We featured a video of Natacha Jaïtt’s accusations on our blog several months ago (see below). Key time segments in the video are listed below:

- 4:13 – 7:07: Jaïtt directly states that Gustavo Vera is a pedophile and runs a trafficking network. And that he uses his organization La Alameda to shut down his competition.
- 8:49 – 9:51: Jaïtt recounts how Bergoglio saved pedophile priest Grassi and relocated him to a new area where he had access to vulnerable children.

**After her appearance on Mirtha Legrand's talk show and the resulting controversy over her accusations against Vera, Jaïtt tweeted, "Notice: I will not commit suicide. I won't be bought off or drown in a bath tub, nor will I shoot myself in the head. So, if that happens: I wasn't me. Save this tweet."**

Please pray for the repose of her soul.
