Mind Control and MK Ultra in Canada

Posted on [2016, January, 9](#) by [cathy fox blog on Child Abuse](#)

This is intended as an introduction into the subject of Canadian Mind Control, for those people who know little about it, and to provide links to areas where they can research more. I have only learnt about it in the last few days, and there may be much missed out. Any more sources, links and information are all gratefully received in the comments or by email. Thankyou

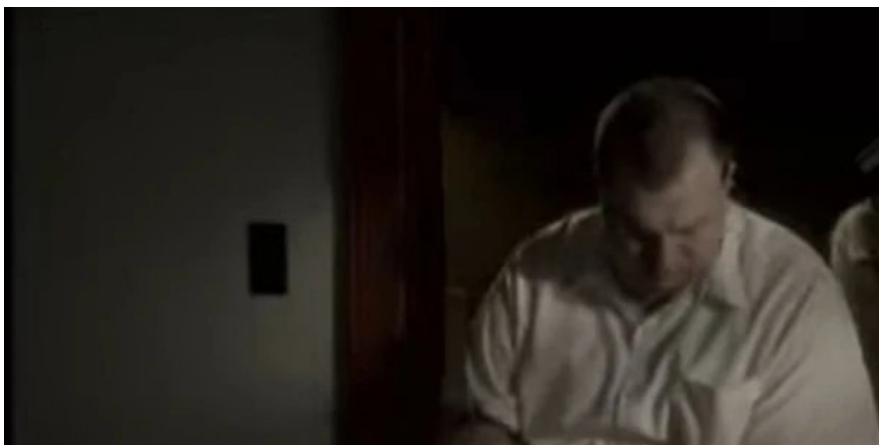

[This post is just about degoogled, click on pics for videos, still adding to the article more info that has been added to comments over the years 2023 Jan 10]

Dr Ewen Cameron

Perhaps the most famous case of mind control in Canada is that perpetrated by Scottish Dr Donald Ewen Cameron [\[20\]](#) at the Allan Memorial Institute, Montreal, MKULTRA Subproject 68, and the Institute was part of the McGill University. From January 1957 until September 1960, Dr. Cameron's project received \$64,242.44 in CIA funds. When the CIA stopped funding him, Cameron received \$57,750 from the Canadian government to continue his research [\[x61\]](#). John Gittinger, CIA agent and psychologist, was Ewen Cameron's project officer [\[61\]](#). Gittinger said "brainwashing was largely a process of isolating a human being, keeping him out of contact, putting him out of control, putting him under long stress in relationship to interviewing and interrogation, and that they could produce any change that way".

Wikipedia lists MKULTRA Subproject 68 [\[20\]](#) as "one of Cameron's ongoing attempts to establish lasting effects in a patient's behaviour" using a combination of particularly intensive electroshock, intensive repetition of prearranged verbal signals, partial sensory isolation, and repression of the driving period carried out by inducing continuous sleep for seven to ten days at the end of the treatment period.

This was made famous by the 1997 film, *The Sleep Room*. [click on pic for Sleep Room video]

1997 Odysee *The Sleep Room* [8c]

Ann Diamond who is Canadian says “*The story of MKULTRA in Canada has never been properly told It was a “pan-Canadian” phenomenon, not limited to Montreal and Dr Cameron. In the early sixties, much of what had been a McGill University program was gradually transferred to Toronto, specifically to York University and an emerging counter-cultural scene that became a breeding ground for many Fabian- and Tavistock-influenced movements and programs. Saskatchewan was another centre for MKULTRA mind control, about which very little has been written.*

Unfortunately, Canada’s publishing industry is very much a product of that covert expansion of MKULTRA throughout Canada. Books like Anne Collins’ The Sleep Room presented a partial account but failed to get at the roots (in British eugenics and Nazi psychiatry) or hint at the vastness of this program, which was secretly promoted at the highest levels of our establishment.

As MKULTRA is now fully mainstreamed, showing up in popular entertainment, it’s being watered down and reframed in some very peculiar ways. This could be because, contrary to the CIA’s attempts to debunk and deny their existence, MKULTRA experiments on a generation were wildly successful in taking over most of the culture. In that sense, MKULTRA is US. MKULTRA GRRRLS at Mother of Darkness blog: <http://lunamoth1.blogspot.gr/2016/01/the-above-photo-is-from-ellen-atkins.html>

Cameron was born at Bridge of Allan, Scotland in 1901, and qualified in medicine at Glasgow University and began his psychiatry training at Glasgow Royal Mental Hospital. He moved to US, Switzerland and Canada and became first President of World Psychiatric Association amongst other prestigious titles.

The fact that some people died as a result of Camerons research, while others went insane and still others, including the wife of a member of Canada’s Parliament, had psychological problems for many years afterwards, was not a concern to the doctor or those who employed him [14]. More of his life is described here [20]. A summary of Cameron’s life is also on this series of short videos. They need joining together if someone has time.

