Overview of the Blackmail Running Our World (self.conspiracy)

submitted 1 month ago * by [NeedleworkerSad357](#)

This post is an overview of some of the blackmail tactics used to control most of the influential people and governments around the world. Obviously I cannot cover everything in a single post, so as with my previous posts I highly encourage you to research further yourself. All sources and links are at the bottom of the post. An understanding of what trauma-based mind control programming (MKULTRA/MONARCH) is, and how it works, is again necessary to understanding much of this.

The world is run on blackmail, mind control, and shame. There exist many collections of videotapes of 'high-up'/'elite' people engaging in some of the worst, sickest things imaginable. Drugs, torture, pedophilia, and murder are common themes to these videos. These tapes are in the hands of many different people, groups, and especially intelligence agencies. 'Honey-trap' operations are constantly being run to gather compromising and incriminating evidence on people of importance. Child slaves will be used to compromise people on video. Global leaders are often covertly videotaped doing perverted things with sex slaves sent to them by intelligence agencies, the Illuminati, or other groups, and this is then leveraged. Rape and murder of a child (forced or not), one of the most repulsive things possible, is many times filmed to ensure future compliance.

"Back in 1966, Rothstein became the first police detective assigned to investigate the prostitution industry. Almost immediately he discovered an underground sexual blackmail operation that compromised politicians with child prostitutes. 'Human Compromise' is what he labelled the honey-trap process. Rothstein and his colleagues found that approximately 70 percent of top US Government leaders were compromised in this way. Rothstein said, the CIA conducted the human compromise operation, while the FBI was tasked with covering up any leaks."

- Fiona Barnett [6]

"One of the things I found out over the last ten years of studying governments and listening to intelligence and counter-intelligence is that those in government are sexually compromised, and their sexual secrets are collected and then they are promoted into governments and into judiciaries and into all the positions of importance. Paedophilia is the preferred dirt as it is easily photographed, easily presented in a range of media, immensely shameful, and the public demands your resignation."

- Greg Hallett [12]

"Paul Bonacci, one of the victim-witnesses in the [Franklin affair](#), also clearly stated Larry King used him in blackmail operations in New York and Washington. The latter was in connection with the activities of a close associate of Larry King, Craig Spence, who was involved in a prostitution ring consisting of underaged boys that were supplied to Washington's upper class, which went right up to the White House."

- The Reality of Protected Child Abuse Networks [11]

"The thing about pedophilia is it holds the most shame, therefore it has the most control over judges and lawyers, and Queen's councils and politicians and ministers. Sexually bent politicians in denial of their sexuality to the public are a threat to their own country and policies. They are easily setup, photographed, politically bribed, toppled, and supported in the destruction of their country. This method of altering a country's policies is epidemic and now endemic to politics."

- Greg Hallett [12]

"Bob (Hope) was politically connected and knew how to lure people in and insure they would work for him. He invited them to his parties and dangled various kinds of illegal or immoral perversions in their faces. Once their perversions were uncovered, he could blackmail or control them. That is how Bob worked. Bob was very good at this. I watched him do it to people over and over. He lured them in, detected their weaknesses, then used that knowledge in his favor, for his connections, and ultimately for his personal gain."

- Brice Taylor [5]

These blackmail 'practices' are often used in conjunction with trauma-based mind control. This mind control is an integral component of, and is deeply intertwined with child trafficking, sex slavery, Satanic ritual abuse, and many other horrific crimes. Many of the children used for blackmail are programmed, and many of the people being blackmailed (including (sometimes future) politicians, leaders, presidents, etc.) [are also programmed themselves](#).

"My personal belief, based on my experiences, is that over the years, more leaders were under mind control."

- Brice Taylor [5]

"Fritz Springmeier notes that 'It is a standard tactic of the Illuminati, their New World Order and its various branches to use fear and blackmail to bring people into line.' Cheryl Beck had a 'sexy Sadie' program that was used to blackmail government and military people as a child prostitute seductress. Cathy O'Brien's daughter Kelly was 'being prostituted to the CIA for blackmail purposes.' Svali notes that using child prostitutes to blackmail political leadership outside of the Illuminati was very common."

