed in action – the vast majority of them are murdered by their employers.

ELIZA MANNINGHAM-BULLER

A bad joke on my part? You don't know the half of it.

The Times October 31, 2005

"The concern about the shortage of female applicants has coincided with MI5B5™'s drive to expand its staff from 2,000 to 3,000, following an injection of extra cash from the Treasury. Dame Eliza had originally planned to reach the new total of 3,000 by the end of 2008. But the date has now been brought forward to 2007 to cope with the increased demands for surveillance and intelligence officers since the July 7 suicide bombings in London. MI5 is also looking for new premises in London because its headquarters at Thames House is nearly full. Office blocks, big enough to take several hundred staff, are being checked within the M25 area.

One proviso is that the new building, which will act as an alternative HQ in the event of any terrorist attempt to target Thames House, will remain a secret address B5" as during the Cold War days when the MI5 HQ at Gower Street in London was never listed as the official home of the Security Service.

MI5 is also in the process of opening new regional premises, to house small numbers of staff to work closely with local Special Branch offices. Eight outlying stations whose precise location will also remain secret, will cover Scotland, the North East, the North West, the Midlands, Wales, southwest England, southeast England and East England"

Read ex-MI6 officer: Richard Tomlinson' blog to get an idea of what MI5 does in tandem with Special Branch.

www.tomlinsonvmi6.blogspot.com

They have been persecuting and vilifying him for years. The 'hidden hand' behind all of this is MI6 but the Mad Bull and Scarlett (Penelope Pitstop to his friends) have been 'bosom buddies' for years. In 1979 and whilst employed as an MI6 trainer of new recruits on the 'INSET' course (a 6 month module of 'mind control' training), Scarlett was trying to have an affair with Manningham-Buller. He has had a soft spot for her every since. Manningham-Buller repaid this by having his young son kidnapped and raped in 1980.

Trivia:

Manningham-Buller was transsexual at birth. She is a lesbian and develops 'crushes' on her female colleagues. She attended a private school for girls with Princess Anne and has been part of the aristocracy from birth. She was known as the 'Bully', during her tenure as head-girl at this establishment.

One can say in view of Manningham-Buller's personal history that what she most needed to do was to see a 'good therapist', appropriate counseling – that sort of thing. What she did not need was to be made Director General of MI5. Nor did the country, for that

matter.

The history of the ILL in CLACTON according to RIMINGTON:

Check out the CLACTON CHRONICLE for most of the 'entertaining' articles and reading between the lines for a history of the ILL cult in this area.

First up – ISSUE 11: 'Phil Mitchell' and 'A Pirate's Life for Me!':

TOMLINSON wrote a comical account of his early days at RADIO CAROLINE (or rather, getting to the ship via a dodgy French captain, sailing from France)...he was in his early 20s at the time.

Issue 12 has a continuation of this article but unfortunately it is missing from CLACTON LIBRARY.

The article was published in Autumn 1995 and at the time of writing it, apparently RADIO CAROLINE was still broadcasting off Clacton.

I suppose from 'little acorns' blah, blah blah...in short, BRITISH INTELLIGENCE were conducting a very secretive operation after WWII...they were using pirate radio ships to conduct test trials upon microchipped slaves, living on the mainland...if it all went pear-shaped, you could always sink the ship (which is what they did to the first one – the MI AMIGO)...it was very important that the mainstay Military didn't know...nobody was allowed to know...because the experiment would have been terminated immediately, it would have horrified all and sundry...and BRITISH INTELLIGENCE knew it.

TOMLINSON was then to go on to run his own sophisticated 'radio ship' off TANGIERS - circa 2003.

In the end, you can only make jokes about this sort of thing – it is frankly so unbelievable but unfortunately, at the same time, it is true (see THE SIMPSONS episode with KRUSTY and his 'international people controller' gizmo, which electrocutes him every time he tries to use it)...

JAYWICK used to be called JEWICK in 1777 - check out the old maps:

CHAPMAN AND ANDRE: MAP OF ESSEX
Local Collection Ref E 912.4267 or 902,923

It is still 'beyond the pale' as far as government money is concerned. Times haven't changed much then.

RIMINGTON used to use JAYWICK as a dumping ground for disobedient ILL slaves - so many of them ended up living in prefab poverty there.

CLACTON CHRONICLE: WINTER 1992/3

'TUNNELS GALORE'
BY KENNETH WALKER

Here you have a map with a basic triangle shape drawn between three churches...

You have St OSYTH PRIORY (an ILL programming base - it used to pose as a 'nursing home'), ST JOHN'S and so forth...

The article is rather amusing because apparently these tunnels were first discovered by a DOWSER who had been hired by the HOME OFFICE to find them, in 1937 - a certain L J Latham, who was then buried in the grounds of the PRIORY.

Let us now bring this all a bit more up to date and say briefly that the MASONS use these tunnels for their rites.

RIMINGTON and TOMLINSON knew of an entrance under EAGLEHURST HOUSE (under the washing machine in the laundry).

The rites were attended by ILL slaves who had been through EGYPTIAN programming - however, the actual rite was about the AZTECS...the main local Mason (of that particular lodge and I am assuming RA Freemasonry here) was called the 'sungod' MONTEZUMA and dressed up in the Aztec headdress and robes. Again, all one can say is that this is a glorified SMUGGLING CULT and nothing more.

The article suggests that the tunnels were originally built by NORMANDY MONKS who wanted a secret passage to their

churches, further inland.

ILL slaves who have attended these rites have talked about the people who organised them...one person said that MONTEZUMA is a MR PARRY/PARKINS but was unsure...another was quite certain that his name was MR PERKINS.

We shall see.

CLACTON CHRONICLE WINTER 1993:

'The Spike'

RIMINGTON told me the real story behind this particular article. The article is about a mysterious 'spike' found in an attic of a house in Beaconsfield Road - which had a whole load of old receipts (from 1913-15) upon it - it is now in a museum somewhere.

Anyway, every surname upon the list of receipts was a family which had been targetted for mind control.

This is how ILL MIND CONTROL began in CLACTON - it began with the following families:

BUTCHER - ROBERTS
BEER - NEWSTEAD
SHOE/LEATHER - BANNOCK
COAL - GILDERS
TAILOR - BRADFORD
HARDWARE - POCOCK
GRAIN - CRAMPHORN
DRAPERY - GODDARD
GROCERY - STARLING
UPHOLSTERY - MANN
DENTISTRY - WHEELER
DRESSMAKERS - BUTLER

You can see the early origins of this mind control cult - and how it then spread...to the point where now whole schools of young children are under mind control because their parents/grandparents were brought up in the ILL cult.

The CLACTON CHRONICLE no. 8 SUMMER 1994 edition has an article upon IVY BENSON and her 'all girl band' who played at the SAVOY for a Masonic function...their last

'gig'...IVY was one of the first most successful female 'sex slaves' under mind control in the UK...as MARYLIN MONROE and many others, had been...shades of SOME LIKE IT HOT...

The entertainment business was always a big target area for the ILL.

 NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

I was called to have a quick chat with a psychiatrist yesterday – no reason given. As it turns out – the problem appeared to be that I had 'outed' the TRIBUNAL upon the Internet and they were none too pleased about it. I was warned not to name anybody else upon the ward – either staff or patients.

I entirely agree – I have only named people in passing, to give a context to what I was writing about or because I felt that by having their situation exposed – this would give them a higher profile and so the ILL would be less likely to target them (or it would make them think twice). Anyway, I agreed not to name anybody else, upon the ward, in any further posts.

The 'warning' included the threat of: if you continue to do this i.e. write your blog - which is part of your 'illness' - then I may be forced to ring up the Library and have your Internet time there, curtailed.

However, I do not think this is a viable course of action for the staff to take, unless of course, they put me on a Section 3. At present, I am an 'informal' patient who is staying on the ward because I am homeless. Until I receive my benefits, I can do nothing else.

Anyway, I replied that a lot of people put up their 'fantasies' upon the Internet and write up all sorts of stuff, which I personally find very entertaining – and not all of these people are sectioned for it. The psychiatrist agreed and offered that it looked like I had not 'intentionally' named people to impugn their names or with malicious intent. I certainly hadn't – it was simply my way of 'keeping safe' by exposing what is currently happening to me. It's a free world.