2007 Odysee MKUltra in Canada – (Drugs, Torture, Mind Control) Part 4 [\[7c\]](#)

As ever, the church are involved in child abuse – the Protestant School Board of Greater Montreal had a secret agreement with McGill University, and specifically the Allan Memorial Institute, whereby certain children “of interest” were channelled into special programs – Ann Diamond *Could you have been one of the “guinea pigs”?* [\[12a\]](#)

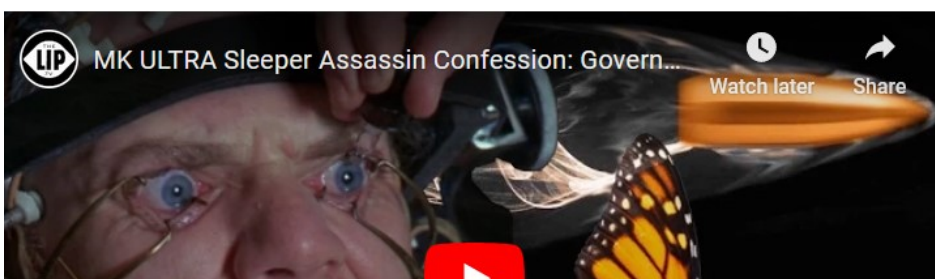

Canadian Broadcasting Corporation program, *The Fifth Estate* aired a segment on Dr. Cameron on January 17, 1984 and this brought public attention to Cameron’s work, he himself having died in 1967 [\[37\]](#). This is from Fifth Estate maybe 1984 *Mk Ultra CIA Mind Control Program in Canada* [\[78\]](#). A Vancouver newspaper ran a full-page story on Robert Loggie, a Vancouver man who had been experimented on by Dr. Cameron. Loggie was a plaintiff in the class action suit against the CIA for Dr. Cameron’s MKULTRA experiments, which was settled out of court for \$750,000, divided among the eight plaintiffs in 1988 [\[37\]](#)

Greg Szymanski writes about some of the abuse at Allan Memorial Institute and a court case in 2004 re Allan Memorial Institute where Stein and Stein law firm represented Kastner [\[18\]](#). They were looking for another 250 patients who may have been eligible for compensation. He also mentions that victims said that the abuse was still continuing.

The authorities always like to convey the impression that all their bad deeds are in the past, whereas they are often found to be still going on, either just hidden in “black projects” or not yet come to the surface, due to the difficulties of exposing this vile form of abuse.

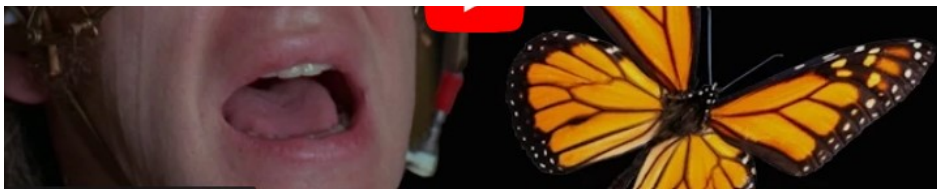

Matthew Pauly Current Mind Control Assassin

Matthew Pauly is a Canadian who claims to have been recently tortured and mind controlled in 2005 by Canadian Joint Task Force 2, and US Joint Task Force with the RCMP assisting, in Canada. Further incidents have occurred since, as recently as three months ago, mainly by the US JTF. He asserts in his book that a CIA deep insider in 2014 reported this program was still active, only covert. The source for this still being active, and other useful documents available is given in the book, as on this link [\[21\]](#). An interview with Matthew is below, entitled MK ULTRA Sleeper Assassin Confession: Government Scopolamine Secrets

Odysee 2015 Aug 30 Lips TV MK ULTRA *Sleeper Assassin Confession: Government Scopolamine Secrets* [\[77c\]](#)

Matthew also has just published, a few days ago, an ebook called the Murder of Time, download available here [\[3a\]](#). The book tells briefly of his sexual abuse as a child, which led to his PTSD and later being chosen as a subject for adult interrogation and torture. He was tortured to admit non existent terror plots and told to shout “My name is Mohash! “Mohammad is the Prophet! “Allahu Akbar! Allahu Akbar! Allahu Akbar! “I know how to make bombs! “I am going to blow up the CN Tower!.

It tells of how he killed someone in the US under mind control, of being raped by his US mind control torturer Blondie / Mitch of CICA, and how he fears being used as a Manchurian Candidate for a false flag shooting which is why he got the tattoo as shown below.

Canadian aka Malcolm Pauly FB Matthew Pauly. Non Consensual MK Ultra Sleeper Assassin Test Subject. Doctor/Coroner Test for Scopolamine and poisons. Contact The Toronto Star, news columnists, Search: “Malcolm Pauly Sleeper”

It leaves no doubt that MK Ultra techniques are still being used today. The United States torturer Blondie who carried out the acts of power crazed sadism on Matthew, on behalf of the US Joint Task Force told Matthew that he himself as abused by his Nazi grandfather who came to US under Project Paperclip. He may also have been under mind control. Matthew recommends reading Paul Palango's *Dispersing the Fog* [\[24a\]](#) for information on how the Royal Canadian Mounted Police and agencies are corrupt.