- Veronica Swift [10]

"Beryl-Green said Epstein knew about MKULTRA. He was into mind-controlling victims and satanic ritual abuse (SRA). Epstein was into DNA mixing, human cloning and he knew about New World Order plans."

- Hope Beryl-Green [17]

"This dirty game has been honed to a fine art, which is a standard feature of the Illuminati/intelligence groups. The CIA term for blackmail is an 'OK FIX.' When they use a person's past sins to force someone to do something they refer to this as 'biographic leverage.' Any weak point in a person can and will be exploited. Sexual entrapment for blackmail is referred to as a 'HONEY TRAP'. Black widow [alters](#) are being trained and sent out for this purpose. In order to blackmail, or threaten, you have to have something to threaten the person with. Men are frequently entrapped by sexual behavior which is criminal. Sometimes they are also entrapped by murder. The Monarch slave will be allowed to have children so that they can be blackmailed into complying to save the children or grandchildren. The Monarch slave in turn may be used to blackmail others. Certain alters are trained in this. A Monarch Beta model is highly trained in seduction. Many politicians and ministers are operating under blackmail today. The extent that blackmail is being used by the NWO would boggle people's minds. Porn films are taken of the Monarch victims, so that they can be used to blackmail the victim. Monarch victims are forced to commit ritual murders which are photographed and then used to blackmail the mind-controlled victim."

- Fritz Springmeier [15]

Intelligence agencies all over the world utilize blackmail, routinely employing and exploiting it as much as possible. It is an extremely important 'tool' of theirs. Operations are done to gather the incriminating evidence.

"Other 'neutralisations' verge on the bizarre. An individual who must remain nameless for a variety of reasons - but whose name is known to this writer - underwent an experience that is both horrific and chilling. I shall call this individual 'Mr. X' or, simply, 'X'. Mr. X was a leader of one of the largest CIA-backed Contra groups. He recently testified before the US Senate Intelligence Committee. Formerly, X was a senior executive in a South American subsidiary of a leading US soft drinks corporation. During his Senate testimony, he denied any knowledge of CIA involvement in the narcotics trade, adding that condoning such activity would have been foreign to his way of life. Not so, says Tatum. Mr. X had been recruited into the CIA by then-Director William Casey, with the assistance of Oliver North. In 1990, when Nicaraguan leader Daniel Ortega announced there would be 'free elections', X was

ecstatic. He began jostling for position and asked President Bush to ensure he be given a prominent position in the new government - in return for his years of toil at the behest of the CIA and the Enterprise. The pressure came in a form that Bush could not ignore. Failure to help his friend would result in X's intimate knowledge of Bush's involvement in the dope trade being made public. His threat left Bush with a sour taste. A Pegasus team was assigned to 'neutralise' him in early 1990. Mr. X, Tatum states, 'fancied himself a lover of women. Tall, large-breasted blondes were his favourite. It was determined that, if effectively neutralised, [X] could be an asset. Therefore, it was decided that intimidation would be used to control [X].' They chose to use the drug Scopolamine, which also went by the nickname 'Burundanga' or 'the Voodoo drug'. The drug is extracted from the pods of a flowering shrub that grows in remote regions of South America. In its processed, powdered form, Scopolamine is 'void of smell, void of taste'. When properly administered 'it causes absolute obedience' without this being 'observable by others'. Importantly, the target will not recall any of the events that occurred during the period they were under the spell of the drug. Tatum states that X was invited to spend a relaxing weekend at a luxury hotel as a guest of his friend [George Bush](#). His host for the weekend was a trusted 18-year veteran field-intelligence officer. The evening started with cocktails and was followed by a fine meal. "Nothing but the best" were the orders.' Following the meal, he was ushered into the suite of a 'blonde bombshell' supplied by the CIA. Mr. X had already ingested a dose of Burundanga during pre-dinner cocktails. X was gallant with the blonde as they both moved into the bedroom where video cameras were already set up in one corner. In short order, the blonde had X standing naked in front of her and began to indulge his desires. All the while, the video cameras whirled. Slowly stripping off, the 'blonde' revealed his manhood in all its glory. Mr. X was instructed to reciprocate the favour and perform fellatio. He obliged, his intimate activities recorded at 24 frames a second on videotape. Tatum says the male prostitute was hired from a bar in New York and killed that same evening. Two weeks later, X - wholly unaware of the events of that evening - was visited in Nicaragua. He was presented with a copy of the video footage, along with instructions. Tatum says that X can never allow that video to be seen: 'Not only does it reveal his homosexuality, but it also reveals his bestiality and satanic worship rituals.' As frame after frame flicked by, X reportedly wept, forced to watch himself kill his homosexual 'lover' and then engage in the most grisly cannibalistic ritual imaginable. Neutralised, Mr. X became a leading member of the Nicaraguan government a few short weeks later."

