Josef Mengele Part of CIA's Trauma Brainwashing

February 9, 2016

There are

enough consistent accounts of Illuminati trauma based brainwashing

to conclude they are true. Our "leaders" are not only corrupt, they are depraved.

If they can do this to children, I am not sanguine about what they have planned for

the rest of us. They let a Nazi monster, Josef Mengele, continue torture experiments on Americans. Are they applying MK-Ultra techniques to society as a whole? 9-11 = Mass trauma brainwashing?

Mengele's portable holocaust is another indication that a satanic cult, the Illuminati controlled both sides in World War Two. The Illuminati rule by creating false dialectics such as we have today with Putin.

Josef Mengele (from Ann Diamond)

Mengele came to Argentina courtesy of the Vatican "rat line" in 1947 after the Americans allowed him to escape after they captured him in Germany in 1945. Allen Dulles, who was Catholic, may have helped sponsor him.

The Mengele biographies were both written by CIA hacks -- who were allowed access to the classified files at headquarters.

At one point the CIA said it had over a million pages on him, including his diaries and autobiography, all classified. A fraction of these pages were released in 2004. So many people knew he had worked for the CIA, that the agency even had a disclaimer on its website denying this.

One of the forensic scientists (a Dr. Levine) who identified Mengele's remains and DNA in Embu, Brazil, after he supposedly drowned there in 1979, also testified to the Warren Commission -- i.e. he likely worked for the CIA --

Witnesses at the time of Mengele's death reported that the man in the coffin was not Mengele.

Mengele traveled back to Germany in the 1950s to visit family. He is said to have flown PanAmerican all over North America.

There are literally dozens of Mengele sightings on record from around North America from the 1950s and 60s -- they are extremely consistent and detailed in their descriptions of torture and trauma-based mind control.

According to Freedom of Information Act documents, Nazi sadist **Josef Mengele** came to the U.S. as part of the CIA's *Operation Paperclip*, which enlisted Nazi and war criminals in the Cold War.

The Nazis used the occult techniques to commit the most horrible crimes against children to create the perfect soldier, the perfect spy, and the perfect assassin, persons who with a key word or phrase could be made to do the bidding of their handlers unquestioningly and not remember it later nor be able to disclose classified information even if they wanted to. The program was called **Project Monarch or MK-Ultra**.

They were also interested in remote viewing, divination, and the military applications of a multitude of extrasensory abilities including "red fire" or psychic killing. See **Carol Rutz' book "A Nation Betrayed."**

(*Thanks for the Memories, and Tranceformation of America* by other Illuminati sex slaves)

Programmed messengers and **programmed sex slaves** were also created for the demented

pleasures of the rich and famous.

Known as MK-ULTRA, the program abducted super bright children and naturally occurring high order multiples---especially identicals---from their natural parents and put them with persons who would allow abuse and experimentation. **The program is still ongoing and now uses and manipulates the Child Protection system to facilitate these activities.**

PERSONAL EXPERIENCE

As best I can ascertain, I was born in 1959, one of 5 identical girls. It appears I was not from one of the ancient bloodlines. We were a natural occurrence. Of my sisters, only one besides me has an unusual IQ.

My mother was given a false psychiatric diagnosis by the Mayo Clinic so that we could be confiscated and placed in separate homes. I was placed with a vile very exceedingly violent child pornographer, JMP. I was born in the US but spent the better part of my first 3 or 4 years globe hopping with Mengele. English was not my first language.

Mengele et al tortured me many times in many locations I have heard mentioned by other MKULTRA survivors including several hospitals here in the US and on military bases. The tortures included but were not limited to rapes, disjoints, killing animals and other children in front of me or being forced to watch as adults were tortured, electric shock, injections with LSD and **anectidine**

and many other substances, cattle prod up the vagina or rectum, witnessed murders, occult rituals, many bizarre sex acts. It was very calculated and continues to the present. As these people are government-sanctioned in their actions, there is no safety I have found except in the Lord.

Mengele was alive and well and living in the US as an honored guest of the United States government as late as 1987.

I have testified about these abuses before Congress twice and am willing to do so again. They are now abusing my children and grandchildren and using ever newer and more arcane technologies. **IT MUST BE STOPPED!!!!**

TRAUMA-BASED BRAINWASHING

Much of my memory of that is sketchy at best. I am still being abused face to face and programmed, as are my children. One of the things I remember is that absolute obedience was required. This was programmed in many ways, the most effective one being credible threats to kill loved ones and pets.