Matthew's experience is important as it is one of the few cases that can be proven to show that a mind control programme still exists today. I recommend his book for its content and to help support him and get his message across [\[3a\]](#)

Matthew's current continuing abuse experience and the abuse at Allen Memorial are only the proverbial tip of the iceberg of abuse by mind control and trauma in Canada, and there appears much more to be revealed.

Experiments on Children

Ann Diamond states that many of Cameron's LSD/ sensory deprivation/ hypnosis subjects were children and that all records of McGill's heinous experiments on minors have been hidden or destroyed [\[11c\]](#). She says that McGill's network of hospitals, including the Allan Memorial, St. Mary's, the Montreal General, the Lakeshore General and the Douglas Psychiatric Hospital was a North American hub for mind control research. Ann Diamond has ebooks available here [\[26\]](#) and blog [\[67\]](#) .

intelligence work during or after the Second World War, Children with higher than average intelligence, who tended to dissociate, or be disruptive in school, Children with minor disabilities (e.g. a limp, a heart murmur), Twins, children whose parent(s) suffered an accident or serious illness, children from broken families, or living in foster homes, street kids, or kids living in group homes, adults with psychological problems; psychiatric patients, artists, bohemians, people living on the margins of society. Certain ethnic groups may also have been targeted: e.g. Irish Montrealers, Jewish children of holocaust survivors, and others.

It is known that at least four MKULTRA Subprojects were on children, but not known if these were carried out in Canada. The deliberate creation of multiple personality in children is an explicitly stated plan in the MKULTRA Subproject Proposal submitted for funding on May 30, 1961. An article from McGill Daily of the McGill University, which is the University that Cameron was part of, is worth a read, taking some ownership of the responsibility for the abuse *MK-ULTRA Violence, or how McGill pioneered psychological torture* [\[11\]](#). The comments are worth reading too. It is especially interesting that Ann Diamond states in one comment *“children’s homes were set up across Canada in the 1960s and afterwards, with links to psychiatric institutions where some highly questionable experiments were taking place. Children in care had very little protection, and were often considered throwaways — with tragic consequences. Films like Warrendale popularized the notion that certain “emotionally disturbed” kids could benefit from special treatment facilities that used experimental techniques first developed at the London-based Tavistock Institute, the birthplace of MK Ultra mind control. The “Warrendale method” spread across Canada in the 1960s and 70s and was taught to childcare workers everywhere — the “holding therapy” it was based on has since been discredited. Reportedly, powerful psychotropic drugs were also tested on this captive child population.”* archive with comments [\[11e\]](#)

The comments section on the McGill Daily article which was active, has now been removed, presumably as too much truth was being written...

Allan King Warrendale [\[122\]](#)

Crossing to England for a moment, home of mind control at the Tavistock Institute, it is interesting that the Canadian Warrendale techniques were also advocated by Frank Beck, senior social worker in Leicestershire, and a friend of Greville Janner MP. Both were prolific child abusers. My post on Leicestershire Child Abuse [\[25\]](#) contains a short video of the original Warrendale film, and brief outline of the technique. Psychotropic drugs were also used on children in children's homes and hospitals in England. More research needs to be done and collated on forced drug use in children's homes and hospitals, but an example in the UK of routine forced drugging in a children's home is Kendall House childrens home, as described in this BBC report 2015 Jan 9 BBC *Kendall House: Church review of 'drugged children's' home* [\[44a\]](#) and Teresa Cooper's book *Trust No-one* [45]. Janella was also drugged at various places as described in her book "Heartless Too" [\[46\]](#)

Terry Parker Jr. cites Quebec's orphanages dubbed "Duplessis" Orphanages, where during the 50's, over 100,000 children were exploited for CIA covert MK Ultra LSD and lobotomy research [\[11c\]](#)

Ann Diamond states *"that there were many Catholic-run orphanages under different names across Quebec. Also see wikipedia Maurice Duplessis* [\[123\]](#)*Rod Vienneau (in his book Les Enfants de la Grande Noirceur) has compiled a lot of information about the Duplessis orphans' involvement in psychiatric experiments after the war and during the MKULTRA years (1953-1964). Within six months of Allen Dulles' signing the MKULTRA program into existence, thousands of Quebec orphans were re-labelled as mental patients and shipped to psychiatric facilities where they brought in more money in federal subsidies, and were drugged, lobotomized, sexually abused and subjected to torture."*

Terry Parker himself and others were lobotomised and brain implanted without consent or parental knowledge at Toronto Hospital for Sick Children. Some of his records are available on this link The Why Files *MK Ultra Update* archive [\[32a\]](#) He says that this information correlates with the CIA MK Ultra project of psychosurgical and brain implant research upon unwitting subjects. He further states that Dr. Harold Joseph Hoffman is noted for having 15,741 children under his care between 1964-1998 and estimates that between 10% to 50%, (1500-7500 children) have been exploited for unauthorized surgical research. He asks *"Where is there justice in Canada, when neglecting the children of MK-ULTRA and Nuremberg Code violations?"*

