Ra-Hoor-Khuit! I invoke Thee!

O Thou who art shrouded upon the
sapphire of the ruby heart:-

Thee I invoke!

Thou whose head is as the Hawk's,
and thy wings as the night-sky
blue.

Thou whose disc is the glory of
the sun, wherein the Green Serpent
bath lifted up his head

Thee Thee I invoke

Thou who bearest in Thine Hand the
wand of Double Power

In whose other hand is the
sovereign and unattainable mystery

of Nothingness!

Three Three Three I invoke

Thou whose skin is of flaming indigo,
as if the Thirty Ethers were the
softness of thy pelt

Thou whose garments are of
green and gold, who hearest the
spotted roar of the fierce leopard,

O thou radiance of earth and
air, thou sun of brilliance,

Three Three Three Three I invoke!

By thy force in the sign of the
Ram of Heaven, I invoke thee
to dominate the worn illusion

Be thou bidden under foot, O
partial, O deceptive moon!

False moon! Be thy rays
whelmed in the ocean of darkness.

By the power & in the light of
Horns thou canst not shine,
nor shall thy delusive ray cast
its glimmer on the mind of
the seer.

For by this spell I bind Thee!

I bind Thee by this charm

By this Word of Myt I bind Thee!

2. Let the thought of the Seer be
traynil & free, like a fawn
that lies down in the forest-
glades virgin of all fear.

3. Let the Seer figure herself as
like unto the Sun in his splendour,
saying throughout IV "Appear on the throne of Ra"

4. The enchanter invoceth & becometh
Owor O.

5. [The talisman is on the altar, behind
which is the ^{of Horns} Δ of Art.]

6. The enchanter in the 4 quarters

7. makes a secret door into the
Houses of Ra, Tum, Khephra, &
Ahat hor, ^{E. W. N.} thus invoking the 4 elements

5. thus invoking the 4 elements

& balancing them.

a lodes of noon.

§. Hail unto Thee, O Ma, Goddess of
Truth and Justice!

Try Pan Piu See in Thy Scales
that thy feather be not
stirred by her breath!

Aye! if her invocation be not just to a hair;
if her knowledge be imperfect —
Now I see Thee, O glorious, planned
One; now I see Thee make the
Lgh - and now —

Candidate Seer is worshipping,

10. [Place hand on Seer's head,
figuring her as Oword & filling
her with Oword-force.]

11. Then appeareth the Light
in Darkness, and the
adoration is unto Vhephra.

11.
— 6 Thou Light in Darkness, who
Sheddest Thy Glory in the
Abyss, we adore Thee in our
midnight temple. Thou hast
lightened our darkness; thou
hast brought forth Knowledge
Thou hast appeared, though we
invoked Thee not.

Hail unto Thee that travellest
under Heaven in Thy Bark, O
Khephra; thou that ridest
through the heaven of Nut

in Thy strength; Thou that
hearest the head of the Beetle;
Thou that controll'est the
mysterious rites of midday.

We adore Thee and we invoke
Thee; we bow down before
Thee. Is there any of the Gods
like unto Thee, Our Lord?

Be graciously pleased to abide
with us in the darkness of earth,
making the ways light unto us,
untill we come unto the Everlasting
Kingdom of the Light, where the shadows

have no place, and the lamp
 of the Highest is exalted in
 the temple; until the gloom
 of the veil of Isis is dispersed,
 and the beauty of that hour
 is the delight of her servants.
