JOSEF MENGELE, DR. GREEN, AND THE AMERICAN MIND CONTROL NETWORK

[Dr.Mengele ... the Nazi "Doctor of Death"](#)

Dr. Josef Mengele had evaded justice for decades. He 'supposedly' died in 1979 of a stroke in Brazil or Paraguay, although his 'alleged' remains were not delivered over to authorities until 1985. But in light of the dubious nature of the information relating to his 'demise' is it possible that he in fact may have been secreted into the U.S.A. following World War II, and worked for a secret fascist agency operating within the intelligence community in an effort to perfect their mind control techniques - MK-ULTRA, MK-DELTA, MONARCH, etc?

Here is a possible scenario that may have emerged from such a collaboration, as given by an individual who has chosen to remain anonymous:

"..I encountered the Group as a result of a personal investigation into a very strange series of deaths and bizarre behavior changes I observed among my acquaintances in a chemical factory that produced raw materials for plastics manufacture. All I knew at the start was that about 50 [now 100] employees had died of leukemia, aplastic anemia, various forms of cancer, and other illnesses that fit with only two possible causes: long-term exposure to benzene or to low-level radiation. The pattern included a series of sudden, unexpected heart attacks among spouses of dead or dying workers who asked questions about the cause of their husbands' deaths. Since the plant supposedly had no radioactive materials, I litigated a large-scale case on the assumption that the only possible cause was benzene. About 3 years after the case was over [I won it.], a series of employees there began exhibiting bizarre behavior changes. One of them privately confided in me, and her confidences caused me to open a very private, personal investigation. I determined that this woman and a second female employee had been subjected to some form of trauma under hypnosis by several men connected with the plant's MEDICAL staff. Both men had participated in what seemed a NAZI group called [the] ORDER OF THE FOURTH REICH. Both of the women were interrogated under hypnosis by the experts referred to earlier, under my direction. During the first 18 months of interrogations we learned that a form of "mind control" was used on the women and MANY other plant employees, as well as on my main [male] informant to conceal the covert manufacture of an illicit product at that factory. The Group's agents used a "mind control" method that concealed their observations and memories of its production from THEMSELVES. Here is how it worked: Employees' trust was gained by the Group's agents in the plant medical department. When the employees were called in for medical exams or given 'medication' by the plant physician and some of his staff, the employees were instructed in methods they were to use to forget events they had observed at the plant. The employees were taught to "remember to forget" incidents that the Group's agents did not want them to recall. In some cases these instructions were accompanied by physical torture under drugged hypnosis until the employee complied with the instructions. The subject is highly technical, but the end result was the concealment of a witness's memory from the witness's own consciousness, except in a hypnotic state.

"TRAINING OF UNCONSCIOUS ASSASSINS ALSO KNOWN AS 'U-BOATS,' INCLUDING OSWALD, SIRHAN, possibly RAY, & MANY OTHERS LIKE THEM: The subject cannot possibly [be] treated in the short space I have left. Bare bones: Victims are drugged into regression to early childhood. They are subjected to incredible pain, many expiring in the process. The natural response to the levels of pain DR. MENGELE had perfected was dissociation of the conscious mind. In that state they were given new, GERMAN names and trained as one would train a killer guard dog. They kill on command. THEY ARE ARTIFICIALLY-PRODUCED 'MULTIPLE' PERSONALITIES. One of the top people in their development appears to have been Sirhan Sirhan's psychiatrist, DR. DIAMOND. There were other prominent psyche folks in on it. They have no memory of the kill, except when prompted by the proper stimuli. MENGELE told my informant THAT HE personally did the training on Oswald. Location unknown, but we suspect Mexico City in Summer, 1963. [The] CIA gave John Marks [Search for Manchurian Candidate] what appears to be a real hokey, perhaps forged or fabricated, "field report" for the initial field test of an unconscious assassin in Mexico City in July, 1963 [see Marks' book, p. 190]. I suspect that if someone can get that file and bust a few balls, they'll find the memo given to Marks in his FOIA litigation was a substitute for one that named Oswald and depicted a successful 'experiment.' The likely control of the project we suspect to have been GEHLEN, but the CIA Director mentioned above may have also played a major role. Oswald was trained as a 'patsy' only. He fired no shots. Sirhan was given the full course. His back-up was a man posing as a guard. Ray [who killed Martin Luther King] had the Oswald-type training...