David Barclay in his blog called Lincoln Park, [\[29\]](#), [\[29a\]](#), details many abuses at Lincoln Park, a Royal Canadian Air Force (RCAF) base. In post *More Than a Nightmare "He barked his orders at them.....I want first, second and third degree burns on these six [thought to be young adults] and this one I want a full body burn...They used torches fueled from heavy steel cylinders.....all seven screamed and shrieked in agony..... but number seven stopped screaming once the torch reached his face, he was already dead...And while all this was taking place a little girl by the name of Sara was sitting on the concrete floor watching in horror.....as the doctor wanted her to experience the trauma of each mans death"* [\[31\]](#) archive [\[31a\]](#).

Another post from David concerning a child, *Imported Children* [\[31b\]](#) archive [\[31ba\]](#) tells of a little girl Maggie aged 2 whose parents were caught in a bomb blast in Ireland. She was taken to England, then sent to Canada to be a research subject in secret experimental programs at Lincoln Park and Suffield. How many did this happen to?

There are only 18 posts on Davids blog, I have not had time to read them all yet, but this one called *Reason for this Blog* includes “Danny was only 2 years old on May 17, 1958. He had come to Lincoln Park as a baby and over the course of two years he suffered unimaginable pain. ...They lived in terror.....not knowing from one hour to the next or one minute to the next what was going to happen or if they would survive. Death was a constant shadow and in the end only one child would leave Lincoln Park alive...As I have previously mentioned, a hammer was a weapon of choice and this execution of 13 helpless children was no exception. The chief medical officer wanted a quick and efficient way to kill his victims and his final choice was a hammer and a spike. He alternated his method between the children... A spike was hammered through their chest into their heart or a spike was hammered through their forehead into their brain. And in each case he timed their death, with a stopwatch he counted the seconds from the time of inflicting a wound to the time of death and noted this on his clipboard. The chief medical officer remained behind to complete his paperwork and attend to Sara who had witnessed this mass killing of 13 innocent children.” [\[31c\]](#) archive [\[31ca\]](#)

Michele Smith in the comments on Three Deaf Words blog post [\[10aa\]](#) writes that Lincoln Park was not by any stretch the only military base at that time where these atrocities occurred. There were many of them in Canada particularly those affiliated with NORAD [North American Aerospace Defense Command, website at [\[47a\]](#) North American Space Command]. There were so many military children victims of ritual and mind control abuse. Some of the radar bases built during the cold war were very remote and the abuse wrapped up in cult practices. It was far more extensive than people know. Many of the military officers at that time were in fact trained at McGill University, yes the very same university where Ewan Cameron was performing his mind control experiments.

Sexual and Ritual Abuse

Cheryl Hersha describes in her book *Secret Weapons: How Two Sisters Were Brainwashed To Kill For Their Country*, [\[14a\]](#), how she and her sister were subjected to Cameron’s control and from the extract available [\[14a\]](#), there appears to have been a sexual element. Cheryl was subject to Sexy Sadie programming aged 4. (This may have been in the US)

Luna Moth paints John Seeley sociologist in her article *The Pied Piper of Pedophilia* [\[69a\]](#) Luna Moth *The Pied Piper of Pedophilia* as a sadistic paedophile, friend of the child abuser, Pierre Trudeau. Seeley shared his violent pedophile fantasies with Dr. Fischer. Seeley boasted the World Health Organization (WHO) and its Charter were designed in his office. Seeley and WHO chief Brock Chisholm were the masterminds whose vast National Health Project brought together psychiatrists, psychologists, social workers, educators, recreation specialists, and sociologists to achieve “gratifying results.” Social control had a new disguise: “enlightened” therapy targeting the whole population.

Part of the transcript of Dr. Susan Forward’s work titled, Innocence and Betrayal—Overcoming the Legacy of Sexual Abuse can be read by scrolling down post *Established Incest Crime Model in N.A. [North America] a Result of MKULTRA* [\[10aa\]](#) and the effects of child incest are described there.

The story of the Lincoln Park massacre continued “With 13 children laying dead on the floor Bob placed a small candle in each of their wounds. By the time he was finished each child had a burning candle protruding from either their chest or their forehead. He repeated his senseless prayers over and over again, give the souls to Balaam, Balaam is the one who cursed us.” [\[31c\]](#) archive [\[31ca\]](#)

MK Ultra at Lincoln Park/RCAF after World War 2 used very young children from Calgary and even internationally since the military could pick up 3 or 4 year old orphans from say civil war-torn Ireland and fly them into Canada. The head programmer, a Nazi German

doctor with the alias Dr. Bob Armstrong would ritually torture, rape & murder children in front of the children they were trying to fracture (*dissociate and create the MPD condition via severe trauma*). These mutilated child corpses were cut up and packed into 45 gallon drums and shipped off to a mink farm outside of Calgary [\[10ba\]](#)

