# Freemasons in Law Enforcement: Deadly Tools of the Jesuits

It's not a secret to most people, at least to the ones acquainted with the "New World Order" and its implications, that members of secret organizations such as the Freemasons hold many key positions in society. Despite their alleged influence on the world affairs, an overt member would promptly belittle its relevance by focusing on the brotherly and charitable aspects of "the Craft". Nevertheless, secret oaths of allegiance taken by Freemasons will more often than not conflict with public office oaths resulting in the former superseding the latter. It would not be a stretch to consider the infiltration of Freemasonic groups in many levels of law enforcement using its authority not to defend the interests of the citizens, but rather further advance their agenda.

When it comes to **exposing such infiltration**, it seems the British main stream media is ahead of the game. Recent allegations of criminality and misconduct committed by **Hillsborough's Masonic police officers** has surfaced showing how individuals can be unfairly promoted simply by belonging to "**a society of men concerned of moral and spiritual values**" that "**teaches self-**

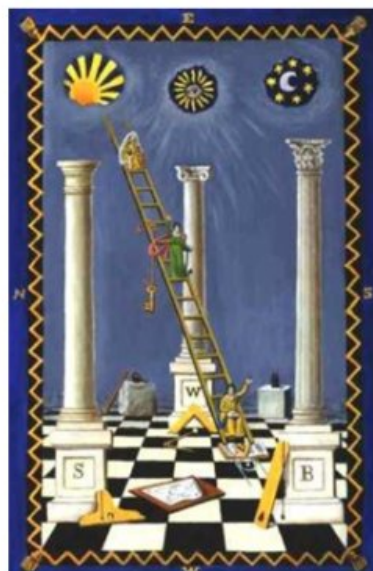

**knowledge through participation in a progression of ceremonies**". That is probably what is taught to lower level Masons, but it certainly changes once one progresses through these ceremonies as Albert Pike, a famous 33<sup>rd</sup> degree mason, states.

“ *Lucifer, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable, blinds feeble, sensual, or selfish souls? Doubt it not! ~ Morals and Dogma* <sup>1</sup>

The UK media went on to disclose an investigation on the use of Freemasons in law enforcement by **organized crime gangs**, such as the Adams family, with the goal of corrupting the criminal justice system. Neither do we consider the **Irish-Catholic background** of this family a “coincidence”. However, famous occultist Helena Blavatsky has a clearer insight on who these shadowy crime syndicates really might be.

“ *It is curious to note too that most of the bodies which work these, such as the Ancient and Accepted Scottish Rite, the Rite of Avignon, the Order of the Temple, Fessler's Rite, the 'Grand Council of the Emperors of the East and West — Sovereign Prince Masons,' etc., etc., are nearly all the offspring of the sons of Ignatius Loyola. The Baron Hundt, Chevalier Ramsay, Tschoudy, Zinnendorf, and numerous others who founded the grades in these rites, worked under instructions from the General of the Jesuits. ~ Isis Unveiled* <sup>2</sup>

In the United States, blatant Masonic symbolism is found in the emblem of the **Fraternal Order of Police (FOP)**. The order, founded in 1915 at Pittsburgh, Pennsylvania, has more than 300,000 sworn law enforcement officers. Mark Passio, a man who claims to be an “ex-Satanist”, has an interesting analysis of **the hidden messages portrayed in the emblem**. Besides the all-seeing eye located in the bottom left, a checkered floor pattern with three pillars are displayed in the center. This is an allusion to the Temple of Solomon in which the checkered-board style floor represents lower consciousness (current state of the majority of people). The top pillars are indicators of duality (male/female) while the center pillar represents unity/balance, a state of consciousness that only the “Illuminated ones” can achieve.

Using gematria to analyze the abbreviation FOP, one comes up with the number “667” as F = 6 (sixth letter of English alphabet), O = 6 (fifteenth letter, 1 + 5 = 6), and P = 7 (sixteenth letter, 1 + 6 = 7). Paul J. Linke explains the occult meaning of the numbers “666” and “777”.