"Check out the FBI records on [Scarlett](#): What was his original HOOK that got him so deeply embedded into [UK Illuminati](#) culture? He murdered the nanny of Lord Lucan in the 1970's. Lucan wasn't actually involved. Scarlett got it wrong. He was under mind control at the time. How we all laughed on his training sessions when we heard that one. Not funny, really. We were all in the same boat. Each had something terrible attached to us, in our past. That is all part and parcel of the Illuminati contract. Young people forced under mind control to commit murder when young and then later on, picked up by [British Intelligence](#) to be used and abused as they wished - as loyal servants of the British Crown. One can only hope that by exposing these HOOKS, that some sort of amnesty can prevail. If these people are freed from the demonic Illuminati contract by exposing their HOOKS - one can only hope that they will come forward as a sizeable and influential body of political and public figures, in order to put an end to it. Here's hoping. Check out Rimington's hook to see what sort of mind ran MI5 for so long. It's a game called 'mafia' and it is ALL about blackmail."

"Detective Rothstein found that the CIA were behind a blackmail operation in which child prostitutes were used to honey-trap and compromise politicians, military brass, top businessmen, and key government officials. "[Michael Aquino](#) was in the military. He had top Pentagon clearances. He was a pedophile. He was a Satanist. He founded the Temple of Set. And he was a close friend of Anton LaVey. The two of them were very active in ritualistic sexual abuse. And they deferred funding from this government program to use in this experimentation on children. Where they deliberately split off the personalities of these children into multiples, so that when they're questioned or put under oath or questioned under lie detector, that unless the operator knows how to question a multiple-personality disorder, they turn up with no evidence. They used these kids to sexually compromise politicians or anyone else they wish to have control of...they were taken to be used by professional pedophiles. People that have the money to buy what they want, take the kids wherever they want...and by splitting the children's personalities they could then train each one of the personalities to do a different function. And the rest of the personalities within that host personality would not be aware of it or remember it."

- Noreen Gosch, Johnny Gosch's mother (of the 'Franklin Boys') [1]

"Vinson also told Nick Bryant that Spence and Larry King were 'partners' and 'hooked up with the CIA', stating specifically that 'King and Spence were in business together, and their business was pedophilic blackmail.' They were transporting children all over the country. They would arrange for children to be flown into Washington, DC and also arrange for influential people in DC to be flown out to the Midwest and meet these kids. Per Vinson, Larry King had confided in him that he had clients who liked to torture and even kill children: 'King said they had clients who actually liked having sex with kids as they tortured or killed the kid. I found that totally unbelievable.' After Vinson said this to Nick Bryant, he asked Bryant later on in the interview if King's disclosure had indeed been true. He was unaware at the time that other evidence, including witness testimony, had suggested that it was."

- Whitney Webb [4]

"According to fugitive ex-CIA officer Frank Terpil, CIA-directed sexual blackmailing operations were intensive in Washington at about the time of the Watergate scandal. One of those operations, Terpil claims, was run by his former partner, Ed Wilson. Wilson's base of operations for arranging trysts for the politically powerful was, Terpil says, Korean agent Ton Sun Park's George Town Club. In a letter to the author, Terpil explained that 'Historically, one of Wilson's Agency jobs was to subvert members of both houses [of Congress] by any means necessary. Certain people could be easily coerced by living out their sexual fantasies in the flesh...A remembrance of these occasions was permanently recorded via selected cameras...The technicians in charge of filming were TSD [Technical Services Division of the CIA]...The unwitting porno stars advanced in their political careers, some of whom may still be in office.'"