Anyway, I have to say that my experience of Peter Bruff has been very positive – I know that the nurses and psychiatrists are trying to protect all of us and that it is a very difficult and stressful job – yet they manage to keep everybody happy, most of the time – which is no mean task. Under-funding and

the consequent lack of staff (and beds) are the major bugbears for everybody upon the ward.

OTHER NOTES

Benefits are a personal bugbear of mine, at present. I received two forms yesterday:

HRT2 04/08 ABOUT YOUR CLAIM AND HABITUAL RESIDENCE TEST – 'You told us on your claim form that you have come to live or have returned to live in the United Kingdom (UK). We need some more information to decide if you are habitually resident in the UK...'

HRT2 ® RIGHT TO RESIDE STENCIL

This is all rather odd because the 'expert' upon these benefit forms (whom I shall not name) – the Advocat – who had helped me to fill out the forms (she filled them in as I supplied the answers) – had written my passport number down and surely that should be sufficient as proof that I am a British National and qualify for Benefits in this country? Obviously not – or has some mistake been made here?

At present I am 'bed-blocking' upon the Peter Bruff ward – which is oversubscribed – a lot of people needing to come into hospital, in acute conditions...and so this is a very difficult situation to be in.

OTHER NOTES:

An interesting point which several people have made to me over the past few weeks is that you cannot now enter the USA if you have ever been put upon a SECTION 3.

OTHER NOTES:

Now for the 'crazy stuff' i.e. the things that I have been writing about which are regarded by certain members of the medical profession as 'delusional' and part of my 'illness':

I remember being with RIMINGTON and TOMLINSON on a boat from ERITH – RIMINGTON was preening herself, she was playing at CLEOPATRA of the NILE...not a barge exactly, more of a large white yacht.

I had no idea where they were taking me or why. We stopped off at Shoeburyness and at a certain person's house in Dungannum Road. The boat trip then continued until land was sighted – I had no idea where we were. TOMLINSON told me it was 'wallet' and that they had 'skinned the rabbit'. I had no idea of what he was talking about.

The pair of them then made me get into a large 'box' – a container – TOMLINSON told me not to worry – I would be able to breathe. They then threw the box over the side of the yacht.

The next images I have – are from high up in the sky – I had OBE'd – and was looking down onto the beach. Some men had turned up and were pulling the large box ashore – it was white with blue tape around it.

Now, I have never mentioned this memory because it didn't make sense – didn't fit in with anything at all.

However, a few days ago – a local was talking to me about a strange incident that had happened upon CLACTON BEACH. A largish white box with blue tape around it – was described – the men in the truck were also mentioned – the onlooker thought that this was a Police matter and so rang the Station but nobody answered. The onlooker rang them again, an hour later and was told 'why didn't you ring us earlier?'. They never heard anything more about it.

So what am I to make of all of this? Why had the ILL done this to me? Was it a 'Masonic ritual' in terms of the RA smuggling cult? Why had the Police been 'blind' to what was happening?

Okay, one can say this is similar to somebody fainting on the street and 'how many people pass by before somebody calls for an ambulance' but it is still all very peculiar – I have heard the story a couple of times now but it remains a mystery – in terms of nobody knowing what was in the package and why it had been 'dropped'.

I checked the IMRAY C1 map for the waters around CLACTON BAY and found a section of water just off it which is called WALLET.

 OTHER NOTES:

I have forgotten to mention the cottages along CHURCH LANE, GREAT CLACTON - RIMINGTON had shown me some old photographs of them - they had been used as programming bases - she asked me 'you remember this, don't you' but I couldn't. Maybe I should cycle up there today and have a look.

RIMINGTON pointed out Ivy Cottage, now 'Fisher's cottage' in one of the local history editions at Clacton Library - a history of Great Clacton in photographs...

A PICTORIAL HISTORY OF GREAT HOLLAND (OUR VILLAGE
BY THE SEA)
compiled by Simon Wallis
Library number: 30130 110273900
Printers - Riley, Dunn and Wilson Ltd.

She also pointed out 'Woodcot' which is now 'WoodHall' - in 1911, it was the home of Edgar Ernest Hodgkins. In addition, she showed me 'Annes Cottage - also down Church Lane - she obviously liked Church Lane a lot.

I wonder now GOSFIELD Ward has a largish photograph of a youngish Rimington (in her 30s probably - unmistakeable - she is in the middle of the front row) in the living room - it had pride of place upon the cabinet/bookcase (I took it off there and placed it on the other bookshelf, face down)

The scene is of something like a village fete/amateur dramatics production crew - at the end of a row of houses, upon a small green with the villagers assembled for the photograph, in fancy dress...could this have been CHURCH LANE?

THE LIONS DEN (Great Clacton) was closed down years ago but TOMLINSON still had a key - there is a trap door down to the tunnel, underneath this house/pub - it was used for smuggling by the Royal Arch Freemasons.

I had an interesting 'chat' with an RI BOY the other day - apparently the 'smuggling traffic' had been reversed, somewhat recently.

THE ROYALS had employed their RI slaves to find out what had happened to a lot of items 'stolen' from Buckingham Palace. Apparently it is thought that they went down RA lines - how amusing. The boot is really on the other foot now, then. Anarchy, mayhem for the Royals.

Remember RED OCTOBER?

The Royals had divided their male and female slaves into EUNUCHS and MAIDS i.e. the 'Han' family and the 'Banner' family.

The OTO cult and the 'Mandarin Duck'(Prince Philip)had decided to model themselves upon this Chinese dynasty within the FORBIDDEN CITY.

RED OCTOBER was the month of the dowager's birthday, when BANNER slaves were allowed to wear red for 'luck'.

Of course, throwing your shoes at your programmer is the quickest way of getting free from the cult but then you have to deal with the aftermath of deprogramming - and that comes through 'memory recovery' - digging it all up from the various levels of your conscious to subconscious mind - the different brainwave levels.

Hypnosis and hypnotic drugs are useful in this area. Why don't the 'intelligence agencies' just start doing it themselves? They know what they put in and so they know what to take out.

Unfortunately, a 'talk' with J Collie about MI6 practice, proved fruitless. She was of the opinion that it was never supposed to be undone (like Chinese footbinding) and that MI6 had no such facility - but the CIA do - Mark's people did...so somebody must have a 'manual' on how to deprogramme safely.

THE NIGHT-LISTENER (MIRAMAX 2006)

Almost unbelievably, this incredibly crap script was covertly commissioned by SPIELBERG to 'tell the tale' of his 'love relationship' with TOMLINSON.

In brief, poor, BLIND mad woman decides to trick elitest, wealthy and influential famous NY author/media star into believing that her son has exposed a paedophile ring.

Naturally, she is lying but she manages to terrorise our 'hero' and his gay lover - the ending of this movie is a non-event and coded as 'based upon a real event'.

I cracked up watching this movie again, recently - TOMLINSON had previously instructed me to watch it.

The really funny scene is aging gay lothario (looking like a 'poodle') saying goodbye to krusty Spielberg lookalike...who is played by US comedian Robin Williams...anyway, 'krusty spielberg' gives 'poodle' the SPOCK salute.

A joke in Ashkenazim circles - the SPOCK salute is a replica of the hand gesture given by the top Jewish priest in Israel, upon Yom Kippur.

You hear a few bars of East European Ashkenazim music as the SPOCK salute is given between these 'gay lovers'.

What was Spielberg on, to have commissioned this rubbish?

It is so lame (no homophobia intended here) to be untrue.

Besides, the only 'shared love' between those two, was the MONEY...but maybe Spielberg hoped and dreamed that there was more to it...

 NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

I visited St John's church in Great Clacton, this morning.

The service was nearly over when I entered the church, to sit in the foyer and watch two bell-ringers open the closet to pull the bell-ropes. They had their usual numerical codes up in front of them, inside the closet.

A woman on an electronic chair, asked me to open the church doors for her and I opened them wide. I then watched the men take it in turns to ring the bells - spotting a couple of mistakes as they went through the different codes. It was rather like watching the WIZARD OF OZ and his 'special

effects' box - funny.

I wonder why St Osyth church has had a governmental ban put on bell-ringing there? It was forbidden, the last time I visited that particular church and there was a pamphlet explaining that this was a general governmental 'edict' across the country. There seems to be a crackdown on bell-ringing in quite a number of parishes, in the UK.

Anyway, I then decided to explore around Eaglehurst House and found to my astonishment - across the road from the METHODIST CHURCH - some wasteland in front of the Essex Army Cadets building...the entrance to one of the smuggling tunnels - tunnels which have been a current focal point of interest for local people, in the area.

