**Panem Et Circenses (=Latin “Bread & Circuses”) Strategy rulers (Global Management Team) use to keep subjects (useless eaters, weeds, public, American people etc.) distracted to divert attention from themselves, for if the masses ever turn their attention toward the rulers, becoming aware of their demonic schemes they would revolt IMMEDIATELY! This post highlights Mind Kontrolle Prog’mg of YOU AND ME rather than individual MK-Ultra Monarch Mind Kontrolle Prog’mg conducted on secure military bases (Air Force/Navy), select hospitals, universities, private estates/castles. They’ve been controlling us w/HUMAN DOLLS...**

Techniques similar to those used to create Monarch Slaves have been applied to the general population. While we’ve been sleeping they created an army of Mind Kontrollled Slaves (human robots) to do their bidding; effecting changes in society need in order to perpetuate our gleeful servitude. These human DOLLS were infused into major spheres of society for us to mimic. This strategy has been given a major boost from technological advancements saturating our culture designed to keep “*the programming*” directly in front of the targets...

Our constant interaction w/these devices not only shields the puppet masters, but actually *reduces the brains ability to reason*. We don’t talk, we text...we don’t imagine, images are created for us, we think less as false arguments are presented, debated and resolved in minutes – sound bites rule. One can debate “*man versus machine*” ad nauseum; moderator is not a technophobe, but readers should realize we’ve been programmed to be lazy, allowing computers to do almost everything for us. The mind in some ways is like any other muscle — *if you don’t use it, you’ll lose it; it will atrophy*. We’re losing simple skills like reading and counting at an alarming rate. Working a cash register used to require a quick mind in computation, now just press a button and in some cases w/pictures of items instead of words. This is part of the devolution of the human mind, always marketed as “*convenience*” or “*progress*” and those objecting are quickly demonized...

Annual Tribute To MK-Ultra Mind Control, Monarch Slave Prog'mrs/Handlers,  
Egyptology & All Profiteers...

***Our favorite Dolls are selected resulting from  
marketing/demographic data which measures emotional bonding  
levels. Then they simply present them at lavish ceremonies and  
grand stages (puppet shows) to tickle your emotions, and keep the  
cash registers ringing...***

The Academy Awards (Oscars) ceremony is a virtual orgy of egotism and self-congratulatory rambling over how cleverly producers, directors, cameramen, script writers, agents et al. have "*Spun The Kitty's*" ([subjecting them to trauma](#)) unsuspectingly for another year, while amassing even more ill gotten gains (blood money) using their dissociative identities (DID) and multiple personalities (MPD). They've been denied food, sleep, electroshocked, forced ingestion of psychotropic and hallucinogenic drugs, Botox-ed, surgically enhanced, layers of make-up, false lashes, luxurious hair extensions, sprayed-on tans, wrapped in the most exquisite gowns and shoes, adorned w/ Harry Winston jewels, bathed in complimentary lighting, videoed from the most flattering camera angles – all to create an "*image*" of perfection; and of course the over-the-top emotional acceptance speeches delivered under Mind Control...

***Behind the veil of beauty, beneath the multi-layered illusion of  
perfection, lie tortured souls longing for escape from a lifetime of  
misery...***

#### [Egyptian Origin of Oscar Statue](#)

As we sit there mesmerized by tinsel town's most glittering mass distraction, be mindful that after the show their torment begins anew, with endless after parties where "*ANYTHING, ANYTIME, ANYWHERE w/ ANYONE*" fun will be had w/ BETA Sex Kitten ALTERS. The arrangements have all been made, which Monarch Slaves will attend which orgy (trauma reinforcement), at which estate (Prog'mg location), with whom and for how long. The pharmacists, physicians, Prog'mrs/Handlers, cameramen are all in place, on their marks ([\\*zap- zap\\*](#)) – lights, camera, action!

This is in NO way stating the Women's Movement has not greatly improved the status of women, and righted some obvious wrongs, but it must be acknowledged that it began as a mass Mind Control Op and remains so to this day. *It's the origin of a thing that determines what it will, and will not do.* So all you Wesleyan, Vassar, Smith, Birkenstock wearing devotees of [Betty Friedan](#), Susan Faludi and

Please research this until your anger builds, and you STOP falling for these well orchestrated "divide and conquer" societal movements (schemes) When everyone's doing it (whatever it is) you can bet the Behavioral Science Industry in [The City of London](#) is behind it. GMT uses women to degrade, demoralize and ultimately destroy women. Can any of you give another woman a sincere compliment, about anything...ever? Yes, talk to me about "The Great Sisterhood". Now you're so stressed out from competing in the workplace, trying to imitate their Doll Prog'md, occult tattooed, air-brushed BETA Prog'md Monarch Slaves who grace the pages of their glossy MK'd Kitten catalogs (and perform in their porn industry) making you feel inadequate, while in your search for a mate (not a f-k buddy). Molech; god of child sacrifice (=Abortion)

Excerpt from: [The Effects Of Television Advertising On Materialism, Parent–Child Conflict, And Unhappiness:](#) A review of research —