My MK-ULTRA dad threw my baby brother in the incinerator in front of me in broad daylight in Flint, Michigan, after holding my mother captive for months to conceal her pregnancy and forcing her to deliver at home.

Another home born child, a sister had her head bashed against the wall at birth by JMP in Hapeville Ga. Another very vivid incident I remember at about age 4 was when my dad threw my 16-year-old aunt to the ground and stomped on her with his cowboy boots in front of me, my other aunt, and my grandparents. She almost died and had to have a kidney and her spleen removed to stop the internal bleeding. The family story of how this occurred is that she fell off a 3ft wall at the site and sustained all that injury.

That incident threw me into therapy. As a teen I stopped to admire a pair of cowboy boots in a store window and suddenly found myself on the ground screaming at the top of my lungs, abreacting, in a full blown flashback, but with only bits and pieces of memory of the incident.

(Mengele in old age)

My cult dad or MK--ULTRA dad, JMP, and Mengele et al used stress positions. We

children were deprived of food and water for weeks at a time. Then we were confined in tiny cages or made to stand or to stand on one leg and so forth for days at a time, round the clock.

If you moved even to blink, you were beaten or my mom was tortured in front of me. We had to hold our breaths for long periods during these sessions and were beaten strangled or suffocated if we breathed without permission, always reminded that our captors held absolute power of life and death over us. We kids were unusually limber from tortures that sometimes involved disjointing. Often we were left in positions that amounted to contortions.

I don't remember the assassin programming very well but I do remember a child being sacrificed at a very early age with my hand tiny held over the knife. This seems to be a standard scenario among survivors. You had to ask permission to go to the bathroom and were forced to eat it if you couldn't hold it for days at a time, or other people were punished if you had an accident.

Everything a normal child or adult would take for granted, we had to ask for permission. Meals were torture. Baths were either boiling hot or freezing cold and caused terrible pain to bruised abraded genitals. All toys had to be left in the closet for months at a time and were completely off limits unless we had guests.

Other times my mother bargained for me to have my toys, but she'd get beaten if they weren't put away when he got home. He'd say "Look what you made me do." We were forced to memorize our bloodlines in the cult and many many other things under credible threats of death or maiming.

The photographic memory was reinforced with flashcards. As soon as I could speak a little English, Mengele taught my dad to use hypnosis on me. Language lessons were reinforced with beatings and my alters are fluent in several languages I do not speak. Some of my alters do

not speak English. This has made therapy almost impossible to pursue.

At about age four, my training in how to assemble a rifle began. At about age six, I remember being pretty accurate at targets with some weapons and practicing with a knife.

The assassin/Project Artichoke programming is dependent on inculcating an uncontrollable rage in the victim/person they desire to make into a programmed assassin. Once you break the back of that rage, you're much more difficult to control. Sleep deprivation was used as were a lot of drugs.

Sexual abuse was continuous and sadistic. I was a "presidential model" and still am a Million Dollar Baby, one who is sold to the rich and famous, especially politicians to meet their emotional and sexual needs, while being amnesiac to all events involving these persons.

Because I was and am unwilling to be used in this capacity, I seem to have been an excellent pawn in several blackmailing schemes. Although my memories are much less clear than [Cathy O'Brien's](#), I seem to have had the same perpetrators.

When I was used in child porn, they used to perm and bleach my dark hair to platinum blond and style it in ringlets like Shirley Temple. They also put hard contacts in my dark eyes to make them look blue. I'm told these were not available at the time outside of the intelligence community. I was taken to the White House right before JFK was assassinated and offered to JFK sexually. He declined. It is my belief that he knew he was already in danger and that he intended to stop the Nazi Illuminati behind MK-ULTRA. There's probably more I can say, but I'm too tired to write anymore.