You can walk into this small area of wasteland from the pavement - where you can see the stone cornices of a rectangular entrance, covered in ivy - protuding out of the ground. Eaglehurst House overlooks this wasteland, over an alleyway.

The RA CULT used these tunnels for their rites. Slaves were gathered there in 2004 - to witness a really crazy event, hosted by RIMINGTON, TOMLINSON and MR PERKINS (deceased - the Royals figured he was grassing on the set-up - I bet they regret that one now) as MONTEZUMA.

This was all about the ISLAMIC NWO - the rituals had changed in 'demonic' tone - Christianity was 'out' and Islam was 'in'. Both religions were used merely as a 'front' for demonic, insane ILL rites.

No more 'England as the new JERUSALEM' but 'England as the new CAIRO'.

Not good either way, in Ill cult-speak.

One guy was even picked to play 'Allah' - sacrilegious or what? However, RIMINGTON's ROYAL pantomimes were always in the worst possible taste.

What did CZ mean?

RIMINGTON put labels on a can of COCA COLA and on two cans of HP BAKED BEANS and left them out as programming objects. Also some 'hot red sauce' of some description but that didn't bear the CZ label.

CZ means 'Czech Republic' to me but not sure.

Anybody who was at the TEMPLAR CASTLE 2001 - will have been programmed with a 'mushroom' - the ILL had decided that their 'doomsday cult' needed a motif and went 60's in terms of becoming 'mush-heads'. The cult of the poisonous funghi:

AMANIT MUSCARIA was the chosen emblem.

Women were programmed with CLITOCYBE RIVULOSA

The ORANGE team got FLY AGARIC.

Somebody made reference to being poisoned earlier - that is what those insane bastards were doing - poisoning people and seeing if they managed to recover i.e. watching to see if their liver/kidneys gave out. It was to become an ILL RITE OF PASSAGE (who thought that one up?)

If you would like to find out what mushroom you were

programmed with - here is the book that the ILL were using to program people with:

THE NEW GUIDE TO MUSHROOMS
PETER JORDAN
ISBN 1 901688 267
9 781901 688269

TOMLINSON had an additional programming resource that he particularly favoured:

JANE'S ENCYCLOPAEDIA OF AVIATION
ISBN 1 85170 324 1
9 781851 703241

The usual scenario: he would point to a b/w image of a plane e.g. B-45, B-25CS, FU-574 on P 706 and say:

"That's you, that is"

TOMLINSON also liked to use:

'101 French Proverbs' - after all, we were in the South of France.
ISBN: 13 978 0 844212913
9 780844 212913
(The first two proverbs were for DON-KEYS/asses)

The DOE used to program on the ILL 'business programming' courses at ARUNDEL - she would probably recognise:

'Charisma: The Art of Relationships - Understanding the Cats and Dogs in Our Lives - an Analogy.'

Apparently 'cat people' see all relationships from a 'business' point of view - whilst 'dog people' are far more emotional about it all.

Books set out on the 'children's table' at ST JOHN'S CHURCH, GREAT CLACTON. I remember them well - Tomlinson showed me them briefly and attempted to program me with them:

WHERE IS JESUS?

ALAN AND LINDA PARRY
HUNT AND THORPE/PATERNOSTER PUBLISHING

Really, it all reminds me of being in China and getting a Chinese perspective upon CHRISTIANITY:

"It is 'magic'."

As far as I can see - looking at the SAINT JOHN'S brigade and also the METHODIST CHURCH - it is very 'bad magic' indeed. A front for mind control slavery, smuggling and 'son of G-d' programming.

OTHER NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

An eventful week - copious notes - but no time to put down anything worthwhile here - except to say that RIMINGTON used the Chinese herbal remedy GOLDEN SEAL as part of her insane RA CULT ceremonies - for obvious reasons. To 'seal in' the GOLDEN CHAIN programming.

What is currently bothering me - apart from 'which dentist can I trust' (Manningtree) and 'where do I live next' (see further notes) is how the RA CULT is currently operating.

As a horticultural metaphor (upon which so much of the ILL cult is based) - I have dug up the nexus or 'bulb' of the tree roots but having sawn the roots off - there is a danger that these roots might 're-plant' themselves. I have to dig them out too. At present, a seemingly impossible task and so I am simply 'watching' to see what happens next.

I have seen this phenomenon with so many ILL slaves around me. Once one of them sees a programming object - it activates them to do certain things i.e. speech acts/behaviours - this has a knock-on 'domino effect' upon other ILL slaves around them.

It is rather like operating a closed circuit and there are so many of them. You put out a programming object and then 'watch' how this activates and triggers the rest of them. They then 'replay' what they were programmed with - I am watching this with an awful sense of fascination but also anger - MI6 could stop all of this and so easily. All you need (and they know it) is a hypnotic drug and a deprogrammer to root out all of the ILL commands put in at differing levels of consciousness.

Yet nobody is doing anything at all, at present. Not one of them is lifting a finger. Why?

 Perhaps MILIBAND, BROWN, TOMLINSON and PUTIN as the ORANGE team are at the heart of all of this.

I recently noted that the new PLEDGE is now in fact MIRAGLO.

Vladimir Putin (when I met him a second time in Poland 1993) asked me to call him MIR - an oddity because it wasn't a Russian diminutive of the name Vladimir. Volodya would have been the correct 'nickname' - only for family and close friends.

My guess that the new PASSWORD to the PEARLY GATES of ORANGE ILL slaves is now MIR-AGLO.

NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

I thought that I had better get another hour at the Library today (on an Internet computer) because I have had some odd dealings with 'officialdom' recently and this needs to be exposed.

Firstly, the case of having to prove residency in this country - in order to obtain 'employment and support allowance'.

Even my psychiatrist thought that this was barmy.

He questioned the nonsensical 'request' made by this department, to send in my PASSPORT to the JOBCENTRE PLUS (BASILDON) along the lines of:

Surely they know that you were resident in this country, whilst you were signing on Jobseeker's Allowance in Harwich - before you came to the Peter Bruff ward.

Anyway, I rang up 'employment and support allowance' this

afternoon to query the 'habitual residence' test form and 'right to reside stencil' - considering I was born in this country and have never permanently lived anywhere else.

I was told that the Harwich JOBCENTRE had 'passed' me in order to be able to work and collect 'jobseekers allowance' in this country but that in order to collect 'employment and support allowance' I would have to prove my residency, in this country and that required my passport.

I told the woman down the telephone that I had no intention of sending my passport to some anonymous government office.

She then said 'take it to the local job centre and they will photocopy it for you.'

Which is precisely what CLACTON JOBCENTRE then did - but DEJA VU time again.

As soon as I walked in the doors, I immediately flashbacked to RIMINGTON having taken me into this very jobcentre - and giving me instructions upon whom I was to see and what was to be said.

I met the exact same two people, as before. I was 'fast-tracked' to the front of a queue of other people, in order to have my passport photocopied.

The woman who photocopied it, made reference to the envelope that I had to put it in:

FREEPOST PLUS RRJR-GAHH-RJJG
JOBCENTRE PLUS
BASILDON BDC
WINSFORD WAY
CHELMSFORD
CM98 1AD

T51BRPOB243
REF ESA-NC

Each work visa in my passport was photocopied (dating back to China, then Indonesia and Israel) and a red stamp applied:

RECEIVED BY HAND
23 FEB 2009
1704

Is 1704 the local CLACTON jobcentre number code? It looks like an 'oil cult' number to me.

Anyway, even though my birth certificate was stolen from me

by an Orthodox Ashkenazim man in Jerusalem (along with my other documents in a folder)- I shall apply for another one and send that to this 'government office' instead.

I do not trust any of this, at all. I have no need to prove 'residency' in this country - I am a British citizen who was born and bred here - born in Stepney, London General hospital and anybody with even half a brain, in this 'State bureaucracy' - knows it.

The other odd thing that happened today?

I walked into the local store behind Peter Bruff ward/Clacton general hospital to find another of RIMINGTON'S programing objects. It is like walking through some sick computer game.

RIMINGTON had left a pile of LAST WILLS AND TESTAMENTS in with the stationery. She had pointed them out to me 'you will fill out one of these - of course we will claim that it is NOT legal.'

On top of these wills was her 'symbolic' pile of ILL cult members - carefully chosen in number and colours. A pot of ERASERS and PENCIL SHARPENERS. It sounds crazy just to write it down but symbolism is of the utmost importance to the sick minds of the ILL.