“ Taking the number “666”, and using the reduction system, it works that way; Add 6+6+6=18 and add 1+8=9. Now we have a single digit number which means something very fundamental. Nine means ground based, living in a physical world best described as a world of “ego”. And the number “666” makes this very clear! It means man is at the state of duality, negative and positive energies apply. In the worst part it means “unconscious”, were our thoughts, emotions, and actions are not activated. The triangle or pyramid is a Freemason symbol to explain certain different meanings, were the nine, or “666” is at the base or bottom of the pyramid. Making humanity inactive of “Thought, Emotions, and Actions”, which means we are incomplete. On the contrary, the number “777” is completely the opposite, it is at the top of the pyramid and means to be the enlightened one, were “Thought, Emotions, and Actions” are active, unified and complete. If you add 7+7+7=21, and add 2+1=3. The number 3 means being “creative, imaginative, optimistic” and it is the number of bliss, joy and harmony. If you are at the stage of enlightenment, you are at the top of pyramid. ~ The Conspiracy Rhetoric of Mankind<sup>3</sup>

The number “667” then means that only the “Action” part of the individual is

activated which characterized an order-follower type of behavior. Prophetically, this seems to be the state of mind for both soldiers and police in Western countries.

A curious case occurred last year in Los Angeles, CA when **three people from the so called Masonic Fraternal Organization were arrested** for impersonating police officers. The group claimed to be **connected to the ancient Knights Templars**, which of course was promptly classified as absurd by Dr. **Jennifer Paxton**, Assistant Professor at the Catholic University of America and former Georgetown professor.

“ Paxton says the drama of the Templars’ rise and fall may explain why they have fascinated people for centuries.

*“They were so dominant and so powerful and they were just cut down almost at one blow,” Paxton says. “That is a startling reversal of fortune, and I think one of the things people are captivated by. They think such a powerful organization cannot utterly have disappeared; it had to have gone underground and continued.” ~ LA Times*

More important, though, is the Jesuit and Vatican connection that once again Blavatsky was able to draw between Templarism and Freemasonry.

“ As to the modern Knights Templar and those Masonic Lodges which now claim a direct descent from the ancient Templars, their persecution by the Church was a farce from the beginning. They have not, nor have they ever had any secrets, dangerous to the Church. Quite the contrary; for we find J. G. Findel saying that the Scottish degrees, or the Templar system, only dates from 1735-1740, and “following its Catholic tendency, took up its chief residence in the Jesuit College of Clermont, in Paris, and hence was called the Clermont system.”

*Count Ramsay, a Jesuit, was the first to start the idea of the Templars being joined to the Knights of Malta. Therefore, we read from his pen the following: “Our forefathers (! ! !), the Crusaders, assembled in the Holy Land from all Christendom, wished to unite in a fraternity embracing all nations, that when bound together, heart and soul, for mutual improvement, they might, in the course of time, represent one single intellectual people.”*

*This is why the Templars are made to join the St. John's Knights, and the latter got into the craft of Masonry known as St. John's Masons. ~ Isis Unveiled<sup>4</sup>*

Besides this, imagery found at the Santa Monica Masonic Center (attention also to the sun in the background) is an important clue to exactly who is pulling the strings.

There is more to this story as later it was revealed the **true purpose of the Masonic police**: “improve” the relationship between African Americans and law enforcement. Johnny Cirucci.com investigative reporter Graham has recently written an **excellent exposé** detailing the use of racial division as a weapon, particularly in the hands of Jesuit-trained “community organizers” like Barrack Obama. Racial strife is a powerful instrument in the agenda of *ordo ab chao*, “order out of chaos”. Such an agenda is almost certain behind recent events in Dallas and Baton Rouge.

Unfortunately, in recent years the number of false flags has grown logarithmically, showing that the Vatican / Jesuit Elite are speeding up completion of a world-wide Orwellian Police State. Planned events like the Paris or Orlando mass shootings require a great deal of preparation and people involved. Law enforcement personnel are critical in conducting such shootings. Very few would question the irascibility of a uniformed police officer and such uniforms give insurgents free reign to tamper with evidence at a false flag crime scene.

One of the signatures of a false flag operation is the presence of an exercise or a drill nearly at the same time and location of the staged event. Such an

exercise occurred before and during the San Bernardino shooting when **Government planned drills took place every month** at the same building the supposed shooting occurred. It's arguable whether the police officers carrying out these drills know exactly what they are doing, although the same cannot be said about their commanders who purposefully use this stratagem for distraction, confusion, and mitigation of a possible response by dutiful officers. Captain Eric H. May, a former U.S. army military intelligence officer confirmed what is carried out in virtually all false flags.