- The Reality of Protected Child Abuse Networks [11]

"Intelligence and counter intelligence 'work', and they 'work together' to create scenarios that are so unbelievable that they cannot be published in the mainstream media, and if they are, they will appear like a joke. The information to blackmail a country, to blackmail its politicians, to blackmail its Prime Ministers and Presidents, to blackmail its judges and lawyers is a very serious matter."

- Greg Hallett [12]

The Illuminati and other cults also engage in the same blackmail operations. There is a **huge** overlap between secret societies/cults and intelligence, with top intelligence usually being run by them. All of them do this.

"I was able to have first hand access to the [Jeffrey Epstein](#) case investigation documents. According to the documents, Epstein was the head of a global fraternity related to the Shriners called The Royal Order of Jesters. This order is covered with scandals and lawsuits related to human trafficking, but they are very protected because many members of the order are high-profile political figures and businessmen. It is crazy how these people manage to operate under the radar for so many years, decades...Now you may ask how they do this? Easy...By using blackmail tactics, they manage to have Judges and Law Enforcement licking their feet. That's how Jeffery Epstein got assassinated. After he was out of the game, the whole business is run by other people. Major names are involved and many high-profile people who are all bound to the order by means of blackmail. This is particularly disturbing when you find out that the cases of Catholic priests involved in sex scandals

are events organized by The Order of Jesters. They run blackmail operations with the purpose of seducing people in power...With those videos in their power, the careers and the public image of many people are in the Jester's hands. They are free to do anything, they can turn even the President of the United States into a slave."

- "Jeffrey Epstein Post" [7]

"Illuminati 'FROG ON A LILYPAD' programming: The FROG as a paedophile - with no 'tadpole tail/tale', as in no memory of what he/she has done until they get past 40 years old. It becomes clear that so many people were forced to be paedophiles and to abuse their children - only to wake up to all of this later on - post 40 years old. Then to have [Stella Rimington](#) on their doorstep with a videotape - telling them that she will send it to the police if they do not do precisely what she says. The ultimate blackmail weapons combined: A tape of you committing paedophilia - and even worse - incest with your own children. Guaranteed to 'silence' most people for life. The scope of this Illuminati blackmail project has been immense, in British society and it has to be exposed. There is safety in numbers."

- Ex MI6 [2]

"([Sue](#)) Arrigo adds that the kids with the most smarts and/or looks, about 5% are skimmed off the top by the Luciferians in charge like the Bushes and used as either spies or corporate sex slaves or both. They're typically pimped out on high priced loans to influential politicians as house boy and girls to ensure the puppets in Congress are happy and blackmail-able for control."

- Joachim Hagopian [14]

"The Masonic leadership of Freemasonry in a given area will have thousands of 'blackmail' files on essentially everyone of importance in their area. Upper echelon people such as judges, lawyers, and politicians are generally controlled via IRS infringements, and many of the lower echelon people are controlled through weird sexual items. This is where the Delta and [Beta](#) Monarch slaves are so helpful to the Illuminati. (This information comes from several witnesses who are informed about the blackmail files & their methods for blackmailing.)"

- Fritz Springmeier [16]

These people are already in power, and have set their system up so that nobody rises to a prominent, powerful, or influential position without being selected, extensively compromised, controllable, and usually under mind control. They are all 'in it together', and because of this they protect each other. Most have 'insurance' on one another.

"The most common phrase associated with that one was 'talk about the pot calling the kettle black', meaning that each Illuminati slave had been caught on camera and from an early age - doing something terrible - as Rimington was fond of saying 'we are all as bad as each other and all in it together.'"

- Ex MI6 [2]

"Oftentimes when I and others were prostituted to various government (New World Order) leaders, Dante had hidden cameras filming perverse sexual acts apparently for future blackmail leverage. These videos were scandalous in proportion and were usually ordered by Reagan. Dante turned the videos over to Reagan, and covertly kept copies to protect himself. Dante converted a small room of his Beverly Hills mansion into a security vault, where he kept his personal copies of the international blackmail porn tapes there. Blackmail was openly initiated to ensure that each criminal participant understood that if one fell, they all fell. Maintaining 'dirt' on each other through this Mafia-style method was seemingly the only way these criminals implementing the New World Order kept each other 'honest.'"