I emptied them all into one jar and screwed a YELLOW lid upon it - pressure-cook the lot of them.

MARK had told me that once I had got the hang of the ILL system of symbolism - I could play around with it.

February 23, 2009 at 6:42 AM

 **Black Rabbit said...**

 Additionally - and this is another odd one:

EMPLOYMENT AND SUPPORT ALLOWANCE wrote back to me, in order to request 'further documents' which were not named upon the letter - the space to write them in, was left blank.

It was only by reading the forms that I realised that they were asking for either your passport, birth certificate, certificate of entitlement to the right of abode or a Home Office certificate confirming grant of citizenship.

Surely having any of these would curtail the need to fill in any of these stupid forms - the first one (habitual residence test HRT2 04/08) begins:

'Which country did you come from? and continues 'Have you

ever lived in the UK before?' The 'addressee' is presumed to be a Foreign National.

I really cannot believe any of this.

Anyway, the really odd thing is that on this JOBCENTRE PLUS EMPLOYMENT AND SUPPORT ALLOWANCE letter:

They actually managed to get my NATIONAL INSURANCE NUMBER wrong.

They got my national insurance number wrong - I need to repeat that one because of all the things that you might expect them to get wrong - that is the one thing that you would expect them to get right.

They put my NATIONAL INSURANCE NUMBER down as the REFERENCE for the letter:

"If you get in touch with us tell us this reference:
NB167706B/ESA/NC

Now my NATIONAL INSURANCE NUMBER is:

NB 10 77 06 B

Who in their right mind, would go to Beirut for a holiday? Apparently the 5 star hotels are cheap and the quality is good.

Why had MI5 been changing National Insurance Numbers on the Basildon files? To open up new ones in order to justify their surveillance 'campaigns'.

<http://english.pravda.ru/science/tech/03-02-2009/107051-humans aliens-0>

PRAVDA has an interesting article entitled:

Humans to live for 120 years and communicate with aliens in 2114

Humans will eat artificial meat, drink desalinated water and live up to 120 years in the near future. Science fiction novelist Vladimir Streletsky made the list of the future achievements of mankind. The writer selected predictions of most renowned futurologists, prophets and scientists' plans for his work. Streletsky's future looks quite probable, although a bit frightening.

2009-2025: Android robots will be used in industrial production;

2010: Scientists will finally prove that the human soul exists after death;

2010 – 2012: Countries of Europe , America and the Pacific region will unite into large regional blocks. A Russian-Chinese space rover will perform a successful landing on the Moon;

2011: Vaccine against AIDS will be invented;

2011-2023: The Middle East will put a strong demographic pressure on Europe; the number of immigrants will grow

considerably. Democracy will run into deep crisis in Europe and the United States – their leaders will switch to authoritarian methods of ruling;

2012: Intellect-enhancing pills will be synthesized.

2013: Man will build the first plantation to grow artificial meat;

2015-2025: Radioactive wastes will be removed from Earth and launched into space;

2016: The world will begin to run out of oil reserves;

2022: Man will land on Mars;

2025: The beginning of the global water crisis. About two-thirds of the planet's population will suffer from a strong lack of drinking water. Many sea-bordering countries will build special works to desalt sea water. Scientists will learn to extend human life to 120 years.

2026: Artificial intelligence will be created;

2027: Radio signals from extraterrestrial civilizations will be received;

2029: Cyborgs will see the light;

2030: A complex of measures will be developed to stop the process of human ageing;

2030-2080: The industrial development of the Arctic and the Antarctic territories;

2035: The world economy will suffer yet another crisis due to the shortage of drinking water;

2039: Artificial uterus will be created; first human incubators will appear;

2047: Holographic television will become an inseparable part of everyday life;

2060: Man will build the first colony on Mars;

2069: A military conflict between Russia and China for Siberian territories will occur;

2075: Euthanasia will be legalized in all countries;

2090: Underwater cities will be built;

2110: Transsexuals will make five percent of the Earth's population;

2114: Mankind will establish first contacts with extraterrestrial civilizations.

Two things have to come out eventually:

The REALITY of the SOUL as an entity and the REALITY of the COLLECTIVE SUBCONSCIOUS.

Anybody can tap into this extraordinary reservoir of the COLLECTIVE SUBCONSCIOUS 'MIND' of the Human Race (normally seen as being reserved for 'artists' and 'poets' but this is untrue) - some can 'dip in' more effectively than others but everyone has access to it.

The ILL tried to connect people artificially by radio/microchipping them - and then to enslave them by creating a facsimile of this natural phenomenon.

Nevertheless, all human beings have the ability to tap into the 'collective subconscious' and the beauty of it is: if one

person realises something - we all 'get it' at some level of consciousness. This is all about the raising of consciousness as a species, upon this planet.

The ILL tried to bind people with a CIRCLE and make them stay in that sheep pen e.g. the GOLDEN CHAIN/RING...the RA (Royal Arch Freemasonry) cult.

It is time to BREAK the CIRCLE/RING and it doesn't really matter where you go afterwards - you are never alone, as a member of the human race. You carry this spiritual interconnectedness with you, wherever you go.

Microchipping human beings simply means slavery. The power of the COLLECTIVE SUBCONSCIOUS 'MIND' is far greater than this ILL system of 'radio control' - it will defeat the ILL and their microchip system.

We are all part of the human subconscious 'mind'. This is the WELL of human experience and knowledge.

It is time to scrub this well - get rid of the poison within it. The poisonous mind control commands of the ILLuminati.

You can clean your little bit of this WELL but that is not enough - everybody has to clean their own subconscious mind - get rid of ILL programming - in order for us to drink freely from the WELL and without fear of 'contamination'.

T S ELIOT's wrote about this phenomenon (as did Jung). One can see that THE WASTELAND symbolises this 'collective subconscious' - it operates as a poem by invoking images, emotions, feelings (rather than falling into a linguistic trap - a labyrinth of 'words' i.e. 'thoughts') - in short, the poem depicts the collective subconscious of the Western World after WWII - the desolation, spiritual aridity and general horror of the aftermath.

The TEMPLAR BANKING CARTEL was responsible for this horror - this poison has to be taken out of the WELL before any of us can truly heal.

Spiritual interconnectedness doesn't just occur upon a human level - it is possible between all life-forms as well as inanimate objects, across time, space and matter - there are no barriers. Hence the phenomena of 'synchronicity' and 'coincidence'.

"...and the soul comes out of your bottom"

I was incredulous "you mean like babies?"

Anyway, I am not quite sure what to make of this 'esoteric Templar teaching' but think that it must be related to anus-worship and soul-trapping - possibly also 'upside down' Wonderland.

One of DAVID MILIBAND'S slaves who used to work at the MINISTRY FOR JUSTICE - tatooed two images, upon his wrist and also his shoulder.

DALDRY and CO didn't know quite why he had done it or what the images meant and so they dismissed him as a 'creative'.

The image upon his wrist is identical to the recent photograph of the LULIN COMET, recently published in the DAILY MAIL.

Every detail was exact, from the white circle in the middle of it to the colour and line density of the outline.

TAIL OF THE COMET programming is just that - programming. It doesn't mean that somebody was actually born under the 'tail of a comet'. It means that a slave has been chosen to be 'ex-centric' i.e. a 'watcher' of the RA CULT - it used to be FBI programming.

My question now is:

Did this young man 'see' something in the future? He had

tattooed this image onto his wrist in 2001.

OR is the LULIN COMET a fake - another hoax - (rather like NASA and the 'first man on the Moon').

The other image upon his shoulder, is in the same green/blue colours - but it is of a ring and a sort of teardrop hanging from it. Any ideas?

Green light for a close encounter: 'Jupiter-sized' comet to streak past Earth tonight

Comments (37) Add to My Stories

We have known of its existence for only two years. But if you raise your eyes heavenwards over the next few nights, you might just catch a glimpse of the comet Lulin.

Glowing green, it will come within 38million miles of Earth, the closest it has ever been, and about the same distance away as Mars.

Lulin, photographed here by an astronomer in Arizona, was discovered by a 19-year-old student from a photo taken at Lulin Observatory-Taiwan, in 2007.

[Enlarge](#) This stunning picture shows comet Lulin glowing

green in the sky as it makes its closest approach to Earth

[Enlarge](#) Comet Lulin is delighting amateur astronomers who are observing it using telescopes and binoculars

The spectacular comet will be visible to the naked eye over the next few nights.