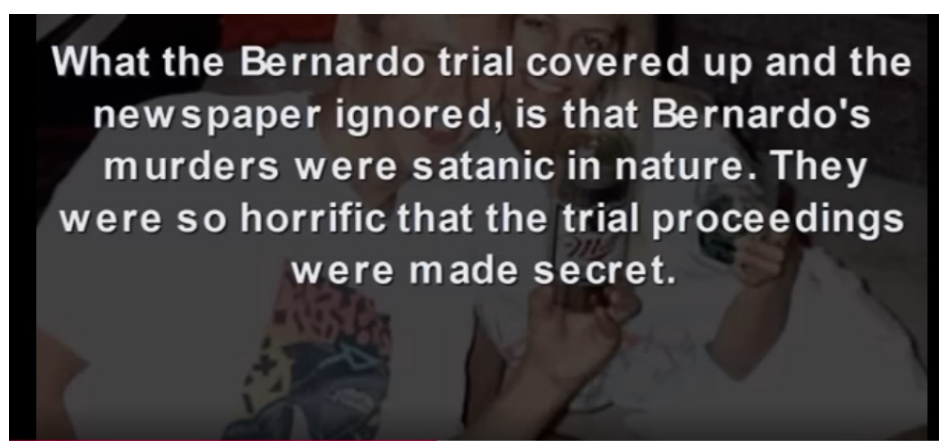

There is much information on the Three Deaf Words blog, again of which I have only read a part. “*On the Farm*” [\[10ba\]](#) states that “Weyburn’s Saskatchewan Hospital took an active part in MK Ultra mind control programming post-WWII with the help of guest British psychiatrists and psychologists.” It also delves into ritual abuse and murder of 49 women of which Robert Willie Pickton [\[53\]](#) in British Columbia, was charged with 6. The author maintains Pickton was part of a wider ritual abuse network. Similarly the blog argues that Paul Bernardo [\[52\]](#), who was the “Scarborough Rapist”, and Karla Homolka [\[59\]](#) made torture and snuff videos for Illuminati Satanists, protected by the Masonic Police.

The post *Dr. Ross Admits Monarch Mind Control Programming Likely Functional to Date in N.A.* archive [\[10ea\]](#) on 3 Deaf Words blog, is useful and also gives information on Canadian psychiatrist who has worked in the U.S. for the past 22 years, Dr. Colin Ross who is an expert on mind control has a website [\[66\]](#) and there is a video of a talk by him [\[65c\]](#)

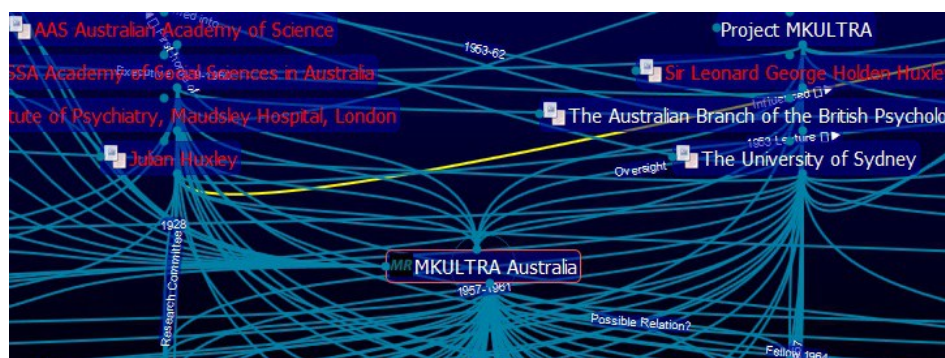

Odysee 2012 Nov 10 Colin Ross at Conspiracy Culture video [\[65c\]](#)

Ross states that Dr. Abram Hoffer was most definitely involved with other MKULTRA psychiatrists in N.A. post-WWI [\[10ea\]](#)

Masonic, black magician and Satanist, British Aleister Crowley set up [masonic] O.T.O. Lodges in in Vancouver, British Columbia and possibly Victoria. O.T.O. lodges became known as mind control programming sites. The California Wineville child ritual homicides were carried out by a young Canadian male in his early 20s, a Gordon Northcott, with connections to Vancouver, B.C. and it is thought he was an Tavistock programmed multiple personality [\[10da\]](#) [62]. Russ Dizdar's video on some of information in the blogs post has been removed but his website may be useful for research [\[63\]](#). It is also thought that, based in nearby Alaska HAARP has a mind control capability.

Now after this brief, traumatic introduction to mind control in Canada, it is time to draw to this post to a close. Cathi Morgan is just starting as well, from the UK, check out Cathi Morgan *UK MK Ultra* [\[75\]](#)

The experiments distilled down are in essence the techniques written in the CIA KUBARK interrogation manual [\[72\]](#) which is also embedded on wordpress [Kubark3-13-14_MR9864_RES](#)

David Barclay wrote [\[31c\]](#) *"So why would I put this on a public blog? Because it matters, each of these children matter, regardless of the time elapsed. What difference does it make if it happened today or 50 years ago if the crime is being perpetuated by deception and denial. Thousands of Canadian children died at the hands of medical experimenters during the 50s. No one knows the exact number, but by all accounts it is in the thousands.*

Of course most of them were orphans, but what does that have to do with anything? I cannot change what happened and I will never know the pain they felt, but I know what I feel for them.....love and compassion. Will this horrific crime be repeated? I don't know, but I do know extreme measures are being taken to ensure that the truth is never known, because it would tarnish Canada's sterling reputation. Is this the price Canadians are willing to pay for a good reputation? What kind of people would hide such a crime to further their own interests?