- Cathy O'Brien [3]

"The Watergate break-in was strictly based on one thing - the pedophile records that were being kept at the Democratic National Headquarters."

- Detective James Rothstein (NYPD, Retired) [6]

"In 1972, Rothstein arrested one of the five Watergate burglars, CIA operative Frank Sturgis. During a subsequent two-hour interrogation, Rothstein discovered the truth about Watergate (plus Sturgis' and the CIA's involvement in the Bay of Pigs incident, and the related assassination of JFK). Sturgis told Rothstein, the Watergate burglars sought something they nicknamed 'The Book' which listed the Democratic and Republican politicians who accessed

child prostitutes, their sexual proclivities, the amounts they paid to rape kids, etc."

- Fiona Barnett [6]

There are certain places known for this, two famous examples being Little St. James island or Bohemian Grove (there are many, many others).

"For those of you who are interested in Bohemian Grove and the current list upon the Internet of those poor unsuspecting 'invitees' who will be pressganged into going (and subsequently blackmailed out of their minds afterwards, by the Illuminati)...the entrapment going on at Bohemian Grove is of an avaricious and esoteric nature - in relation to all of those unlucky 'invitees' who want to join this 'prestigious club' but then get videoed doing things that they wouldn't want anyone to know about - 'guests' who are then subsequently blackmailed out of their brains...and for the rest of their lives. But then that was what the Illuminati cult and their Sat B'hai contract has always been about...promising that you would get everything for nothing (if you agreed to be unquestioningly obedient to the Crown) and that you would now be part of an 'esoteric' prestigious Satanic club."

- Ex MI6 [2]

"Numerous videos are covertly produced at the supposedly secure political sex playground in northern California, Bohemian Grove. High tech undetectable cameras use fiber optics, and fish-eye lenses were in each of the elite club's numerous sexual perversion theme rooms. I was programmed and equipped to function in all rooms at Bohemian Grove in order to compromise specific government targets according to their personal perversions. 'Anything, anytime, anywhere with anyone' was my mode of operation at the Grove. My perception is that Bohemian Grove serves those ushering in the New World Order through mind control, and consists primarily of the highest Mafia and U.S. Government officials. Project Monarch mind controlled slaves were routinely abused there to fulfill the primary purpose of the club: purveying perversion. Bohemian Grove is reportedly intended to be used recreationally, providing a supposedly secure environment for politically affluent individuals to 'party' without restraint. The only business conducted there pertained to implementing the New World Order, through the proliferation of mind-control atrocities, giving the place an air of 'Masonic Secrecy'. The only room where business discussions were permitted was the small, dark lounge affectionately and appropriately referred to as the Underground. The wooden sign was carved to read: 'U.N.DERGROUNd'. My purpose at the Grove was sexual in nature, and therefore my perceptions were limited to a sex slave's viewpoint. As an effective means of control to ensure undetected proliferation of their perverse indulgences, slaves such as myself were subjected to ritualistic trauma. Slaves of advancing age or with failing programming were sacrificially murdered 'at random' in the wooded grounds of Bohemian Grove, and I felt it was 'simply a matter of time until it would be me'. Rituals were held at a giant, concrete owl monument on the banks of the Russian River. These occultish sex rituals stemmed from the scientific belief that mind-controlled slaves required severe trauma to ensure compartmentalization of the memory. I witnessed the sacrificial death of a young, dark-haired victim at which time I was instructed to perform sexually 'as though my life depended upon it'. I was told, 'The next sacrifice victim could be you.' The club offered a 'Necrophilia' themed room to its members. I was so heavily drugged and programmed when used in the 'necrophilia' room, that the threat of actually 'slipping through death's door' and being sacrificed 'before I knew it' did not affect me. Other perversion theme rooms at the Bohemian Club included what I heard Ford refer to as the 'Dark Room'. When he not so cleverly said, 'Let's go to the Dark Room and see what develops,' I understood from experience that he was interested in indulging in his perverse obsession for pornography. In the Dark Room, members had sex with the same mind-controlled slave they were viewing in porn on a big screen television. There was a triangular glass display centered in a main through way where I was locked in with various trained animals, including snakes. Members walking by watched illicit sex acts of bestiality, women with women, mothers with daughters, kids with kids, or any other unlimited perverse visual display. I was once brutally assaulted by Dick Cheney in the Leather Room, which was designed like a dark, black leather-lined train berth. There was a room of shackles and tortures, black lights and strobes, an opium den, ritualistic sex altars, a chapel, group orgy rooms including poster beds, water beds, and 'kitten' houses. I was used as a 'rag doll' in the 'toy store,' and as a urinal in the 'golden arches' room. From the owl's roost to the necrophilia room, no memory of sexual abuse is as horrifying as the conversations overheard in the Underground pertaining to implementing the New World