Its colour comes from the gases that make up its Jupiter-sized atmosphere.

The stellar traveller is very active, shedding nearly 800 gallons of water each second on its journey around the Sun. That's enough liquid to fill an Olympic-sized swimming pool in less than 15 minutes.

Jets from the nucleus throw out cyanogen, a poisonous gas found in many comets, and diatomic carbon, which glow green when lit by sunlight.

It could be visible any time after dark.

Nasa said: 'Dark country skies will be required. But no one can say for sure. This appears to be Lulin's first visit to the

inner solar system and its first exposure to intense sunlight. Surprises are possible.'

Andrew Read, from Leicester University, said: 'The comet is releasing a great amount of gas, which makes it an ideal target for X-ray observations.'

Astronomers using the Nasa Swift Satellite are tracking a spectacular comet as it closes in on Earth and sheds gas and dust from its vaporised ice. This combined view shows combined ultraviolet and X-ray images of the object
British astronomers from Leicester University will study the comet using the NASA Swift Satellite to find out more about its chemistry and gather clues about the origin of comets and the solar system.

The Templars/Jesuits had their own area - within which they used to program people - within the South-West quadrant. Hence the nickname for the Templars 'Sou Westers'.

On a map of the Forbidden City - it is often in the top righthand corner (the maps are usually 'upside down'.

"Another garden in The Forbidden City that must be noted is known as Qianlong's Garden. It was part of the complex in the far eastern section of The Forbidden City built by Emperor Qianlong for his retirement. He pledged that he would not reign longer than his grandfather Emperor Kangxi whom he greatly admired, so he built the palace complex and garden for his retirement. The garden although built in a very narrow area seems quite sprawling. It is filled with beautiful rockeries and pavilions. One interesting building features a small twisting manmade river built into the stone floor. There is an ancient Chinese poem that talks about a time when during the Tang Dynasty a group of scholars got together to drink alcohol and compose poems along a river. The alcohol cups were floated down the river and whichever scholar it stopped by had to compose a poem on the spot, or forfeit by drinking the alcohol. The miniature river in Qianlong's Garden recreates this scene. Emperor Qianlong being very fond of composing poems would float alcohol cups down the little river and the ancient scene was brought to life. There is one more garden located in the Outer western section which was built for the wives of the previous emperor to live. It is burnt to the ground in the early twentieth century and is currently undergoing a major restoration which will someday be open to the public. It was considered to be the most beautiful garden in The Forbidden City and its reopening is being looked forward to."

British Intelligence used this garden for 'other purposes'.

BASILDON JOBCENTRE:

Tip of the iceberg - concerning MI5 'pornography' videos i.e. illegal CCTV of British citizens, often used for blackmail purposes.

JONATHAN EVANS was in charge of OPERATION PORNOCILIP rather than PAPERCLIP in many ways - the revenue from the British Pornography industry and upon an annual basis - rivals that of Hollywood.

Remember 'Readers Wives'? The pornography business got bored with airbrushed models - much more fun to see 'real people' in action. I remember EVANS chuckling at his 'worst enemy' grunting away in bed.

Who 'manages' this business in the UK? None other than RICHARD TOMLINSON. He even had his own 'HEFFNER' residence and 'harem' out of it.

Where are the ILL going to escape to now that this PORNORING has been discovered? Operatives are being told to head for the Czech Republic and Slovakia, Havana and Dubai (where HB and her mother are currently living).

Ireland is also another possible destination.

Did TOMLINSON see himself as another CARY GRANT? How amusing.

 NOTES FROM THE DIARY OF THE REAL AUTHOR OF THE HARRY POTTER BOOKS:

At the Templar Castle, I had asked Putin and his men, to uncover the sepulchre - to lift the heavy stone lid upon it. There was nothing in it and Putin thought that I was wasting time and told me to get over to MARK in the control room.

I wasn't wasting time - I was 'retrieving memory' and that symbolic action revealed to me what I needed to remember.

The ARK OF COVENANT?

It contained the computer codes entitled:

'THE KEYS OF HEAVEN' or rather 'THE GATES OF MORDOR' according to the CIA.

The keys to the financial criminal activities of the ILL - massive databases.

MOSHE DAYAN and his rebel organisation, across the Israeli Army and Intelligence Services - had downloaded a huge amount of information/data into me - in 1979 - saying as they did it 'will it work? It's worth the chance'. As Sharon was to say to me: 'we will turn at the last minute'.

In China 2003, I was then given the 'okay' code by one of their operatives. The 'aleph' to reveal the lot.

Firstly given to the CIA and the MOB in China 2003 and also given to the Chinese government.

Later on, I had to give a statement to US Intelligence - as to why I had given the 'keys' to the Chinese, in order to justify my actions. The CIA boss in Switzerland 2004, translated my basic rationale into 'official language' as he wanted to get his report in quickly. I can only assume that it was taken in good faith at the highest levels - that I was doing the best that I could in tough circumstances (I am not dead yet and so the 'powers that be' must have okayed my rationale).

Anyway, the CIA boss asked around the office for a suitable

title for the operation. Somebody shouted back:

'SWEEPSTAKES - WINNER TAKES ALL' and the boss quickly typed that one in.

OPERATION SWEEPSTAKES

I suppose that the CIA did clean up in Switzerland: they caught the 'Ambassador', Dalai Lama and Osama Bin Laden - as well as getting the Nazi gold out of the country, to name but a few things that I was privy to, at the time. I have no idea about what happened 'behind the gates of MORDOR' but one can guess.

The TRICK IN THE TALE? Giving the codes to the Chinese as well as the CIA and the MOB.

I guess that was what I nearly told MARK RICKENBACH in 1994 but luckily didn't 'I don't need to know everything, it would spoil the game'.

My rationale was based upon many factors - not least MARK'S desire for an NWO - an 'mind control' Christian society in the US, the sinking of the UK under the waves and so on...

American Government and Society uses the business model of competition between companies in order to ensure 'good services'. The government smashed MICROSOFT because it was turning into a monopoly - a dangerous thing.

The NWO would also have been a dangerous thing - whichever country 'ran' it.

As Sharon once said to me - it is the leader of a country, who matters. A good leader who cares for the people, will create a prosperous country - regardless of the political system - be it Communist or Capitalist. A bad leader will bring nothing but destruction.

Therefore in principle, an NWO might be a good thing if you had good leadership - but if the leaders were bad, you would have HELL on EARTH - and nowhere to escape to, literally.

Put briefly, the above encapsulates the 'rationale' that I gave US INTELLIGENCE.

OTHER NOTES:

Just before he died 'John Waters' was to remind me of 'the

keys to heaven'. He had also forewarned me about Mark - in terms of being wary of him.

I can now see what sound advice that was - it is a shame that he didn't live to see how it would all end but he had done the best he could, to create a better world.

February 26, 2009 at 6:28 AM

 **Black Rabbit said...**

 OTHER NOTES:

MARK RICKENBACH got picked up from a Swiss hospital - half-dead because of the two gunshot wounds - courtesy of TOMLINSON (they missed his heart) - who had shot him as a 'mad chimp', in front of RIMINGTON.

MARK was apparently carrying a GERMAN passport at the time. The CIA swiftly extradited him.

 So the GOLDEN TRIANGLE of ILL banking no longer focuses upon RUSSIA, THE UK and ISRAEL.

Eventually the media focus will shift to 'Chinese triads' and the 'Italian mafia' rather than focusing upon Israel.

The new triangle:

ITALY, THE USA and CHINA.

Now wonder HONG KONG was decided, as the new 'world exchange/stock market'.

I mean, what's the point - the real reason for such a disproportionate amount of news coverage was always the 'money'.

What about more coverage of the terrible things that are going on in AFRICA, for example? Everything in proportion.

 Sure, I will remove them but firstly:

Wouldn't it be better, regarding your own safety to admit publicly, who you are?

You now have Jonathan Evans upon your backs, granted - but you could so easily 'disappear' if you do not now come out, in public.

I know who you are - I remember only too well - I was watching both of you at the Templar Castle, on a computer, planning out your 'joke blogspot' to help me out - once I had got to this stage in the ILL game.

The blogspot was then kept until the opportune moment and then released as a 'stinger' against Jonathan Evans.