First Comment from D:

I noticed your posting of an SRA [Satanic ritual abuse] victim's testimony is from Minnesota (my home state and the home of Mayo Clinic. Billy Graham was treated at Mayo his entire career.) I just spent about 2 1/2 hours on the phone last week with my friend J who was a SRA victim by Oral Robert's, Ken Copeland, Mike Murdock and others. She also mentions Mengele in her story. I believe J is about 57 years old now. I have written close to 15 "professional Christians" with her story, and none of them will touch it, let alone write or post articles like you often do. I receive absolutely no response from these fake and unconcerned Christians. None of them have the guts to expose their own backyard. These professional Christians leave her (and others; most do not live to tell their stories) to suffer in silence along with the physical and emotional scars

these victims have for life. Christianity is big business and Jesus is what they are selling, so J's story is just too close for comfort. She exposes their idols and the false religious system they are all slaves to....Christianity has simply rebuilt another version of the Jewish temple and religious system which came to a complete end in 70.A.D. Stephen was stoned to death for saying the Most High does not dwell in temples made with hands and confronting their earthly money making religious enterprises. Other SRA victims have exposed the global political system, and that is BIG BUSINESS ON STEROIDS. The global political system feeds off of the blood and torture of innocents. The division of sheep and goats is not by what a person believes or what religion he belongs to, but on how you treated one of the least of these my brethren. (We are all connected). Matthew 25:31-46. The worst trauma of all is not to believe a victims story when they risk all to tell it.

My Story by J:

Enter Dr. Joseph Mengele. I was handed over to him

before I was to even old enough to go to school, probably even younger if the truth be known. Do a search on him... he is a wonderful man, if you like monsters! So you see people the holocaust did not end in Germany with the end of the war.... It was just moved. And the worst of it, it is still going on and almost no one believes, nor do they want to know about it. While everyone is waving their flags and praising this country as GOD fearing and great, this government is abusing and killing their own people, most of which are children and getting away with it!!!! The average American will not believe, so it continues! WAKE UP AMERICA!!! You think abortion is bad..... And it is, however it is nothing to what they are doing to live babies and children in human sacrifice and torture. I know, I was there, I have seen it, and I know many others who have as well. And we are all labeled as nuts, with false memories! Yeah, my memories are so false that I am willing to risk my life to get this information out. I am having a blast. I just love not having the biggest part of my family behind me, calling me nuts and living in pretty much isolation.

Well a new day and a new entry.... continuing with

'Roots'.

After being handed over to Mengele, aka Dr. Green, life on the bad lane ramped up. I was handed over, but still under the watchful eye of Mengele, to another handler.

I do not know who he was at this time. I called him The Dark Man, I called Mengele, The Dark Man as well, and the next handler I was handed over to at age 11, I called The Dark Man. Even though I know who the third Dark Man is I am not at liberty to expose him at this time. I can say that he is in a well known, "BIG" ministry; however he may still have a chance to get out and repent. At being handed over to the third handler, I was taken to Oral Roberts University to be raped by none other than Oral Roberts himself in a horrible satanic ritual. I am at liberty to expose Oral Roberts because he is a tare through and through. My training and programming proceeded on at ORU. The university was a Monarch programming and mind control center. I assume it probably still is used for that today but I do not know for sure. All I can say it is a sham, a lie, and it is NOT an institution for my Lord and Savior Jesus Christ. At the time I was transferred to the ORU

programming center, my mom joined a local charismatic Pentecostal church in the Tulsa area. I have no doubt my mom is a multiple herself and did not know that "they" were using her when she joined this church. This church was full of pedophile and satanist's connected to and with ORU. A lot of the members were also Professors at ORU. So with this all in mind I will continue my story....

GRAPHIC.....

After the farm frenzy....The Dark Man was pleased with me so he had sex with me. It was a good thing he was not displeased and so my mom did not die.

The advertisement features a logo on the left with a grey arrow pointing down and to the right, crossed by a grey circle with a diagonal slash, all set against a yellow and white background. To the right of the logo, the word "SCRUPLES" is written in large, bold, red capital letters. Below it, the subtitle "The Game of Moral Dilemmas" is written in a smaller, black, serif font, followed by a trademark symbol. On the far right, a red rectangular box contains the text "Three ways to have Scruples!" in white, followed by three bullet points: "- Download from the Apple App Store", "- Buy the card game", and "- Buy a PDF to print".

Mengele managed to keep in contact with his son Rolf through trusted family members. He he and his family were scrutinized by intelligence agencies and Nazi hunters during the 60's and 70's, but since West German law forbade forcing people to testify against relatives, he chose to keep it secret. Rolf said he grew up ashamed of

https://www.henrymakow.com/mk-ultra_slave_recalls_torture.html

father's history, but it's dishonorable to betray your father. He didn't reveal the relationship until Mengele's remains had been identified in 1985 in Paraguay, though he said the family had known Mengele had died in 1979.