Order. I learned that perpetrators believed that controlling the masses through propaganda mind manipulation did not guarantee there would be a world left to dominate due to environmental and overpopulation problems. The solution being debated was not pollution/population control, but mass genocide of 'selected undesirables'."

- Cathy O'Brien [3]

Blackmail (among many other covert operations) is also referenced using [hidden symbolic communication](#) in '[news headlines](#)' and other media used by intelligence and other groups.

"'Nuclear' is a comm used all over the world to symbolize extraordinarily explosive information, like blackmail. Which is why if we reconcile blackmail with news about nuclear, a secret truth will become clear. The two most powerful blackmailers ever? That would probably be Jeffrey Epstein and Hugh Hefner. And this is why the deaths of blackmailers like Hugh Hefner and Jeffrey Epstein both coincided with 'Nuclear Accidents':"

[08/09/2019 Is Putin covering up a Nuclear disaster?](#)

- 08/09/2019 = Russia Hides a Nuclear Accident!
- 08/10/2019 = CIA Blackmailer Epstein Dead
- 09/26/2017 = Russia Hides a Nuclear Accident!
- 09/27/2017 = CIA Blackmailer Hefner Dead

[09/26/2017 Nuclear explosion kept secret by Russia](#)

"Why are CIA blackmailers dying the day after Russia declares nuclear accidents? The reason for the -1 day in Epstein's case is they likely died before the official day, and these comms were to give agents a heads up on the upcoming BOOM before it hits papers. In Hefners case they had to signal people to move the blackmail. The point as stated is a lot of 'nuclear' is all about blackmail. Not all of it, but a lot of it."

- "Symbolic Communication" [9]

Blackmail is a worldwide 'practice', with all countries and their governments engaging in acquiring and utilizing it to the fullest.

"Just as the 1986 Mirano scandal, the X-Dossiers contain evidence that sexual blackmail operations, whoever is running them, are not limited to the United States. In 1996, X1 reported how the same activities had been going on in Brussels."

"As the bewildered Belgians tried to make sense of what was going on, incredible rumours began circulating that Dutroux might have been protected in some way, that he had friends in high places. Pornographic videos taken from his home were said to feature prominent individuals, one a senior member of the [Roman Catholic church](#). It almost defied belief. Who would protect a psychopath, other than people with something truly terrible to hide?... 'It is quite obvious,' said Katarin de Clercq, Belgian coordinator of the pressure group End Child Prostitution Abduction and Trafficking, 'that some people were protecting Dutroux. The government tried to convince us that he was a lone serial killer and psychopath, but now we hear stories about unnamed famous personalities being involved in sex orgies and blackmail and pornographic video tapes. People feel that something is completely wrong here and we have to show we will not tolerate it.'"