Moniek Buijzen, Patti M. Valkenburg

“Studies on the effects of advertising directed toward children are generally based on two paradigms: the paradigm of the empowered child and the paradigm of the vulnerable child. In the empowered child paradigm, children are viewed as skilled consumers capable of critically processing commercial messages. Research based on this paradigm, mostly marketing research, generally focuses on the intended effects of advertising. Intended advertising effects refer to children’s brand awareness, brand attitudes, and purchase intentions. Advertising-effects research based on the vulnerable child paradigm assumes that children lack the cognitive skills to protect themselves against advertising messages. It is believed that children, more than adults, are susceptible to the seductive influences of commercials. Research within the vulnerable child paradigm usually investigates the extent to which advertising is harmful for children and addresses issues such as whether children should be protected from these possibly harmful effects. This research focuses on the unintended effects of advertising, for example, on family conflict and materialistic values. In other words, unintended effects are the secondary, usually negative, effects of children’s exposure to advertising.”

Publishing magnate [William Randolph Hearst](#) financed/promoted Billy Graham's early ministry, elevating him to the pinnacle of success. Graham's presence increased as technology advanced. One of the most profitable (materially) ministries in U.S. This formula for deception and emotionally bonding followers to false prophets and servants of the adversary has been handed down, refined and practiced as a science — Sorcery. There's NOTHING new about it, it's very old — it's called *demonic possession*!

[Illuminati Formula Chapt. 5b Skill of Lying, The Art of Deceit Billy Graham](#)

#### Billy Graham's Active Role in Satanic Ritual Abuse (SRA)

“...After placing himself under the Illuminati's sponsorship in the late '40s, Billy Graham has had the choice of continuing to do his job for them, or being destroyed. Since they created who he is, they can destroy him. And he knows it. David Hill went on to try to expose the New World Order and lost (was

murdered) his life just as he finished a manuscript exposing it. Even a well-informed Christian like David Hill, who tried to warn Billy Graham about the NWO, was unaware of the extent of the deception of the Illuminati's mind control. David didn't know about programmed multiples. David Hill, who was a high ranking Scottish Rite Freemason and an important Mafia figure before he came to Christ, had even been the go between for Billy Graham and Joe Banana, a Mafia kingpin. It was David Hill, who innocently believing in Billy Graham, arranged the meeting for the two men."

"The Satanic hierarchy are in constant intimidation and power struggles.) When Billy Graham wanted to, he could call up Henry Kissinger and say, "Tell him to call me the minute he comes in." (Frady, p. 451) Henry Kissinger is right in the middle of what the Illuminati is doing. Another Illuminatus that Graham had a working relationship with is Henry Luce."

"I make every effort not to let it appear that I favor one party over another. I count Secretary Dulles a friend, but Senator Humphrey is also a good friend of mine, [who he met] ... when we were both swimming nude at the YMCA pool in Minneapolis where he was running for mayor."

"A friendship with Alan Dulles? Alan Dulles, director of the CIA, was one of the biggest perpetrators of the trauma-based mind-control that this book is about. Humphrey also received orders from the Satanic hierarchy. And what is this swimming in nude? When Billy Graham had his 1954 Crusade, large sums of the money came directly from people in the Illuminati, the Whitneys, the Vanderbilts, the Rockefellers, and Chase Manhattan."

### **How Billy Graham Plays A Key Role In Reprogramming Monarch Slaves**

"Two different talkative Satanists told sources of mine about 2 different coven meetings here in Portland in the Summer of 1993 where the covens discussed the benefits that the satanists were going to get from the Billy Graham Crusade. I know one of the benefits for the satanists was that Monarch programees who had become Christians and had deactivated the effect of their mind-control programming were to be reprogrammed with Billy Graham's help. When Billy Graham arrived in town, someone on his Crusade staff had managed to find and send out invitations to many of the survivors of Satanic ritual abuse (SRA) in Portland to come to a special meeting to personally meet with Billy Graham. At this special meeting with SRA victims, Billy Graham personally began saying the buzz words to reactivate these people's programming, especially the Monarch survivors. (This comes from several witnesses.) For a number of years now, the Billy Graham Crusade has been putting messages across the bottom of television screens that has activation codes for Monarch survivors."

"Those Monarch survivors who have become devote Christians to escape the nightmare of the Monarch mind-control are often not aware of the danger of watching the Billy Graham Crusade on television. When people are activated, special people are in the area and they take the Monarch survivors to what are called Near Death Trauma Centers. These centers are used then to reprogram these poor people. There were five in this area, of which we located 2 and forced them to move their sites. Religious fronts (denominations, individual churches and certain ministers) are used to hide criminal activity. Billy Graham, who is a programmed multiple himself, is exceptionally adept at managing his Monarch kittens. The drug money laundered through his crusades is carefully handled by many Monarch slaves working in shifts and teams, so that the whole scheme can not be uncovered by catching one person."