Rolf said his father managed to elude the manhunt by hiding in a wretched Brazilian slum where no one suspected him. He lived under an assumed name in third world poverty. Rolf said Israeli intelligence assumed that Mengele was living among wealthy ex-pats protected by bodyguards and chauffeured in a Mercedes limousine.

Rolf Mengele actually visited his father in Brazil in 1977. ``The man who stood before me in 1977 was a hunted creature,`` Rolf Mengele said. His father was filled with fear, was suffering bouts of depression and was contemplating suicide, he said.

Here is my previous message re Svali. I do think she and other survivors are understandably fragile, and may still be being accessed by their handlers. Parts of their stories may be disinformation -- but generally I tend to believe they are accurately recounting their horrific childhood abuse by secret organizations in our government, the military etc.

Svali is describing reality as she knows it. Of course itâ€™s shocking and sensational, therefore many people will dismiss it as some wild conspiracy theory. Here in Canada, we have real situations that confirm these stories, but our media have suppressed so much important information, and fed us so much distortion, that it takes a lot of detective work to unearth the missing pieces and fit the picture together. If we did, it would look something like this:

Nazi doctors came to Canada after the Second World War under secret post-war agreements between Canadian-US-British government and military allowing experiments on humans including children. Minority populations â€™œdisappearedâ€™ soon afterwards: Duplessis orphans in Quebec, aboriginal children from residential schools, mental patients, displaced persons from Europe.

Across Canada, in every province, mass graves resulting from these secret agreements. Few Canadians know anything about our countryâ€™s vast chem-bio weapons program that needed human guinea pigs.

Can you name our â€™œHeroes of Medicineâ€™ who built careers and international reputations by experimenting on orphans? Wilder Penfield, Heinz Lehmann, D.O. Hebb, Abram Hoffer, Ewen Cameron, John Lilly â€™œ to name just a few.

Thanks to complicity by our media, we have â€™œmind controlledâ€™ politicians and entertainers who carry out these agendas by distracting us from reality. Canadians donâ€™t realize their own institutions follow orders from secret societies. School boards and social work agencies collaborated with criminal projects at Canadian mental hospitals, which were tied to pedophile networks involved in child trafficking. Churches, cults and spiritual organizations participated in an essentially Satanic scheme. We are all unwitting accessories to mass murder and mass deception. We honour families like the Bronfmans who built an empire in organized crime and laundered the profits by generously donating to collaborators in social services and medical research.

When you sift through Whoâ€™s Who in Canadian genocide, you come to a small nucleus of secretive clubs with links to the military (Freemasons show up everywhere). Canada is a colony tightly controlled by British and American intelligence. We have had CIA-style killings of politicians (3 Quebec premiers in 7 years) who got in the way of plans to use our territory as a testing ground for the New World Order. We have become a â€™œmodel for the worldâ€™ with our so-called multiculturalism, really a cover for global cheap labour.

When Charles and Camilla came to Canada recently, to trigger our memory of British royalty. It was heartening to see how few people showed up to greet them.

Robert said (February 2, 2010):

Thanks for the article on Nazis in the US, etc.

One of the retired Naval military officers that I have interviewed told me that he was tortured in the US (mid-1970s) by a brutal Nazi officer named Arthur Rudolph. At the time, Rudolph worked for the CIA and wanted technical information from my friend. He nearly killed my friend and caused a lot of neurological damage in the process. Just thought you should know.

Drew said (February 2, 2010):

While I don't doubt that there are many individuals out there who have been coerced into MK-ULTRA experiments and ritual satanic abuse, I find this woman's story of Mengele very hard to believe. Mengele died in Brazil in 1979. DNA evidence proved this beyond a shadow of a doubt. He was not brought to the U.S. under project Paperclip-- after WWII, he made his way to Argentina, then on to Brazil through the infamous Genoa 'Ratlines'. Nazi hunter, Simon Wiesenthal does not dispute any of these facts.

Interesting, Mengele's diary, which he kept while in Brazil, starting in 1960 (about when Sara was born), is being auctioned off. Besides the diary, there are numerous eyewitnesses, including Mossad testimony, which placed Mengele in Brazil from 1960 until his death in 1979. The woman who wrote the article you posted may have been abused, but it certainly was not by Mengele, though his appearance makes her tale sound that much more menacing.