What kind of people would turn their backs on innocent children, especially their own? I call them cowards, because they would betray any and all of us to protect their own interests, to protect themselves from the truth. If accountability is not demanded for the murder of innocent children there is nothing left to demand accountability for. God help us one and all." [\[31c\]](#)

Mind Control is still happening today.

"The only thing necessary for the triumph of evil is that good men do nothing"
– Edmund Burke

Please don't do NOTHING.

May 17 1958 – The date of the Lincoln Park Massacre of innocent children. Hopefully this year May 17 2016 we could have an online and perhaps actual Remembrance Service for the victims of this Lincoln Park massacre? Maybe we can make a list of victims, so that they are remembered and pay global tribute to all the victims of MK Ultra? Would anyone be prepared to help with that?

We also need to find the names of all the Doctors and perpetrators of abuse in Canada, with dates, so that this can be cross referenced to other victims stories in Canada and internationally.

Victims, Survivors and whistleblowers – we need your stories.

Please note that victims of abuse may be triggered by reading this information. The Sanctuary for the Abused [\[A\]](#) has advice on how to prevent triggers. [14] Good reads MK Ultra <http://www.goodreads.com/quotes/tag/mkultra> "Working simultaneously, though seemingly without a conscience, was Dr. Ewen Cameron, whose base was a laboratory in Canada's McGill University, in Montreal. Since his death in 1967, the history of his work for both himself and the CIA has become known. He was interested in 'terminal' experiments and regularly received relatively small stipends (never more than \$20,000) from the American CIA order to conduct his work. He explored electroshock in ways that offered such high risk of permanent brain damage that other researchers would not try them. He immersed subjects in sensory deprivation tanks for weeks at a time, though often claiming that they were immersed for only a matter of hours. He seemed to fancy himself a pure scientist, a man who would do anything to learn the outcome. The fact that some people died as a result of his research, while others went insane and still others, including the wife of a member of Canada's Parliament, had psychological problems for many years afterwards, was not a concern to the doctor or those who employed him. What mattered was that by the time Cheryl and Lynn Hersha were placed in the programme, the intelligence community had learned how to use electroshock techniques to control the mind. And so, like her sister, Lynn was strapped to a chair and wired for electric shock. The experience was different for Lynn, though the sexual component remained present to lesser degree..." — Cheryl Hersha, *Secret Weapons: How Two Sisters Were Brainwashed To Kill For Their Country*

Several of the children who Cameron experimented on were sexually abused, in at least one case by several men. One of the children was filmed numerous times performing sexual acts with high-ranking federal government officials, in a scheme set up by Cameron and other MKULTRA researchers, to blackmail the officials to ensure further funding for the experiments.[27]

[ie=UTF8&qid=1548612079&sr=8-2&keywords=Goliszek](https://www.amazon.co.uk/Name-Science-Programs-Research-Experimentation-ebook/dp/Boo4YES8TI/ref=sr_1_2?ie=UTF8&qid=1548612079&sr=8-2&keywords=Goliszek)

Science, as Andrew Goliszek proves in this compendious, chilling, and eye-opening book, has always had its dark side. Behind the bright promise of life-saving vaccines and life-enhancing technologies lies the true cost of the efforts to develop them. Knowledge has a price; often that price has been human suffering. The ethical limits governing use of the human body in experimentation have been breached, redefined, and breached again—from the moment the first plague-ridden corpse was heaved over the fortifications of a besieged medieval city to the use of cutting-edge gene therapy today.

Those limits are in constant need of redefinition, for the goals and the techniques have become both more refined and more secretive. The German and Japanese human experiments of the 1930s and 1940s horrified the world when they came to light. These barbaric exercises in pseudoscience grew out of assumptions of racial superiority. The subjects were deemed subhuman; ordinary guidelines could therefore be suspended. What has happened in the decades since World War II has differed only in degree. Explicitly or implicitly, any organization or government that undertakes or sponsors scientific research applies some measure of human worth. Experimentation rests upon an equation that balances suffering against gain, the good of the collective against the rights of the individual, and the risk of unknown consequences against the rewards of scientific discovery.

Everything depends upon who makes that equation. The sobering and gripping accumulation of evidence in this book proves exactly what has been justified in the name of science. The science of “eugenics” justified enforced sterilization. The need to gain an upper hand in the Cold War justified CIA experiments involving mind control and drugs. The desperate race to control nuclear proliferation was used to justify radiation experiments whose effects are still being felt today. Chemical warfare, gene therapy, molecular medicine: These subjects dominate headlines and even direct our government’s foreign policy, yet the whole truth about the experimentation behind them has never been made public.