"Billy Graham runs big operations all over the world under the disguise of evangelism. Another of the countless religious covers, that works with the Network's/Illuminati's drug activities involves the Mormon Bishop warehouses, which are used to store cocaine. Monarch slaves are involved with this. Different religious labels hide the same criminal Network. By the way, when giving the Patriarchal Blessing, the Mormon Patriarch if he has a Monarch slave will use hypnosis and triggers to convince the person what their future will be like. One can't say this is happening in every case, but it is very widespread for the

Patriarch who give these blessings to be part of the Trauma-based mind-control operations. Billy Graham also personally delivers messages to the Presidents for the Illuminati, such as when he arrived just prior to Bush's decision to launch Desert Storm. Sometimes the papers even spell out that Billy Graham serves as a message boy, for instance, when he delivered a message in April, 92 from the Pope to North Korea's dictator Kim."

### [Formula of Mass Distraction Goes Far Beyond A Zionist Conspiracy...](#)

#### [PROTOCOLS OF ZION No. 13 Satanic Illuminati Blueprint](#)

1. The need for daily bread forces the GOYIM to keep silence and be our humble servants. Agents taken on to our press from among the GOYIM will at our orders discuss anything which it is inconvenient for us to issue directly in official documents, and we meanwhile, quietly amid the din of the discussion so raised, shall simply take and carry through such measures as we wish and then offer them to the public as an accomplished fact. No one will dare to demand the abrogation of a matter once settled, all the more so as it will be represented as an improvement ... And immediately the press will distract the current of thought

towards, new questions, (*have we not trained people always to be seeking something new?*). Into the discussions of these new questions will throw themselves those of the brainless dispensers of fortunes who are not able even now to understand that they have not the remotest conception about the matters which they undertake to discuss. Questions of the political are unattainable for any save those who have guided it already for many ages, the creators.

2. From all this you will see that in securing the opinion of the mob we are only facilitating the working of our machinery, and you may remark that it is not for actions but for words issued by us on this or that question that we seem to seek approval. We are constantly making public declaration that we are guided in all our undertakings by the hope, joined to the conviction, that we are serving the common weal.

#### **WE DECEIVE WORKERS**

3. In order to distract people who may be too troublesome from discussions of questions of the political we are now putting forward what we allege to be new questions of the political, namely, questions of industry. In this sphere let them discuss themselves silly! The masses are agreed to remain inactive, to take a rest from what they suppose to be political (*which we trained them to in order to use them as a means of combating the GOY governments*) only on condition of being found new employments, in which we are prescribing them something that looks like the same political object. In order that the masses themselves may not guess what they are about WE FURTHER DISTRACT THEM WITH AMUSEMENTS, GAMES, PASTIMES, PASSIONS, PEOPLE'S PALACES .... SOON WE SHALL BEGIN THROUGH THE PRESS TO PROPOSE COMPETITIONS IN ART, IN SPORT IN ALL KINDS: these interests will finally distract their minds from questions in which we should find ourselves compelled to oppose them. Growing more and more unaccustomed to reflect and form any opinions of their own, people will begin to talk in the same tone as we because we alone shall be offering them new directions for thought ... of course through such persons as will not be suspected of solidarity with us.

4. The part played by the liberals, utopian dreamers, will be finally played out when our government is acknowledged. Till such time they will continue to do us good service. Therefore we shall continue to direct their minds to all sorts of vain conceptions of fantastic theories, new and apparently progressive: for have we not with complete success turned the brainless heads of the GOYIM with progress, till there is not among the GOYIM one mind able to perceive that under this word lies a departure from truth in all cases where it is not a question of material inventions, for truth is one, and in it there is no place for progress. Progress, like a fallacious idea, serves to obscure truth so that none may know it except us, the Chosen of God, its guardians.

5. When, we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule.

**6. Who will ever suspect then that ALL THESE PEOPLES WERE STAGE-MANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES?**

A few questions for the psychologists, psychiatrists, psychotherapists and mental health professionals: What is the recommended “*behavioral script*” for existing in this current global police state, where our minds and the minds of our children are under constant assault? bold and brilliant! this is why i love you.another very detailed post filled with proof about how the entertainment industry is dirty. television preachers included! the truth hurts and alot of people dont like to hear this type of truth. it is deep. RABBIT HOLE DEEP. its 2014 and most people still have no idea how much that is a reference in movies past and present or why.i no longer have cable.sin and consumerism is all that seems to be promoted on tv anyway.the entertainers are paid big money to try to get us away from God,make us think sin is best and lead us into the n.w.o. and im aware all the presidents have been a part of evil.thanks for your hard work and dedication and may God in Heaven bless you and your family.

Right back at cha! I'm of the opinion that things have deteriorated to the point no one of decency or integrity will be permitted to rise to higher offices. In fact the constant boasting of such is almost a guarantor of the opposite...

I think they might be planning something around the 27th of August in the south east part of the country.

I know voting time is around the corner. They may try to stage something dangerous.

Yes, without question the horrific process of transforming innocent children into Monarch Mind Controlled Slaves is REAL. Are readers aware that the process of transforming free thinking individuals into mind numbed robots responding to commands and influence of these poor tortured souls is JUST AS REAL?
