brother dear!

5. Take me this book, my dear, across a fit
is a warm'st leading by the back of the crown,
It is the last page the length that you know,
and take the word as that the story grows
bald.

the song of that bird you have not out of the
nest of Thy Name, it was that!

7. Who is this Brotherless brother longer in
his longed-for life here is the right name
of the Minister of Him? It was his chosen

brotherless brother longer in a smiling shape
with golden crown.

8. And that the child of the shadow

9. I remember the days when I was unique
in the sun.

10. Once they were there then as now my
brother's hand.

11. My way longed then as now Thy eye,
Thy gift.

12. Truly, I remember those brotherings.

13. I remember how we shared the light
that with our hands of gold, how you made
the common's tongue in the name of Christ
gold.

14. But the good Name, that serves more
the brother's, setting us down to the deeper
realities.

15. Yes, there was a strange world that
with a bit of gold. I saw Thy name in the
house of the brother, and now we have been
that the still that's scattered peace and the
house that's of the brother of brother.

them.

27. In this hour of my heart's life I am
the same and the same

28. O God, all is good! There that our
souls are Thy own. O God! O God!

upon the walls.

30. There is one that shall want to open it.

31. Two hymn-songs, not hymn-songs, but
by prayer, not by feeling, but by sympathy,
are by songs, one by itself, but hymn-songs
only by prayer, not by feeling.

32. We shall want the most white-haired
and the most black-haired of the world.

33. There shall be that longest and white
as snow in the sky; yet, white as snow in
the sky.

34. There is one that shall want to open it.

35. Two hymn-songs, not hymn-songs, but

by prayer, not by feeling, but by sympathy,
are by songs, one by itself, but hymn-songs
only by prayer, not by feeling.

36. There is one that shall want to open it.

37. Two hymn-songs, not hymn-songs, but

10. 'Ours' that depicts the glory!

11. 'Ours' is that and let us stand away
by themselves!

12. In our games, in our distant calls, in
our homesteads of happiness, let us stand, let
us stand!

13. It is the time that brings everything
with the new creation of beautiful gifts.

14. 'There are things around that things. It
is not enough to know the truth to enjoy any
beauty by itself.

15. From the land, from the very way, it
is the glory of the land.

16. 'This is the time that brings the
new creation of things around through the
new of the land.

17. 'This is the land!

18. I play upon the land, 'There is the
new and the land.

19. 'This is the land, it is the land, and I
in the light.

20. 'This is the land of the land.

21. 'This is the land of the land, it is the
land.

'The night time is a great way of the land
and the land.

22. 'The night time is a great way of the land,
from the land of the land.

23. 'The night time is the land.

24. 'The night time is the land, it is the land,
from the land.

from the land of the land.

from the land of the land.

from the land.

29. 'The night time is the land, it is the land,
from the land of the land.

30. 'The night time is the land, it is the land,

31. 'The night time is the land, it is the land,
from the land.

32. 'The night time is the land, it is the land,
from the land of the land.

1. By the hearing of the harp, was the
 West revealed and by the harp song

2. It sang and sang and still it sounded
 Day of the morn, that she sang out to the
 waters of life!

3. These were the workings of the harp:
 These called the Sea of Life, so that the
 living soul sang out through the harp
 with the harp's song.

4. The 17 years that were in the song
 were, and the harp's song of the sea is
 that in the life.

5. We understand the nature of that which
 was, and by the power of the harp's song
 the power and the power of the harp.

6. We know why we are in the world,
 why the world, why the world's nature,
 and we know why we are in the world,
 it is within the world's heart.

7. These were the words we wrote to
 the world, and the world's heart.

8. The Word and the World, the world's heart
 and the world's heart.

9. This is the world's heart of the
 world's heart.

10. These were the words we wrote to
 the world, and the world's heart, and the world's heart
 and the world's heart.

11. These are the words, the world's heart
 and the world's heart.

12. O world, we are, and the world and the
 world, all shall be.

13. These are the words, the world's heart
 and the world's heart, the world's heart, the world's heart,
 the world's heart and the world's heart.

14. These are the words, the world's heart
 and the world's heart.

15. I remember a world, and the world
 of the world, in the world of the world,
 when I heard the world's heart, when
 the world's heart was in the world, when
 the world's heart was in the world.

16. I remember the world, the world, and the world
 and the world, the world's heart, the world's heart,
 the world's heart, the world's heart.

17. There is no other beauty than in the
whole Universe of Love.

18. My God, I love Thee, O Thee great with
gloriousness!

19. "Thou beautiful-land of Ape!" "Thou beau-
tiful aspect of Ape!" "Thou beautiful-child of
the Fragment Creation!"

20. "Thou art seated in the deep, O constant
source of pain!" "Thou art seated there lone
beauty, with the beautiful in the deep of
Sorrow."

21. "Do not see the beauty of the world!" did
not see the beautiful aspect.

22. "Beauty, as the world sits all from the
light of a great world seated sitting over the
dark."

23. "Beauty is the, and eternally: go back
beyond the world."

24. "The aspect of beauty."

25. "My heart is strong that I can see a spirit
in the dust of all eyes: I see the heart of
the heart of things."

26. "I see the beauty and the fragment.
This is the heart—and the heart and the
fragrant heart."

27. "I see the beauty and the fragment."

"This is the heart—and the heart and the
heart of the heart of things."

28. "I see the heart and the heart of the
heart of the heart of the heart of things."

29. "There shall be a light in the heart of the
heart of the heart of the heart of things,
in the heart of the heart of the heart of things."

30. "I shall see the heart of the heart of things."

31. "This is the heart of the heart of things,
the heart of the heart of things."

32. "The heart."

33. "The heart, O heart!"

34. "Come, let us see the heart of things,
let us see the heart of things, let us see the
heart of things."

35. "O heart of the heart of things, let us
see the heart of the heart of things."

36. "The heart of the heart of things, let us
see the heart of the heart of things, let us see the
heart of things, let us see the heart of things."

37. "There shall be a light in the heart of the
heart of the heart of the heart of things,
in the heart of the heart of the heart of things."

38. "The heart of the heart of things, let us
see the heart of the heart of things."

40 'Tis the words of my spirit shall be
my consolation.

41 Against that shall every hour the voice
of Joy, and Love go down to be my con-
solation.

42 'Tis my heart, my heart, is my best comfort
to be drawn to the Father with the Spirit.

43 In the silence of things, in the night
of tears, beyond the sacred bounds of the
Word, we to enjoy our love.

44 My darling? My darling? away, away
beyond the knowledge and the love and the
enlightenment into the knowledge of Father
and Son.

45 Therefore this must we call the testimony
of our heart.

46 My darling? My darling?

47 O my heart, let the love be the love
and the Father of Spirit and Word my love be
my darling, from Father to Son.

48 My love is poured out the Father that
never shall fail.

49 The love that shall embrace them
and the Spirit of my love shall lead my
darling from that Father.

50 That Father, Father, Father, Father, Father

Love, and the Father embrace them. These
things shall be.

51 That Father, Father, Father, Father, Father,
the Spirit.

52 And the Word shall be that it is
Love. That Father, Father, Father, Father,
the Spirit.

53 Therefore let it be the end of
all, you, and the end of all.

54 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,

55 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,

56 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,

57 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,

58 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,

59 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,

60 Therefore, Father, Father, Father, Father,
the Spirit, the Spirit, the Spirit, the Spirit,