To those who have not known Jonathan Evans for the last 10-15 years - what 'pinkplanet etc' have said about him - is entirely true. Forget the 'crazy' way in which it was written up. At the time, the two people who composed the blogspot, were of the opinion that if their names ever did come out - they could reply to Evans 'it was just a joke - can't you take a joke?'

Obviously, now this 'joke' has turned sour.

I will await your further instructions regarding the blogspot -

email me back if you really wish to erase your comments.
I will not divulge your real names.

On 7 March 2006, he presented to the General Assembly his proposals for a fundamental overhaul of the United Nations Secretariat. The reform report is entitled:

 Having located the 'aqua dog parlour' i.e. swimming pool for arthritic dogs and so forth - down the Frinton Road - the place that RIMINGTON had taken me in 2004...I then looked back at the strange dream I had had, recently...before actually finding the place again:

"I walked around it...there were old-fashioned and ornate WOODEN panels and cupboards around the entirety of the baths...I found what I was looking for...4 bars of SWISS CHOCOLATE...3 CREAM coloured slabs (like Toberlone wrapping) and one RED...I also picked up a bag of LIQUORICE ALLSORTS...and looked at the one which had been called the EYE by programmers...I then looked at RIMINGTON'S 'one eye' and got the joke...I also picked up a packet of what appeared to be HOOHAA children's programmers from the NIGHT GARDEN (rather like the 'free gift' rubbers that were attached to a NIGHT GARDEN BBC magazine)...I then left..."

So RIMINGTON had led me to the end of the ILL trail which comprised of:

4 SWISS
3 TOBERLONES (YAD VASHEM, ISRAEL?)
1 'RED' (RUSSIAN?)
1 'LIQUORICE ALLSORTS BAG (I associate this with Africa - the ILL in the ANC? Rimington had boasted that she had the major players all under ILL control, including NELSON MANDELA.)
1 HOOHAA pack - MI6 children's programmers?

This was RIMINGTON'S 'top of the ILL CULT' list, for some reason.

SOON THERE COMES THE PEOPLE WHO WOULD LIKE ME TO MEET PSYCHIATRIC DOCTOR, SOON THERE COMES ROBERT WILLIAR... WE JUST LIVE A SHORT LIFE SPAN, WITH A VERY SMALL BRAIN, WE CAN NOT MEMORISE ENOUGH THINGS. WE CAN NOT SURVIVE IN EXTREME ENVIRONMENT. YET WE KNOW NOTHING, WE ALWAYS LOOK OURSELVES IN THE MIRROR AND THINKING WE LOOK GREAT. WE THOUGHT THAT WE ARE GREAT, ALL THE ALLEINS ARE INVADERS, YET YOU CAN'T EVEN DEAL WITH REAL ALLEINS, HOW ABOUT THIS CONARIUM RESULTS? ARE NOT THEY ALL BEEN CONTROLLED? I DID NOT CONTROL THEM, GOD DID ALL THESE, WHY ALL THESE BLAMES SHOULD BE ONTO ME? WHY DO YOU ALWAYS WANT TO TREAT ME NASTY?

But I am constantly under pressure from my supervisors, who I have done most of the word in january and there was no assessment/feedback until last week. I am thinking of starting a blog and telling all of you what actually happened to me and what I have thought of, and all my mental conditions were, I am not the kind of bitch as you thought, I just paid a prize - all of fears and my soul.

I do not think that I got a place in book of life anymore, who cares? I can live this life very well.

It is pathetic isn't it? The English put Almighty on their flag but on this land, his will is not being done.

I AM OF COURSE NOT ACACEMICALLY SUCCESSFUL, THIS IS BECAUSE ALL MY TIME IS TAKEN BY REDEEMING ALL YOUR SINS NOW. GOD ALMIGHTY TOLD ME IF I COULD DO WHAT HUMANITY DO TO HIM TO SOMEONE ELSE, THEN HE WOULD COME TO EARTH.

SO ON EARTH, GOD'S KINGDOM, GOD'S WILL BE DONE.

WHICH IS A HEAVIER PRICE? THE LIFE OF THOSE ANTI-CHRIST? OR 1/3 OF INNCOENT BRITISH? PLUS GOD ALMIGHTY IS GOING TO SLAUGHTER THE ANTI-CHRISTS ANYWAY.

YOU ALL DO NOT UNDERSTAND ME. AS WHAT GOD ALMIGHTY PROCLAIMED, THAT I AM HIS DIRECT SIMULATION, I AM HIS BASIC INSTINCT, ZILLIONS YEARS AGO, HE WAS WEAK, BUT HE HAS CONQUERORED EVERYTHING, DON'T WE WANT TO CONQUER EVERYTHING, DON'T WE WANT TO BECOME MIGHTY CREATURE. I AM FAR MORE GREATER THAN YOU THOUGHT.

YET YOU ARE THE ONLY ENGLISH KING THAT IS CROWNED BY GOD ALMIGHTY HIMSELF. HAVEN'T THEY ALL SEEN THE GOLDEN CUP, THAT WAS EARNT BY CHRIST'S SUFFERRING, I STILL FELT WHAT YOU FELT, I UNDERSTAND YOU... ARE YOU GOING TO BETRAY ME ONCE AGAIN AFTER EVYERHING I HAVE DONE FOR YOU?

 The biggest nightmare for me in all of this is that the 'first letter' code changes in relation to where I read it i.e. upon this blog or in my email box.

I have to decide which is which because, for example - the last email from ANONYMOUS has ONLY three sentences and this code:

THAI

T:HE LORD OUR GOD HAS ALREADY ORDERED YOU TO DO SOMETHING TO PRINCE

H:ARRY, HE IS GOING TO GET RID OF THE ROYAL FAMILY, HUMANITIES ARE EQUAL,

A:LL MADE OF HIS IMAGINE. HAVE FAITH IN GOD ALMIGHTY, HIS GOAL IS TO TURN US

I:NTO ANOTHER HIM! AN ALMIGHTY BEING!

 WDS JYWESWA

JITW S WB

A YWK ITB DLF IY

A IAW BTAM

A ITR H

A WTIWD WHMTO ARK

That is all I have time to do – I still do not know if I am using the right word, in terms of the first letter.

These emails run backwards from the one about PRINCE HARRY – as I worked down my email box.

If GCHQ are interested - they can work out the rest - that is what they are supposed to do, no?

 After having read quickly through the whole new batch of 'anonymous' and 'kittenjane113' emails – and also through the 'initial letter' codes, I came up with a few 'on the spot' conclusions:

Firstly, ETI is actually spelt ATI...secondly that B-J was highly active in the rebel group (David Cameron) and that DM – David Miliband's almost hysterical email (something about how the Almighty had picked him and it wasn't his fault – I remember watching him type that one – about the others who were threatening to kill him) because he had been picked as TOMLINSON'S successor and that TOMLINSON was probably unhappy about that one and fomenting trouble for MILIBAND...

Anyway, all I can say is that you have to firstly understand that the people who typed up their comments upon this blogspot were all under mind control, in 'child alters' and forcibly drugged at the TEMPLAR CASTLE 2001 – secondly, they were terrified and were being forced into the most insane, sadistic and perverted acts...thirdly, that these people are the 'elite' or 'stars' of BRITISH SOCIETY and POLITICS ...as well as other slaves who were forced to attend - those whom the ILL had taken a shine to as their 'pet' or 'favourite' slaves – those that the ROYALS liked to watch on CCTV because of 'fibre' cameras, planted in their homes, workplace etc.

Anyway, I remember now – once SONIA and MARK had started the blog going – there was an almost endless stream of people who wanted to type up their entry – almost like being at a Primary School where all the kids 'want to have a go' – regardless of whether they were in the 'rebel group' or not. One email states that they all had to 'rue' writing on the blog and so MARK R must have found out at some point and 'punishment' ensued.

What I would now like to know is this: when was this blog actually put up on the INTERNET? It appears to have been quite recently – even though it was created in 2001 (the PINKPLANET one). Additionally, who had 'saved' all of those comments and has been letting them out in a slow trickle? I would guess JOHN SCARLETT but I have no real idea.

OTHER NOTES:

The THAI code interests me the most. The last one that I read as 'code' from 'kittenjane113'.

Now, I noted (after remote-viewing) that TOMLINSON was in THAILAND – whilst I was still at the HARWICH flat. He was 'on business' and back in the old 'James Bond' role – making some sort of 'deal' regarding armaments.

