That's about 30 items. New texts have been added to the acquisition list, but I'd like to get as many as possible before I write one up – last time I managed to grab Kali Kaula within about an hour of writing the last list. Most the new acquisition texts come from Study of Merkabah and Hekahlot Lit. in English.

Love is the law, love under will.

Fraternally,

Frater Kynocephalos
