4^o Instruction

The Knowledge Lecture
Being Liber CCCXLVIII
Liber Hoor

1. Verily and ABMN, thus it is written that the Mother – None – covers the Father – All.
2. And gladness blooms forth as It cries; “Pan is Nuit!”
3. Holy, Holy, Holy unto seven times did the horned Cerastes prey for thy sweet poison.
4. And loving, didst thou, with softness and thorns, cover the birth and the life of him with thy All and None?
5. Joy! Rejoice! HIRLU! HIRLU! HIRLU!
6. So didst that Hawk of Emerald’s cry echo from canyon to canyon.
7. And healing, didst Thou, with wind swept sand and billowing water, cover the death and continuance of him with thy All and None?
8. Joy! Rejoice! HIRLU! HIRLU! HIRLU!
9. And so didst that Hawk of Gold’s shrill, sweep silence from dune to wave.
10. And when the word is spoken; and when the downward crimson Triangle hath become the Cup of Her.
11. My Heart Sings thus:

White Lotuses tilt
Toward yellow sun
From the long blue water
And the dark lake bed.

White Lotuses tinged
Red and gold
From the crimson setting
Of the Orange-gold sun.

White Lotuses tinged
Orange and violet
As the blue-violet vault ignites:
Cover Us Lady of the Stars! – Unto Thee!

12. And Further did He bid me Speak of the Secret Name of Him. See there, in the number of this book; three hundred and forty eight: So does the Secret name of Him number. Mark Well the Glyph Worthy Brother, Worthy Sister, for it is the True Name of the Lord Initiating.

13. Now is His Name known to you and the use thereof shall be thus: When the Priest and the Priestess of Hoor are Conjoined, they naturally Will Initiation, so let that conjunction find them chanting:

“Brother and Sister conjoined
we Will to Speak His Name
in our abandonment unto
this might rush
of Flame.
Whisper it softly
Unto each other
Beloved as We
Are flooded
With the Kisses of the Stars.

Notes on Liber CCCXLVIII

Liber Hoor

Confidential

To be distributed to Fourth Grade Members of HOOR only.

Here is an "how to" guide on the use of Liber HOOR. Remember that only fourth grades are to have any access at all to these seven numbered points. This is not to be discussed with anyone else. Consider it as private and confidential as the ritual itself.

1. Identify your partner as a Fourth Grade, you know how to do this. (This is supposing that you are attracted and have determined that you will have sex with each other... otherwise it is of importance only so that you do not reveal secrets of the Order to someone who is not privy to those secrets.)
2. Choose the place for the operation and burn the incense of HOOR i.e. Dragon's Blood. (Note this operation can be performed in the NDR as long as 1. the Master of the Lodge is at least a Fourth Grade, 2. the Master of Lodge is informed of your intent to use the NDR for this rite and 3. The Master of the Lodge agrees to let you use the NDR for that purpose.)
14. Banish using the sealing & 25. Then perform the preliminary arousal.
15. Read the text to the end of v. 12 (you may alternate verses or read them together). Note: v. 13 is an instruction on how to use the quoted chant that ends the text. Therefore v. 13 itself should not be read or recited but its instruction follows. The chant is the part starting with "Brother" and ending with the word.
5. Initiate sex; female superior is best but that is not a hard and fast rule. Upon penetration, the couple should say the first line of the conjuration. "Brother" to the first period. They should fix their minds on the sigil which is the letters forming the downward triangle in v. 12.
6. When one partner is getting close to orgasm he or she should say the first line of the second sentence as a cue to their partner that they are nearing orgasm. That partner should say the second line of the second sentence of the chant when they are nearing orgasm. Thus they may gauge their levels of excitement so that they may time their simultaneous orgasm with the final word of the chant.
7. Upon completion of the rite the partners should not use the combined sexual fluids for any purpose whatsoever. The ecstasy of the mind is all that is important in this rite. The use of the sexual fluid is work for a much later Grade and is forbidden in this rite.