- The Reality of Protected Child Abuse Networks [11]

"I was unfortunate enough to attend the [IHS](#) Templar Castle rite in 2001. Amongst the people in attendance were: [J. K. Rowling](#). Gordon Brown. David Miliband. Stephen Daldry. Stella Rimington (she was the Dr. Mengele of the organisation, organising the torture and murder of kidnapped children). Dr. Joanne Collie. Andrew Marr (he spent most of the time naked and screaming - off his head on some form of narcotic). John Scarlett (he was so drunk/drugged up that he had very little idea of what was going on around him). The Templars had captured a large amount of people whom they called the 'snakes' i.e. slaves in a large dungeon underneath the castle. One brave person managed to set them free and the result in the neighbouring village of Mons and other places nearby, ensured that the British Army had to move in. Thus began the most incredible cover-up in recent European history. It was like WACO, Guyana. I was one of the 'slaves' taken at that castle but subsequently freed by the British Army (who also know what happened - a MASSIVE cover-up). The British Army ordered those in the Castle to come out. They then sent a tank in to bulldoze the walls. Prince Philip and Prince

William were in that Castle. Both of them had murdered countless tiny children in their rites. The British Army assembled watched as both walked out with large, dark, woven potato sacks over their heads. They were then bundled into a van and driven away. The name SPUDNIKS was coined because Prince Philip and Prince William had to exit the castle with potato sacks pulled down over their heads and bodies. The British Army present at the time - may or may not have had any idea who they were but the SIS general there, certainly did. They might have managed to cover it up regarding the ordinary soldiers there but the videotapes are now on sale worldwide. The whole event had been closely monitored for blackmail purposes."

The CIA also blackmails incestual/pedophilic parents for their children to use in trauma-based mind control slave projects like [MONARCH](#).

"My Uncle Bob, also implicated in manufacturing the porn, out of apparent desperation informed my father of a U.S. Government Defense Intelligence Agency TOP SECRET Project to which he was privy. This was Project Monarch. Project Monarch was a mind-control operation which was 'recruiting' multigenerational incest abused children with Multiple Personality Disorder for its genetic mind-control studies. I was a prime 'candidate,' a 'chosen one'. My father seized the opportunity as it would provide him immunity from prosecution."

- Cathy O'Brien [3]

"The expendables are the children of parents who were blackmailed into turning their children over to the CIA. This is all hidden by the power of the National Security Act. These are children, who have been sold by pedophile fathers, or pornographic parents. The programmers/masters program them with the expectation that they will be "thrown from the freedom train" when they get to age 30. (Freedom Train is the code word for the Monarch trauma-based mind-control. To be thrown from the Freedom Train means to be killed.) The CIA and the Illuminati are skilled at blackmailing parents to give up their children. They would watch the mail for porn. Pedophile and murderers who abuse their children are warned that they will go to prison for long lengths of time if they do not cooperate by selling their children into mind-controlled slavery. In return for the parent's cooperation, they provide rich financial rewards to the parent(s). It's clearly a case of 'if you don't cooperate you lose in life big time, if you do cooperate you win big time.'"

- Fritz Springmeier [15]

Blackmail is the glue holding all of the sick people in charge together, one of the top methods of control. **Blackmail, pedophilia, and mind control are how the world is really run.**

"Former CIA director William Colby giving advice to John DeCamp, urging him to quit his investigations into the Franklin child abuse affair:"

"What you have to understand, John, is that sometimes there are forces and events too big, too powerful, with so much at stake for other people or institutions, that you cannot do anything about them, no matter how evil or wrong they are and no matter how dedicated or sincere you are or how much evidence you have. This is simply one of the hard facts of life you have to face."

- The Reality of Protected Child Abuse Networks [11]

"Again, it's built in, entrenched foxes guarding the predatory henhouse that permeate all levels of government, military, courts, law enforcement, entertainment and news media, corporate global finance and education. With pedophile puppet masters controlling the pedophile puppet strings of blackmailed, compromised and controlled Western politicians, courts and law enforcement, their diabolical infrastructure has afforded them living above the law continuing to rape and kill our innocents for centuries."

Are you ready for some dark sh*t? Ok, here goes. There are threats far worse then death. If someone had this type blackmail videos they could for example threaten a person that if he does not do as he is told this would be shown to his wife and children, just before they are being tortured to death. Now that instance would be filmed and shown to the subject of the blackmail while he suffers the same faith. Threats of this magnitude would make ANYONE do as they are told.

I find it hard to believe that after everything that Hollywood has put out in terms of creative malevolence, noone seems to be willing to entertain the thought of truly horrifying ways of blackmailing people. I guess most decent people dont want to "soil" their mind with this type sic sh*t and i guess i respect that to a degree.