“ *The easiest way to carry out a false flag attack is by setting up a military exercise that simulates the very attack you want to carry out.* ~ **May**

As one would suppose, Freemason police officers are the preferable personnel to carry out staged operations. They are usually very discrete regarding their allegiance and very good at keeping secrets, unless giving signals meant for fellow insiders. One of the rituals an Entered Apprentice performs during his initiation to the Craft is to **roll up the left trouser leg** in the same manner as portrayed by officer Michael Slager when debriefing his superior after the **Walter Scott “shooting”**. Scott, a black man, was supposedly killed by Slager on April 4, 2015 in Charleston, SC further enflaming racial division in the turbulent South—as is the Elite agenda.

False flag mass shootings are occurring all over the world and, in European countries, Muslin extremism is greatly exploited as an excuse to take citizen

freedoms away. Meanwhile, traitorous, usurped Western governments invite and encourage armies of immigrants (both legal and illegal) to invade their country.

On February 14-15, 2015 **two separate incidents** occurred in Copenhagen, Denmark supposedly involving extremist Islamic perpetrators. The first shooting took place at a cafe just next to an event called “Art, Blasphemy and Freedom of Expression”, which discussed the **Charlie Hebdo attack (hoax)**. Strangely, police officers were **only wounds to their extremities** despite the account that **200 shots were fired**. Video footage of the cafe interior shows officers wandering, answering the phone, and being nonchalant while ignoring a supposedly seriously-injured brother.

Similar to the Slager / Scott shooting, two separate officers were seen to have rolled up their left pant leg.

More recently, a new wave of shootings involving police and minorities has occurred in the U.S. inciting even more Vatican-planned racial strife.

On July 7, 2016 in Dallas, TX an Army veteran supposedly **killed five police officers** before being **struck by a robot**. In this case, a careful research revealed that one of the five officers, officer Brent Thompson, was (or is) a Master Mason.

“ *The world has heard and seen the unrest in Dallas, Texas and the loss of life of Police Officers. NY DeMolay stands with our DeMolay Brothers of Texas in prayer. Especially Brother William Thompson, a member of Black Gold DeMolay Chapter in Corsicana, Texas. His Dad Officer Brent Thompson lost his life in the line of duty during the incident in Dallas last night. Officer Thompson was a Master Mason and Member of Corsicana Lodge No. 174 in Corsicana, Texas. Officer Thompson has 6 children the youngest is 17. Officer Thompson was married 2 weeks ago. ~ *The Empire State DeMolay**

The Order of DeMolay, named after **homosexual, pedophile** and final (overt) Grand Master of the Templars, Jacques DeMolay, is a fraternal society for young men that has **Walt Disney** as one of its Hall of Fame members.

Lorne Ahrens, another police officer allegedly killed, had an Iron Cross tattooed on one of his hands prompting accusations of **white supremacism**. The Iron Cross is a variant of **Cross Pattée** which is used by many Freemason organizations. It also resembles the **Maltese Cross used by the Knights of Malta**, one of the groups controlled by the Roman Catholic Church. In addition, Ahrens also had a **crusader's shield tattooed on his left arm**, leaving no doubts regarding his affiliation with the Roman Catholic, the Inquisition and the Crusades—which are still ongoing under Jesuit supervision.

The influence of Freemasons in law enforcement or any other sector of public life has proven to be maleficent to the uninitiated who are generally unaware of the hidden symbolism and knowledge used to advance their secret agendas. Police officers that willingly go along with the Jesuit plan to further enslave humanity are nothing more than oath breakers. The idea of having grown men following certain rituals and secrets as in a “boys club” is ridiculous in and of

itself. However, the damage they are able to inflict on the rest of society is enormous and it must be exposed at all cost.

“ *Jesus answered him, “I have spoken openly to the world. I have always taught in synagogues and in the temple, where all Jews come together. I have said nothing in secret.” ~ John 18:20*

*For there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open. ~ Luke 8:17*

**UPDATE 29 July 2016 10:26 AM, EST:** As noted in the comments below, a street-savvy investigator for Resistance Rising has disclosed that Freemasonic law enforcement traitors are known on the street as “Widow’s Sons”.