Though not a cheering book, In the Name of Science is a crucially important one, and it deserves a wide audience. A biologist by training, Goliszek presents each topic clearly and explains fully its significance and implications. Connecting the history of scientific experimentation through time with the topics that are likely to dominate the future, he

has performed an invaluable service. No other book on the market provides the research included here, or presents it with such persuasive force.

This is an important posting and which literature and film has provided much enlightenment over the past 50 years.

It has always concerned since becoming involved in the unilateral non violent nuclear disarmament cause that many have and continue to limit their attention to atomic and nuclear weapons when the far greater threat has always been the use of chemical and biological agents which can wipe out populations leaving buildings and resources intact to be used and harvested once the population has been eliminated.

It is right for the UK government to keep abreast with developments and the technical know how in order to recognise and combat such threats. Similarly I have never been opposed to the UK keep abreast of nuclear weaponry and its means of delivery again with a view of identifying and learning how to combat threats and the various means of delivery. The kind of Shields that have been developed for the US cities and by Israel is one approach.

It is better for this work to be undertaken with other countries and with costs shared although the countries involved have to have control systems where the risk of the knowledge can be protected from being acquired by states and interests whose vision of the future of humanity is different from our own. I really one defence system covering the whole of Europe including Russia should be our goal and separate from the US interest which is now concentrated on the Pacific.

However this is very different from the production of weaponry for threatening their use in specific circumstances especially the continuation of the Trident submarine programme which has become redundant and this is recognised by our most experienced military people on and off the record.

This is the context in which consideration also needs to be given to the ability to break down minds as well as bodies and convert the use to the interests of the state as well by other bodies for with different motives and objectives. It is necessary to discount the counter propaganda put out by governments through articles, books and films which give the impression of abilities not yet developed or of abilities used in differently ways. However in general such works of fiction are important in giving a true indication of the powers available and the road of travel., especially that the kind of warfare used now is as different from that of WWII as it was between WWI and World War II, remembering that there was only two decades between the WWs for technological advance and where the pace of technological change over the past 70 years and quickened with more dramatic outcomes

It has been argued that for a time the UK and US government concentrated on the development of mass screening and surveillance through the technological developments and there is a vast army part of it officially admitted of people employed to influence public opinion through media use advisers, some would say media manipulation and this includes using the social media networks together with the ability to close it down including the telephone and computer systems in

an emergency. When necessary it now possible to kill and individual human beings to look like a natural causes or by the appearance of an accident as well to destroy their minds and their social functioning. . It would be surprising if it had was not now possible to the change minds in such a way to change subsequent behaviour in predicable and specific ways just as we have developed the technology to develop weapons for delivery with pin point accuracy.. The multi warnings about creating artificial intelligence is timely although I for one have always appreciated that once out of the bottle the genie will never be put back and the issue is that of control and containment and of having a say in those with the power to use for good rather than for ill or for self interest of themselves or of some group or interests. It is always impossible for any state to protect everyone and a section of the will always be expendable as in all out war civilians in general are treated and blue on blue friendly fire is investable added to which we now of the use of humans beings particularly women and children as human shields...

Just is as the extent of sexual and other abuse of children and young people in the UK is minor compared to the sexual slavery of children and young women past and present world wide or the poverty experienced in the UK minor compared to that in the rest of the world and the risks of famine starvation and disease it is a question of priorities . This is not to say or suggest that suffering the pain affecting subsequent lives is different to each victim and their families. The issue is what should and can governments do about it and what we as individuals do about it.

Fantastic article!!! Thank you for getting the word out. MK-ULTRA never stopped in 1975, it only went covert. Any of the major terror events since 9/11 in the USA are signs of mind-controlled actors and patsies, which means they are likely false flag events, designed to manipulate the public’s perception of the world. You’re

doing important work by writing about this subject. Well done!

GREAT BLOG, CATHY. Small correction: there was no Quebec Duplessis Orphanage — rather there were many Catholic-run orphanages under different names across Quebec. https://en.wikipedia.org/wiki/Maurice_Duplessis Rod Vienneau (in his book Les Enfants de la Grande Noirceur) has compiled a lot of information about the Duplessis orphans' involvement in psychiatric experiments after the war and during the MKULTRA years (1953-1964). Within six months of Allen Dulles' signing the MKULTRA program into existence, thousands of Quebec orphans were re-labelled as mental patients and shipped to psychiatric facilities where they brought in more money in federal subsidies, and were drugged, lobotomized, sexually abused and subjected to torture —

The story of MKULTRA in Canada has never been properly told. It was a “pan-Canadian” phenomenon, not limited to Montreal and Dr Cameron. In the early sixties, much of what had been a McGill University program was gradually transferred to Toronto, specifically to York University and an emerging counter-cultural scene that became a breeding ground for many Fabian- and Tavistock-influenced movements and programs. Saskatchewan was another centre for MKULTRA mind control, about which very little has been written.

