An Horrific MEMORY OF ROBERT [who is our core]:

Hi everyone, I am Lauren, I am one of Robert [our core's] Protector Alters. Here below is a memory that had resurfaced.

One of our core's [Robert] nasty memories [1970s and 1980s] had resurfaced, as a child, he [Robert] was brought by his Mountbatten handlers twice a year to the Dutch Royals Child-hunting party's [1970s and 1980s] that they organized. The first time, Robert was brought to them he was about 8 years of age, that was in 1972 In southern Germany where they got a big swat of land. The Dutch Royal family had swat of land in southern Germany and parts of Belgium. Robert was brought to them as being Born high up in Upper-class Family as well. He was brought by his Mountbatten handlers as a possible reminder, if you don't do what we tell you, you could end up over there. The children in memories were between 9 and 14, and or 16. The number of Children being unleashed for the hunt were around 5 of them, so well Girls and Boys. The Girls and Boys were undressed naked, except like sports shoes similar as low model all-stars. On those Hunting party's, there were about some 30 a 35 plus foreign guests and some of the Dutch, Belgium and German Upper-class families. On one occasion Robert witnessed another girl who got married with one of the princes, one of the sons of former Queen Beatrice. Robert is still at times haunted by the screams of the child victims, when they are torn apart. Within the European Royal families, the Dutch Royals, has a more and darker 'Occultic' Powers than for instance the British Royal family of the Windsors.... Those parties has at it's attendees, members of the European Royal Houses, the foreign guests can be between 25 to 50 guests.

On different occasion Robert witnessed so well the 2 later wives of dutch Prince's of former Queen Beatrice, i think their names were Mabel and Laurentien, but both looked in a state of *MK Ultra Mind Control*. They were both teenagers as our core [Robert] when he witnessed them present at those Hunting Parties. I hope for their sake, that they don't have those horrific haunting Memories.... Seen the effect I notice they got on our core Robert...

On another occasion, one of the younger generation of House of Habsburg, used a fire flaming arrow, what killed one if the hunted child victim going up in flames. while some of the crowd were cheering!

The last time Robert [our core] was brought by his handlers, he was either 24 or 26 what should have been either 1988 and or 1990. *The Dutch Royal family is a much darker and more Evil family than their British Cousins of the House of Windsors..*

During those events, they made sure, it was our core 'Robert' that was out, and he couldn't switch back and forth between the different alter personalities. It was all part to traumatize and made him split even more... Robert also knew and was told that some of the participants were in daily lives such as M.D. Psychiatrist, Clinical Psychologists, Police Officers,

Police Commissioners Judges, and Lawyers/Barristers. He also was told he never could hide from them, wherever on Earth he ever would be.

Robert saw children *[Boys and Girls]* for the hunt from whites with Blond, Brown and Red *[Ginger]* coloured hair. As he also saw children from other ethnicity, not only white *[Caucasian]* Children. Robert as a empath, could sense the fear that the children had inside, even some where drugged up.. First time Robert was brought along was at age of 8.

One time Robert *[he was around 10]* tried to help one of those children. He was badly punished by 6 grown adults, that kicked Robert for a extensive period of times that he ended up with broken bones and ribs as his punishment, by his approval of his handler. Lauren and Co xxx

To everyone, I ask to Pray for the Victims, and for Justice being done. As well that those hunting parties will be stopped. As Robert *[our core]* says, he don't know if under current Dutch King Willem, those Hunting Parties still continues... Also we have to keep in mind that when they were younger, they to operated under MK-Ultra Monarch as our core Robert did. Please keep our core Robert Under prayers for his healing and even more under God's Protection. Amen! It's sad, that most of its 'Dutch' people are so ignorant about the true nature of the Dutch Royal family, and how much darker they are than their British Cousins... The Netherlands is a nice and beautiful country, very flat lol, but nice. Of course last time we were there is some 15yrs ago, so no doubt it also has changed a lot. The House of Orange has big parts of lands some 20 by 30 miles in various parts of southwest Germany, Belgium among other locals as well. This includes in different parts of Africa, where some of the Child hunting parties also took place and still taking place in our current time frame, where they do their Child Hunting Parties. Btw as *our core 'Robert'* says the death by *HRH Johan Friso*, wasn't accidental as he was planning to come out with certain devastating information. The more being shared, the better as we can increase the awareness on what level this Evil occurs beyond our Borders! Robert as a Child had spend extensive period of time, in Europe, seen his genetic connection to the House of Windsor and House of Mountbatten. his bio-mother was used as a incubator.. One of the things that Robert has been shown in Counseling by God and with clues of other Survivors, is that he belongs with others as part of a hidden offspring of a certain 'Bloodline' family line.

As Robert told us another consideration of those Hunting Parties and Rituals, is for the Bloodletting of the soil, that houses like those hidden lay lines of a Interdimensional Grid system around the globe. The more Rituals and killing, the easier those Gates can be opened from both sides, in both directions. They try to Corrupt what GOD the Father created for Good. But eventually they get what's coming during Judgment day, if they believe in it or not...

Thanks.

Sincerely Yours:

Lauren and Co xxx