John said (February 1, 2010):

Why would you post an e-mail to your web site from someone who claims to be a victim of torture at the hands of Mengele, without any proof of her claims whatsoever?. Have you ever met this person named Sara?. What sort of proof for her claims does she bring to the table?. Does she have photographs or video tapes of her with Mengele?. How about ANY physical proof at all?. How do you know that this person is not just someone who is either delusional or playing a game with you by making such claims?.

If I sent you an e-mail tomorrow claiming such things, why would you be any less inclined to believe me?

John

Because this is just one of many similar reports. Read the link to Carol Rutz interview at bottom and this article:

Svali also made this claim.

Ken said (February 1, 2010):

I was born and grew up in South Africa but now live in the USA. I am in my late 50s and only found out about some of what was done to me about nine years ago.

My life was full of weird happenings and occurrences that were inexplicable to me for most of my life. Things that had no meaning or place in my or any normal persons life until as I mentioned about 9 years ago when I started to unravel.

At the time I had been "triggered" by reading a book by Cisco Wheeler about mind control. Up until that time I did not consciously know that I had been "worked on" and used through most of my earlier years of life.

Long story short here....After reading only the first chapter of the book which was a general description of Mind Control I jumped up and ran into my apartment and fell on the floor in the fetal position. I started to cry so badly and from such a deep place in my being that I was shocked.

I have never cried like that ever before. The crying was uncontrollable and my wife said later to me that it sounded like a baby being tortured. I was quivering. I had some flashbacks during this time.

Here is the truth about this crying ...it went on for almost two weeks non stop. I was hardly able to fall asleep and when I did fall asleep I would wake up in the middle hours of the night from an outburst of the same desperate crying.

In other words I would be woken up by my own crying. During this same time as I went into the bathroom to shave or brush my teeth I started to notice that there was writing on my face which had never been there before. There were groups of three letter codes and also alpha numeric codes and plenty of stuff besides this.

Some all number codes were five numbers long some six numbers long and others which also included alpha numeric codes were up to seven numbers/letters long. There were all kinds of geometric drawings such as pyramids with the top cut off and the sketch was from the above the pyramid. There were circles and circles within circles and overlapping circles all of which had numbers and letters in them. Some of the circles were partitioned with mathematical equations in the partitions. Also the triangles had partitions and equations in them as well.

There were all kinds of mathematical equations on their own as well. Another type of sketch was a crocodile or dragon and some of the stuff I have finally discovered to be Babylonian cuneiform script. [which I had no idea even existed]. There were lots of symbols of all kinds. Many of the other things I have no idea what they were.

I stopped copying the stuff down after I had copied over 1250 codes and symbols. I firmly believe that these are mind control codes some of which are linked to access codes. Although I am a multiple I seem to coexist with my inner parts. I still do on occasion disassociate and my wife is the one who saves me when this happens. I do not go anywhere without her. There is much much more than what I have told you here but I shall leave it where it is for now.

I wrote this to help let your readers know to take this stuff seriously and that it is very very real.

Cutty said (February 1, 2010):

I wonder how many of these mind controlled subjects they have out there just waiting to be activated to commit murder. On new Years day a music video appeared for Jay Z's new song "On To The Next One" The entire music video is filled with occult symbolism. I believe there is a subliminal storyline possibly aimed at mind controlled sleeper assassins spread throughout American society. In the video we see a man with his face painted to look like a skull, a bloody hammer dripping blood, a bloody fingerprint, skulls of horned animals, bullets, a witch or sorceress, etc. It sounds crazy, and maybe it is, but you can't deny there is some really sinister stuff going on in this new music video - <http://www.youtube.com/watch?v=UENbYNHIK7o>

Anthony said (January 31, 2010):

This article very much explains my own experience (that I outlined recently in response to the 'Occult Powers in Canadian Government' article). I think these techniques are so refined now that there are millions of victims of this occult 'science' in our midst, which will make the world ripe for the picking by Lucifer and his so-called 'illuminated', as they surround themselves with zombies to serve their every need...well so they think. The liar Lucifer is so good at dangling carrots, but is unable to deliver...his minions will get what they deserve in the end.