Additionally, as part of this ILL GAME – once I had got to PETER BRUFF – the ex-MANAGER of HARWICH CUSTOMS – who sees all of her old colleagues every week – wrote to me and sent me an Xmas present. I returned a 'gift' in kind, I sent her a large set of THAI toiletries.

I am beginning to wonder about that particular 'choice' of present now.

Why THAI?

Additionally, the family who took over the main corner shop in HARWICH (whilst I was living there) were Catholics from THAILAND.

Anyway, my suppositions upon all of this?

First up: government has NO control over private armaments companies in this country. They cannot stop them from selling British manufactured armaments abroad – to countries who could then use them back on our troops.

The ILL do however have a LARGE amount of control over these armaments companies.

I would therefore like to know what TOMLINSON was doing – brokering deals for BRITISH armament companies in THAILAND.

The connections are this: I 'trigger' a former CUSTOMS MANAGER in HARWICH who forwards on the 'message' to her colleagues with THAILAND.

My guess is that the ROYALS and their friends are planning to sell armaments to THAILAND because they have an enclave of mind control slaves there. They are possibly hoping to start a war at some point.

Additionally, they didn't want to pay any export taxes or to have any government officials asking awkward questions and so this all had to be done by the RA CULT signalling system. Unfortunately, I found out too late – what my possible role in this, had been.

honestly i as a human being never had a clue that is what going to happen, i was just trusting god in his hand. I said to him if I could redeem the world then i would do, even if all the things that I am afraid of becoming true etc. So i did not want to start the templar's castle, and i certainly got tortured a lot by god almighty. i think he probably has loath over us all.

it is very complicated, i really can not put all the thoughts here. but he is very complicated, and set up everything at the very beginning, and i am thinking that i was set up now. why

did i do these things and think in his way in the first place?
why did i talk and meet people in the first place?

:(I think if i knew that is what going to happen, i might have said no to god almighty, but instead i said, many people have made a decision to sacrifice himself/herself, and then they died, they did not have a chance to rethink it, if it is for the good of us all, then i would take it...

so all the things happened are actually what i am mostly afraid of... :(

i so much want to have someone to talk and share, i am quite scared why i could be able to do all these things subconsciously. :(

anyway, i wish you a nice pentecost sunday.

April 18, 2009 at 12:23 PM

then you will die in one month, i am being honest to you. This time, god almighty is determined to give you a lesson once for all. Because he felt that you were using him, you do everything in his name, and he gives you everything back, yet you disregard him. if you read bible, whatever god almighty does to Abraham, he just does whatever he says, he was so obident, but what was the fact? he has been helping him and saving him. God is described as a murder, someone who has sex with a virgin, someone who eats people. I bet he is not amused with this.

It is a bit of unfortunate, that you are going to be the first one that test almighty sword. Maybe when they see your corpse, they will start to act. exactly when they have seen the golden cup. Or maybe they were stupid enough to be like the Egyptians and wait to have corpses pilled up.

i recalled that i met people, we talked about zhen qingyoung, zhen qinghong's remote relative, all those people, i remembered how i went into some places and talk with people just randomly. i remembered how i felt, i felt so different. You will never understand the reason of all the sacrifice i made the reason of all these is because i would like to help god almighty's long plan - turning humanity into another him. Something that is purer and greater!

There will also be wealth, good age rewarded to those who follow him.

God almighty has the breastplate to allow jesus christ to be worshiped together with him as his son. He was a crucified prisoner? Yet the offsprings of the Romans have been worshipping him and giving him glory for 2000 years.

Grace is the gift of God. I bet almighty is not amused when you masturbate thinking of virgin marry.

to blackrabbit,

i did not hide the names as you did, all the names i mentioned here are real names, those names that i could not recall are not mentioned.

so pretty much, i now have a coherent story, but nobody wants to share it with me :(I have asked if Adam find me an officer to talk about these things and he has not replied since. Nor did he answer my mobile calls.

Am I scary? I do not know. I think almighty probably is interested in interfering the development of the world himself, there are so much corruption, so much bullying, so much suppression going on. Who should he turn to, of course to the ill-cult, who would definitely keep these things as top secret.

Because the last time he officially appeared in front of the Jews, but he just got people making lies about him.

Honestly, I do not think that guy who we damned should say these things about me and saying that I have delusions. Because I feel that I am mostly under control, many things that I have done were not out of my will, I do not have discretion over things.

I would not have said those things in the first place. Some of the rubbishes like 'mickey mouse was drawn by a chinese' my mum told me that when i was young, and i believed that... I read history books and saw the battle was lost, and i then fantasize that if I were the leader of the battle then i would have done it differently, all those sorts of stuff, hence there was the rubbishes regarding to my ancestors. I certainly do not fantasize about that. And the rest of them were not mine, some of them were disinformations. I also do not want 100 husbands. because in China, the emperor used to have many wives, and i wondered if i were a monarch, i would just keep 100 husbands, because it has been unfair for women. I thought the English Queen should have 100 husbands, just for the equality sake, they were all the silly thoughts I had.

But a lot of my other thoughts are actually very close to god almighty's primary thoughts. When i was a kid, i thought of building a world with my own blood and keep my little friends inside me. I thought that I should make small humans out of pentagram. I love the creatures, and thinking that they are sort of better than us in a way, because they do not do any bad deeds, and a lot of them have biological features that are superior to human race, and we should respect them for, but yet i think for our own sake, we have to experiment on them, and slaughter them, so i will just treat them nicer than we are doing now.

I also believed that we should respect the aliens because if they had the technology to come across the space to visit us, they are likely to be more advanced than us, if they saw that we are lovely they might would like to help us, and we would have technolgical problems sorted out, we might not even have to die etc.

And my life-long goal is to self-evolute into an advanced living beings, and I said to myself that my goal is to turn humanity into an almighty being, then i wondered if there would be any of this kind of being, and what should i do when i become one of them. I thought that I would just make a lot of planet earth and then keep lovely animals, maybe not humans anymore because they are so troublesome.

I just think what has happened has been a a very bad dream, maybe I am just more awake at the moment. It is not a good feeling. I might have overreacted a little bit and said something nasty on the site. but i recalled how they fed me with poisons back in edinburgh, how they tried to restrain me... I felt very very angry all suddenly.

I know you are unhappy regarding to the way we used you, but imagine, what else could god almighty do? should he just send a thunder to strike the corrupted and wicked, i do not think he would like to come out. the experience with the Jews were very bad. He was just using the tensions within the group, and then if you think how it was done, it is very intelligent master plan.

If it was not god's intervention, there would still have been all those horrible injustice, the world has gone a little bit better. I think god almighty really would not like to do the slaughter, he just wants to punish the murder of diana and some other corrupted members of the ill-cult.

Hi Emily, I have been following your blog for some months now. I cannot express into words the sorrow & horror I feel for you & those who have been victimized like you. I've been debating myself on whether I should email you to express my

gratitude at your bravery in exposing the ill cult as you have; I notice many of the emails you receive are lacking any kind of real personal type dialogue . . . upon reading your blog today where you said you will die soon sealed the deal for me & I had to email you. I surely hope that is NOT the case & will pray for your safety!

I'm not sure when you started receiving emails from FB, but would like to share w/ you that several months ago I shared some of your information (re: clones & womb envy/pregnant man society info) as it fit perfectly w/ some other 'work' I have done. Since 09 I have been exposing things on my page as in mk; synagogue of satan; witchcraft; clones; human sacrifice etc etc. . . . maybe that is why they are bothering you? idk I just wanted to give you a heads up on that.

I would also like to say to you that you are brave beyond words, I understand in my limited way & have so much empathy & anger for you. I am in the US, but there are people out there who know 'something very wrong is going on' & would love to 'befriend' you . . . my heart is heavy at your isolation, there are other aware people out there who would be your friend! Just know that! If there were more 'aware' people & less living & loving the lie that is the matrix this world would be better off, unfortunately too many love their cognitive dissonance.

Thank you again for all your time & effort in exposing the ill cult, it DOES MATTER!

May God Bless & Protect my Friend Emily Gyde!

I found I could post on this blog? We will see.

Sorry wrong Angel . . .

Welcome to my blog! Here I will be sharing my experience working within and for the dark side, and disclosing how the evil which we see manifesting in the physical 'New World Order' has it's origins, not in the hearts and minds of evil men on earth, but rather far beyond the physical realm, under the direction of the Spiritual Hierarchy, from whose deception I have been saved by the Grace, Love and Power of God.