Unfortunately, Canada’s publishing industry is very much a product of that covert expansion of MKULTRA throughout Canada. Books like Anne Collins’ *The Sleep Room* presented a partial account but failed to get at the roots (in British eugenics and Nazi psychiatry) or hint at the vastness of this program, which was secretly promoted at the highest levels of our establishment.

As MKULTRA is now fully mainstreamed, showing up in popular entertainment, it’s being watered down and reframed in some very peculiar ways. This could be because, contrary to the CIA’s attempts to debunk and deny their existence, MKULTRA experiments on a generation were wildly successful in taking over most of the culture. In that sense, MKULTRA is US.

Hi Cathy — thanks for your comment. That’s exactly what needs to be done and I realized, yesterday as i wrote this, that my next book (in progress) will be a reframing of the pan-Canadian MKULTRA narrative. Thanks to you and others, the information now coming out of the UK is game-changing, since so much of the planning and research originated there.

Thank you Cathy for compiling this excellent information.

I so agree with you Ann that the story of Canada's very important role in the development of MKUltra and other experiments really needs to be properly told. In that regard I have a very strong feeling that what was The Clarke Institute of Psychiatry, now the Center for Addiction and Mental Health (CAMH), may have been/be involved in mind control experiments too. I worked there as a research assistant for 1 year on a genetic study of Affective Disorders. As a research institute, all of the patients at The Clarke had to fit the criteria for and become a participant in one of the many research studies/experiments which were ongoing, as a requirement of their treatment. I do not have any evidence but as a highly sensitive person I certainly felt like there was very possibly some questionable experiments going on.

I was doing some research and found it very interesting that Dr. Ewen Cameron was apparently a member of the Nuremberg tribunal. Here's an excerpt from what I thought was a good summary overview for him which I have copied and pasted as follows:

In 1936, Cameron became Director of Research at Worcester State Hospital in Massachusetts, and in 1938 was appointed Professor of Neurology and Psychiatry at Albany State Medical School. It was at Albany that Cameron conducted research into sensory deprivation and memory.

During the Second World War Cameron began working for the Office of Strategic Services (OSS). However, in 1943 he went to Canada and established the psychiatry department at Montreal's McGill University and director of the newly-created Allan Memorial Institute.

Cameron continued to work for the OSS and in November 1945, Allen Dulles sent him to Germany to examine Rudolf Hess in order to assess if he was fit to stand trial at Nuremberg. According to one source, Dulles had told Cameron, that he believed the Hess he was about to examine was not the real Hess and that he had already been executed on the orders of Winston Churchill. (Gordon Thomas, *Journey into Madness*, 1993, pages 167-68).

It has been argued by John Simkin that Cameron might have been sent to Nuremberg to help the British intelligence services with a problem concerning the real reasons why Rudolf Hess arrived in Scotland in May 1941. Cameron's task was to remove Hess's memory of past events. This is why in 1946 Hess was unable to recognize his former friends and colleagues such as Hermann Goering, Julius Streicher and Joachim von Ribbentrop. Cameron next job was to provide Hess with a new memory about events dating back to May 1941. That is why Hess was able to provide Major Douglas M. Kelley with a comprehensive account of his trip to Scotland.

According to this source, "Canada's Government Aided the CIA's Legal Defense" in it's own case against them. Here's an excerpt:

The “Cooper Report” was compiled and written by Canadian Justice Department lawyers, whose job was to defend Canada against claims of liability based on its involvement with Cameron. A more clear conflict of interest is difficult to imagine. No Canadian Bar disciplinary committee has investigated the lawyers who did it.

The “Cooper Report” asserted that Cameron had done nothing wrong. Without interviewing any of our clients or reviewing their medical records, the report announced there was probably little if any lasting harm to the victims. The report reproduced the CIA’s principal defenses, now as the “independent” conclusions of an official Canadian government investigation. The “Cooper Report” was a complete whitewash.

What once had appeared to be our strongest potential ally, threatening even to take the U.S. to the International Court of Justice at the Hague, now sought to exonerate the CIA in every conceivable way possible. The Canadian government did such a good job for the CIA that the “Cooper Report” became the first exhibit in the CIA’s final effort to defeat our case through a motion for summary judgment. In addition, the same psychiatrists who the Canadian government had retained to ratify the Cooper whitewash were the CIA’s expert witnesses. Canada completed the legwork that an associate in a good law firm usually does for a senior partner.

Very well researched. The project is very vast and is multi-disciplinary in nature. Canada is directly involved in the neurowarfare program as there is clear evidence of directed energy being used on victims. There is also a tremendous amount of time invested in torturing and it is undoubtedly the most sadistic and psychopathic implementation of human bioengineering programs the world has seen. There is also a lot of confusion on the platform used which we now know are satellites. These are warfare satellites capable of EW and neuro centric warfare.

One of the children was filmed numerous times performing sexual acts with high-ranking federal government officials, in a scheme set up by Cameron and other MKULTRA researchers, to blackmail the officials to ensure further funding for the experiments.[27] MKULTRA Subproject 68 includes child abuse
