

# Tesseract Rite

☉ in 𐤊

☽ in 𐤌

000. This rite has for goal to create a new universe manifested through the catalyst that is the tesseract (four-dimensional hypercube) via the magician.

00. For anyone who hasn't balanced their unconscious nature and made clear, the understanding of 2=0 within themselves. Walk away now, for there is no turning back.

0. Clear thy mind of any preconceptions.

1. Let the magician enter a state of profound focus and clear mind. Utter thy Will as thou see fit. Make your intent clear by uttering this phrase

"I have closed my abode and I swear to complete this operation in time and space, let none disturb me. May I be illuminated that I might do my Will"

2. Let the magician meditate on the first concept, being **Macrocosm – Without – Nuit**, all encompassing. See thyself surrounded by **Space**. Completely dark and abyssal space.

This space is empty of dimensions. Thou art void. Thou are the Fool. Aleph 𐤀

Vibrate the word of power **AB**<sup>1</sup>. Say **Aleph**.<sup>2</sup>

3. Let the magician meditate on the second concept, being **Microcosm – Within – Hadit**, All penetrating. This space has no dimension yet. It is symbolized by a **Point**.

Visualize a **Point (1)** in void. Thou art the Magus, Tahuti who proclaims the Word of Ra. Beth 𐤁.

---

<sup>1</sup> AB relates to the Macrocosm, and means Heart in Egyptian.

<sup>2</sup> Meaning: Ox. Sphere: Air. Geometry: Space. Rite/Place: **Holy of Holies**

Visualize a second **Point (2)** in void. Thou art also Gimel **ג** the Priestess of the Silver Star. Both points being lunar in essence.

Visualize a dotted line between them that represent the potential of their child yet to be conceived.

Vibrate the word of power **BA**<sup>3</sup>. Say **Beth**<sup>4</sup>

4. Let the magician meditate on the third concept, being the **Line – Breadth – Child**. This is the innermost Space (Secret). The child of Microcosm and Macrocosm. It is symbolized by the **Line**. This is the first dimension, X. Daleth **ד** the Door<sup>5</sup>, the highest horizontal path. The Empress opening the way to the first dimension.

Visualize the dotted line being filled, becoming one single hard **Line**. Thou art the gateway, only via the influence of the connection between the male and female pillars may they who would enter come. Only when wisdom is understood. Only then can the keys of the Magus and the Priestess be grasped.

Vibrate the word of power **AIWAS**. Say **Daleth**<sup>6</sup>

5. Let the magician meditate on the fourth concept, being the **Square – Height – Temple**. This is the Temple on a plane. It is symbolized by a square being the floor of your temple. This is the second dimension Breadth and Height, X and Y. Cheth **ח**. The fence and the chariot.

Meditate on the **Square** as the floor of your temple showing

*Aleph in the center of a square formed through Zain. Daleth to the North between two circles that are colored blue and yellow representing pillars, Heh to the East, Vau to the West, Zain to the south the pillars of Gemini and the sword symbolism indicate the entrance.*

---

<sup>3</sup> BA relates to the Microcosm and means Soul in Egyptian

<sup>4</sup> Meaning: House. Sphere: Mercury. Geometry: Point. Rite/Place: **House of God**

<sup>5</sup> This is also 78, AIWAS. See 8<sup>th</sup> aethyr Liber 418.

<sup>6</sup> Meaning: Door. Sphere: Venus. Geometry: Line. Rite/Place: **Pylon and Door**

Vibrate the word of power **ABRAHADABRA**. Say **Cheth**<sup>7</sup>

6. Let the magician meditate on the fifth concept, being the **Cube – Depth – Anteroom and Pool**. This is the solid three dimensional antechamber. Breadth, Height and Depth. X, Y, Z. This is Nun **𐤊** symbolized by death (Depth) and the fish. This cube is the well of initiation, it is **NU** and **ON**, Bride of Hadit, Mistress of Death. Meditate on the Knowledge of death as the Knowledge of life.

Visualize the previous square and form it in the shape of a cross on the plane surface. Fold it into a cube with you inside. Death and rebirth.

Vibrate the word of power **NU** and **UN(ON)** as **NUN**<sup>8</sup>

7. Let the magician meditate on the sixth and final concept being the **Tesseract – Time – Universe**. This is the final manifestation of the hyper geometric shape. The fourth dimension **Time**. Breadth, Height, Depth and Time, X, Y, Z, T. This is Tau<sup>9</sup> **𐤊** symbolized by the Universe. Thou hast now built the first step to create the dimension Time.

Visualize the previous cube and form it as a hyper cross. This is the unfolded tesseract. Thou shalt now utter the Will you want to infuse within the universe which you will manifest, before folding it into the **Tesseract**.

In order to fold the eight cubes into the fourth dimension close the Tesseract, actualizing the intent that was present at the beginning.

Say “Tav, the Key of Life, the Universe we create.” The two become one.

---

<sup>7</sup> Meaning: Fence. Sphere: Cancer. Geometry: Square. Rite/Place: **Courtyard and Fence**

<sup>8</sup> Meaning: Fish. Sphere: Scorpio. Geometry: Cube. Rite/Place: **Priestess**

<sup>9</sup> Meaning: Tau. Sphere: Saturn. Geometry: Tesseract. Rite/Place: **Priest**

Vibrate the word of power **TA** and **AT**

The first name opens the plane, the second invokes its presence or essence

These are the Names by which the dimensions of the Macrocosm, Microcosm, Breadth, Height, Depth, and Time are opened and closed. Remember that when you close you are left with the essence of your operation.

8. Meditate upon this and observe your universe for minutes, hours, days, weeks to come.