Hi Emily, this is my 2nd attempt at contacting you, I did not notice a response to this earlier attempt:

I just wanted to advise you there seem to be problems w/ your altervista page. You can no longer click on older pages, it has read this way for at least a few weeks now.

"alterVista
Index page missing

The directory /page/2/ does not contain an index file.

You have to create a page called index.html, index.htm or index.php (lower case).

Warning: if you have just activated your site you might have to wait up to 24 hours before it is visible."

I also tried to search a term w/ the same result? Maybe you want to check that out yourself? Best regards, Angel

Dear Sir/Madam

READING THIS CAREFULLY MAY SAVE YOU TIME AND MONEY

WHY HAVE I BEEN SENT A SUMMONS?

Council records show that you were sent a Council Tax bill requiring instalment payments (or a single payment where appropriate) to be made on specified dates. You were then sent a Reminder Notice informing you that payment was overdue. That notice warned you that you would lose your right to pay by instalments if payment was not made within 7 days.

Documents are collected by the Royal Mail and a receipt is given to the Council. As the Council only has to prove that such bills and notices were posted the receipt is sufficient for the court action to proceed. The Council does not have to prove that you received the documents.

DO NOT PHONE IF YOU ADMIT YOU OWE THE MONEY AND JUST NEED TIME TO PAY AS DETAILS REGARDING THIS ARE SET OUT OVERLEAF

WHAT WILL HAPPEN NEXT

The Court will grant a Liability Order if it decides that you are liable to pay this tax and have not paid the full amount outstanding including the £50.00 costs to the Council before the date of the hearing. If you do not pay, and in order to decide the appropriate action to take in collecting this debt we may, under section 29 of the Data Protection Act (Prevention of Crime and Collection of Taxes), carry out information checks with credit reference agencies in order to obtain information about you.

This will leave a record on your credit history and may affect your ability to obtain credit in future.

A LIABILITY ORDER WILL INCUR ADDITIONAL COSTS OF £45.00 WHICH WILL BE ADDED TO THE AMOUNT DUE.

HOW CAN I STOP THIS PROCESS

The proceedings will be stopped only if you make payment in full. The Council must receive payment and costs before the date of the Court hearing. Post-dated cheques will not be accepted. Details of how to pay are shown on the back of the Summons.

You should keep this document until the debt to which the summons relates is paid in full

Chief Executive

Deputy Chief Executive
Roy Coulter

Head of Service
Jill Coleshaw

YOU DO NOT NEED TO GO TO COURT OR PHONE THE COUNCIL

If you know that you owe the money and just need time to pay then you do not need to go to court or contact the Council, as once a Liability Order has been granted on the 19 December 2008 you will be sent an Information Request which will give you the chance of agreeing a payment arrangement with the Council.

You must then complete and return the form to the Council, and you will then be notified of a decision in writing. The Council will normally only consider an offer that clears the debt before the 31 March 2009.

- Any payment arrangement will be confirmed in writing.
- Any amendment to a payment arrangement will be confirmed in writing.
- Should a dispute arise with regard a payment arrangement, the Council will only adhere to what has been confirmed to you in writing.

No Payment Arrangement will be made by telephone or at reception

THE COURT IS UNABLE TO MAKE PAYMENT ARRANGEMENTS WITH YOU

SHOULD I ATTEND COURT

It is your right to attend Court to present your case if you feel that you are not liable for the amount shown on the summons. But if you turn up on the day of the hearing without having first discussed the matter with the Council's Recovery Manager or the Pre Court Investigation Officer, the Court will be requested to adjourn the hearing to another date so that the Council can investigate the matter. If a Liability Order is subsequently granted after such an adjournment the costs related to the hearing as well as those of the investigation will be sought from you.

If it is your intention to appear at Court and defend the Council's application for a Liability Order you should attend the Council offices at 88-90 Pier Avenue Clacton on Sea CO15 1TN on Monday the 15 December 2008 between 10.00 am and 4:00 pm when officers of the Council Tax Court Team will hold a surgery to discuss your case and hopefully sort out any problems you have with regard to your Summons.

If you think this action has been incorrectly issued please phone the number on the front of your summons.

Yours faithfully

J COLESHAW

Re:- Rent Arrears – 3 Eagle House.

Dear Miss Gyde.

With reference to your last e-mail of 22nd. October 2008, which stated your intention to stay at this address until 30/10/08. As you have not contacted us since we have to assume you are still living at this address.

We have now been instructed by your Landlord to action this matter through the County Court for his repossession of the property; which has now been put in hand and you will receive a Court Order in due course. You should be aware that if this matter goes to Court, you will have to pay all additional costs incurred and you may then find this could also influence any future Landlords decision when you wish to rent another property.

At this time you are in arrears on the rent as advised due to the Housing Benefit you were receiving being suspended from 3rd. August 2008, as you have failed to give the benefits office the requested information.

The arrears are 4/8/08 – 31/10/08	
2 months & 27 days =	£1227.26
Less Deposit held by Landlord	£ 525.00
Balance due 31/10/08 =	£ 702.26

Any additional days beyond 31/10/08 will be charged at the rate of £13.97 per day.

Payment of the above arrears is required within 7 days of the date of this letter or further County Court action will be taken to recover these arrears of rent as due from you and/or your Guarantor.

Yours sincerely
Roger Frith.

Re:- Rent Arrears – 3 Eagle House.

Dear Miss Gyde.

I am in receipt of your e mail of 10th. October 2008, the contents of which are duly noted.

I fail to see that by doing my job, this amounts to harassment and bullying and I do not appreciate these type of remarks.

It is my job to look after this property for the owner/landlord whilst acting as his managing agent. Therefore when matters occur relating to the tenant or tenancy of the property, then I have to follow them through.

You have been served the required legal notice giving 2 months to quit the property at the end of your current tenancy agreement, being today 11th. October 2008, as the Landlord requires the possession of the property to undertake works and repairs so as to decide what he may then wish to do with it.

You have not been served with any Court Order as at this date and should you vacate the property within the next few days as you indicate in your e mail, with a payment from you and/or your guarantors with regard to the unpaid rent, then such recourse should not be required, but this will be at the Landlords discretion.

With regard to the matter of heating/hot water – this was your choice; as the Landlord agreed to the required repairs to the boiler (the parts are still being held in stock) but when the plumber called you to arrange fitment, you advised him that you did not require it and had the gas service disconnected.

Should there be any charge for this gas service to be reconnected then the Landlord may require you to pay such costs.

Further harassment from the UK ILL:

At this time you are in arrears on the rent as advised due to the Housing Benefit you were receiving being suspended from 3rd. August 2008, as you have failed to give the benefits office the requested information.

The arrears are 4/8/08 – 11/10/08
2 months & 8 days = £961.78

Deposit held by Landlord £525.00

Balance due 11/10/08 = £436.78

Any additional days beyond 11/10/08 will be charged at the rate of £13.97 per day.

Payment of the above arrears is required within 7 days of the date of this letter.

You mention in your e mail that it all takes time to find other accommodation and arrange removals etc. We must remind you that you have had 2 months notice, which should be more than enough time for such matters and more especially having turned down a property without viewing it that we offered to show you 3 weeks ago.

Please be advised that should you fail to vacate the property and pay all arrears within the next 7 days, then the Landlord may decide to take legal action through the County Court, and any addition court costs will be passed to you.

Yours sincerely
Roger Frith.

Re: Emily Gyde – 3 Eagle House, Harwich.

Dear Sir,

We have to bring to your attention that we have not received any Housing Benefit covering the rent on the above property since 17th. August 2008.

We have today contacted the Benefits office in Clacton and have been advised that the claim was suspended on 22nd. August 2008 and that a letter was sent to us advising this(we have not received such a letter). A similar letter was sent to Emily requesting she contact that office by return, which she has not done; if a response is not forthcoming within a few days then the claim will be cancelled.

I spoke with Emily last Friday about the reasons why we had not received the latest payment of Benefits and she was unable to offer any explanation. I did request her to contact the Benefit office first thing today, but they have not heard from her as at 3pm.

Please be aware that this will mean that as at the date (11/10/08) Emily is due to vacate the above flat there will be a shortfall in the rent of £326.68 and should this not be forthcoming from the Benefits office, then we will require this to be paid by Emily or by yourselves as the Guarantors.

We trust you will take note of the above information and ensure the correct information is passed to the Benefits office.

Yours sincerely

Roger Frith.
